## INSTRUCTIONS FOR 2017 - 2018 OCCUPATION TAX RETURN

Enclosed are the forms for filing your 2017-2018 Occupation Tax Return. **Please read the instructions and look over both sides of the forms, carefully, before you start. This form must be completed in ink or typed. Upon completion, please be sure the form is signed and dated at the bottom.**

The header of the imprinted form will have preprinted information as to the location, the billing address, the name of the business, and the dominant NAICS (North American Industry Classification System) code of the business. The dominant NAICS code that is pre-printed on your return identifies the dominant line of business from which the greatest amount of revenue is derived. **We are required by the State of Georgia to have the business' FEIN or the principal's Social Security Number listed on the Occupation Tax Return; the Business License will not be renewed without it.**

### PLEASE NOTE

*Business license renewal is from January 1, 2018 to April 1, 2018. The due date is April 1, 2018. If return(s) and payment are not filed and paid by the due date, a 10% delinquency penalty will be assessed on any amount of delinquent occupation tax, administrative fee or regulatory fee due and interest will be assessed at the rate of 1.5% per month or any fraction thereof on any amount of delinquent occupation tax, administrative fee or regulatory fee due.*

***The enclosed Request/Renewal Form For Business License, SAVE Affidavit (with your secure and verifiable document) and E-Verify Private Employer Affidavit must be completed, signed and submitted with your Occupation Tax Return before a business license can be processed and issued for the year 2018. Please be advised your signature must be notarized on the SAVE Affidavit and E-Verify Private Employer Affidavit form.***

***If there is a balance due upon the completion of the Occupation Tax Return, the balance due must be remitted with the Occupation Tax Return.***

*For any business physically located in Columbus, Georgia, a Certificate of Occupancy is required if you change or add an activity to your business or change the name or location of your business. Please contact the Inspections and Code Division office at (706) 653-4126 for information on obtaining a new certificate of occupancy for any changes made to your business activity, business name or business location. In addition, other approval notices, permits, or clearances may be required from other City Departments and State or Federal Agencies for any changes in business name, business location or business activity. Please contact the Occupation Tax Section at 706-653-4100, option 1 to determine if other approval notices are required.*

***If you went out of business last year and do not intend to continue your business operations this year, you still must complete and file an Occupation Tax Return (Column A) and pay any occupation tax that is due. Also, please make sure you notate the date your business closed on the return.***
