## Fiscal Year 2016 Operating Budget

*UNAUDITED : For Discussion Purposes Only  
This document is not intended to be used in  
lieu of the Budget Ordinance(s) or the audited  
Financial Statements of CCG.*

**COLUMBUS GEORGIA**  
Consolidated Government

*THIS DOCUMENT IS NOT INTENDED FOR USE IN LIEU OF THE COMPREHENSIVE ANNUAL FINANCIAL REPORT, THE ANNUAL BUDGET ORDINANCES LEGISLATIVELY ADOPTED BY COUNCIL, OR ANY OTHER OFFICIAL OR LEGAL DOCUMENT THAT MAY EVIDENCE THE ANNUAL OPERATING BUDGET OF COLUMBUS CONSOLIDATED GOVERNMENT.*

Columbus Consolidated Government has made every effort to ensure the accuracy and timeliness of the data included in this Operating Budget. However, this Operating Budget document has been internally prepared by the Financial Planning Department using data available from CCG financial systems and other sources. The data contained herein has neither been subjected to external audit nor the rigorous testing that would typically accompany such an audit, and therefore use of or reference to any information contained in this Operating Budget, or any of its accompanying documents, should be for **discussion purposes only**.

This Operating Budget documents the appropriation of the FY2016 Operating Budget that was adopted by legislative action by the Columbus Council, which enacted Ordinance(s) on *June 16, 2015*. While the Financial Planning department is involved in the documentation of the Operating Budget, authority to legislatively appropriate funding for all departments, enterprise funds, agency affiliations, and/or component units of CCG rests solely with Columbus Council.

For information regarding CCG that has been audited, please refer to the ***Comprehensive Annual Financial Report (CAFR)***. For information regarding legislatively adopted funding, please refer to the Ordinances adopted by Columbus Council on *June 16, 2015*.

## FY2016 BUDGET REVIEW SCHEDULE

DATE	TIME		
March 31, 2015	9:00 a.m.		Presentation of the FY2016 Mayor's Recommended Budget
April 7, 2015	3:00 p.m. - 5:00 p.m.	Prior to Proclamation Meeting	Overview

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished  
Budget Presentation  
Award*

PRESENTED TO

**Columbus Consolidated Government  
Georgia**

For the Fiscal Year Beginning

**July 1, 2014**

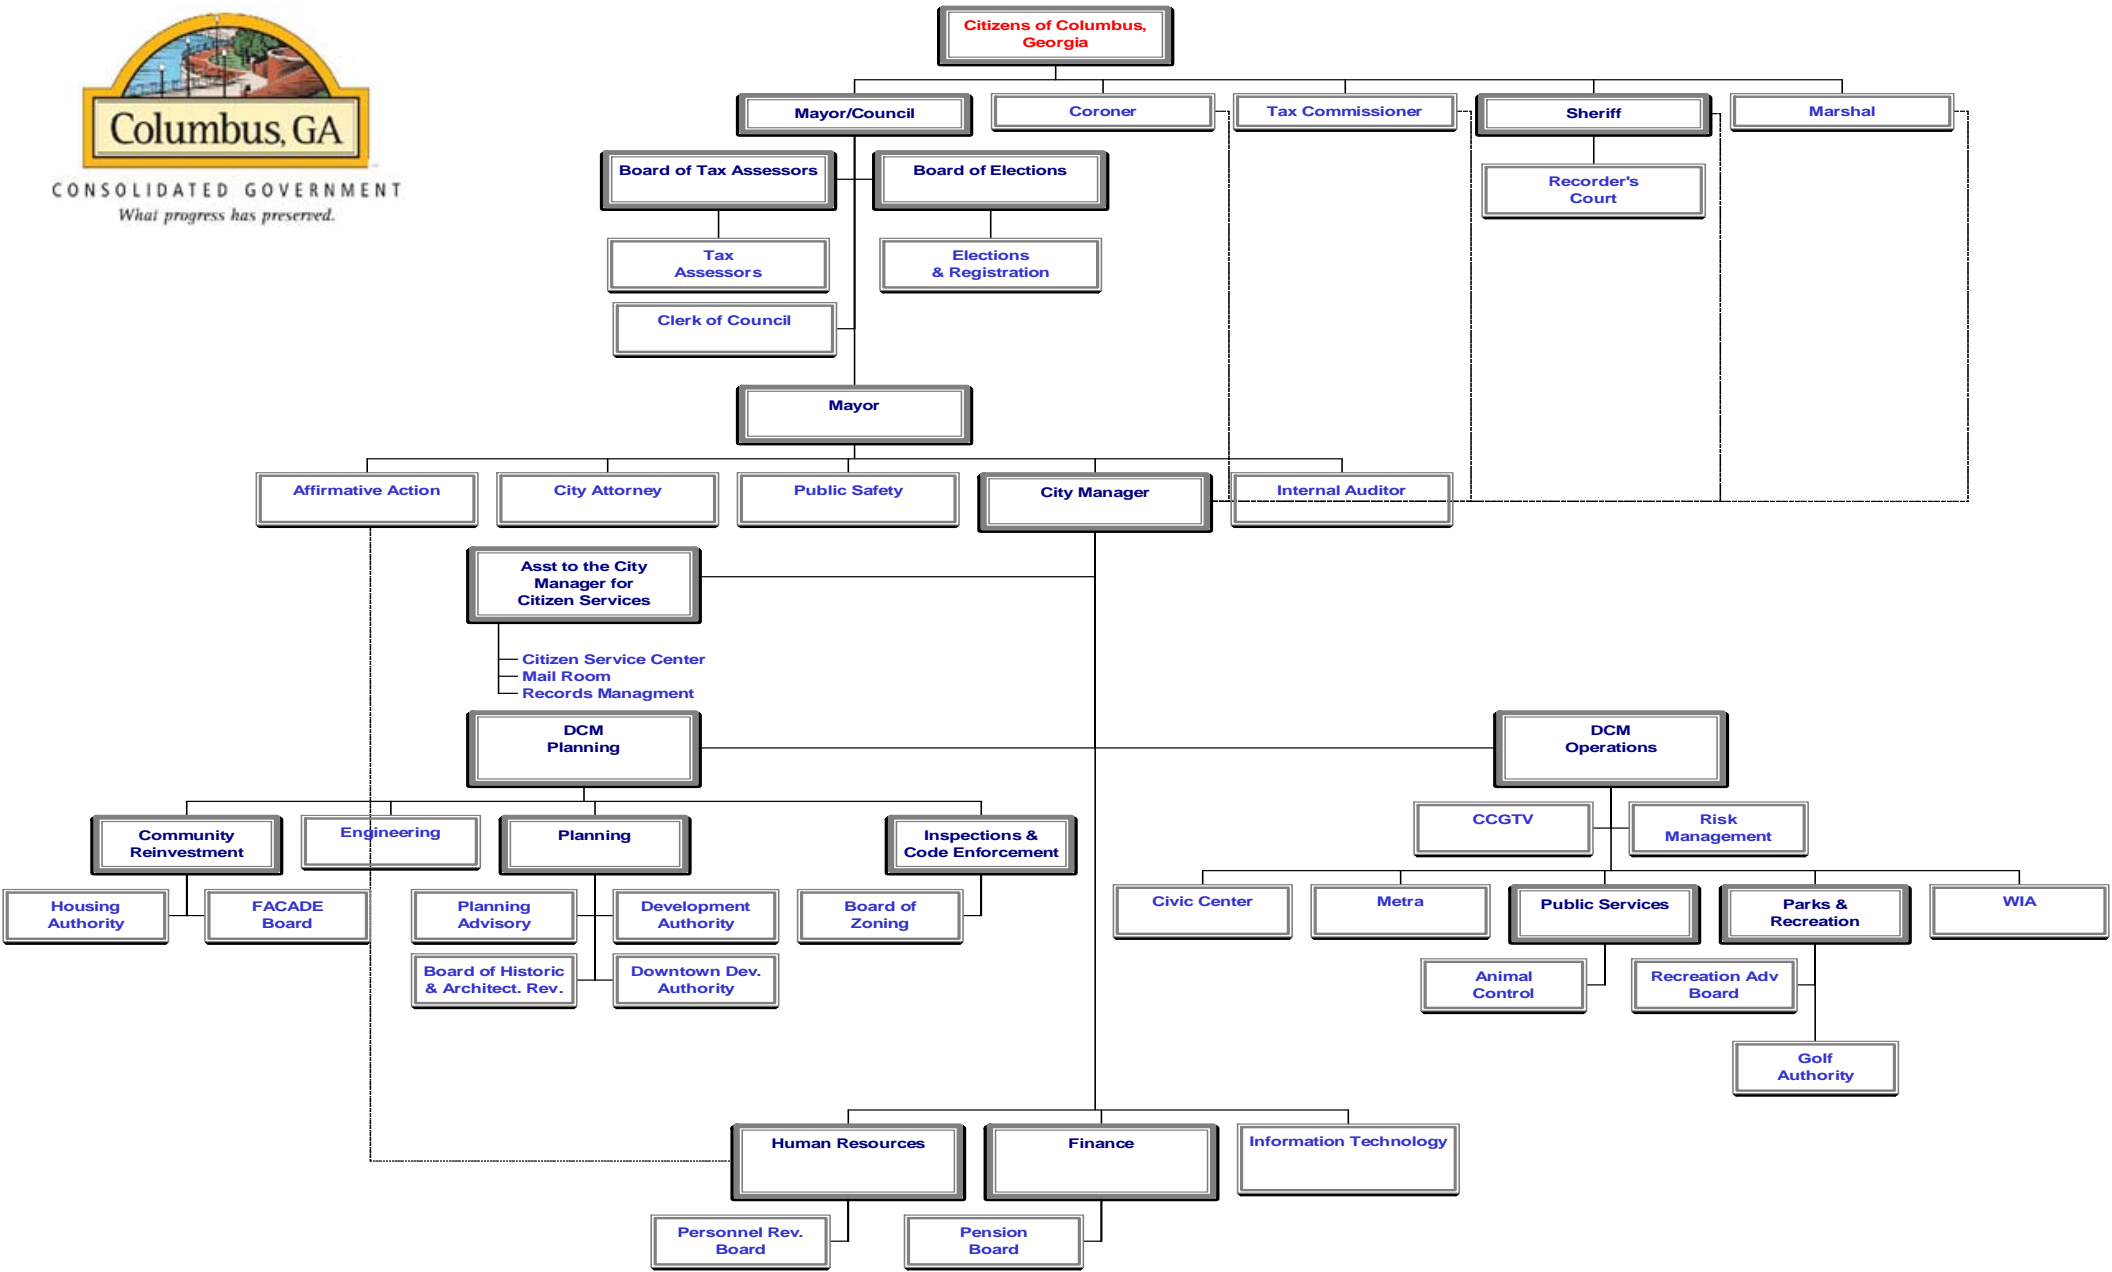

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Columbus Consolidated Government, Georgia for its annual budget for the fiscal year beginning **July 1, 2014**. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

July 1, 2015

RE: Fiscal Year 2016 Adopted Budget

Dear Citizens of Columbus, Georgia and City Councilors:

The Adopted Budget is the culmination of many months of data/information collection and fiscal policy assessment. The process that led up to this year's budget adoption is one that takes place over many months. It involves numerous meetings with department heads, office holders, and Columbus Councilors and is led by executive management staff to include the City Manager, Finance Director, Deputy City Managers, Human Resource Director and Budget Analysts. The submission of a budget to our Councilors is expressly recognized in Georgia as the "initial budgetary policy-making function" of the elected chief executive official (the Mayor) of the Columbus, Georgia Consolidated Government (CCG). The Mayor's submission is required to be accompanied by a budget message from the Mayor containing explanations of general fiscal policies, explanations of major changes recommended for the next fiscal year, a general summary of the capital and operation budgets, and other information deemed appropriate for Council's consideration.

The budget submission also incorporates, synthesizes and balances all revenues, budgetary requests, data and information necessary to set the fiscal policy of CCG and proposes a budget for all departments, divisions, elected offices, authorities and commissions funded by the taxpayers of this jurisdiction. The Mayor's budget submission, in and of itself, has no force or effect; it must be reviewed, debated, deliberated upon, modified, amended, and/or adopted by a majority vote of the CCG legislative body - the Columbus Council. Based upon these principles of our local government, it is my honor and privilege to present the Adopted Budget for FY 2016.

## **I. Laying a Firm Budgetary Foundation:**

Over the past several years, CCG has done the hard work of getting our financial house in order. We have had to face persistent reductions in our local revenue and reserves due to state mandates and revenue exemptions, the years-long recession and the unexpected \$11.3 million budget overruns in the Sheriff's Office. Those realities have required us to change the way we do business, to recalibrate the services we provide our citizens and to address certain systemic inefficiencies within the CCG government because we simply could no longer afford to avoid the reform. Those realities also have resulted in a General Fund revenue crisis, while other dedicated or restricted

funds of CCG are fairly stable. In Columbus/Muscogee County, our General Fund revenues are made up of unrestricted funds, including our property tax revenues, our Local Option Sales Tax (LOST) revenues, our Other Local Option Sales Tax (OLOST) revenues and other unrestricted license fees, fines, etc. Even though our OLOST revenue is General Fund revenue, indistinguishable under the law or accounting principles from other General Fund revenue, our local government tabulates our OLOST monies separately for purposes of the transparency promised in the OLOST referendum. These funds were promised to be spent 70% for Public Safety and 30% for infrastructure, and this promise has been strictly kept.

Pursuant to Resolution No. 224-11, CCG is required to maintain enough unrestricted revenue in our General Fund Reserve to run the city/county for 60 days. Below is a summary of the impact the foregoing budget factors have had on our General Fund Reserve days:

<b>GENERAL FUND RESERVE DAYS</b>						
	<b>FY11</b>	<b>FY12</b>	<b>FY13</b>	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
	<b>Actual</b>	<b>Actual</b>	<b>Actual</b>	<b>Actual</b>	<b>Projection</b>	<b>Projection</b>
<b>Traditional Funds</b>	79.84	71.57	68.73	38.33	28.32	27.48
<b>OLOST Funds</b>	6.30	5.25	5.35	16.88	32.94	32.77
<b>Total General Fund Reserve Days</b>	86.14	76.82	74.08	55.21	61.26	60.25
<b>Value of 1 Day</b>	\$414,861	\$428,774	\$420,001	\$408,126	\$413,407	\$415,672

Here are some of the difficult decisions we have made to reverse this course:

- We unanimously passed comprehensive Pension Reform, which has thus far saved taxpayers \$2.7 million;
- We implemented comprehensive employee healthcare reform saving the taxpayers \$4.5 million a year, while still providing value to employees;
- We renegotiated a decades old contract with our partners at the Medical Center to save hundreds of thousands of dollars a year;
- We reduced city subsidies to third-party affiliates by over \$800,000 a year since FY2011;
- We have increased user fees throughout the CCG government where appropriate;
- We have launched a recycling effort that has returned approximately \$60,000 per month to CCG and has postponed the impending cost of closing our landfill; and
- We have thus far avoided broad scale layoffs or furloughs of city employees, though we have reduced through attrition and defunding some \$1.34 million in city employee positions and benefits costs over a three year period.

These efforts to reform city finances have had a positive effect on the financial viability of this city, though it has placed increased burden on our employees to maintain our current level of city

services with less. We also deferred tens of millions of dollars in maintenance and capital expenditures for equipment, primarily garbage trucks, lawn mowers, fire trucks, ambulances, police cruisers and undercover vehicles.<sup>1</sup>

Just last year we faced the prospect of laying off 100 to 120 employees with severe impact on our city services. Because of the leadership and teamwork of our legislative and executive officials, those 100-plus jobs were saved and nearly 12 days, or some \$5 million, were added back to our dwindling General Fund Reserve, only to have the goalpost moved by the new application of a municipal accounting principle. This change in accounting application and the resulting reduction in our Reserve brings us back down perilously close to our required 60-day threshold necessary to fund CCG and meet our obligations. Had we not made the significant financial changes we did over the last four years and this new principle been applied, the effect would have been devastating for our city, our employees and our citizens.

However disheartening this move of the financial goalpost, it gets us closer to a truer number of where we actually are and what monies are available for our use and benefit. Regardless of the new playing field, our recent history tells us: 1) that we have the necessary leadership to steer Columbus through this fiscally challenging time; 2) that our tough decisions have worked; 3) that we can solve these issues; and 4) that we have another tough year ahead of us.

## **II. Budgetary Path Forward:**

### **A. Revenue Expectations**

The FY 2016 Adopted Budget is based on revenue expectations of \$264 million. We predict a 1.5% increase in the CCG property tax digest putting gross property tax revenue at \$77 million. Local Option Sales Tax (LOST) FY2016 revenue is expected to be \$35 million and Other Local Option Sales Tax (OLOST) revenue is expected to be \$34 million, for a total FY2016 sales tax revenue of \$69 million. Occupancy tax, licensing fees, and other miscellaneous revenues account for the remaining \$118 million of the FY2016 adopted budget.

We are hopeful that our efforts to update our Tax Assessment system will provide a better structure going forward for improved, and more accurate, property tax revenues. We work to protect our sales tax revenues from state legislative bills that attempt to usurp county funds or provide broad, costly exemptions. We also work to make certain that the state sales tax remittance distribution system is fair and reflective of revenues actually collected in Muscogee County. And,

---

<sup>1</sup> It should be noted, however, when dire circumstances have arisen, we have found a way to cover "must haves" such as the replacement of the Burn Tower for Fire/EMS training; replacement of our Public Safety Motorola Radio System; an upgrade of the fire alarm system and security cameras for the Muscogee County Prison; and investments in a state-of-the art record management system for the Columbus Police Department and a new assessment software for our Tax Assessor/Tax Commissioner.

we are proposing a referendum ballot effort to “thaw” our residential homestead property valuation freeze in November 2016, which Freeze system denies us the benefit of our growth.

We have not sat idly by and accepted our flat revenues over these past many years. We will continue to work to enhance revenues through growth and other fair, transparent means.

## **B. Addressing Systemic Budget Issues**

### **1. Pension Costs**

This year’s Pension contribution will be \$18,180,671 for both our General Government Pension Plan (\$5,843,267) and our Public Safety Pension Plan (\$12,337,404). Had we not adopted this important reform, our FY2016 contribution would have been approximately \$542,455 more. Thus far we have saved \$2.7 million due to our pension reform and are positioned to save approximately \$28 million over a 15 year period. In addition, our Pension Fund has grown stronger. Our Public Safety Pension is now 80% funded, while our General Government Pension Fund is 87% funded. Our combined pension plan fund stands at \$371 million.

Next year our Pension Board will most likely recommend a shift away from the 1994 mortality table we currently use to a mortality table published later than 2000 in order to calculate our annual pension contribution. Life expectancies are increasing, and our pension must be well-funded to support these increased expectancies. We will need to find several million dollars in our FY2017 budget for the anticipated increased pension contribution. Given our stagnant revenues and other budget demands as set forth herein, we must begin planning now for this significant budget issue.

### **2. Healthcare**

As healthcare costs continue to rise throughout the country, we at CCG have taken pro-active steps to ensure that our self-funded healthcare plan remains a value for both our employees and our taxpayers. We have started a Health and Wellness Clinic Plan, while providing HMO and PPO plans. Though many of the necessary adjustments made in FY2015 to keep our healthcare plans stable only went into effect January 1, 2015, we believe these efforts will moderate healthcare cost increases. We continue, however, to consider other potential efficiencies and opportunities for savings:

- We proposed a new Pharmacy Benefits Manager, saving CCG an estimated \$800,000 per year.
- We spoke with post-65 year old retirees about the possibility of entering into private healthcare exchanges to increase their options and to reduce our costs. This effort was not completed prior to the adoption of the FY2016 budget. We do hope to continue this discussion and perhaps bring a proposal forward for Council discussion and a possible effective date of January 1, 2017.
- Last year Council ratified the longstanding policy that CCG share the cost of healthcare with our employees in a 70% (CCG)/ 30% (active employee) split. Given the increase in

healthcare cost this year, the 70%/30% split will result in employee healthcare contribution adjustment estimated to be between \$3-\$10 per paycheck depending on the plan the employee has selected. The increase for CCG was adopted last year and those costs have been adopted into the FY2016 Budget.

- In order to assure the lowest, competitive administrative fees associated with our healthcare plans, CCG has advertised a competitive Request for Proposal. This competitive bid process has resulted in efficiencies and savings, which are passed along in this adopted budget.

Controlling healthcare costs and servicing the healthcare needs of our employees is a major priority for CCG. These efforts are daily and year long. We will continue to look for improvements.

### **3. Renegotiation of Medical Center Contract**

The CCG agreement with the Columbus Regional Medical Center for indigent and prisoner healthcare was entered into in 1992. By its original terms the agreement expires in 2022, and few believed amendment of the agreement was possible. Perseverance and partnership won out in the end and on July 1, 2014 our decades long contract with the Medical Center was amended so that:

- CCG only pays 3 mills on property taxes actually collected as opposed to the value of the entire digest.
- CCG can recoup 50% of any surplus if the discounted cost of the care provided to indigents under the agreement does not exceed CCG's total payments under the contract.
- CCG is now receiving a value of \$1,000,000 of prisoner healthcare for free as opposed to just \$500,000, due to a negotiated 50% discount on the billing rate.

Due to the contract amendment we have saved \$300,000 in FY2015.

### **4. Reduction in Payments to Third-Party Affiliates**

Since FY2011, we have decreased General Fund subsidies to third-party affiliates by \$882,850 per year:

<b>Discretionary Third-Party Appropriations</b>						
	<b><u>FY11</u></b>	<b><u>FY12</u></b>	<b><u>FY13</u></b>	<b><u>FY14</u></b>	<b><u>FY15</u></b>	<b><u>FY16</u></b>
Health Department Services	813,475	813,475	813,475	650,780	502,012	502,012
DFACS	90,000	90,000	80,000	62,400	48,135	41,500
Keep Columbus Beautiful	80,784	72,706	72,706	64,628	49,854	-
New Horizons	234,823	234,823	234,823	187,858	144,932	144,932
Uptown Columbus	81,000	72,900	72,900	58,320	44,988	44,988
Literary Alliance	16,200	14,580	18,822	-	-	-
Naval Museum Subsidy	300,000	250,000	200,000	175,000	135,000	-
<b>TOTAL</b>	<b>1,616,282</b>	<b>1,548,484</b>	<b>1,492,726</b>	<b>1,198,986</b>	<b>924,921</b>	<b>733,432</b>

We transferred the Literacy Alliance to the more appropriate funding source of our Crime Prevention grant program. We have weaned the Naval Museum from the CCG coffers over a four-year period with the help of its Board and our partners at the Columbus Convention and Visitors Bureau. After reducing its subsidy nearly 50% over the past several years, the adoption of this budget moved Keep Columbus Beautiful to our Integrated Waste Fund in order to directly align it with its closest CCG partner.

For FY2016, we kept the remaining affiliates' funding rates at the same level as FY2015 with the exception of the Department of Family and Children Services (DFACS). We will also continue to work with our partners at Uptown, Inc. to discuss an alternative to it being funded from the strained General Fund.

### 5. Enterprise Funds, Authorities, and Mandates

Each year we are faced with having to subsidize some of our Enterprise Funds, Authorities and Agencies. Some subsidies are directed by law, such as our payments to the Health Department, the River Valley Regional Commission, and Airport Authority. Other subsidies are made as loans or as temporary bridges to get the entity over difficult financial challenges. The FY2016 adopted subsidies for funds, authorities or agencies are:

<b>FUND/AUTHORITY/AGENCY</b>	<b>ADOPTED FY2016 SUBSIDY</b>
Civic Center Enterprise Fund	\$200,000
Golf Authority	\$300,000
Parking Management Enterprise Fund	\$135,273
Airport Authority	\$40,000
Health Dept. Rent	\$318,595
River Valley RDC	\$202,824
<b>TOTAL</b>	<b>\$1,196,692</b>

Our management team is working to mitigate these subsidies and to make proposals to Council to alleviate the subsidy burden on our General Fund. For instance, the Civic Center has done a tremendous job of reducing cost overruns and improving revenue, even in the face of the addition of a new ice rink, which we knew from the beginning would be a financial struggle. The Civic Center leadership has worked diligently to mitigate costs, engage in creative partnerships, and re-think the revenue model of the public assets with which they have been charged. Others, however, have struggled either due to a lack of innovation, a lack of community consensus or lack of political will to make the changes necessary to reduce or end the annual subsidies. Some of these subsidies in the aggregate amount to millions of dollars over just the past few years.

In a time when we are struggling to maintain employee positions, pay and benefits, and essential capital investment, subsidies of this magnitude cause citizens and employees to call into question the need for such subsidies. Accordingly, a Mayor’s Commission will be established pursuant to CCG Charter Secs. 4-201 (11) and (13) to study the subsidies to Enterprise Funds, Authorities and Agencies to determine whether efficiencies can be had or revenue increased so as to reduce, or eliminate said subsidies. The Commission will report back to Council with its findings and proposals in the coming year.

**6. User Fee Adjustments**

Attached hereto as **Exhibit A** is a list of \$233,498 in approved FY2016 User Fee adjustments.

**7. Garbage Collection**

CCG’s Integrated Waste program collected waste four times a week from each house: two trips per week for household garbage; one trip per week for recycling; and one trip per week for yard waste. There is an additional fifth trip per week throughout CCG for “White Goods,” that are placed on the curb by residents. This is a higher level of service than nearly any community in the region or state. Indeed, the only twice-a-week household garbage pick-up programs we could find charge their residents significantly more than what residents in Muscogee County are charged:

Monthly Fees For Twice Weekly Garbage Pick Up							
No. of 32 Gallon Containers	1	2	3	4	5	6	7
<b>Columbus</b>	\$15.00	No Charge	No Charge	No Charge	No Charge	No Charge	No Charge
<b>Gainesville</b>	\$32.10	No Charge	No Charge	No Pick-up	No Pick-up	No Pick-up	No Pick-up
<b>Marietta</b>	\$22.75	\$27.75	\$33.50	\$38.50	\$43.50	\$48.50	\$53.50
<b>Moultrie</b>	\$28.00	\$39.40	\$50.80	\$62.20	\$73.60	\$85.00	No Pick-up

The cost of such a high level of waste collection service is many fold, but is particularly onerous as it relates to the wear and tear on our garbage trucks. We currently need to replace 56 garbage/recycling trucks at \$225,000 apiece for a capital cost of \$12.6 million. Forty-four of these trucks are considered urgent/critical replacement needs. Our waste collection fee has not

supported, and cannot support, the actual cost of the capital demand of the service we provide; and, the General Fund Reserve that we depended on for so many years to subsidize these types of capital demands can no longer provide that revenue.

Neither our Integrated Waste Fund nor our General Fund can support the cost of our impending landfill closure, which is estimated to be \$22.4 million and is unfunded. Twice-a-week household garbage pick-up increases waste directed to the landfill and discourages recycling. A strong recycling program is an essential part of our cost management strategy for closing the landfill.

Over the years, staff has provided numerous presentations on the costs and effects of our current waste collection service. Many alternatives have been presented. In the spring of 2011, the Mayor's FY2012 Recommended Budget proposed that CCG reduce its household garbage collection service to one-time per week. That proposal was not accepted.

On May 18, 2012, the Public Works Director proposed that CCG begin one day per week household garbage pick-up in January 2014. After discussion and public input, it was decided that we would revisit the issue of changing to once-a-week household garbage pick-up after our new \$8 million recycle center had opened. A target date for switching to once-a-week pick-up was then proposed for September 2014, a date which has come and gone.

Our Recycle Center has opened, and it is successful. We have had a 108% increase in recycling, resulting in an additional four years added to the life of our landfill. We are receiving \$60,000 a month in the sale of recycled material and have additional capacity for growth. It is time to convert our Integrated Waste System to a once-a-week household garbage pick-up service. Because we cannot adequately provide for the system we previously had, this conversion did not provide a budgetary savings, but a valuable cost avoidance of \$495,000 per year.

This is a best practices policy and will save CCG the cost of three trucks and three drivers. This practice will be implemented with little impact to our citizens, and it provides significant cost avoidance to CCG. We expect this change to increase recycling and prolong the life of our landfill. We also anticipate increased efficiencies due to the elimination of glass recycling which also has a cost avoidance valued at \$495,000. See Staff Report, Exhibit B.

## **8. Capital Replacement**

These years of budget woes have resulted in an inability to follow our capital re-investment plan. As a few examples of our critical needs, we note the \$12.6 million needed to purchase the 56 garbage/recycle trucks mentioned above. We note \$225,000 is needed to purchase 28 lawnmowers Parks and Recreation has had to scrap over the past few years while trying to make do through cannibalizing aged mowers. Recently, we had to cut a 90+ acre CCG park with weed-eaters. We also have learned from our new Information Technology Director that there are costly immediate needs which must be funded in order to ensure the stable functioning of CCG.

We have a critical need for 4 ambulances, 3 fire trucks, and 1 quint. We also need dozens of replacement pursuit and undercover vehicles for CPD, among other needs. We have explored lease options and have assigned out the OLOST capital funds as evenly as possible to meet the most urgent Public Safety need. See Exhibit C (List of Adopted Public Safety Capital funded in FY2016 from OLOST).

This lack of funding for our comprehensive capital investment plan cannot continue indefinitely.

## **9. Budget Requests of Departments and Offices**

As part of the FY2016 initial budget process, we received \$25 million in budget requests from our departments and offices over and above the FY2015 Adopted Budget levels. Though there are worthy, necessary and even critical requests among them, our expected revenues and General Fund Reserve cannot sustain those requests. As our Charter states, the budgeting process is an incorporation and balancing of the desires, needs and mandates of the jurisdiction and the revenues that can sustain them. Accordingly, we have prioritized the various requests in order of urgency, critical impact, legal mandate and magnitude. We recommended and Council adopted approximately \$5 million across various funds to fill the highest priority funding needs. The adopted budget additions by department and office are identified in the FY2016 Adopted Budget Book, which is submitted herewith and incorporated herein.

### **C. Elimination of Duplicative Law Enforcement Services**

During our FY2015 budget sessions, members of the Columbus Council requested that staff investigate issues of potential duplicative law enforcement services among the following: 1) Columbus Police Department; 2) Muscogee County Sheriff's Office; and 3) Municipal Court Marshal's Office. In assessing this referral from Council and inquiries from citizens, the administration has reviewed:

- Service Line Resource Allocation ("Service Allocation") reports of the Departments/Offices;
- Accounting Records for the past decade;
- Internal and Third-party Comparative Cost Analyses for law enforcement departments/offices in comparable jurisdictions;
- Interviews with subject matter experts and law enforcement service providers;<sup>2</sup>
- Other materials and information available to CCG to include, but not limited to, media reports, verified anecdotal information and publicly filed or submitted documents.

In Columbus/Muscogee County, we spend \$612 per person per year on Public Safety.<sup>3</sup> That is the highest per capita expenditure for Public Safety for any comparable city/county in the State of

---

<sup>2</sup> Both the Sheriff and Marshal were invited on several occasions to participate in these discussions. While the Marshal responded in part and in writing to Council's inquiry during the FY 2015 budget process, neither elected officer has thus far participated in staff's review of information related to Council's referral for the FY2016 Budget.

Georgia. The next highest per capita expenditure is Savannah, Georgia at \$479 per person, per year.

When we compare the operating and capital budgets of Columbus Police Department (CPD) and our Sheriff's Office to those of other comparable communities, the discrepancy in investment remains:

<sup>3</sup> Public Safety comparison includes monies for the Police Department, E911, Fire/EMS Department, Muscogee County Prison, Sheriff's Office, Marshal's Office and Homeland Security.

As shown above, CCG invests significantly more dollars per citizen on Public Safety, and law enforcement in particular, than other large counties in the State of Georgia.<sup>4</sup> When the cost of the Marshal's office is added to the per capita law enforcement chart above, the difference in CCG's higher expenditures remains. The comparisons of law enforcement expenditures regarding the Marshal's Office in other communities is difficult, though, as so few other Municipal Court Marshals engage in law enforcement activities outside the confines of the Municipal Court they serve.

Despite our greater level of investment, our citizens say to us repeatedly that they wish to have more resources expended for law enforcement "on the streets." Citizens have been clamoring for years for efficiencies in our use of and investment in law enforcement services on the streets. Before simply appropriating more funds to "law enforcement," we must first responsibly address whether we are spending our sizable funds in an efficient and effective manner to effectuate the desired impact on the street and our crime rate, or whether we have wasteful or unnecessary duplication in our law enforcement agencies.

In order to make this assessment, the Columbus Council must look to the mission and jurisdiction of each said department or office and reduce or eliminate duplicative resources that do not directly

<sup>4</sup> Note that Augusta/Richmond County is a consolidated government like CCG and Athens/Clarke County; however, Augusta/Richmond County has a single combined law enforcement office that provides all the duties of a Sheriff's Office and a County Police Department. Athens/Clarke County is consolidated, but maintains a separate Sheriff's Office and County Police Department. Our inquiry revealed that the Athens/Clarke County Sheriff's Office concentrates its resources on its required mission of maintaining a jail, protecting the courts, serving civil process and providing "some" law enforcement or peacekeeping services.

appertain to the respective missions or prescribed jurisdictions of the Columbus Police Department, Sheriff's Office and Marshal' Office.

#### **D. Separate Agencies Participating In Law Enforcement**

##### **1. Columbus Police Department**

In Columbus/Muscogee County, the chief law enforcement agency is the Columbus Police Department (CPD), which has the maximum law enforcement authority allowed by law within the county. In our consolidated city/county government, there is no other municipal jurisdiction within the county limits with a separate law enforcement agency. The Columbus Police Department is the only law enforcement agency within this jurisdiction which receives and responds to 911 calls.

In 2014, CPD received 170,112 calls for emergency response, filed 57,035 reports, assigned 10,716 cases for investigation, wrote 43,225 citations and made 10,467 arrests. CPD is comprised of 488 POST-certified, sworn officers and 61 civilian workers. It is a highly effective office that could have an even greater impact on crime with well-placed, targeted additional resources.

##### **a. Additional Personnel Resources**

Intelligence-Based Policing has enhanced law enforcement practices by using state-of-the-art technologies. These practices and technologies have emphasized the need for analysts to sift through data and make important connections of related crime fighting and crime solving information. In addition to the some 75 additional police officers that we have put on the streets since our OLOST passed in 2008, it is evident that we need additional investigators particularly in the Robbery/Assault/Homicide Division to make certain we are closing the maximum number of cases possible and making the strongest cases possible against suspects resulting in convictions and appropriately long sentences. Currently, we have 86 sworn investigators spread over the 7 divisions of the CPD Investigations Bureau to field 10,716 new cases each year. That is an *additional* criminal investigation caseload of 124 per investigator each year. In that vein, we recommended an additional 7 new sworn investigator positions and a new non-sworn analyst position. However, Council only adopted the addition of two new non-sworn analyst positions.

As it is Councils discretion to adopt the recommendations of their choosing, additional investigator positions may be requested again in future budget years. The addition of these positions will have a direct effect on decreasing investigator caseload, increasing closed cases, lengthening sentences for those convicted, reducing crime, reducing costly overtime pay and reducing unsustainable workloads for our current investigators. The addition of these positions can be budget neutral as they can be largely funded through the reallocation of duplicative law enforcement resources currently allocated to non-911 responder agencies, which have only ancillary law enforcement duties.

**b. Reform and Restructure of Police Pay**

In years past, CCG has had a variety of pay plans for General Government and Public Safety employees. Those plans have not been funded regularly with incremental raises or even cost of living adjustments; though, the University of Georgia shows our current CCG pay plan is set at 100% of comparable market pay and we have provided 6% across the board pay adjustments for our employees over the last four years. The erratic funding of varying pay plans over several decades has resulted in pay compression throughout CCG. CCG is in need of a pay plan that is mandated to be followed and, accordingly, any such plan must be prudently and responsibly devised so that mandate can be met without hardship or dramatic effect to the normal functioning of CCG. Accordingly, a Mayor's Commission to Reform the CCG Pay Plan will be established for the purpose of providing recommendations to Council of methods to resolve compression and other salary and benefits issues regarding all of our hardworking employees.

In the meantime, we have an opportunity to apply a pilot project of sorts within the CPD using mostly existing monies already appropriated to that department for compensation purposes. This proposal addresses an immediate challenge our community faces, better uses our CPD existing funding, and may well serve as an exemplar of how we might structure a solution to salary compression throughout CCG.

Pay compression has been particularly impactful in the Columbus Police Department where the work schedule, promotion process and the application of a confused and inefficient payment system known as "Straight Time" or "Gap Time" have resulted in compensation resources being used in a manner that allows newly hired officers to be compensated at the same or similar pay scale as more senior officers. This has resulted in more than a decade of morale and retention issues.

In 2008, the citizens passed a penny sales tax known as the OLOST in part to address entry-level pay issues and to increase pay across the board for law enforcement officers. The entry pay for police officers at CPD is relatively competitive:

However, the pay supplement provided for officers' was a flat amount of \$3,000, which exacerbated compression.<sup>5</sup> In addition to the foregoing, officers in Columbus/Muscogee County have long considered themselves as hourly employees, though they are compensated as salaried employees and though the Fair Labor Standards Act (FLSA) provides all such officers are partially-exempt salaried employees working up to a 171 hour schedule in a 28 -day work cycle for that salary. After said 171 hours worked, officers receive legally mandated time and one-half hourly overtime pay. Because of the years-long confusion over the correct application of officers' salaried pay, many patchwork compensation schemes have developed. One has historically been called "Straight Time" or "Gap Time" through which officers work 160 hours for their salary and then are paid hourly on top of their salary for any time worked up to 171 hours, after which point they earn the legally mandated time and one-half overtime.

This patchwork system works to the officers' disadvantage in what is called "short weeks", where officers are scheduled to work less than 160 hours and have their pay docked for this short fall. This utterly contrived payment scheme is inconsistent with federal law, guidelines and best practices. This so-called Straight/Gap Time scheme costs CCG millions of dollars (particularly in the Sheriff's Office) in extra pay, creates erratic pay rates from year to year and ignores the FLSA provision of officers as partially-exempt employees. Quite simply, officers' salaries need to be set at a rate that compensates them for up to 171 hours, whether they work all of those hours or not, and, thereafter, they will receive the legally mandated time and one-half overtime. In order to

<sup>5</sup> This supplement amount is now \$3,121 due to the 4% pay increase due to Pension Reform. The supplement curiously is not subject to Cost of Living Adjustments. We are working to bring these supplements into the base pay for law enforcement officers in order to stop such anomalies.

correct this dysfunctional and costly patchwork system and to relieve the damaging effects of compression, the compensation system within the Columbus Police Department must be structurally reformed with management directives and process that eliminates the culture of "Straight Time" or "Gap Time".

In an attempt to begin to address compression and to end the inefficient pay practices of the Columbus Police Department, the Mayor's Commission on Officer Retention and Longevity was convened in September of 2014. The Commission was comprised of approximately 30 members of the Columbus Police Department from varying divisions, ranks and seniority. Pertinent CCG staff from our Finance and Human Resource Departments and two Columbus Council members joined the regular meetings. Data and anecdotal information was received and various potential solutions and eight pay "Options" were vetted. The conclusions were not surprising given the complexity of the challenge and the natural resistance to change. Those conclusions are: 1) there is no consensus as to a potential solution because of sharply divergent interests by assignment, rank and seniority; and, 2) the consistent bargaining position of the officers was to correct the pay compression and other pay plan issues now and all at once, which is a cost of \$15 million or more and would require a new comprehensive pay plan.

Despite the lack of consensus on a particular option or proposed solution, there was broad consensus that something needed to be done and could be done. In the end, the Administration offered a solution that uses the revenue currently spent for police pay to establish a better, fairer pay system which begins to address compression. This FY2016 Adopted Budget addresses pay compression by reallocating monies spent inefficiently for Straight/Gap Time in the Columbus Police Department and by eliminating signing bonuses (except in the Police Department and Fire/EMS) in order to support a graduated interval pay plan.

Adopted CPD Salary Restructure					
Graduated Pay Increases up to 35 Years of Service	Base Pay Is Increased By	Total Cost of Changes 1 <sup>st</sup> Year	Total Cost of Changes 2 <sup>nd</sup> Year	2-Year Financial Impact	
After 1 Year Service	\$0	\$0	\$0	Sign Bonuses – Police & Fire only	(\$34,500)
After 3 Years Service	\$1,000	\$47,000	\$25,000	Remove Gap Time	(\$514,282)
After 5 Years Service	\$1,300	\$102,700	\$29,900	Add Increase Year 1	\$511,200
After 7 Years Service	\$1,500	\$75,000	\$45,000	Add Increase Year 2	\$167,400
After 10 Years Service	\$1,500	\$54,000	\$13,500	Court Pay	\$115,450 <sup>6</sup>
After 15 Years Service	\$1,500	\$54,000	\$19,500	Net 2 Year Impact	\$129,818
After 20 Years Service	\$1,500	\$42,000	\$12,000	Benefits Impact	<u>\$37,193</u>
After 25 Years Service	\$1,500	\$67,500	\$7,500	Total 2 Year Impact	<b>\$167,011</b>
After 30 Years Service	\$1,500	\$69,000	\$15,000		
		<b>\$511,200</b>	<b>\$167,400</b>		

This pay plan provides that all officers would receive a graduated pay enhancement in FY2016 according to their years of service and, thereafter, would receive a pay enhancement only upon the anniversary markers provided in the chart. Effective July 1, 2015, every officer would find the last anniversary marker they have reached on the chart and their base salary would be increased by that amount. Thereafter, an officer's base pay would be enhanced on the next anniversary marker, and not in between. The object of this pay scale is to incentivize longevity, reduce pay compression, and eliminate "Straight Time" or "Gap Time". In application, this pay schedule begins to correct systemic pay issues within the Police Department and utilizes city revenue resources efficiently and consistent with FLSA guidance.

<sup>6</sup> This new system creates an opportunity to greatly reduce Court Pay by scheduling court appearances (to the extent possible) within the 171 hours an officer is scheduled to work in a 28-day cycle. This is a management/scheduling issue and may result in as much as a \$100,000 reduction in the Total 2 Year Impact of this proposal, bringing the two-year cost of the salary restructure to approximately \$67,011.

## 2. Sheriff's Office

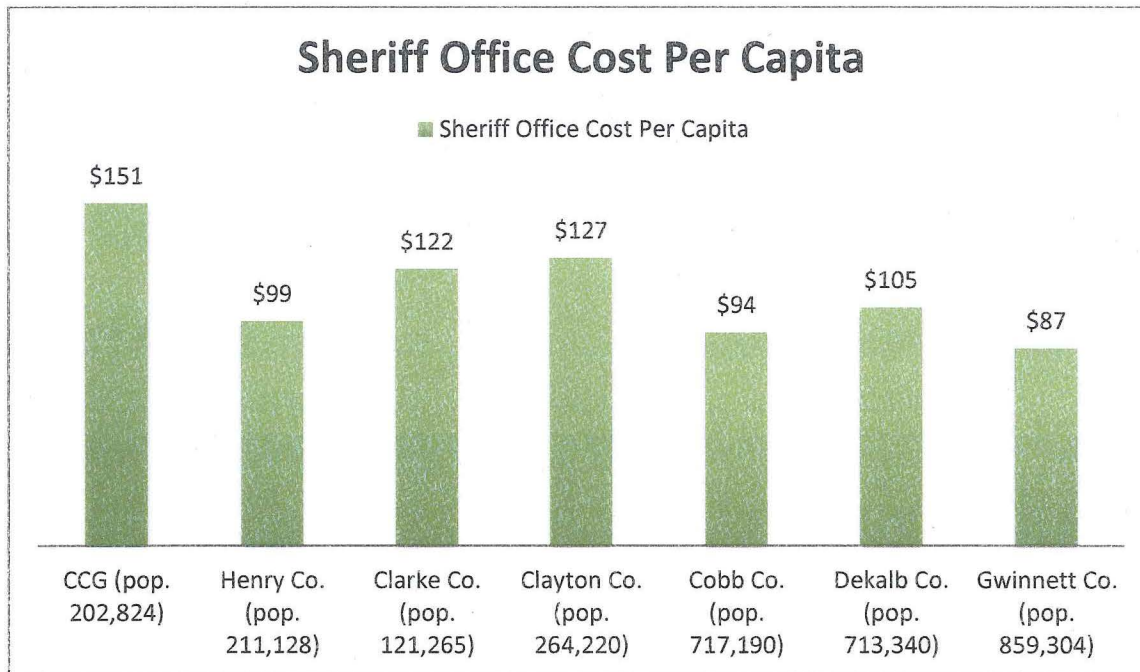

The Muscogee County Sheriff's Office (MCSO) is in charge of civil service of process for the courts, security for the courts, a county jail and such other duties as may be imposed by law or are necessary to the Office. The Sheriff's Office must be funded to perform "some" law enforcement or peacekeeping services, but those services are ancillary to the services provided by the Columbus Police Department and are not required to be duplicative of other law enforcement resources within the county. It is the exclusive role of Council to review law enforcement resources within the county in determining budget appropriations.

In the last six years, the Sheriff's Office has been \$11.3 million over budget and has required CCG to expend some 22 days from our General Fund Reserve monies to cover those overages. These overruns have occurred despite \$24-\$29 million in annual funds allocated to the Sheriff's Office in each of the last six years.<sup>7</sup> Had it not been for these overruns, our current General Fund Reserve would stand at over 83 days, well over the required 60-day Reserve minimum. These annual overruns, together with the stagnant revenues following the Great Recession, have brought CCG perilously close to the edge of financial stability. Often these overruns are not known to CCG because the accounting management practices of MCSO result in hundreds of thousands of dollars in invoices being held and not submitted to CCG until months after the close of the fiscal year in which the expense was incurred.

CCG has reviewed Sheriff Offices in counties around the state where there is both a Sheriff's Office and a County Police Department as in Muscogee County. We have learned that Muscogee County appropriates considerably more revenue per capita for the MCSO than other such jurisdictions:

---

<sup>7</sup> The Sheriff's Office has expended \$173,276,203 in six years, which comprised 11.67% of all CCG expenditures for over 50 departments, elected offices, agencies, boards, and authorities funded by the taxpayers of this jurisdiction

Indeed, this graph demonstrates that Muscogee County spends approximately \$5+ million more in comparable per capita dollars per year for our Sheriff’s Office than any other community with the same County Police Department/Sheriff’s Office construct. No matter how we look at the numbers, whether by resident population, jail capacity, number of municipal entities within the county or whether the county has a consolidated government, CCG expends more per capita than any other jurisdiction with a Sheriff’s Office and a County Police Department.

As a result of: 1) Council’s referral to review expenditures and structure for duplicative law enforcement services; 2) years of citizen inquiries regarding duplicative law enforcement services; 3) dramatic financial effects of budget issues within the Sheriff’s Office; 4) internal and independent analyses of comparable costs of Sheriff Offices in other communities; and 5) concerted efforts of numerous elected offices to curb inefficiencies affecting court process and jail costs through collaborative action, we hereinafter recommend the realignment of certain law enforcement and other resources for purposes of efficiency and effectiveness. We note that this analysis should not be a one-time consideration. Such an analysis should be undertaken each year during the budget process to ensure that the legal mission of the Sheriff is funded and that duplicative law enforcement resources are minimized, because the existence of three separate agencies with asserted law enforcement capacity will tend toward duplication without budgetary review and oversight.

**a. FY2016 Adopted Budget for Sheriff’s Office**

Based on the information and data presented in this letter, the attachments hereto and the voluminous additional data and information tendered and made available to Council to include the

MCSO's FY2016 budget request forms, \$26,952,433 was the FY2016 budget amount proposed to Council for the Sheriff's Office. However, the budget adopted by Council for the Sheriff's Office was \$27,620,080. This adopted budget includes additions to MCSO's FY2015 budget of \$237,200 for capital, such as new jail washers, dryers, kitchen equipment, clinic medical equipment and updated security equipment, among other capital expenditures.

The FY2015 Adopted Budget for the Sheriff's Office was \$27,653,956, an approximate \$410,000 increase over its FY2014 Adopted Budget.

#### **b. Duplicative Investigative Resources**

In assessing duplicative law enforcement resources for purposes of this FY2016 budget, we noted that CCG has been funding twelve positions within the Investigation Unit of the Sheriff's Office, though the mission of that office is limited to running a jail, providing court security and service of process, and providing some law enforcement service within the county. Rarely should MCSO investigate crime that is associated with a 911 request or that is not in collaboration with another law enforcement agency. The twelve Investigation Unit positions are comprised of: 1 Lieutenant; 1 Sergeant; and 10 Deputies or Deputy Technicians. The Sheriff's FY2015 Service Allocation demonstrates that the job assignments associated with these positions include activities that are duplicative of many of the efforts of the seven divisions of the CPD Bureau of Investigative Services. The stated tasks of the MCSO Investigation Division include: Criminal Investigations (surveillance, interviews, Computerized Voice Stress Analysis (CVSA), criminal warrants, searches, crime reports); Narcotic Investigations (same); and Internal Investigations (jail investigations, K-9 searches, interviews, CVSA, drug testing, assistance to other law enforcement agencies). Two of the three stated activities of the Division are duplicative of law enforcement services provided by CPD. Attached as **Exhibit D** is a chart showing the overlapping job descriptions and listed duties of investigators in MCSO and in CPD.

If CCG wishes to reduce duplicative law enforcement resources, it is recommended that Council eventually limit its funding of these duplicative functions. A proposal was submitted to Council to reallocate monetary resources from the MSCO that was the equivalent of eight investigative positions to CPD in order to fund seven investigative and one non-sworn crime analyst position as referenced previously. It was also proposed to Council to maintain funding for the Sheriff's Office Lieutenant, Sergeant, and two deputy investigation positions. However, Council elected to maintain funding for all twelve Investigation Unit positions within the MCSO with the adoption of this budget.

The proposed budgetary reallocation would have increased efficiency and maximized law enforcement effectiveness on the streets of our community and in the lives of our citizens. Its objective was not to layoff or end the employment of any existing investigator employed with the Sheriff's Office. The proposed reallocation would have also left the Sheriff with funding for Internal Investigations, assistance with investigations of other law enforcement agencies when needed and some other law enforcement activities that were not deemed as duplicative in nature. Even after reallocation, had the Sheriff chosen to maintain these duplicative investigative resources within the

MCSO, he would have that prerogative and could do so through management and priority judgments by redistributing monetary resources otherwise appropriated for the prescribed mission of the office. The Sheriff could have also reallocated appropriated funds through enacting efficiencies, which would create savings to be redirected. Doing so may suggest those funds are not needed for the mission for which they have been appropriated; however, nothing requires that CCG allocate funding simply because the Sheriff or any other elected officer wishes to provide a service; and, certainly, nothing requires CCG to fund services primarily provided elsewhere.

#### **c. Duplicative SWAT Team Resources**

The MCSO uses paramilitary equipment to include a converted armored tank with turret, which was obtained through a Homeland security grant, and a mobile command unit. This equipment was recently the subject of an Internal Audit by CCG. A report was issued and some equipment reassigned to the appropriate agency for purposes of a coordinated Homeland Security objective. Some equipment was left housed within MCSO by agreement, and it is expressly held for the general and shared use of any CCG Department or Office. Any equipment purchased or maintained with funds of, or by agreement with, the local governing authority, here CCG, and used for the shared benefit of the community, is the property of CCG regardless of where it may be housed on a daily basis.

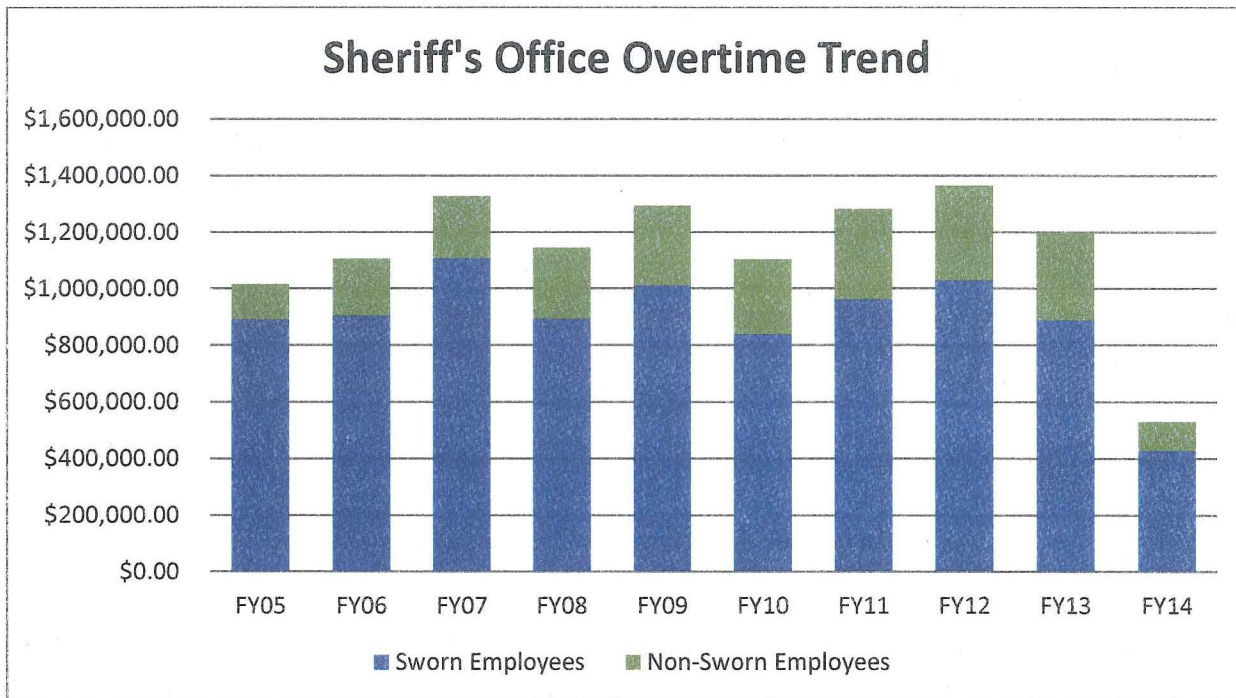

MCSO regularly conducts SWAT team exercises, including sniper training, crisis negotiation, and tactical team training. See Exhibit E (newspaper article regarding MCSO SWAT team exercise). This equipment and these activities are similar to and duplicative of SWAT and tactical resources provided by CPD. The MCSO Service Allocation ascribes combined full-time equivalent units of approximately 3 positions to these SWAT team and tactical services.<sup>8</sup> It was proposed that Council reallocate \$159,186 in monies, identified as being used for duplicative services, to other law enforcement budgetary needs. However, Council declined to reallocate these monetary resources at this time.

#### **d. Duplicative Monetary Resources for "Straight Time" or "Gap Time" Pay**

For years MCSO has used overtime as a compensation enhancement strategy, not as an exception to the normal work schedule. MCSO has expended on average \$1,129,377 in overtime annually over the last six years. The majority of that overtime average, or some \$860,455, is related to the scheduling of sworn officers and the discretionary payment by MCSO of costly Straight/Gap Time.

---

<sup>8</sup> A Full-Time Equivalent (FTE) is a unit that indicates the workload of an employed person and can be comprised of fractions of multiple duties or part-time positions. An FTE of 1.0 equates to a full-time worker.

Though improvement was made in MCSO overtime in FY2014, we have determined that 90% of MCSO overtime pay to sworn officers is due to a managerial scheduling decision, which builds in Straight/Gap Time pay and results in increased payroll and increased benefits costs to CCG.

As noted above, Straight/Gap Time pays sworn employees an hourly rate on top of their salary, or double time. This pay method is not required by law or the mission of the Sheriff's Office. It is a managerial decision to inflate pay, which is in conflict with FLSA directives and is duplicative of salaried pay provided. The citizens and CCG are not required to, nor should they in the exercise of fiscal prudence, pay for such duplication of compensation.

Based on personnel and payroll records, presentations and public discussion at Council meetings, and other information gathering meetings with city leaders (to include the Sheriff) regarding Straight/Gap, this adopted budget provides for \$50,000 in overtime to MCSO, which we hope would be dedicated to only that overtime required under federal law by the FLSA. Should the Sheriff wish to continue the Straight/Gap Time pay supplement, he may redirect savings from efficiencies or other monies Council appropriated to MCSO for its required office mission. The \$300,000 normally budgeted to MCSO for overtime was placed in the General Fund Reserve until otherwise appropriated by Council for non-duplicative law enforcement needs.

**e. Expedited Prisoner Disposition Efforts**

Over the past year, Superior Court Chief Judge Gil McBride has led an effort to reduce the time it takes to move criminal defendants through the court system thereby reducing the days spent in the jail and the attendant costs per prisoner per day. The Sheriff, the District Attorney, the Public Defender, and many other stakeholders throughout the community have participated in this

process. These elected officials, to include the Sheriff, have proposed an early prisoner release program known as the “Rapid Resolution Initiative” (RRI). The object of RRI is to streamline or expedite less complicated cases, such as first offender cases or cases where the defendant wishes to enter a plea deal. See Exhibit F (information on the RRI program). Currently, due to strained resources and structural inefficiencies in the prosecutorial and court systems, these cases can take as long to process through the courts as much more complex criminal cases. Too often, defendants sit months in the county jail awaiting the adjudication of their case, when under a targeted RRI program, that wait could be reduced to a few weeks, or less. With a \$40 per day per prisoner cost, county jail savings can be realized through the lessened jail stay. It is estimated that with an investment of \$458,093, RRI will return an immediate and conservative FY2016 savings in jail costs of \$540,000.

RRI has the following estimated costs:

OFFICE	NUMBER	POSITION	COST WITH BENEFITS
Public Defender	1	Assistant Public Defender II	\$73,302
Public Defender	1	Assistant Public Defender II	\$70,046
Public Defender	N/A	Equipment/Supplies	\$65,440
District Attorney	2	Assistant District Attorney	\$145,266
District Attorney	1	Investigator	\$50,772
District Attorney	1	Clerk	\$40,900
District Attorney	N/A	Equipment/Supplies	\$12,367
<b>TOTAL RRI COSTS</b>			<b>\$458,093</b>

Accordingly, with the adoption of this FY2016 budget, Council approved the reallocation of \$458,093 of anticipated savings from the Sheriff’s Office budget for this RRI program.

**f. Pursuit Vehicles and Take-Home Cars**

CCG has funded some 113 vehicles for MCSO. Approximately, 61 of these vehicles are pursuit vehicles and approximately 55 of those are take-home pursuit vehicles. Pursuit vehicles cost roughly \$50,000 each. That increased cost is due to a \$25,000 technology package added to each pursuit vehicle. Take-home cars also are costly because those cars use city fuel to travel to and from home and to serve in off-duty security jobs, which fuel is funded by the taxpayers.

Because the Sheriff’s Office is not required to provide traffic enforcement, law enforcement patrol services, or respond to 911 calls as part of its mission, the number of costly pursuit vehicles funded by CCG is duplicative and excessive for the actual mission of that office.

Accordingly, it was recommended that Council fund no more than 26 pursuit vehicles and no more than 26 take-home cars for the Sheriff's Office. According to the MCSO Service Allocation, the Sheriff's Office has approximately 21 positions in its "Patrol" division, which primarily serves civil process and warrants throughout the community. The Sheriff may assign the pursuit/take-home vehicles as he sees fit. This is a policy recommendation that is not expected to have any capital budget impact in FY2016 as the current number of pursuit and take-home vehicles assigned to the Sheriff's Office far exceeds these recommended numbers so that these new thresholds can be achieved over the next several years via attrition. It is expected that this more fiscally prudent change in policy will result in saving \$875,000 in capital expenditures in immediate future years and should be adopted now to enhance the ease of implementation. There will also be a sum saved in fuel cost by reducing the number of take-home vehicles, therefore the Sheriff's Budget was reduced by \$20,000 due to expected fuel savings and said sum was placed in the General Fund Reserve until otherwise appropriated by Council for non-duplicative law enforcement needs.

#### **g. Other Budgetary Resources**

The proposed and/or subsequently adopted reallocations are in no way meant to be a comprehensive assessment of resources that are potentially duplicative or beyond the mission of the Sheriff's Office. This review has indicated that there are other opportunities for better use of fiscal resources, which should be explored by the Sheriff and Council. Should Council wish to have a work session to discuss these additional areas for future budget years or wish to conduct an audit of the Sheriff's Office, as is its right, we may pursue that at Council's direction.

### **3. Marshal's Office**

The Municipal Court Marshal's Office has similar duties and powers of the sheriff of Muscogee County, but only so far as said duties and powers may be applicable to the Municipal Court of Columbus/Muscogee County and only so far as those duties and powers are not inconsistent with the Local Act which defines the jurisdiction of that Court. Accordingly, any law enforcement or peacekeeping services of the Marshal's Office are limited to the jurisdiction of the Municipal Court and, like the Sheriff's Office, are ancillary to the services provided by the Columbus Police Department. Said services are not required to be duplicative of other law enforcement resources within the county.

The Municipal Marshal's Office is comprised of 22 full-time positions. Council also provides funding for bailiff positions. In FY2014 the Marshal's Office was \$13,500 over its \$1,589,196 Adopted Budget. In FY2015, the Marshal's Office was appropriated \$1,579,177. The proposed FY2016 budget for the Marshal's Office was \$1,236,498. However, Council adopted \$1,395,693 as the Marshal's Office FY2016 budget.

**a. Duplicative Law Enforcement Resources**

Of said full-time positions, the Marshal has 19 deputies for the purposes of court security, service of civil documents, and the execution of evictions associated with the Municipal Court. Regularly, however, these deputies are seen throughout the community conducting traffic enforcement details with nine or ten Marshal's Office pursuit vehicles. See Exhibit G (an exemplar media report of a Marshal's Office traffic detail). These traffic details last hours and are not within the mission of the Municipal Court Marshal's Office. Said traffic enforcement efforts are, however, within the purview of CPD. Accordingly, it was proposed that Council reduce funding by \$318,384 which was the equivalent of six deputy positions in the Marshal's Office. However, Council approved a reduction in funding that was equivalent to three deputy positions which amounts to \$159,195. Part of the funding reallocation was utilized to fund a much needed network engineer position within our Information Technology Department in order support our growing infrastructure. All other funds were reallocated to the General Fund Reserve until appropriated by Council for non-duplicative law enforcement purposes.

**b. Pursuit Vehicles and Take-Home Cars**

The Marshal's Office has some 25 vehicles purchased by CCG. Approximately, 13 of these vehicles are pursuit vehicles and approximately 18 are take-home vehicles. Pursuit vehicles cost roughly \$50,000 each as discussed above. Because it is not within the mission of the Municipal Court Marshal's Office to provide traffic enforcement, law enforcement patrol services, or take 911 calls, the number of costly pursuit and take-home vehicles is duplicative and unnecessary.

It was recommended that going forward Council fund no pursuit vehicles and no more than 5 take-home cars for the Municipal Court Marshal's Office. This is a policy recommendation that is not expected to have any capital budget impact in FY2016 as the current number of pursuit and take-home vehicles assigned to the Marshal's Office exceeds these recommended numbers so that the new thresholds can be achieved over the next several years via attrition. It is expected that this more fiscally prudent change in policy will result in saving \$325,000 in capital expenditures in immediate future years and should be adopted now to enhance the ease of implementation. There will also be a fuel cost savings due to the reduction in take-home vehicles in FY2016. Therefore, the Marshal's Office Budget was reduced by \$3,000 due to fuel savings and that said sum was placed in the General Fund Reserve until otherwise appropriated by Council for non-duplicative law enforcement needs.

**c. Duplication of SWAT and Tactical Operations**

The Marshal's Office uses tactical equipment and trains its deputies in SWAT and tactical type operations. See Exhibit H (media articles about the Marshal's Office acquiring drones for surveillance purposes and running active shooter response and other tactical scenarios). These acquisitions and activities have a financial impact on CCG. These activities, training courses and equipment are beyond the mission of the Municipal Court Marshal's Office and are duplicative of resources provided by the CPD SWAT and tactical units. Accordingly, Council adopted a reduction

in operating expenses of \$17,000, which was moved to the General Fund Reserve until appropriated by Council for non-duplicative law enforcement purposes.

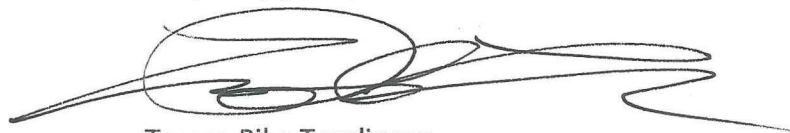

**III. Conclusion:**

This Mayor's FY2016 Adopted Budget Letter is presented together with the City Manager's budget letter and the FY2016 Adopted Budget Book. The FY2016 budget was presented earlier than is typical in order to allow Council ample time to deliberate the important policy issues set forth herein. We should be emboldened by the progress we have made over the past few difficult years, and know the decisions we made this year will likewise move us toward greater financial security and community prosperity.

I want to thank our City Manager Isaiah Hugley, Deputy City Manager Pam Hodge, our Department Heads, our elected partners and staff for their tremendous assistance in the effort of composing this Mayor's adopted balanced budget.

To our Council, I thank you for all of the hard work that was contributed to complete this budget process. This is the Columbus, Georgia Consolidated Government Mayor's Adopted Fiscal Year 2016 Budget submitted for your examination and review.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Teresa Pike Tomlinson', with a large, stylized flourish extending to the right.

Teresa Pike Tomlinson

Mayor

Consolidated Government of Columbus, Georgia

## **One Day per Week Trash Pickup**

The shift in schedule to one day per week pickup can be addressed simply. We will be picking up trash on the same day as recycling is picked up at all residences. On weeks with Monday or Tuesday holidays we will do our usual shift in days using Wednesday to accommodate the four day week. For those holidays resulting in two days *off*, such as Thanksgiving, we will perform all trash pickups on Mondays and Tuesday of that week, reverting to the old schedule. (We will not be able to do a make-up day for yard waste or recycling.)

A change to one day per week trash pickup will accomplish several goals. First and foremost, it will reduce the number of trucks and drivers needed for garbage collection, freeing up those drivers and trucks to help make up the existing shortfall of drivers we are currently experiencing for recycling collection due to increased tonnage. Further, it will encourage an increase in recycling, thereby reducing the volume of trash being taken to the landfill, reducing annual landfill set asides for closure and post closure costs, delay future landfill construction costs and increase revenues from the sale of recyclable materials.

Cost avoidance for three drivers, trucks and fuel reassigned to recycling is \$495,000 annually (assuming lease of trucks and no repair/maintenance costs).

During FY14, the estimated life of the landfill increased by nearly four years, from 28.7 years life expectancy to 32.3 years, rather than being reduced by one year, resulting in five additional years of life. This is the direct result of diversion of material to the recycling plant, as well as improved compaction due to the purchase of a new compactor and hiring of a new operator.

## **Eliminating Glass Recycling**

Eliminating glass recycling will result in more efficient recycling collection operations. This operational change has a cost avoidance value of \$495,000 as it is the equivalent to the efforts of three trucks and drivers when ran thru the route modeling system.

Last year, the City spent about \$12,000 per month for pickup and receiving only about \$400. This year, the firm that was picking up the glass has not been coming, nor have we been able to find anyone to take the glass. So we were collecting it, dropping it at the recycling center and ultimately taking it to our landfill when glass started overflowing the dumpsters we had available.

With no market, it was not worth the extra effort to pick it up separately. Eight of our new recycling trucks had separate containers for glass and these were filling up much quicker than the portion of the truck used for the rest of the recyclable materials. This meant an extra trip back to the center just to empty the glass containers. Since we are very, very short of trucks and drivers, this gives us some breathing room while saving wear and tear on trucks and some overtime. The cost avoidance is valued at \$495,000 as the cost to rent three trucks, pay three drivers, reduce gas, and etc.

## Online extra

Police say a Pennsylvania man caused more than \$14,000 damage to several other vehicles when he took a dare to do a "doughnut" with his pickup truck in a bar parking lot. Police say 35-year-old Brett Whitmire's truck kicked up damaging stones as it spun in a tight circle in the parking lot of the Beer Garden in Washington Township on Aug. 18. Butler County prosecutors say they're willing to drop a felony criminal mischief charge if Whitmire, of Butler, pays for the damage.

## Things that go boom

We all shared a big surprise this week. You

know, the sonic boom. More often, we get individual surprises. Sometimes it's bad news, like when your car breaks down at a red light. Sometimes it's good news, like when somebody emails you from a foreign country saying they're about to make you a millionaire.

These individual surprises aren't particularly interesting to the masses, but they're darn interesting to you, and you tell your friends about them, and your friends share your pain or your joy or sometimes they tell you you're a moron.

Which reminds me of a surprise I got this week.

I'd driven to a lunch meeting with two co-workers, and we'd returned and were walking out of a downtown parking garage. They took the handy walkway, which was just wide enough for a couple of people. Instead of waiting and following them, I just walked out the driving entrance, pausing first to allow a car to pass.

That's when I got my surprise.

Something went boom on top of my head.

My first reaction was surprise. My second thought, after realizing that the parking barrier arm had dropped from the sky and bounced off my head, was that I was a moron.

Perhaps it was an even bigger surprise that my companions didn't burst out laughing. But the bar had dropped with such swift violence that they immediately began dispensing the kinds of advice people give to potential concussion victims. You know, like don't take a nap if you suddenly feel sleepy.

They may have even asked me how many fingers they were holding up. I'm not sure.

But I got back to the office and felt fine, which was kind of disappointing because the barrier was heavy, it made a loud noise when it bounced off my head, and it all felt like a big deal, which apparently it wasn't.

That was my surprise. It didn't affect you, but I'm sharing it with you now in the hope that perhaps you will find it mildly amusing — or at least think that I'm a moron, which will make you feel better about yourself and give you the confidence to do something impressive that could benefit society.

On the other hand, the sonic boom was something we all shared. At first, you may have

## COURT: WOMAN BURNS CAR WITH MOLOTOV COCKTAIL

By TIFFANY STEVENS  
tstevens@ledger-enquirer.com

A feud between two women led one 19-year-old to torch a Cadillac de Ville in front of a Third Avenue home using a Molotov cocktail, according to court testimony.

Myshonique Maddox, 19, faced destruction with in-

Maddox

ter's Court hearing. Firefighters extinguished

the car around 12:30 a.m. Saturday. Columbus Fire and Emergency Medical Services Fire Investigator Danny Iriens told the court the vehicle, worth \$1,900, was totaled from the fire.

The car owner later told Iriens she and two other witnesses watched Maddox throw the improvised fire

bomb into the passenger side of the vehicle in front of her 4200 block home, according to court testimony.

"Three people witnessed her hold the bottle, light the rag, and I quote: 'Ha b—!' " Iriens said, mimicking Maddox throwing the bottle into the car.

Iriens said witnesses tes-

tified that Maddox had been involved in several conflicts with the car owner and an unidentified man she was once acquainted with. Iriens did not specify the exact reason for the argument between the three.

Judge Michael Ceilinski set Maddox's bond at \$32,500.

## In brief

### Police seek suspect in August robbery and assault

A 23-year-old Columbus man is being sought in connection with an early August robbery and aggravated assault, as well as two counts of parole violation, police said Friday. Marriqus Dayquan Williams allegedly robbed someone outside on Pembroke Drive.

Williams

Police said that during robbery, Williams assaulted the victim, who has since recovered.

Williams is described as a 5-foot-4 and 145 pound black man, with three tattoos: the words "C town" and "Mookie" on his right arm and the word "Tarsha" on his left.

Anyone with information about Williams' whereabouts should contact Investigative Services at 706-653-3400.

— Adam Carlson

### Robbers pistol whip man on Winston Road

A 25-year-old man suffered a laceration to his cheek after he was pistol whipped Thursday by three robbers on Winston Road, according to a Columbus police report.

The injured man and the 23-year-old victim accompanying him told police the robbers approached them on the 700 block and robbed them of an iPhone around 10:40 p.m.

Anyone with more information should contact In-

## EMERGENCY TRAINING AT COLUMBUS TECHNICAL COLLEGE

Law enforcement officers with the special operations group at the Muscogee County Sheriff's Office prepare Friday morning to enter Carl Patrick Hall at Columbus Technical College as part of an emergency training drill.

Officers in the special operations group at the Muscogee County Sheriff's Office spent part of Friday training on the campus of Columbus Technical College.

The scenario for the exercise was that of an active shooter inside Carl Patrick Hall. Campus police officers acted as first responders during the scenario, securing the inner perimeter until the special operations group arrived. Criminal justice students at the school played various roles inside the building.

The training exercise is required by the Technical College System of Georgia. Officials said they will review and evaluate the training exercise to determine if they need to make adjustments so staff and students can be fully prepared in case of a real emergency.

Members of the Columbus Technical College campus police department Felix Davila, front right, along with, from left, Diwana Patterson, Charles Lucas, Cpt. Grace Black and Cpt. Leatha Cypryan, prepare for the emergency training drill by ensuring there are no live rounds in their weapons or on their persons.

March 24, 2015

The Honorable Teresa Pike Tomlinson  
Office of the Mayor  
P.O. Box 1340  
Columbus, GA 31902

Dear Mayor Tomlinson,

Thank you for the time you, the City Manager, Mrs. Hodge and others were able to spend with us a couple of weeks ago concerning the proposed Rapid Resolution Initiative ("RRI").

We are enclosing a summary which outlines this initiative, together with projected cost savings. As we have discussed, RRI is a refinement of a proposal made two years ago to Council.

We continue to believe the need for such a program is present. We believe RRI represents enhanced ability to protect constitutional rights of persons in the Muscogee County Jail with significant financial savings over time to the City of Columbus and its citizens. RRI has been developed in consultation with a number of community leaders and groups, to include the NAACP Columbus Branch, the Interdenominational Ministerial Alliance, Project Rebound, the Southern Anti-Racism Network and Sheriff Darr.

As you know, we appreciate the consideration which you, the City Manager, members of Council and Mrs. Hodge bring to this process. We look forward to addressing your questions.

Sincerely yours,

Bemon G. McBride, III  
Chief Superior Court Judge

Pam Moffett Flournoy  
Chief Circuit Public Defender

Julia Slater  
District Attorney

### Rapid Resolution Initiative ("RRI")

As outlined in more detail in the attached PowerPoint, the RRI stated goal is to reduce the time between arrest and final case disposition.

By addressing and resolving cases early, we achieve the following:

- Ensure protection and guarantee of constitutional rights;
- Protection of and closure for victims;
- Reduce the daily jail population average as follows:
  - First phase from 900 to 800 per day; and
  - Second phase to 700 per day;
- Increase Court availability for more complex cases;
- Improved relations between the city, courts and community; and
- Realize both short and long term cost savings to the city.

#### Cost Factors

The program is primarily personnel cost driven as follows:

District Attorney's Office	
Four (4) Positions	\$244,402

Public Defender's Office	
Three (3) Positions	\$142,670

One position is cost neutral and is a result of reclassification in the current budget creating a new position (\$76,000)

Both offices will incur one time capital outlay cost for office space reconfiguration.

#### Cost Savings

The program will have both immediate and long term savings. While the average daily cost to house a defendant in pretrial custody is an average of \$40 a day, much of that cost is institution- wide and annualized. A conservative cost savings realized immediately upon release is \$15 a day per inmate.

#### Immediate Savings

A decrease from 900 to 800 average daily population yields a cost savings of \$45,000 a month and \$540,000 annually.

#### Long Term Savings

A 900 to 700 decrease in average daily population would not only save \$1,080,000 but would also eliminate the need for a \$40 million plus jail capital expansion and the accompanying annual staffing and maintenance cost.

This would result in additional court resources for more complex cases, leading to early completion and reduced jail time in these cases as well.

This is a collaborative effort involving and supported by the Superior Court, the District Attorney, the Public Defender and the Sheriff.

# Deputies target speeders in Columbus traffic detail

Posted: Nov 06, 2014 6:29 PM EST  
Updated: Dec 04, 2014 6:29 PM EST

By Sarah Panko [CONNECT](#)

Several News 3 viewers called our newsroom Thursday, wondering about the increased presence of deputy marshals on Columbus streets.

The Muscogee County Marshal's Office says about half of their 20 deputies patrolled areas where traffic safety is a major concern like the school zone at River Road Elementary and Victory Drive.

"Our primary responsibility is the civil process that's what we do every day, but to and from eviction and civil processes if the deputy sees something that's egregious, then they have a responsibility as a sworn officer to take action," says Captain Curtis Lockette.

The following are the statistics from today's detail via the Marshal's Office:

- Speeding- 14
- Speeding (Warning)- 5
- Speeding School Zone- 9
- Speeding School Zone (Warning)- 2
- Driving While License Suspended (DWLS)- 1
- Red Light- 1
- No State Tag- 1
- No Seat Belt- 2
- Suspend Registration- 3
- Failure To Exercise Due Care- 1
- Arrests- 3
- Outstanding Warrants Cleared- 3
- Total Citations: 39

If speeding is a problem in your neighborhood, give the Marshal's Office a call at 706-653-4385.

## Drones to be used in Columbus for law enforcement

Posted: Nov 13, 2014 10:31 PM EST

Updated: Dec 11, 2014 10:46 PM EST

By David Hurst [CONNECT](#)

COLUMBUS, Ga. - Cameras are just about everywhere these days and law enforcement wants to put them in the air by using drones. One local agency has already started using one and others say they want one too.

Last year, the Muscogee County Marshal's Office purchased a drone after a man threatened deputies over an eviction notice. The Marshal's Office says they could have used the drone to survey the perimeter and find the best way to approach the house.

The Marshal's Office hasn't had an opportunity to use their drone, but they believe just having one -- makes them ahead of the curve.

"It's almost like handguns and ammunition, everything is advancing -- cameras, cell phones and now, of course, drones," said Sgt. Rick Bowers of the Muscogee County Marshal's Office.

Bowers says agencies with a search warrant could use drones to gather evidence. Before, if the Marshal's Office needed an aerial view of a scene, the only option was the Columbus police helicopter. Now, they can use their drone. Bowers says it saves manpower, time and money.

"It helps us get surveillance pictures of the area and what we're looking at to see if there are any other angles of approach we may want to use to try to advance on a house to serve a warrant," said Bowers.

Other government agencies have also expressed interest in using drone technology. Russell County EMA Director Bob Franklin says having a drone would have been beneficial to [survey the damage after this year's tornado](#).

"I think something of this size, you could probably purchase one of these for what it costs to fly that helicopter for an hour," said Franklin. "It would save us a whole lot of money."

However, some have concerns about privacy with having a so-called "eye in the sky." State Senator Josh McKoon proposed a bill last session about drones and privacy after constituents expressed some fears about drones.

"We want to strike a very careful balance, and that is, we want to protect the individual rights of the public at large, but we also want to make sure that this technology continues to be developed and continues to be developed here in Georgia," said McKoon.

McKoon explains the government's use of drones is limited by the 4th Amendment, which prohibits "unreasonable search and seizure." The state senator expects a bill to pass in the next legislative session that sets parameters on law enforcement's use of drones.

"Using drones for law enforcement is something that should be encouraged, we just need to make sure it's done in a lawful way that respects everyone constitutional rights," said McKoon.

Bowers says he understands the privacy concerns and wants you to know they're only using the drone for public safety.

"These days, people think automatically the cops and the government are spying on us," said Bowers. "But we're not using it to spy on anybody. We're not using it to invade any

body's privacy. It will only be used in occasions where law enforcement safety is at stake."

The FAA has set regulations limiting the use of drones for commercial purposes. They just recently gave the green light for several film companies to use drones. The agency has also allowed exemptions in some cases for law enforcement, firefighters and rescue operations.

Columbus Police and Fire & EMS also say they have plans to purchase drones but may wait for the state regulations to be clear about the parameters.

ROBIN TRIMARCHI [rtrimarchi@ledger-enquirer.com](mailto:rtrimarchi@ledger-enquirer.com) Muscogee County Marshal Greg Countryman talked with Ledger-Enquirer senior reporter Chuck Williams for the Sunday Interview.

ROBIN TRIMARCHI — [rtrimarchi@ledger-enquirer.com](mailto:rtrimarchi@ledger-enquirer.com) | [Buy Photo](#)

Muscogee County Marshal Greg Countryman has been controversial and outspoken at times.

He has been in public disagreements with other elected officials, including Columbus Mayor Teresa Tomlinson. The Georgia Bureau of Investigation investigated and did not pursue claims of financial wrongdoing with a federal grant in the Junior Marshal Program. Countryman, along with three other elected officials, is suing the city over budget concerns.

Elected 10 years ago, Countryman speaks his mind and speaks openly about his Christian faith.

Recently, he sat down with Ledger-Enquirer reporter Chuck Williams.

**You are currently in a lawsuit over your budget and your financial resources. You are suing the city, the mayor and city council. Why?**

Well, I'm not going to comment on that presently because it's in active litigation. As you know, I sent a letter to the Ledger because there was a lot of misinformation out there that I wanted to clear up. The case is in the court system. It's in the best place possible. I am going to allow the court system to do what the court system does best.

**So, you don't want to talk about that now. One question on that is the point you made in your letter (about) what your office does, right? That was what you were trying to get across in that letter was the responsibilities your office has and financing those responsibilities, right?**

That is correct.

**What is the primary job of the marshal of Muscogee County?**

Our primary duty is to handle civil process through the Municipal Court. We carry out all the precepts of the Municipal Court. We work in conjunction with the clerk of Municipal Court's office, too. As you may not know, the marshal's office was revamped August 12, 1915. The marshal's duties were changed a lot. In the early stages of the marshal's office, the marshal did everything in the city.

... The marshal's office and the sheriff's office predates the police department and the marshal gave an official proclamation to the Georgia census as 1,152, in 1830. If you go back and look at the history, the marshal and the sheriff have pretty much done the same thing for the past 185 years. If you go back and look at the history of the marshal's office, in the 1840s, if the city levied a fine — which they had aldermen back then, they didn't have city councilmen, they had five aldermen and they had a mayor — but if the aldermen levied a fine against a person for taxes or for anything of that sort, the marshal would go out and deal with that. If it was \$100 or less, the marshal dealt with it. If it was \$100 or more, then the sheriff would deal with it. But the marshal did everything from tax collections, and we have to consider the times in which we're talking about — we're talking about the 1800s.

### **The frontier days?**

Yeah, frontier days, but there were also some things that are very sensitive to talk about now, even, dealing with the African-American community. Because back then, if an African American had his porch light on past a certain time of night, then the marshal or his deputies had to inflict 20 lashes on them. So, the marshal has gone from issuing lashes to really issuing love in the community.

The marshal carried such a great impact in the city until Nov. 29, I believe, 1898. The city had a legislative act done to just take the name marshal away from police and they established the office of chief of police around that time.

### **Modern day marshal's office — the bulk of your work is eviction work, right?**

We do 31 different types of civil process, everything from levy to garnishments, evictions, dispossessory warrants. Evictions is what we handle the most. For the past years, it's been pretty consistent. We've received over 5,300 evictions per year; some years it has gone up to almost 6,000.

### **How many deputies does it take to handle 5,300 evictions in a year?**

Currently we've been doing it now with about 14 in the field, but we have narrowed things down to a science. Before I got here, it took around eight to nine weeks to deal with evictions. Under my administration, it takes between two and three weeks.

### **From the time the landlord walks in and files the initial paperwork?**

No, sir. Once a defendant has filed an answer to an eviction, then they can go into the court and then the Municipal Court judge will deal with from there. If he issues a writ to the plaintiff of the case, then the plaintiff has to pay \$5 to the clerk's office and then they come to the marshal's office to set up an eviction. So, from the time they get the writ from the judge, once the judge deposes of things, it comes to our office.

### **How big is your department now?**

Counting reserve, civilian and full-time, it's probably about 30.

### **How many full-time?**

We have about 20 or 22 on the road.

### **And 14 of those are used ...**

In the field. And then we have deputies here that work in the office. Those are the ones who handle the admin part, answering the phones, answering questions about evictions, entering the documents into the system. Every document that comes into our system from the clerk's office, let's say we get 30,000 documents, those two deputies have to run every name through GCIC (for criminal history of outstanding

warrants).

So, they have to run those names through to make sure that when we get those documents out in the field, those deputies are not going to encounter someone that has a warrant. The deputies have a very, very dangerous job. Marshal deputies do more building clearing than anybody in the city. It's a good training too for "shoot, don't shoot," if you will, because when we go do an eviction, the landlords can't go into the house.

We have to go into that house to render that dwelling safe. So, that means we have to take out our weapons, we have to hold traffic on the radio, we have to go in and clear every room and render that dwelling safe, and then we can let the landlord know it's safe to come in. Because we've done evictions before where we knock on the door and the next thing we know we hear "Hold on a second" — Bam! — and someone has committed suicide.

### **How many times has that happened?**

I can think of maybe twice that has happened. ... So, those things happen; it's not anything pleasant. We get a lot of intel. We walk into evictions, and based on our training, we know that this may be a meth lab or marijuana growth lab, or it may have something in it that may interest another agency. So, we've had other agencies to come in because we look at the mail people leave, so it's a good tool for us to create a database.

### **Of the three law enforcement agencies in the county — marshal, sheriff and police department — you're far and away the smallest, right?**

Yes, correct.

### **You are elected, the sheriff is elected, police chief is appointed by council. As a leader of a law enforcement agency, are you on par with the chief of police and the sheriff?**

Yes. Yes, I am.

### **Why do you say that?**

Because the chief tells me constantly, "If you ever need anything, give me a call." If I ever needed something I could call Chief (Ricky) Boren. He has never said no to anything that I've asked for. And understand, Chuck, we complement each other. With the chief, the sheriff and myself, experience alone is almost 100 years. So, there is an inner genius in everybody. There is a different experience level in everybody. So, sometimes I can pick up the phone and ask the chief about a certain procedure that I'm not familiar with. If I create a different policy for something, I may have to ask him to send me his policy in order to get me his take on things because I trust him for that.

### **You and the chief have had some issues, but y'all are working well together now, right?**

Even if you have an issue, it's sort of like a relationship because you can consider us sort of brothers in this, because this is a family. Even in your family household, the family will go through problems, but you don't cease talking. If we ceased communication, it doesn't affect us, it affects the community. Because if he calls and asks us for help, which that happens from time to time, if there is bad weather and they are tied down with calls, guess what?

The marshal's office will go out and answer 911 calls and assist the police department to get their calls down. Once we get their calls down, then we get what we call "1080," we get back in service.

### **So, you respect Chief Boren.**

A great deal. I think he is a very, very brilliant man, and I've said to my chief deputy a number of times, I respect Ricky Boren and his knowledge and I think he's a good chief.

### **What did you learn at the sheriff's office?**

Well, when you're coming from an agency like the Columbus Housing Authority police, my experience was based on what we had to deal with. We were referred to by some police officers as renegades because we had to have a certain mindset going in to public housing. Public housing is not a bad thing, but we've done research and back then 95 percent of the arrests that we made were of people that didn't even live in public housing. Public housing has a negative image, but it seems to draw a certain kind of people.

### **What kind of people?**

Well, there were a lot of drugs in public housing. And when you have people that have been arrested two or three times for drugs and they know what's going to happen to them, it's normally a fight if you have to arrest them — it's normally a foot chase. So, things can get highly dangerous. When Baker Village was there when I worked evening shifts, they would shoot out the lights.

### **Street lights?**

Street lights. So, if we had a call, we had to hold our flashlight a certain way because we didn't want to get a brick thrown at us. So, our minds were conditioned for a certain type of call or a certain type of fight that we had to go into.

### **How did that concept change when you joined the sheriff's office?**

I finally saw the way that an agency operates, and I had a great lieutenant at the time, Lt. Mike Massey. I give a lot of credit to Maj. Massey now, that I say I proudly respect more than anybody because (he) took up the most time with me. And I'd like to say that he helped to develop me, and he saw something good in me.

### **Was Maj. Massey one of your mentors?**

Yes, big time. He is somebody that I look up to, somebody I can call on, and somebody that I do call on. Lt. Mike Farley, who worked in field services with me, he's here now. He was Deputy Mike Farley and then he was promoted as a sergeant in the sheriff's office and I brought him over here with me when my lieutenant left. The sheriff's office is a great agency. Just like my agency, we are people-oriented and when you work in an elected office you understand the importance of an elected official because you understand that the decisions that you make are the decisions that will affect your boss.

### **As an elected official, who is your boss?**

The citizens of Columbus and the governor of this state.

### **What's the difference in the marshal and the sheriff?**

The marshal was created through a legislative pact. The marshal handles the precepts of the Municipal Court and some Magistrate Court. The marshal has a distinctive duty, as the sheriff has a distinctive duty. When the office was created, it gave the marshal the same authority of Municipal Court that the sheriff would have in Superior Court.

### **Correct me if I'm wrong, the sheriff is a constitutional officer of the state. Are you a constitutional officer of the state?**

No, I am not. I'm a municipal elected official. There are only four constitutional offices other than many elected officials: the probate court, the clerk of Superior Court, the sheriff and the tax commissioner.

### **You were in the sheriff's office and you had to resign your position to run for marshal, and you ran against Ken Suddeth, correct?**

That is correct.

### **First of all, that was a leap of faith to resign from that job of how many years at the time?**

I think it was a little over six years, maybe going on seven.

### **Did you have any kind of safety net when you did that?**

I'm glad that you asked that question because my faith is what sustains me. Even before this interview, I had to fast just to get my mind cleared because when I communicate with God, I don't want there to be any type of blockage. It was not a full fast, but I did fast from certain things because I want to give up something in order to get something in order to give you a great interview.

My faith is what drives me. Every morning I get up and I do my daily devotional. I send out right at 80 messages each morning to other fellow citizens in the community. So, when I decided to run for the office, it's funny because I can remember me sitting in my living room on the couch and I had just gotten off of the phone and it just came out of my mouth, "I'm going to run for marshal." I don't know where it came from, and as I did that, I saw doors just opening. At the time the marshal said that I was campaigning on the job, and that was not true. So, what I did, because the sheriff had talked with me about it and said he got a call about it and he said it wasn't true because if it were true, he would know.

### **Sheriff Ralph Johnson?**

Sheriff Johnson. And I can appreciate him because even at the time he called the sheriff in Harris County, and the sheriff in Harris County hired me, but I never took the job because my wife worked out of town and we had a 5-year-old at the time and we had a newborn. So, with her working out of town, I was not going to work in another county and something happen to my children and I couldn't get back to them.

So, yeah, it did take a leap of faith. However, I know my wife and I came together and prayed over it and I moved forward with it. So, I wasn't worried about what was going to happen because I had the assurance within. And when God communicates with you, you know when He communicates with you. So, I knew I had to go through the motions. I knew there were going to be some tough times because there was some tough times going 20 months without having a full-time job. You learn how to live off of ramen noodles. It's sad because I didn't have a safety net. We had just bought another home. We had refinanced our house to a 15-year mortgage, so things got a little bit tough. I had two car notes. We had children that were in day care. So, Chuck, it got to the point that we didn't have money for my children to get their hair cut. As a man, wanting to provide for your family, just to watch your wife cut your kids' hair because you can't afford to take them to the barbershop is not a good feeling. But I can assure you of this: we never missed a mortgage payment. We never missed a car note. We would make sure our kids ate well, if my wife and I didn't eat anything but a peanut butter and jelly sandwich or ramen noodles or anything we could, because we were in this together. It was not just me, we stepped out on faith.

### **Where does your faith come from?**

Faith is something that grows on you. Faith is something based on your experience and that's why I never look down on a person because you never know who that person is. You never know where your wisdom is going to come from. My mother was a Christian. She was a Jehovah's Witness and that's how she raised us. Faith has always been in my life and even when I have strayed, I knew how to come back because I knew my mother raised me to have a Christian conscience.

I can remember her telling me things such as "If I'm here you know God is watching you." So, even though she told us not to do something, not to go into the cookie jar, and even if I opened up the cookie jar and put my hand in it, I knew to put the cookie back because I was trained to feel that God is watching you no matter if your mother is there. And I still tell my kids that today.

### **Where is your church home now?**

Kingdom Metropolitan Worship Center on Airport Thruway. My faith is what drives me because every day I come here I have to ask for daily discernment for me to run this office before this office has grown. You know what this office was before I got here. We had one taser, didn't have any carpet on the floor, had the same floors from when the building was built. It was very, very gritty and grimy.

I got with the city manager at the time, Carmen Cavezza, and said, "Look, I can't work in a mess." I'm not saying that the other marshals could, but I wanted to raise this office to have a standard. I wanted to raise this office to have a professional image. ... I wanted to create a spiritual atmosphere for me to allow God to come in to work through me, to work through this office.

### **So, you believe your job as marshal is a mission and a calling?**

Right, this is a ministry to me. That is one reason I formed the Junior Marshal's Program. I made a covenant with God that if you get me here, I'll use my authority for the good, and I wanted to reach back to kids that were just like me. A lot of people may not know this but when I graduated from ... Baker High School in 1984, I graduated as a special ed student. I had a learning disability. I had a very bad stuttering problem. I had problems trying to comprehend.

### **You don't stutter now.**

I do stutter. You just don't pick up on it. I've learned to say words that are easy to say. That's why I don't use a lot of big fancy words because I will fumble over them. I couldn't enter college because I couldn't pass an entrance exam. I had problems reading, I had problems writing. I could not write a structured sentence. People knew that I stuttered because they use to make fun of me.

### **Do you remember some of the names they use to call you?**

They used to say I sounded like a car trying to crank up. Even my grandmother would make jokes from time to time, but she knew I was a very sensitive person about that. Even when I get with kids now I try to look at the best in every child that I see to give them the opportunity that I had, because even though I had those challenges, I had a mentor in my life, and I would hate to know where I would be if I didn't have a young man by the name of Tony Alexander. Tony Alexander was older than me. His mother was not my grandmother but we called her grandmother; she was the neighborhood grandmother. He was a very mature person for his age.

### **What neighborhood did you live in?**

Willis Plaza, off of Cusseta Road. I grew up on Swan Street. My neighbors were Judge Albert Thompson and A.J. McClung. But even with that I couldn't enter college, but now I teach on a college level. So, I understand how far God has brought me because every step I move I can look back and I can look at how far he's brought me. ... But where we are today, I'm grateful because I could not have done this on my own. There's no way, because even when I was supposed to fall, when people tried to make me fall, I couldn't fall because I would never abandon God because I never want Him to abandon me. A lot of people may say, "You're this guy that talks all of this..." Well, guess what? I have a right to do that because I understand where I am, I understand who I am, and I understand more importantly whose I am, because this office has been a ministry to me. I have had people ask me to do different things, but I am going to stay here until God speaks to me.

### **What verse is your Bible open to?**

It should be Ephesians and I have my devotional here, which is written by Jack Countryman, no relationship.

### **You contend that it is on par with the other agencies, and you have asked for the equipment to make it such. Why do you need police cruisers for your deputies?**

The question would be why don't we need them. If you say that we are equal — and to which I say that we are equal, we go through the same training, we get the same pay, we get the same retirement... — marshals should have the same thing because although we have a prominent duty to be civil processors, we also have a secondary duty to protect and serve.

The police can't be everywhere. The sheriff can't be everywhere. That's a mindset, and as an elected official I have a budget, and as an elected official, I get to utilize my budget to buy the type of cars that my

deputies need to fulfill their duties, because if a police officer has to have a certain car for their purpose and the sheriff outfits his people with a certain car, what is the difference in the marshal doing the same thing? If we are the three law enforcement agencies, then we should be able to drive the same car.

**(Councilor Gary Allen's) Ford Fusion remark still bothers you, right?**

It was very degrading,

**Did you tell Councilman Allen that?**

I did. I told him it was very, very degrading. This is it: I have three boys and my oldest son is not of my loins, but he has never heard me call him stepson. I have three boys. I've raised them all, they are my sons. When you start to imply certain things, it creates a certain prejudice, it creates a certain mindset, it puts misinformation out there. You can't say we have a public safety and you say one agency is the primary public safety agency. We have three law enforcement agencies. You don't hear the President of the United States say we have a great Marine Corps or we have a great Coast Guard. He says we have a great military. Because we are military, that although we have a distinct mission, we all train the same way, we have to meet the same requirements, we have to meet the same requirements to maintain our arrest powers.

**Do we need three law enforcement agencies in Columbus?**

We do need three law enforcement agencies. We've had two where we had the marshal and the sheriff, but we need a police department, we need a marshal's office and we need a sheriff's office. We all complement each other. What would you think would happen if we had two agencies that did the same thing and thought the same way, and nobody could check the other agency — it's checks and balances. The marshal's office is a crucial part of public safety.

**Do we have a crime problem in Columbus?**

If you have one house broken into, that's a crime problem. Do we have a crime problem? I think we can do better when we come together and work together for one common cause, and that is for the citizens. That is why from where I sit, my deputies have to go out and have to communicate with three citizens every day, list their names and bring that back to this office, because that is part of community policing.

Before I took office I met with Jim Wetherington because I wanted to pattern my leadership after him. One thing that I watched and have seen over the past 20 years is community policing is necessary to reduce crime. Traffic enforcement is necessary to reduce crime. A lot of people may not know what the studies say, but when you can involve the community and build that trust with the community, because in the wake of things happening in Ferguson and New York, public safety law enforcement is going to be forced to do things in a certain way anyway.

**I'm going to ask you the same question I asked Chief Boren: Are you a cop or are you a politician?**

I'm a public servant that happens to be a law enforcement official. I believe that everybody that commits a crime should not have to be arrested. I believe that. Once upon a time I had a problem drinking. I knew I did; I'm not a perfect person, but I can appreciate where I am now. But even then, my conscience would bother me because I knew I had drank and drove. If I went to the club in my single days to drink and made it home but I was never pulled over, but I was never to the point where I couldn't drive, I made a bad decision.

Sometimes people make bad decisions and that officer has the discretion to arrest or not to arrest. Some people's philosophy may be different because of the agency they work with, and they may feel like everybody needs to go to jail.

**So, does that make you a cop or a politician?**

I'm a public servant. Every law enforcement officer, whether you're Columbus State (University) Police, sheriff's office, everybody is a cop. Because if you wear that gun and that badge and you have arrest

authority, you are a cop. It's a mindset. So, I'm a law enforcement officer who happens to be elected and a public servant.

**I'd like to talk to you about your relationship with Mayor Tomlinson. When she was elected four years ago you worked very hard for her, right?**

I did.

**In the most recent election, you were very vocal and very high profile against her. You were sitting on the front row...**

Sitting on the front row does not make you vocal, and if you ask anyone, my concern — and even my comments were in your paper — is public safety. And my concern now is still public safety. My concern will always be public safety. I absolutely have no disdain in my heart for Mayor Teresa Tomlinson. I have no ill will in my heart for Teresa Tomlinson or anybody in city government. I believe I had the right to my opinion and as a public safety agency here, I worry about how public safety is being handled. In 2008-2009, as you know, we had a 1-percent sales tax, and don't think that all of this was a sudden change. I'm the type of person, Chuck, that likes to communicate behind closed doors before I have to take anything public. I don't believe in being a radical person, although I think sometimes you have to take radical actions to make your point known. Even as a child, I never saw my mother and father argue.

**They never argued?**

Yes, but not in front of us out of respect. My kids can never say they heard my wife and me argue even if there is a fundamental difference. We wait until there is a time and place for us to communicate. With the Mayor, you never saw me publicly go out and argue about something she has done. We've communicated via email, and I've told her, and I will tell you because we're doing this interview, that this should be a partnership and not a dictatorship.

**Do you think it's a partnership right now?**

Well, I think that time will tell. There is always time to heal. Certain things have to happen, but that's why you have some marriages that will break up and some marriages that will get back together; you see people remarrying.

**So, do you plan to remarry the mayor?**

I'm already married and I'm happily married. (Laughter)

**Do you plan to politically remarry the mayor?**

I have no problem working with Mayor Teresa Tomlinson on any project that she needs my help on. I absolutely have no problem with that, but understand this, Chuck, public safety is my heart. I watched Mayor Wetherington and I sat in the room with him, Fire Chief Jeff Myers, Sheriff Ralph Johnson, City Attorney Clifton Fay, and the city manager, and when (they) came up with the concept of a percent sales tax, I remember the city manager say "dream big." I'm thinking we can't even hope big. So, "dream big," we would have x-number of dollars coming in that we can fund these different functions of public safety. And initially it was for the police department, the sheriff's department and the marshal's office. ... But, we haven't been able to dream because now the Civic Center is getting part of the LOST, METRA, Parks and Recreation is getting it. So, the number of people that receive the LOST who benefit from it has spread. That means that the money is drying up.

**Do you think Mayor Tomlinson has protected the sales tax that was primarily for law enforcement?**

I'll give you an example. If I had to maintain \$6,000 in my checking account, no matter what in order for me to have a good credit rating, the bank has to see \$6,000. If I for some reason don't have \$6,000 and I all of a sudden have \$3,000, but in my savings account which is for maintenance for my vehicles, if I could move that to over here, technically you have \$6,000. But you have exhausted \$3,000 over here so you can no longer perform maintenance on what his money was originally for.

## **Money is just being shifted?**

Councilman (Mike) Baker, who has just been sworn in, has said one of the things he wants to do is to build back the city's reserves. We don't have a true reserve, because any time you have to combine money to make one then the money is not being used properly. I have asked and I have communicated and I will not call the councilman's name, but I have asked several councilors to explain how the money is being used, because it's talked about quietly amongst public safety. Even now, the police department wants cameras. The marshal's office is looking at different types of cameras. The sheriff's office is looking at cameras. There should not be an alternative funding for the needs of public safety. The money should be there to where we can purchase those types of things because that's what the taxpayers voted for. I think that's what we should give them.

## **Do you think Mayor Tomlinson has acted in the best interest of public safety? Yes or no?**

No. If you ask me point-blank, no, because the money should be there and I think that the taxpayers deserve to know where the money is. I think the taxpayers need to know how they've spent the money. I think it would be good to not just to hide it into a system where you can go in and look for it. There should be a quarterly report that goes out to the public on a web site where they can see expenditures, because if you can look at an elective office and cast judgement on an elected officer and say that the sheriff misuses his budget, that's a stretch if you've never worn the uniform. That's a stretch because I can't tell you what the mayor does in her office. I don't know anything about the mayor's office.

## **But she's the public safety director?**

She's the public safety director for the police department and the fire department and the Muscogee County Prison. I've worked in the jail. I've worked in the sheriff's office. That's not an easy task. Even myself as marshal, I know how difficult the job of a sheriff is, because you can't please everybody. And he has to have a budget, everybody has to have a budget that is going to be efficient. You can do great things when you have a great budget, but look at the agencies like the marshal's office that doesn't have a large budget.

## **So, money solves problems?**

Well, just let me tell you this: When I got married I had a guy tell me that love is love but money makes it easier to love. I think that money allows you the ability to run your office or your department in a way that it should be run. We go to conferences each year and we see new technology that may come out and if we need to purchase something we can't. Those things benefit our agencies because if you don't have a camera now, and cameras could have been purchased... Say there is an incident. There is no independent witness. That camera system is an independent witness that will not lie, that you cannot alter. That's why I tell the truth because often times it's one person's word against another. Once the public can see those kinds of things, believe me, Chuck. ...

## **As the NFL has taught us, sometimes it's inconclusive.**

Well, even if that happens, the level of transparency should be there, because you have to have transparency. Do I like transparency? I've learned to love it because this office is open to traffic. I can't tell you the number of times that I've gotten open record requests for things I know I'm going to have to do all of this work.

## **I've sent a few to you.**

Oh, yeah, you have. But, transparency needs to be there because it promotes integrity and promotes public trust. And if we are going to try and build a bridge from one side to the other, the most important part of building a bridge is you have to build them in sequence from left to right. But what's most important is what is in the middle. You have to be able to build those.

You've got public trust and you've got public safety here; you have to be able to work in conjunction. So, once you get to that middle part, it can withstand the harshest weather. It can withstand the traffic that

comes in the door because once the public trusts public safety... Even if you make a mistake. own up to that mistake.

Solicitor (Ben) Richardson taught me three things when I took office. He said, "Greg, let me sit down and talk with you." He said, "If you ever encounter something in your office, first recognize there is a problem, whether you want to recognize it or not. Secondly, you have to have a solution .....

**You called for an investigation of your own department.**

I did, because that was integrity. That's integrity.

**You've called for investigations twice, right?**

Right, twice. Because the first time for the Junior Marshal's program there were some who were saying we had a ghost employee. And at the time I was seeking a job to be the United States Marshal for the Georgia Middle District, which I felt I had a great opportunity for that.

**Did that investigation cost you that job?**

I was asked to come off of that list. I was asked to be removed off of the list, and after it was cleared and I was cleared of no wrong doing, I was told I could go back. I didn't want to go through that because integrity matters to me, Chuck. As I told you when I left the sheriff's office, someone was putting out false information. My integrity means something to me. I resigned and I left and I sought this office and I got the reward. There were rumors of certain things. I called the GBI on myself and I can remember that call clearly, because they said, "You're calling us to look into you?" They said, "You know, we have the resources to turn over every rock." I said, "I want you to." So, I called the state-level FBI agency to come in and look into the Junior Marshal's program. There was no wrongdoing. I called the GBI to come in and look into another personnel issue that I caught a lot of flak for by some people.

**Which one was that?**

The one with Alicia Davenport.

**She's no longer in your office, right?**

She is technically an employee in this office. She is on admin leave without pay. So, the GBI looked into that because when things happen in your office, one thing that I have learned is you have to act swiftly. You can't sit back on things because I call that leading from behind. You can't lead from behind. You have to set a standard, you have to believe in that standard, and you have to move forward based on that philosophy.

**Are you considering a run for sheriff?**

Chuck, I've had people ask me to run for sheriff since I've been marshal.

**Are you going to do it?**

I have no plans at this time to run for sheriff. I am going to be obedient. I've told the Sheriff to his face that I can sit here in this office and retire if God wants me here.

**So, if John Darr runs, you wouldn't run against him?**

I consider John Darr a friend. I consider Ralph Johnson a friend because he hired me. When I ran for office I ran on three things: honesty, integrity and loyalty. Those things mean something to me. John is a great friend of mine, but he knows that if God puts it on my heart, then I am going to be obedient to God rather than the man. Do I want to run? I have no intentions.

**But if the Lord tells you to run?**

If it is placed on my heart, I'm going to be obedient, but I have no plans in my heart. In my heart of hearts, I consider John a friend. This office doesn't belong to me. Neither office belongs to either of us. It belongs to the people. I have no intentions of having the headache of being sheriff.

### **You've already got a headache, the marshal's office.**

But, I love this headache. I can deal with this headache. I enjoy being marshal. I enjoy serving the citizens of this great community, and I like where we are as an office now, because I have kept up with all of the data, the history, the photos, and you can go out and look at the monitor and it shows where we were when I first got here and where we are today. We went over to the west wing — we didn't have the west wing. When I first started we have 14 people in 670 square feet of office space. Imagine if you had 15 children in your house and how chaotic it would be.

### **Based on your faith tradition, you believe judgment day is coming, right?**

Yeah.

### **... What do you think the judgment is going to be of you?**

Well, Chuck, if I die tomorrow, I feel good about where I am, because one thing about it, the Bible tells you when you know right and you do wrong that you sin.

So, I have always tried to do right because I know at the end of the day when I go shower and brush my teeth, when I look into the mirror, I'm happy. I pray when I lay down. I pray when I get up and I thank God for being where I am. Do I think we're living in the end of time? You can look at where we are as a world, you can look at where we are as a nation. I try not to get caught up in foolish things. I got a call from a good friend this morning. He has had a stroke and he called me to say, "Hey, I love you." We don't have time for foolish games and we don't have time to hate on each other, and we need to learn to celebrate each other.

I've been preaching that and saying that for the longest. Do I feel like I need to pick up what I do in a spiritual sense? I'm just not going to be misled or led by foolishness. And I think judgment day is near. It will come as a thief in the night, so we have to always condition ourselves, condition our minds to be where we need to be spiritually.

So, that day is going to come whether I see it or whether it is beyond me and my children see it. I'm always going to prepare for it because I just never know. If I lay down tonight and don't awake tomorrow, I can't say, "I'm going to get myself right." My preacher preached last Sunday on the time is now for all of us to get ourselves together, not be consumed by foolish things, because the things we quarrel over are nothing. I think we're all going through the motions.

Everybody's fate is pretty much decided because if God can tell you every number of hair that's on your head, if he can create earth and within a fraction you either burn or you freeze. We serve an awesome God and we have to get ourselves conditioned for the race. I believe in judgment day and I believe everyone will have to answer. That's why I try to utilize this office in every decision that I make that is key. I imagine the citizens being outside of this door, and once I make my decision, I can go outside this door and justify my actions because it's not your actions that will get you into trouble, it's your inactions.

Bio Name: Greg Countryman Age: 48 Job: Marshal, Muscogee County; part-time assistant professor, Georgia Military College. He worked previously as deputy for the Muscogee County Sheriff's Office and officer for the Columbus Housing Authority Police. Education: Baker High School, 1984; Georgia Military College, associate degree in criminal justice, 1997; Troy University, bachelor's degree in criminal justice, 2003; Columbus State University, master's in public administration, 2007. Wife: Angela, married 15 years; sons Christopher, 21, Greg Jr., 14, and William, 7.

# Columbus, Georgia

## Georgia's First Consolidated Government

P.O. Box 1340, Columbus, Georgia 31902-1340

ISAIAH HUGLEY  
City Manager

Telephone (706) 653-4029  
FAX (706) 653-4032

July 1, 2015

Dear Ladies and Gentlemen:

As in recent years, Columbus, Georgia continues to face the challenge of providing its citizens with vital, quality services and amenities within the confines of its limited resources without straining its long term reserves. We struggle with meeting the increased demands of the citizens, with limited revenue growth potential and the expected modest increase in the tax digest, little or no change in select major revenue sources, and minimal increases in the sales tax collections. As the nation continues to cope with the consequences of rising costs of necessities such as healthcare, federal budget constraints and imposed sequestration measures, and unprecedented times in the housing and financial markets, Columbus, Georgia has not been untouched. The Columbus Consolidated Government is committed to providing services to meet the demands of our citizens as we continue to stand for Performance, Accountability, Service, and Trust.

In preparing this FY16 Adopted Budget, the needs and demands of the citizens we serve were at the root of our concerns. This budget cycle has presented similar challenges to those we have faced in the past few years. The goal for the FY16 Operating Budget was to live within our means while meeting the service needs of our citizens without undue depletion of our long term reserves, which are vital to the sustainability of our city's economic infrastructure. We continue to adapt to the added operational requirements for some of our facilities that are relatively new such as the Aquatics Center, the City Services Center, a new parking facility structure, and the Recycling/Sustainability Center. While local, regional and national economic conditions remain uncertain in both consumer spending and in the housing market, the digest is anticipated to increase only nominally as other revenues remain relatively unchanged. The FY16 Operating Budget is balanced at \$265,724,993. In order to balance the budget, \$1,455,560 of fund balance across all operating funds was used, \$1,283,310 from the General Fund and \$172,250 from the Debt Service Fund. Fund Balance of \$135,273 was adopted as a subsidy for the Parking Management Fund, \$300,000 subsidies for the Bull Creek and Oxbow Creek Golf Courses, \$200,000 subsidy for the Civic Center Fund, and \$600,000 subsidy for the excess charges for prisoner health care. The expected increase in the City's digest is projected at 1.5%, other major revenue sources remaining unchanged or modest increases, and \$233,498 adopted in service fees adjustments. Capital requests and infrastructure repair and replacement were delayed in the General Fund except for \$76,042 for equipment.

The total millage rate remained the same in FY16 as adopted in FY15. The millage rate is 17.88 for USD #1, 11.90 mills for USD #2 and 11.00 mills for USD #4. The total General and Urban district subject to the 9 mill cap is 9.00 mills in USD #1, 6.95 mills in USD #2, and 6.80 mills in USD #4.

### Challenges

We continue to struggle for replacement of capital equipment and infrastructure maintenance. The last time significant funding was made available for capital investment was with the 2009 Other Local Option Sales Tax. The Columbus City Council confirmed by resolution to dedicate 70% of the tax to Public Safety and 30% of the tax to Infrastructure. As in the FY15 Adopted Budget, this FY16 Budget also postponed funding for the

Capital Replacement Program in the General Fund. We were able to fund minimal capital requests in other operating funds, but left many justified equipment requests and projects unfunded. Costs of operations remain at a minimal level. As we look to our future, we must be mindful of the potentially costly impact that deferred maintenance on equipment and vehicles or delayed reinvestment in basic infrastructure may pose to us in years to come.

### **Cost Containment Measures**

In order to ensure sustainability of the pension plan, significant pension reform occurred in FY13. The benefits of implementing pension plan reform are already proving to be successful and significant in terms of savings to the City. The UGA pay plan study has now been fully implemented and operational for several years as well. In 2010, the City began paying emergency responders a supplemental pay in addition to their base pay, funded by the Other LOST. Once implemented, the City has expanded the pay supplement to all public safety officers, including those who are not emergency responders. As in the previous seven budget years, in FY16 the Public Safety employees will continue to receive an annual \$3,121 supplement to their annual compensation. It has been debated whether the public safety officers felt this pay supplement was subject to discontinuation, when in fact and in practice the intent has always been for the pay supplement to be considered the same way all pay is considered: permanent but subject to change along with budgetary constraints and funding source availability.

Several cost containment measures were continued in the FY16 budget. All positions that were unfunded during FY15 will continue to remain unfunded during FY16. An “unfunded” vacancy position is one that cannot be refilled during the budget year due to lack of funding for the position, but the position remains an authorized position that may or may not be funded in subsequent budget years. These unfunded vacancies are general government positions as opposed to public safety positions. This measure results in an annual savings of \$1.34 million in the General Fund.

In addition to continuing unfunded vacancies, the City has also made the decision to continue to defer major maintenance to its facilities and to delay any significant capital investment in its facilities or infrastructure indefinitely. The aging and deteriorating condition of some of the City’s buildings and other facilities is of grave concern; however, the austere budget circumstances in which we find ourselves year after year simply do not allow the City to invest in its own facilities at this time.

### **Budget Process**

Early in the budget preparation period, we forecasted that revenues would not fully support the operations of the government. The combination of reducing expenditures, unfunding vacancies, delaying capital and infrastructure purchases, reducing subsidies to other funds and agencies, revising healthcare plan design and contribution levels, preserving General Fund-Fund Balance, implementing fee adjustments for select services, and utilizing one-time revenues allowed us to balance the budget during this economic time. An increase of 1.5% in the tax digest for FY16 is estimated and a 96% collection rate is projected. The departments in the General Fund maintained the same operating budget as FY15, with a few exceptions. With departments essentially operating at the same level as FY15, departments will have the extraordinary challenge of providing more, in most cases, with continued static financial resources and fewer human resources. Some departments will continue to leave positions un-funded and postpone filling any vacant positions, reduce or eliminate part time or overtime hours, make strategic changes to their scheduling and shifts, and evaluate operational priorities in order to remain within their allocated budgets.

The following chart details the Adopted Operating Budget for FY16. The left columns identify the funding for each fund, and the right columns show the appropriation for each fund in comparison with the adopted budget for FY15. The Fund Balance column identifies those funds, which requires fund balance to balance their appropriations: General Fund and the Debt Service Fund.

**FISCAL YEAR 2016  
SUMMARY OF FUNDS AND APPROPRIATION**

FUNDS	TOTAL FUNDING			TOTAL APPROPRIATION		
	FY16 REVENUE	FUND BALANCE	TOTAL	FY16 BUDGET	FY15 ADOPTED	% CHANGE
General	\$149,642,111	\$1,283,310	\$150,925,421	\$150,925,421	\$151,070,116	-0.10%
Stormwater	5,366,111	0	5,366,111	5,366,111	5,254,260	2.13%

Integrated Waste	11,375,000	0	11,375,000	11,375,000	11,146,049	2.05%
E911	3,958,789	0	3,958,789	3,958,789	3,851,138	2.80%
Debt Service	11,564,505	172,250	11,736,755	11,736,755	11,108,808	5.65%
Transportation	6,685,248	0	6,685,248	6,685,248	6,430,424	3.96%
Parking Mgmt	393,273	0	393,273	393,273	398,500	-1.31%
Trade Center	2,649,791	0	2,649,791	2,649,791	2,644,850	0.19%
Bull Creek	1,248,800	0	1,248,800	1,248,800	1,482,050	-15.74%
Oxbow Creek	490,500	0	490,500	490,500	532,000	-7.80%
Civic Center	5,428,000	0	5,428,000	5,428,000	5,553,500	-2.26%
Econ Dev Auth	2,226,627	0	2,226,627	2,226,627	2,152,420	3.45%
<b>Sub-TOTAL</b>	<b>230,269,433</b>	<b>\$1,455,560</b>	<b>231,724,993</b>	<b>231,724,993</b>	<b>\$230,646,639</b>	<b>0.47%</b>
2009 Other LOST	34,000,000	0	34,000,000	34,000,000	33,000,000	3.03%
<b>TOTAL</b>	<b>\$264,269,433</b>	<b>\$1,455,560</b>	<b>\$265,724,993</b>	<b>\$265,724,993</b>	<b>\$263,646,639</b>	<b>0.79%</b>
Health	21,632,650	0	21,632,650	21,632,650	27,000,000	-19.88%
Risk Management	5,486,983	0	5,486,983	5,486,983	5,691,316	-3.59%
CDBG	1,311,557	0	1,311,557	1,311,557	1,416,583	-7.41%
WIA	3,609,420	0	3,609,420	3,609,420	3,583,594	0.72%

The total operating budget is \$265,724,993 excluding WIA, Community Development Block Grant, Risk Management and Health Insurance Fund. WIA and Community Development Block Grant have different budget cycles due to federal regulations; an estimated budget is incorporated in the regular budget process. Budget adjustments for these funds will be forwarded to Council in the Fall.

**Assessment**

The Columbus Consolidated Government offers an array of services to its residents including public safety, judicial, parks and recreation, sanitation and general government operations. At the time of consolidation in 1971, the government recognized that not all citizens within Muscogee County would receive equivalent levels of service. In recognition of this disparity, specific tax districts were established to levy taxes in direct proportion to services provided within each taxing district.

Currently, there are three urban service districts (USD1, USD2, and USD4), not including the special districts created for the Business Improvement District. The assessment and millage set for the primary three districts are distinguished by the services provided to each district: general services and urban services. The general services are provided to the total area of Muscogee County as fixed and established on the effective date of the last amendment to the charter. Functions and services provided to the general service district are commonly available and accessible or otherwise provided to all residents throughout the total area of the county. Examples are judicial services, parks and recreation, city administration, certain police services, health facilities and incarceration facilities. Urban service districts provide more comprehensive and intensive levels of governmental duties. Examples are fire protection, police patrol services and street maintenance. The total millage for urban and general service plus transportation services has a nine-mill cap not including debt service, Medical Center appropriation, and road and stormwater (sewer) millages.

The criterion for calculating the millage rate in each district is outlined below.

**General Service** - Services are of equal level throughout the county. Taxes are levied on all Muscogee County property owners.

**Medical Center Tax** - A three-mill levy is assessed with revenue paid to the Hospital Authority for medical care of county residents who cannot afford medical treatment.

**METRA** - This tax is levied to subsidize mass transit in the city. Taxes are levied after all other income from fares and other service charges and other governmental entities are calculated.

**Urban Service** - Services are diverse in various sections of the county. Taxes are levied proportionately on property owners of each district based on the level of service.

**Fire Tax** - The millage rate is dependent on the Fire Department's ISO rating for each district. The ISO rating is the same throughout all of Muscogee County.

**Patrol Services** - The tax rate is calculated according to the median response time on all police calls.

**Stormwater (Sewer)** - The tax rate is calculated according to the number of miles of public roads and streets in the district, which are maintained at local expense.

**Street Maintenance** - The tax rate is calculated according to the number of miles of public roads in each district per acre of land. Taxes are levied in the Paving Fund for this activity.

The chart below shows the distribution of the millage among districts.

TAX MILLAGE COMPARISON FY15 ADOPTED TO FY16 ADOPTED									
	URBAN SERVICE DISTRICT #1			URBAN SERVICE DISTRICT #2			URBAN SERVICE DISTRICT #4		
	FY15 Adopted	FY16 Adopted	Change	FY15 Adopted	FY16 Adopted	Change	FY15 Adopted	FY16 Adopted	Change
<b>Total General and Urban</b>	8.18	8.18	0.00	6.13	6.13	0.00	5.98	5.98	0.00
<b>METRA</b>	0.82	0.82	0.00	0.82	0.82	0.00	0.82	0.82	0.00
<b>Total Subject to Cap</b>	9.00	9.00	0.00	6.95	6.95	0.00	6.80	6.80	0.00
<b>Stormwater (Sewer)</b>	1.24	1.24	0.00	0.20	0.20	0.00	N/A	N/A	N/A
<b>Paving</b>	3.44	3.44	0.00	0.55	0.55	0.00	N/A	N/A	N/A
<b>Medical Center</b>	3.00	3.00	0.00	3.00	3.00	0.00	3.00	3.00	0.00
<b>Economic Development</b>	0.50	0.50	0.00	0.50	0.50	0.00	0.50	0.50	0.00
<b>Total M &amp; O</b>	17.18	17.18	0.00	11.20	11.20	0.00	10.30	10.30	0.00
<b>Debt Service</b>	0.70	0.70	0.00	0.70	0.70	0.00	0.70	0.70	0.00
<b>Total Tax Rate</b>	17.88	17.88	0.00	11.90	11.90	0.00	11.00	11.00	0.00

In Urban Service District #1, which encompasses most of the community's land area, the millage rate will be 17.88 mills. Funding is continued for economic development activities. In Urban Service District #2, which extends along the northern boundary of Columbus, the tax rate will be 11.90 mills. In Urban Service District #4, which is presently limited to some small parcels near the Fort Benning reservation, tax rate will be 11.00 mills. Under the requirements of the Taxpayer Bill of Rights, three public hearings were held in order for citizens to discuss the changes in the tax rate.

### **Personnel Changes and Employee Compensation**

Each year, a major portion of the budget is allocated to personnel costs. In FY16, that percentage is approximately 57%. The city's annual contribution of \$5,650 per full time budgeted position for health care and the employee's premium will reflect a shared contribution strategy of 70% employer contribution of the Health and Wellness Center Plan applied across all plans as well as plan adjustments to provide a premier health insurance plan for employees and their qualified dependents. Employee's spouses that have access to an employer sponsored health insurance plan will be excluded from the city's self funded plan. The establishment of the Health and Wellness Center, which opened in May, 2013, is expected to continue to assist with controlling the rising costs of healthcare through improved employee health status and improved control over chronic conditions like high blood pressure, diabetes, and high cholesterol. Staff will continue to pursue development of "tools" to help our employees make better health choices based on education and cost cutting strategies. The pay of certain elected officials who were re-elected to their positions in 2015 have been changed to reflect the higher longevity, and all elected officials whose pay is tied directly to the City's population saw an increase in their pay beginning January 1, 2015. All other elected officials, general government employees, and public safety employees will have no incremental increase to their pay in this budget. The only concession made in this budget was a minimal cost of living adjustment for General Government and Public Safety employees of 0.50% effective January 2, 2016, and retired employees of 0.25% effective January 1, 2016. The Public Safety employees continue to receive an annual \$3,121 supplement. Other personnel adjustments are outlined in the Personnel Section of this document.

### **Capital Projects and Capital Outlay**

The FY16 budget includes \$8,421,422 in capital improvements projects and \$4,465,267 for capital outlay. Funding has been included for road resurfacing, and pipe rehabilitation and replacement. Details of the capital improvement projects are found in Capital Improvement Projects Section. The capital outlay is detailed in the Appendix.

### **Departmental Highlights**

Listed below are the major budget highlights for each department. Due to the required contribution for pension, some departmental budgets have decreases in personnel costs and an overall budget reduction. This does not reflect a staffing or operational reduction. Major changes beyond personnel are identified with additional details contained in the Departmental Summaries Section of the document.

- ◆ The Legislatives' FY16 funding level is \$529,931, a 1.37% decrease from the FY15 adopted budget. This department includes the Council and the Clerk of Council divisions.
- ◆ The Executive's FY16 funding level is \$1,333,953, a 0.58% decrease from the FY15 adopted budget of \$1,341,801.
  - ◆ The Mayor's Office decreased by 0.66% from \$298,373 to \$296,399.
  - ◆ The funding level for the Internal Auditor's Office is \$195,968, a 2.06% decrease from the FY15 adopted budget of \$200,092.

- ◆ The Crime Prevention/Intervention program will also receive funding from the Other Local Option Sales Tax in the amount of \$841,586, a 0.21% decrease over FY15.
- ◆ The City Attorney's Office FY16 funding level is \$708,226, a 1.11% decrease from the FY15 adopted budget.
- ◆ The City Manager's FY16 funding level is \$1,296,819, a 9.85% decrease from the FY15 adopted budget. This department includes the City Manager's Office, Mail Room, Public Information, and Citizen Service Center. This decrease is due to the transfer of Criminal Justice Coordination (Court Appearance compensation) to the appropriate Public Safety agency.
- ◆ Finance's FY16 funding level is \$2,266,994, a 3.36% decrease from the FY15 adopted budget. This department includes the Director's Office, Accounting, Revenue, Financial Planning, Cash Management and the Purchasing divisions.
- ◆ Information Technology's FY16 funding level is \$3,807,901 a 2.64% increase from the FY15 adopted budget. The Information Technology Department will also receive funding from the Other Local Option Sales Tax (Infrastructure) in the amount of \$600,000, up by 380% from FY15 due to the necessity of critical technology infrastructure.
- ◆ Human Resources' FY16 funding level is \$1,964,714, a 5.08% decrease from the FY15 adopted budget. This department includes the Administration and Employee Benefits divisions.
- ◆ Inspections and Code Enforcement's FY16 funding level is \$1,692,094, a 3.43% decrease from the FY15 adopted budget. This includes the Inspections and Code Enforcement Department and Print Shop.
- ◆ The Planning Department's FY16 funding level is \$266,300, a 11.10% decrease from the FY15 adopted budget.
- ◆ The Community Reinvestment funding level is \$139,369, a 71.88% increase from the FY15 adopted budget amount. This increase is due to funding a vacant position that was unfunded in FY15 and Legacy Terrace maintenance that is offset by revenue.
- ◆ Engineering Department's FY16 funding level is \$1,812,257, a 13.15% decrease from the FY15 adopted budget. This department includes Traffic Engineering, Geographic Information Systems and Radio Communications divisions. This decrease is due to the maintenance agreement with Motorola was included in the 800 MHz Radio upgrade through the Motorola Migration Assurance Plan (MAP). In addition to the aforementioned divisions, which are funded in the General Fund, this department manages divisions funded in the Stormwater (Sewer) and Paving Funds. Engineering Department's Drainage Division will operate with \$719,573, a 0.76% decrease from FY15's adopted budget, and the Highways & Roads Division will operate with \$1,025,128, a 3.59% increase from FY15's adopted budget. Engineering also receives an allocation of \$2,052,964 from the Other Local Option Sales Tax, a 41.66% increase from the amount allocated in FY15.
- ◆ Public Works' FY16 funding level is \$8,321,233, a 0.77% increase from the FY15 adopted budget. This department includes the Director's Office, Fleet Management, Special Enforcement, Cemeteries, Facilities Maintenance, and Other Maintenance & Repairs divisions. Besides managing the aforementioned divisions, which are funded in the General Fund, the department manages divisions in other Operating Funds that are listed below: Two divisions, Stormwater Maintenance and Other Maintenance & Repairs, operate with \$3,300,649 in the Stormwater Fund. This allocation is a 0.83% decrease from the FY15 adopted budget for Public Works' stormwater construction and maintenance

activities. The Public Works' Department will also receive funding from the Other Local Option Sales Tax in the amount of \$695,000 for Facility Improvements and \$132,500 for OLOST supplements for correctional officers.

- ◆ Four divisions; Streets, Urban Forestry & Beautification, ROWM Community Services, and Other Maintenance & Repairs, operate with \$10,866,483 in the Paving Fund. This allocation is a 1.02% decrease over the FY15's adopted budget for Public Works' paving and maintenance activities.
- ◆ Six divisions; Solid Waste Collection, Recycling, Granite Bluff Inert Landfill, Oxbow Meadow Inert Landfill, Pine Grove Landfill, Recycling, and Other Maintenance & Repairs, operate with \$10,184,323 in the Integrated Waste Management Fund. This allocation is a 1.83% increase from the FY15 adopted budget for Public Works' waste management program and maintenance activities.
- ◆ Other Maintenance & Repairs is budgeted in the Transportation (METRA) Fund for \$15,000 and in the Civic Center Fund for \$100,000, representing no changes from the FY15 Adopted budget amounts.
- ◆ Parks & Recreation's FY16 total funding level is \$10,911,522, a 3.30% decrease from the FY15 adopted budget. This department includes the Director's Office, Park Services, Recreation Services, Community Schools, Athletics, Therapeutics, and Special Facilities (Memorial Stadium, Golden Park, Cooper Creek Tennis Center, Aquatics, Pottery Shop, Lake Oliver Marina and Senior Citizen's Center divisions). In addition to the aforementioned divisions, which are funded in the General Fund, the department also manages the program listed below:
  - ◆ Parks Refuse Collection operates with \$84,509 in the Integrated Waste Management Fund. This allocation is a 1.51% increase over last year's budget for Parks & Recreation waste management program activities.
  - ◆ The Parks & Recreation Department will also receive funding from the Other Local Option Sales Tax in the amount of \$52,197 for OLOST supplements for correctional officers, a decrease of 1.01%.
- ◆ Cooperative Extension Services' FY16 funding level is \$137,865, no change from the FY15's adopted budget. The staff members are state employees, but the Consolidated Government supplements seven salaries.
- ◆ Boards & Commissions' FY16 funding level is \$3,246,540 a 45.43% increase from the FY15 adopted budget due to the property reappraisal contract and anticipated upcoming election expenses. This department includes the Board of Tax Assessors and the Board of Elections and Registration.
- ◆ Police Services' FY16 funding level is \$27,946,086 a 4.70% increase from the FY15 adopted budget. This department includes the Chief of Police, Intelligence/Vice, Support Services, Field Operations, Office of Professional Standards, Administrative Services, and Investigative Services divisions. Besides managing the aforementioned divisions, which are funded by the General Fund, the department manages the emergency call center (E911).
  - ◆ The Police Department will also receive funding from the Other Local Option Sales Tax in the amount of \$9,771,525 a 16.63% increase from FY15.

- ◆ The Emergency Call Center (E911) operates with \$3,744,486 in the Emergency Telephone Fund. This allocation is 2.75% more than last year's budget for E-911 activities. Operational costs continue to grow more rapidly than funding appropriated from the \$1.50 surcharge on land-based telephone lines. Additionally, the \$1.00 surcharge on cellular telephones, effective November 1, 1998, helped offset the expenditures needed to keep pace with operational costs. The transfer from the Other Local Option Sales Tax Fund in FY16 is \$1,128,789. The E911 operations will also receive funding from the Other Local Option Sales Tax in the amount of \$704,178 for personnel and a lease agreement for the upgrade of the E911 system.
- ◆ Fire and Emergency Services' FY16 funding level is \$24,847,952, reflects a 1.61% increase from the FY15 adopted budget. This department includes the Chief of Fire and EMS, Suppression and EMS, Training, Prevention, Hazardous Materials Response Team, Maintenance, Special Operations, Administrative Services, Logistics/Support, and Emergency Management divisions. The Fire Department will also receive funding from the Other Local Option Sales Tax in the amount of \$3,373,634, a 25.58% increase from the FY15 Adopted Budget.
- ◆ The Muscogee County Prison's FY16 funding level is \$7,908,766, a 0.17% increase from the FY15 adopted budget. The Muscogee County Prison will also receive funding from the Other Local Option Sales Tax in the amount of \$669,738 for personnel and capital, a 10.65% increase.
- ◆ The Superior Court Judges' FY16 funding level is \$1,286,183, a 0.52% decrease from the FY15 adopted budget.
- ◆ The District Attorney's FY16 funding level is \$2,242,848, reflects a 11.92% increase from the FY15 adopted budget. The increase is due to the Rapid Resolution Initiative to protect constitutional rights of persons in the Muscogee County Jail and reduce the cost and requirements of the jail. The District Attorney's Office manages the Victim/Witness Assistance Program, which is partially funded by the Crime Victim Surcharge. The Victim Witness Program's FY16 funding level is \$166,563. This allocation reflects a 2.03% decrease from FY15's adopted budget. The remaining balance of the 5% surcharge will be carried forward at the end of the fiscal year. A portion of this budget is funded by proceeds of a 5% surcharge assessed on all court fines levied in the Chattahoochee Judicial Circuit. The District Attorney will also receive funding from the Other Local Option Sales Tax in the amount of \$132,664 for personnel.
- ◆ Adult Probation's FY16 funding level is \$134,258. This allocation reflects a 1.93% decrease from the FY15 adopted budget.
- ◆ The Jury Manager's FY16 funding level is \$410,714. This allocation reflects a 0.34% decrease from the FY15's adopted budget.
- ◆ The Juvenile Court's FY16 funding level is \$711,591 a 28.63% increase from the FY15 adopted budget. This increase is due to the consolidation of the Juvenile Court Clerk's budget with Juvenile Court.
- ◆ The Circuit Wide Juvenile Court's FY16 funding level is \$288,715, a 7.42% increase from the FY15 adopted budget.
- ◆ The Clerk of Superior Court's FY16 funding level is \$1,944,974, a 0.97% increase from the FY15 adopted budget. The Clerk of Superior Court became responsible for the Board of Equalization effective January 1, 2011 with a FY16 funding level of \$64,933.

- ◆ State Courts' FY16 funding level is \$1,675,902, a 1.13% decrease from the FY15 adopted budget. This department includes State Court Judges and the State Court Solicitor's Office. The State Court Solicitor's Office will also receive funding from the Other Local Option Sales Tax in the amount of \$210,382 for personnel.
- ◆ The Public Defender's FY16 funding level is \$1,643,749, a 17.16% increase from the FY15 adopted budget. The Indigent Defense Act was effective on January 1, 2005, which required the consolidation of Public Defender services in Superior and Juvenile Courts. This includes the Circuit wide Public Defender and the Muscogee County Public Defender. The Circuit wide Public Defender will also receive funding from the Other Local Option Sales Tax in the amount of \$144,846 for contractual services. The increase is due to the Rapid Resolution Initiative as outlined previously.
- ◆ Municipal Court's FY16 funding level is \$2,175,352 a 8.68% decrease from the FY15's adopted budget. This department includes Municipal Court Judge, Clerk of Municipal Court and the Municipal Court Marshal. Their budgets are detailed below:
  - ◆ The Clerk of Municipal Court's FY16 appropriation is \$738,424, a 2.31% decrease from the FY15 adopted budget. The Clerk of Municipal Court will also receive funding from the Other Local Option Sales Tax in the amount of \$94,040 for personnel, a 2.31% decrease over FY15 Adopted Budget.
  - ◆ The Municipal Court Marshal's FY16 appropriation is \$1,075,259 a 14.35% decrease from the FY15's adopted budget due to the elimination of positions. The Marshal will also receive funding from the Other Local Option Sales Tax in the amount of \$320,434 for personnel, a 1.02% decrease over FY15 Adopted Budget.
  - ◆ The Municipal Court Judge's budget is \$361,669, a 2.46% decrease from the current adopted budget.
- ◆ The Probate Court's FY16 funding level is \$438,508, a 1.11% increase from the current adopted budget. The Probate Court will also receive funding from the Other Local Option Sales Tax in the amount of \$46,325 for personnel.
- ◆ The Muscogee County Sheriff's Office's FY16 funding level is \$24,750,117 a 0.31% decrease from the FY15 adopted budget. This department includes the Sheriff Administration, Operations, Detention, and Motor Transport divisions. The Sheriff's Office will also receive funding from the 2009 Other Local Option Sales Tax in the amount of \$2,869,963 a 1.53% increase over the FY15 Adopted Budget amount.
- ◆ The Tax Commissioner's Office's FY16 funding level is \$1,608,417, a 0.40% increase from the current adopted budget.
- ◆ The Coroner's Office's FY115 funding level is \$289,029, a 0.22% increase from the FY15 adopted budget. The Coroner's Office will also receive funding from the Other Local Option Sales Tax in the amount of \$8,031 for personnel.
- ◆ The Recorders' Court has an FY16 funding level of \$876,287. This reflects a 0.92% decrease from the FY15 adopted budget amount. The Recorders' Court also receives funding of \$78,400 from the Other Local Option Sales Tax, an increase of 1.98% under the prior year allocation.

- ◆ The Consolidated Government provides funding to diverse community organizations. The Agency's FY16 funding level is \$1,294,851, 3.66% lower than the total amount provided for in the FY15 adopted budget.
- ◆ The Medical Center's FY16 funding level is \$13,959,759. This appropriation reflects a 0.69% decrease under the FY15 adopted budget. The Consolidated Government provides this funding to account for inpatient hospital and outpatient healthcare to its indigent citizens and inpatient and outpatient healthcare for its prisoners. The agreement was renegotiated and the city remits only what is collected of the 3 mills levied.
- ◆ Debt Services' FY16 funding level is \$11,736,755, a 5.65% increase from the FY15 adopted budget. This appropriation is scheduled to fund general bond obligations, lease contracts with the Columbus Building Authority, and other debt obligations.
- ◆ Transportation Services' FY16 funding level is \$6,685,248, a 3.96% increase from FY15's Adopted Budget. This department includes the Director's Office, Operations, Maintenance, Dial-A- Ride, and Grant Management and Planning divisions. Besides managing the aforementioned divisions, which are funded by the Transportation Fund, Metra also manages parking activities. The Transportation Services Department will also receive funding from the Other Local Option Sales Tax in the amount of \$4,016.
- ◆ Parking Management's FY16 funding level is \$393,273, a 1.31% decrease from the FY15 adopted budget. This fund was balanced using \$135,273 transfer from the General Fund. This division is responsible for the Parking Garage and Parking Enforcement. This division has taken on the management responsibility of the Front Avenue Parking Garage, Bay Street Parking Garage, and the new Citizen Services Center Parking Garage in May 2013.
- ◆ The Columbus Ironworks Convention and Trade Center's FY16 funding level is \$2,649,791, a 0.19% increase from the FY15's adopted budget. This department is budgeted as an enterprise fund, where \$770,000 and \$610,000 in revenue are projected from Beer and Hotel/Motel Taxes respectively. The remainder of the budget will be funded by various activities and events.
- ◆ Columbus' Golf Authority's FY16 funding level is \$1,739,300, a 13.64% decrease from the FY15 adopted budget. The reduction is due to the decline in revenues generated at each facility. The authority includes Bull Creek and Oxbow Creek Golf Courses. This budget includes an operational subsidy to Oxbow Creek of \$250,000 and to Bull Creek of \$50,000 from the General Fund.
- ◆ The Civic Center's FY16 funding level is \$5,428,000, a 2.26% decrease from FY15's adopted budget. The Civic Center receives a percentage of the Hotel/Motel Tax collected, totaling \$1,220,000. This fund was balanced using \$200,000 transfer from the General Fund.
- ◆ Employee Health Insurance Fund's FY16 funding level is \$21,632,650, reflecting a 19.88% decrease from the FY15 adopted budget. The City's contribution will be \$5,650 per employee in FY16, the same as in FY15. This fund only includes the City's plan. Effective January 1, 2015, employees of Muscogee Manor are no longer members of the City's plan.
- ◆ Risk Management's FY16 funding level is \$5,486,983, down 3.59% under the FY15 adopted budget. The Risk Management fund includes allocations for risk management as well as workers' compensation.
- ◆ Economic Development' budget increased to \$2,226,627, an increase of 3.45% over the FY15 adopted budget amount. The amount is determined by an estimate of 0.50 mills. The total of 0.50 mills

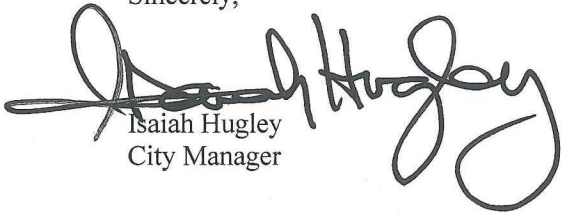

includes 0.25 mills dedicated to the Development Authority for new and ongoing economic development activities, Year 1 of 10 annual payment of \$800,000 for the NCR and BC/BS projects and a reserve of \$313,313. Annual appropriation and allocation of the Economic Development Fund is at the discretion of Council.

- ◆ Workforce Investment Act (WIA), also formerly known as the Job Training Partnership Act (JTPA) will have a budget of \$3,609,420, an increase of 0.72% over FY15. Since this is a federally funded program, its program year overlaps with the City's fiscal year. Revisions will be forthcoming in the fall to adjust the funding levels when contracts are finalized.
- ◆ The Community Development Block Grant (CDBG) Fund FY16 funding level will be \$1,311,557, a reduction of 7.41% from the FY15 adopted budget. This is another federally funded program that overlaps the City's fiscal year where program adjustments will be needed in the fall.

### **Conclusion**

The budget reflects the very challenging times we continue to confront. It is essential that we are realistic about the budget decisions ahead of us. The goal is to remain financially stable to endure such extraordinary changes in the economy. As we strive to find more creative ways to deliver services, we will also strive to plan today for a better tomorrow and meet the demands of our valued citizens. The dedication and commitment of the staff to deliver services and sustain the City in these lean times is commendable.

Sincerely,

Isaiah Hugley  
City Manager

# Welcome to Columbus, Georgia

Climate: Balmy summers / Mild winters  
Average High Temperature: 76.2°  
Average Low Temperature: 55.0°  
Average Monthly Rainfall: 3.9 inches  
Average Annual Rainfall: 46.8"

*Some notable Columbus natives have included Dr. John S. Pemberton, who invented the formula for Coca-Cola; Newt Gingrich, former Speaker of the House of Representatives; and Carson McCullers, who authored the novel "The Heart is a Lonely Hunter."*

## About Us . . .

Current Mayor: Teresa Tomlinson  
Georgia's second largest city  
Georgia's fourth largest metropolitan  
Population: 202,824  
MSA Population: 310,531  
Year Founded/Consolidated:  
1828/1971

*In September 2013, USA Today named the Columbus Whitewater Adventure as one of the Top Man Made Adventures of the World.*

In 2014, Columbus was ranked **#75** on Livability.com's **Top 100 Best Places to Live**. Cited as reasons for Columbus' outstanding livability were its size and diversity, its mostly younger population, and its proximity to a major airport.

# COLUMBUS PROFILE

**N**estled in Piedmont country on the banks of the Chattahoochee River is a town called Columbus. Columbus is one of Georgia's three Fall Line Cities, along with Augusta and Macon. The Fall Line is where the hilly lands of the Piedmont plateau meet the flat terrain of the coastal plain. Because of its unique location, Columbus has a varied landscape that includes rolling hills on the north side and flat plains on the south. It is centered by the Chattahoochee River, a rich natural resource that allowed Columbus to thrive as a milling and textile manufacturing hub in its early years and that provides a variety of opportunities for recreation, sport, and beauty today. Founded in 1828, Columbus was the last planned city of the original thirteen colonies. It was originally inhabited by the Yuchi and Creek Indians and claimed by Spanish missionaries in 1679. Later the French and British discovered it as a strategic trading site. Because of its proximity to the Chattahoochee River, Columbus grew to become a center of shipping and military manufacturing. Before and during the Civil War, Columbus served as a center for arms

manufacturing. Following the Civil War, reconstruction was vigorous and included the building of several factories and the Springer Opera House, which later became the State Theater of Georgia. Continuing its military relationship, the Columbus Soldiers' Aid Society sponsored the nation's first celebration of Memorial after the Civil War. Later in 1918, a small camp became **Fort Benning**, which is now the largest infantry school in the world and home to the Western Hemisphere Institute for Security Cooperation (WHINSEC). Today Columbus is a vibrant community that is rich in culture, economic, educational and recreational opportunities. Its diverse population enjoys the beautiful tapestry that this once textile-mill based city has built using its natural and man-made resources to reach its full potential.

---

## *Columbus and Muscogee County:*

In 1971, the City of Columbus and Muscogee County consolidated to form the first consolidated government in Georgia. The entire county is inside the city limits. Outer areas of the county are classified for taxing purposes as General Service Districts (GSD). The balance of the county is divided into two Urban Service Districts receiving more comprehensive services than GSD. The government has a ten-member council and Mayor. The Council is composed of one member from eight equally divided districts and two at-large districts serving four year terms. The Mayor, who also serves a four-year term, appoints the City Manager pending approval by Council. Open sessions are held by Council on Tuesdays at 9:00 a.m. (2<sup>nd</sup> & 5<sup>th</sup> Tuesdays) and at 5:30 p.m. (1<sup>st</sup> & 4<sup>th</sup>

Tuesdays). According to DCA statistics, the city of Columbus is now the second largest in the state of Georgia with over 202,000 residents. The larger metropolitan area, which consists of Columbus and Phenix City (Alabama), has over 310,000 residents, making this the fourth largest metropolitan statistical area in the state. The Columbus Consolidated Government (CCG) is a full service city providing a wide range of municipal programs and facilities. Services include the following: public safety, recreation and cultural events, transportation, planning and development, road maintenance and general governmental services. Over 3,000 employees work for CCG.

# COLUMBUS PROFILE

**Education:** (see also “Demographics-Education”) The *Muscogee County School District*, consolidated since 1958, has 64 schools with enrollment exceeding 33,000

students. Among its nine high schools, MCSD boasts the nationally acclaimed Liberal Arts College Preparatory Magnet school, ***Columbus High***, which recently was ranked #85 in the country for college preparedness among its graduates. Numerous institutions of higher learning are located in the area as well: ***Columbus State University*** with an enrollment of 8,300 students and ***Columbus Technical Institute***. Within commuting distance of Columbus are six other institutions including ***Auburn University***, ***Troy State*** and ***LaGrange College***.

---

## **Attractions and Landmarks:**

In May, 2013, a long term vision was brought to fruition with the opening of a whitewater rapids course on the Chattahoochee River- the longest urban whitewater venue in the world, boasting high level rapids and exciting runs. A local outfitter has established a well organized guide and equipment system to provide maximum enjoyment for rafters and kayakers. In September, 2013, ***USA Today*** named the Columbus Whitewater adventure as one of the Top Man Made Adventures of the World.

In its first full year of operation, this whitewater rapids course has been burgeoning with activity by locals and visitors alike. The challenging “Cutbait” rapid has become synonymous with the area’s high energy level and exciting pace- an annual music festival has even been established with “Cutbait” in its name. With development and business investment on both sides of the Chattahoochee, it is anticipated that the whitewater attraction will continue to bring visitors to the Columbus area as well as provide meaningful recreation and entertainment to residents of the area.

# COLUMBUS PROFILE

Noteworthy historical sites exist within the county. The **National Infantry Museum and Soldier Center at Patriot Park** celebrated its Grand Opening June 19, 2009. It is located in Columbus, Georgia, just outside the gates of Fort Benning, the Home of the Infantry and one of the Army's largest and most highly acclaimed U.S. Army installations. This world-class tribute to Infantrymen past, present and future is the first of its kind in the United States. Throughout the 190,000-

square-foot museum, visitors take an interactive journey through every war fought by the U.S. over the past two centuries. The museum tells the heroic story of everyday Infantrymen through an enviable collection of more than 30,000 artifacts. Era galleries trace Infantry history from before the Revolutionary War to action today in Iraq and Afghanistan. There is a special gallery recognizing Medal of Honor recipients and one that pays tribute to those who love an Infantryman, and the sacrifices they make supporting him. There is an IMAX Theatre, full service restaurant and gift store. Patriot Park includes a parade field for Fort Benning Infantry School graduations, a memorial walk of honor and an authentically recreated World War II Company Street.

---

The **Springer Opera House**, built in 1871, is the State Theater of Georgia and offers adult and children's theater. After undergoing major renovations, the Springer is offering more variety shows than ever before. In 2013, the Springer opened the **Dorothy McClure Children's Theater** and dramatic learning company adjacent to the historic opera house site. **Port Columbus**, a national Civil War Naval Museum, hosts hundreds of visitors each year to its unique museum of Civil War relics and battleship reenactments. Visitors are encouraged to visit the **Columbus Museum** and the **Columbus Historical District**, which includes the **Columbus Ironworks**, built in 1853, and the **Liberty Theater**. **Westville**, a living museum which recreates life in the 1800's, recently

announced plans to relocate its unique attraction to Columbus from Lumpkin.

## COLUMBUS PROFILE

The **South Commons** Softball Complex & Stadium, which was built as a venue for the 1996 Summer Olympic Games, hosts a variety of local, regional, and national tournaments. In addition to providing a host site for family entertainment productions like “Disney on Ice,” the **Civic Center** houses two professional sports teams: the **Columbus Cottonmouths**, which play in the Southern Professional Hockey League, and the **Columbus Lions**, a team in the American Indoor Football League. Recently, an **Ice Skating Rink** and the **Jonathan Hatcher Skateboard Park** were added to the campus of the Civic Center, which now encompasses **A.J. McClung Memorial Stadium** and the **Golden Park** baseball complex as well. The Civic Center was also recently recognized as a Silver Bicycle Friendly Business by the League of American Bicyclists.

The **Columbus Ironworks and Trade Center**, which sits overlooking the Chattahoochee River, hosts hundreds of cultural, business and social events each year. Golfing is available to the public at **Bull Creek Golf Course**, a 36-hole premier golf course which is routinely rated among the best public courses in the country. In addition to providing exceptional golf facilities for the public, Bull Creek is host course to the CSU Cougars NCAA Golf Teams as well as several local high school teams, all of which have outstanding records in their respective competitive divisions. Columbus also has a well maintained nine-hole public golf course

Introduction  
Columbus Profile

at **Oxbow Creek**, as well as a number of private and semi-private golf courses around the city. In addition to golf, spring baseball and fall football are spectacular draws with regional college games and highly competitive high school football. Columbus has been home to many successful athletes in baseball, golf, football, and other sports, as well as to several Little League World Championship teams.

The **Coca-Cola Space Science Center** is a state-of-the-art science facility providing spectacular laser light venues and a simulator for manning the space shuttle. The **Rivercenter for the Performing Arts** provides culture, entertainment, and enjoyment for many and has hosted a number of internationally acclaimed performers and musical theater productions.

**Economic Development:** Economic and cultural development continues as an ongoing priority for the Columbus region. During 2014, **Wal-Mart** announced a major development on the south side of Columbus with a supercenter to be built there. Local growth is fostered by continued investment from corporations with both long standing and newly forged footholds in the area. Continued economic growth has come from investment by **AFLAC**, **Synovus**, **TSYS**, **WellPoint**, **Columbus Regional Healthcare**, **Columbus State University**, and **St. Francis Hospital**, to name just a few.

The jewel at the center of Columbus is undoubtedly the beautiful and vibrant **Chattahoochee River**. On both sides of the riverbank, there has been enormous investment to provide premier biking and walking trails and whitewater rafting facilities to Columbus residents and visitors. Collectively these facilities are referred to as simply, “the **Riverwalk**.” There are more than 18 miles of paved and brickwork pathways along each side of the river, as well as an amphitheater on the Phenix City (Alabama) side of the river. Within the past several years, corporate investment along the

# COLUMBUS PROFILE

Chattahoochee has increased with the development of the *Synovus* Corporate building, the expansion of the *TSYS* campus, and the development of upscale residential loft housing in buildings that formerly housed textile mills. *Columbus State University* has become a premier development force in the Uptown area, with investment in student housing and services as well as its continued investment with programming that enriches its students and the community alike, such as the *Schwob School of Music* and the *Rankin Arts Center*. To continue the City's investment in the economic, recreational and cultural vitality of the region it serves, the Columbus Consolidated Government has recently opened two new facilities in the midtown area of Columbus: a competition quality *Aquatics Center* and the *City Services Center*, which houses a number of city and

county services directly utilized by the public. Both facilities are state of the art and are architecturally and aesthetically compatible with the *Columbus Public Library* and the *Muscogee County School District* headquarters near which they are located. It is anticipated that the natatorium will be the host site for local, regional and national swimming and diving competitions as well as provide a swimming facility for the public to use for exercise, wellbeing, and recreation. The Citizens Services Center, located adjacent to the natatorium and near the MCSO buildings, houses the Tax Commissioner's Office, the Citizen's Information (311) Center, the Council Chambers, and the Revenue Division of the Finance Department. There are also several public-use rooms for community use.

---

## *Demographics:*

Columbus has seen steady population growth over the past twenty years. Since 1990, the population has steadily increased from 179,278 in 1990 to 202,824 in 2015, as shown in the chart below.

Sources: U.S. Census Bureau, 1990, 2000 and 2010 Census. Georgia Department of Community Affairs (May, 2014).

# COLUMBUS PROFILE

**Education Levels:** Muscogee County compares relatively on par with the state of Georgia as a whole and the United States as a whole when it comes to the education status of its residents. 30% of Muscogee County residents have completed high school as compared to 28% in Georgia and 28% in the US. Muscogee has considerably lower numbers of residents who have graduated with an undergraduate degree from college than the US. The chart below depicts Muscogee County's education status relative to the other groups:

Source: CLRSearch.com "Columbus Education Levels and Profiles"

**Gender and Age:** The population is trending toward more women relative to the number of men. Many young professionals begin their family life in Columbus. The average age in Columbus is a youthful 34.1 years of age. This number is approximately 3.4 years less than the U.S. average. This shows Columbus as a strong center for vitality and spirit within Georgia and the surrounding areas. No doubt the sustained investment in the quality of life in the Columbus region has served to attract and retain young families in the area.

**Ethnicity:** Columbus is made up primarily of three ethnicities: African-American/Black (45.5%), Caucasian/White (43.7%), and Hispanic/Latin American (6.4%).

## *W*ealth:

Columbus' steady population growth protected us from the severe swings seen recently in the U.S. real estate market. Median values of Columbus homes have not seen the dramatic increases as seen in the rest of the country. Median home value grew 37.8% between 2000 and 2010 in Columbus.

The U.S. average grew 33.5% in the same time period. Therefore, Columbus' housing market is growing at a faster pace when compared to the national average. Columbus' median income increased 5.8% between 2000 and 2010. This is lower than the U.S. average of 17.4% in the same period.

## *E*conomy:

Columbus' regional economy has historically been founded in manufacturing, but in recent years there has been a slight shift in Columbus' economic picture. Columbus is Introduction  
Columbus Profile

home to AFLAC, Carmike Cinemas, RC Cola, Total Systems (TSYS) and United Technology's Pratt and Whitney. In the past several years, international corporations such

## COLUMBUS PROFILE

as Kia and Hyundai, and the ancillary companies which provide products and support services to those companies, have made significant regional investment in the area. TSYS has completed its state-of-the-art uptown campus along the Chattahoochee River, a monument to the progress and development of the uptown area. The community has seen expansions in service areas and downsizing in traditionally manufacturing areas. Whatever the reason, the area continues to rebound and keep surging forward. Efforts to recruit and retain companies are championed by the Economic Development division of the Greater Columbus Chamber of Commerce, the River

Valley Partnership, and other planning and development entities. Commercial and retail trade, as well as professional services, has attracted customers throughout the region, making Columbus a destination hub for the surrounding counties. In 2014, Columbus was ranked 75<sup>th</sup> in the nation for *Livability.com's* “**Top 100 Best Places to Live.**” Cited as reasons for Columbus’ outstanding “livability” ranking were its size, the diversity of its population, the relative youth of its population, and its proximity to a major international airport (in Atlanta).

### ***Future Growth:***

As part of the Georgia Transportation Act of 2010, Columbus residents voted to participate in the Transportation Special Local Option Sales Tax (“TSPLOST”). Columbus/Muscogee County is part of the River Valley region, a 16-county region in west central Georgia. Proceeds from the TSPLOST will finance major construction projects related to transportation infrastructure. There has also been research done into the feasibility of a high speed rail connection from the River Valley to and from Atlanta.

The development of the longest urban whitewater rafting venue in the world, which opened in May 2013, has exceeded the community’s expectations for impact on local business and economic benefit to the City and its residents as visitors and residents alike come to experience the exciting rapids. Combined with the significant investment in the Uptown Columbus area, which includes student housing and services for CSU as well as a number of restaurants, specialty stores and retailers, the whitewater venue has solidified Columbus’ distinction as a recreational and cultural destination site for visitors and residents in the years ahead.

With expansion from AFLAC, Wellpoint, Carmike Cinemas, TSYS, Cessna and the U.S. Department of Defense’s Base Realignment and Closure (BRAC) program, Columbus was expected to grow by 30,000 people, or 16%, by the end of 2012. Actual growth from BRAC has been sporadic and somewhat difficult to quantify, but growth has been steady and sustained for the past decade at least. Currently, city leadership is taking an active stance in the forthcoming discussions regarding future growth or realignment at Ft. Benning at the national level. Continued investment in necessary infrastructure, such as roads, bridges, intersections, the Riverwalk and the new city buildings in midtown, are vitally important to sustained economic growth, but must also be staffed and maintained for years to come. Budgets must include these facts and prepare for future strain on the infrastructure of Columbus with increased public service and public safety needs. New housing and commercial development trends continue to grow. CCG continues to fund capital projects to spur development in the downtown area and economically disadvantaged areas. The success of the past is transforming the future.

## IMPACTS TO BUDGET

---

### ***Impacts on the FY16 Budget:***

#### ***Fund Balance Reserves:***

During this budget cycle, significant attention was given to the declining number of reserve days, specifically in the General Fund, that the City has experienced during the past several fiscal cycles. Economic pressures from flat (or declining) revenues coupled with ever rising costs of providing city services have forced the City to rely on fund balances, particularly in the General and Other LOST funds, to balance its operating budget. While Operating Budgets are just that- estimates- and no assurance can be made regarding the number of days cash on hand that the City will have as the result of implementing this Budget, it is important to advance the City's efforts to reduce reliance on fund balance, and, at some point, begin adding to rather than taking away from City reserves. Therefore, City Council, the Mayor and others involved in the Budgetary Process were conscious of the issues surrounding General Fund reserve days and the changes in fund balance that the City has seen over time while deliberating and ultimately adopting this operating budget. This budget reflects those efforts to preserve fund balance by reducing reliance on reserves to meet expenditures and obligations.

In preparing the FY16 budget, the City resolved itself to making systemic economic changes in order to minimize its dependency on using fund balance. The City had, in prior years, already taken some measures to reduce systemic operating deficits by reforming its Employee Pension Plan, establishing employee healthcare and wellness initiatives including its Health and Wellness Center (a primary care physician practice for use exclusively by City employees enrolled on the plan), and revising its Workers Compensation Administration oversight and management structure. For FY16, the City introduced more systemic operational improvements by revising its healthcare coverage benefits, lowering its subsidies for certain city amenities, community agencies and attractions, deferring Cost Of Living Adjustment (COLA) payments to employees and retirees to January, 2016, and deferring capital investment except for the most necessary of road and sewer maintenance and projects funded by other, non-operating sources.

#### ***Expenditure Reductions:***

After determining the global and systemic changes that could be introduced to curb expenditures, most departments were then asked to operate at the same level of funding as their FY15 Adopted Budgets. Some departments were able to meet their funding expectations by not filling vacant positions, leaving those positions "unfunded" for some or all of FY16. Other departments will have to continuously monitor their operational expenditure targets in order to remain at FY15 levels.

The FY16 Budget includes consideration for staffing and maintaining newly opened facilities, such as the Recycling Sustainability Center and the Columbus Aquatic Center. Other significant maintenance considerations are given to the many public services and quality of life services that the City provides to its citizens and visitors. The Aquatics Center, the community pool centers, ball fields, the Riverwalk and golf courses, for example, are public amenities that enrich the lives of our citizens, but they can be expensive to maintain. Revenue growth is expected from some of the new amenities but it will take time for those revenue sources to mature.

# IMPACTS TO BUDGET

**Revenue Considerations:**

Expenditure controls are only a part of the response necessary for the City to operate within its means. Despite the strong positives on the economic development side, Columbus continues to be faced with the harsh economic reality that its primary funding sources have been flat or shrinking due to several key factors: (1) the sustained economic impacts stemming from the recession, which began in 2008; (2) a property tax freeze that places a ceiling on the property tax revenues that can be levied; (3) flat to modestly improving housing starts and other construction; (4) lower than anticipated growth of military and civilian personnel as a result of BRAC decisions; and (5) continuation of the historically very modest population growth that the Columbus area has experienced for many years.

**Early Budget Cycle:**

The preparation of the FY16 budget began several months earlier than usual to allow City Council more time to evaluate and deliberate the budget before adopting it. While this change in the process afforded more time to consider the budget, it also meant that projections, particularly for revenues, were based more on estimates than actual mid-year data than in prior years. As such, when several departments requested additional funding for FY16, Council responded to these requests by deferring them until mid-year FY16, when actual revenues could be better gauged.

**Add/Deletes:**

Every year, there are typically items that Council decides to either add to the Mayor’s recommended budget or delete from the Mayor’s recommended budget. These are recorded on the City’s “Add/Delete List” during the budget review process and are voted on, item by item, before the final budget is adopted. All items which have been added will be included as part of the Adopted Budget while all items which have been deleted will not.

For FY2016, the following items were added or deleted by Council thereby adjusting the Mayor’s Recommended Budget:

Department	Amount Added or Deleted	Fund	Purpose
Information Technology	(\$57,678)	General Fund	Network Engineer position deleted
Sheriff	\$428,423	General Fund	8 Investigator positions added
Police	(\$428,423)	General Fund	7 Investigators and 1 Crime Analyst deleted
Elections	\$95,800	General Fund	Operating funds for upcoming elections added
Elections	\$7,590	General Fund	Car Allowance for Elections Director added
DFACS	(\$6,635)	General Fund	Agency appropriation reduced
Marshal	\$196,196	General Fund	4 Deputy Marshals added
Non-Categorical	(\$196,196)	General Fund	Public Safety reserve reduced
Police	\$10,000	General Fund	Sign on bonuses added
Fire/EMS	\$10,000	General Fund	Sign on bonuses added
Police	(\$60,000)	General Fund	Reform pay year 1 bonuses deleted
Sheriff	\$147,141	General Fund	3 SWAT positions added
Non-Categorical	(\$147,141)	General Fund	Public Safety reserve reduced
Clerk of Council	\$1,050	General Fund	Council recording equipment
Sheriff	\$40,000	General Fund	Funds for medical supplies added
Sheriff	\$7,910	General Fund	Funds for pharmacy supplies added
Police	\$101,542	General Fund	2 Crime Analyst positions added
Non-Categorical	(\$101,542)	General Fund	Public Safety reserve reduced
Marshal	(\$49,049)	General Fund	1 Deputy Marshal deleted
Information Technology	\$49,049	General Fund	Network Engineer position added

## IMPACTS TO BUDGET

---

### *Key Budget Initiatives for FY2016:*

- Global changes to healthcare benefits plan which included changes to premium structure and a proposal for a new benefits manager that will save the City an estimated \$800,000.
- Reduced subsidy/support for certain component units and affiliate units.
- Financial restructuring of certain economic development obligations to increase available funding for new projects.
- Continued hiring freeze which began in FY2014.
- Unfunded vacant positions through FY2016.
- Deferred Cost of Living Adjustments to salary and wages to January, 2016.
- Continued deferred capital investment and maintenance.
- Managed care contract for jail and prison inmate medical care.
- Maintaining prior year funding levels for most departments through continued monitoring of operational budgets.

### *Summary:*

As a result of continued economic pressures on both the revenue and expenditure sides, once again CCG has been faced with the daunting task of providing the superior level of services that its citizens expect and deserve with ever-tightening resources to provide them. As such, the Operating Budget for FY16 has slightly increased overall from \$263,646,639 in FY15 to **\$265,724,993** for FY16- a change of approximately 0.8%. Most departments were asked to maintain the funding levels for their FY16 operating expenditures to their FY15 Adopted Budget levels in order to continue their normal course of business. They were able to successfully accomplish this task by leaving vacant positions unfilled and unfunded and by continuing to operate under lean conditions, the same as in prior years. In addition to a tight operating budget, the Capital Plan was significantly curtailed, at least until after the first of the calendar year, until sufficient resources can be identified from revenues or other sources to pay for them. Even with the relatively austere operating budget adopted, the City expects to utilize approximately **\$1.4 million of its fund balance** in order to balance its FY16 total budget.

# **VISION COLUMBUS:**

## **What our citizens tell us is important to them**

### **Housing: The Vision**

- Provide safe, soundly constructed, well-maintained, and affordable housing available to all.
- Eliminate substandard housing and enforce applicable codes and ordinances.
- Eliminate blighted areas through investment and planning.
- Encourage and support partnerships among builders to provide low-cost housing for those in need.
- Achieve a balance between development and housing density.
- Protect neighborhoods from commercial development.

### **Neighborhood/Community Aesthetics: The Vision**

- Preserve trees before, during and after development.
- Ensure that open spaces are clean and well-maintained.
- Provide and protect a generous amount of green space (nature parks and vegetation barriers).
- Provide well-designed passive as well as active parks.
- Provide culturally focused as well as activity-based parks.
- Promote the development of economically and racially diverse communities.
- Preserve historic homes and buildings.

### **Transportation: The Vision**

- Provide public transportation that meets the needs of the community today.
- Develop bicycle, pedestrian, bus and trolley systems.
- Develop a people-based transportation system that will provide easy access around and throughout the city.
- Reduce high traffic volume in residential areas.
- Attract new carriers, routes and services to the Columbus Metropolitan Airport.
- Provide more parking facilities throughout the community and develop alternatives such as ‘Park and ride’.
- Encourage more dense living to relieve dependence

### **Public Safety: The Vision**

- Enhance community-oriented policing strategies.
- Enhance intelligence led policing strategies and resources.
- Provide greater police presence throughout the city.
- Build a well-staffed, well-trained, fully equipped police force.
- Improve communication between public safety officers and youth.
- Improve response time.
- Develop and support programs focused on crime prevention and appropriate alternatives to incarceration.
- Expand and upgrade jail facilities.
- Enhance Fire/EMS resources to meet growing demands and to train firefighters and paramedics.
- Improve effective response force time to meet NFPA, ISO and Accreditation criteria.

### **Education: The Vision**

- Improve communities so schools do not exist in seas of blight.
- Encourage parental involvement at school and in the home.
- Provide after-school learning, vocational training, tutorial programs and summer enrichment opportunities.
- Enhance the partnership between the Muscogee County School District and Columbus Parks and Recreation.

### **Unity : The Vision**

- “One Columbus.”
- Fight poverty and economic segregation.
- Provide equitable access to opportunity to all.
- Provide race relations training for city employees and citizens.
- Encourage and support ongoing programs to promote unity and sensitivity to diversity in the community and workplace.

## **VISION COLUMBUS:**

### **What our citizens tell us is important to them**

- Promote “bridge building” throughout the community to encourage unity and mutual respect among ethnically and culturally diverse groups.
- Treat all people with dignity and respect.

#### **Economic Development: The Vision**

- Maximize our quality of life.
- Focus effort for sustainable growth and redevelopment in the city so as to optimize every square inch of the city.
- Encourage community-wide economic development through incentives and redevelopment tools.
- Develop job-training programs to encourage youth.
- Support the growing tourism industry through expansion of hotel accommodations and new restaurants, recreational and leisure activities.
- Require businesses to keep properties neat, clean and properly maintained.

#### **Uptown Development: The Vision**

- Provide safe and visually appealing facilities.
- Enhance pedestrian and biking access.
- Develop entertainment, cultural and recreational options.
- Attract major convention and trade show business.
- Develop Uptown into a 21<sup>st</sup> century model city where people want to visit, live, work and play.

#### **Regionalism: The Vision**

- Continue to develop mutually beneficial and supportive relationships with Phenix City and the Maneuver Center of Excellence.
- Foster partnership opportunities.
- Support the Valley Partnership Initiative and the Ft. Benning Partnership Initiative.

#### **Quality of Life: The Vision**

##### ***Health and Human Services***

- Foster affordable, quality day care for children.
- Foster more facilities and programs for adults.
- Make quality health and medical facilities and human service resources available throughout the community.

#### **Quality of Life: The Vision**

##### ***Culture and the Arts***

- Develop and nurture the cultural climate of the community.
- Expand existing parks and recreational facilities, with special focus on children, teen and senior adults.
- Develop family-oriented neighborhood parks and recreational parks and pocket parks in Uptown Columbus.
- Seek innovative approaches to expand parks and recreational options.
- Increase tourism through development of recreational facilities along the riverfront.

#### **Community Facilities: The Vision**

- Ensure that community facilities are clean, safe and accessible.
- Expand and enhance the public library system.
- Provide satellite centers for certain public services.

#### **The Environment: The Vision**

- Preserve trees before, during and after development.
- Ensure that open spaces are clean and well-maintained.
- Provide and protect a generous amount of green space (natural parks and vegetation barriers).
- Protect air and water quality.
- Protect and preserve the Chattahoochee River
- Upgrade wastewater treatment and solid waste facilities.
- Improve sewage and drainage systems throughout the city.
- Control the proliferation of exterior signage.
- Encourage and develop a stronger recycling program

## **VISION COLUMBUS:**

### **What our citizens tell us is important to them**

#### **Taxation: The Vision**

- Re-evaluate the overall tax system.
- Garner citizen support for a tax system that is sustainable and encourages growth.
- Use the city sales tax as funding base for additional community facilities.
- Balance reliance on sales, property and occupation taxes and other revenue sources to provide maximum stability.

#### **Checklist for City Leaders:**

Based on this community input, we heard you call for community leaders to:

- Develop a comprehensive community master plan that will guide our progress.
- Evaluate, update and enforce local codes and ordinance that contribute to economic development and overall quality of life for all citizens.

## **QUICK LINKS GUIDE**

There are three tools that will help the reader locate information in the current Operating Budget for Columbus, Georgia. The first is the traditional **Table of Contents**, which outlines the entire document. The Table of Contents provides traditional page number indexing, as well as embedded hyperlinks to key sections of the Budget Book. For those who are viewing our Budget Book online, this **Quick Links Guide** provides the easiest way to navigate to areas of the document which may be of particular interest to the reader. This page is loaded with HYPERLINKS (denoted by boxed text) which allow you to be automatically navigated to your page of interest simply by clicking on the boxed text. If you have a similar question, this is the quickest way to find the answer. Last is the **Document Notes** on the following page, which briefly explains what each section of the book contains.

## DOCUMENT NOTES

The Columbus Consolidated Government budget document provides comprehensive information about the government's policies, goals, financial structure and operations. This document also contains information on major initiatives, demographics of the city and capital budget.

**Introduction/Overview Section:** This section contains the transmittal letters from the Mayor and City Manager, organizational chart, overview and general information on Columbus. This section also contains a description of the economic conditions and other factors which provide the framework for our annual operating budget plan.

**Section A: Budgetary Policy** This section includes the policies and procedures that govern the budget process. There is also a summary of the budget process and calendar.

**Section B: Financial Summaries** This section provides a graphic and financial overview of each adopted operating fund along with highlights on significant revenues and expenditures. Also in this section is the Capital Improvements Program summary, a summarized historical trend analysis, and a financial projection analysis.

**Section C: Personnel** In this section we describe the benefit package and present a history of authorized positions combined for all funds.

**Section D: Operating Fund Summaries** This section provides descriptions of each department, its operating budget, its performance indicators, and its personnel. This section is arranged by major operating fund and then by department budget allocation within each operating fund.

**The Appendix** section includes a variety of data, which should be useful to the reader in better understanding the budget. Also, in this section is a **Glossary** for those not familiar with governmental terms, a list of **Acronyms** we have used, and the **Capital Outlay** listing. *Please note:* The **Capital Improvement Program** has been moved to a separate document, providing detailed information on the various projects. This separate document can be found at the end of this book on the digital version.

This Budget Book includes the Operating Funds of Columbus Consolidated Government. The Capital Improvement Program can be found in a separate document, which is appended to the end of this document on the web version. Some departments have budget allocations in more than one fund. This is important to bear in mind when evaluating the budgets of an individual department, which may have multiple funding sources. For example, several Public Safety departments have funds in the General Fund and in the Other LOST Fund, so both fund allocations would need to be considered for the totality of that department's individual budget allocation.

The Operating Budget book and the Capital Improvements Program Budget book have been formatted such that they are available in traditional bound paper versions as well as in digital format on the website. The digital versions have been embedded with hyperlinks to facilitate ease of navigation throughout the documents. To engage a hyperlink, simply single left-click on any text that is found with a bold underline (see example below) and the document will navigate directly to that content.

Example of Hyperlink: To go directly to the Big Picture Section, click on the bold underlined text.

## **DOCUMENT NOTES**

A dedicated effort is made to inform our taxpayers and stakeholders, our community, and the general public about the government that serves them. The budget is formally presented to City Council at budget meetings which are publicly televised through the city's government access channel and through live streaming on the internet through the City's website. Many of the issues addressed in the budget process are discussed with Council on air. For those who cannot view the live sessions, all sessions are recorded and are available 24/7 on the Columbus city website, and the complete budget document is placed in digital form on the city's website as well (see hyperlinks and website navigation below). A printed copy of this budget document is placed on file with the Clerk of Council in accordance with the City Charter.

Comments or questions about the budget may be mailed to the Finance Director's office at P.O. Box 1340 Columbus, GA 31902 The Financial Planning Division may be contacted at (706) 653-4087.

City Council Sessions Recordings: [www.columbusga.org](http://www.columbusga.org) >Council Meeting Video> Budget

[http://www.columbusga.org/finance/Budget Books.htm](http://www.columbusga.org/finance/Budget_Books.htm)

Columbus Consolidated Government was awarded its first Distinguished Budget Presentation Award for FY1992 and we have received the award every year since. We believe that this document continues in that same proud tradition. Additionally, CCG has also received the Certificate for Achievement for Excellence in Financial Reporting for the Comprehensive Annual Financial Report (CAFR) since FY1990.

## **SECTION A: BUDGETARY POLICY**

**This section includes the policies used to guide the preparation and management of the budget. This section also includes the budget calendar.**

## **POLICIES AND PROCEDURES**

---

The Annual Budget is a fiscal plan, which presents the services to be provided to the community and the funds necessary to perform these services. Key steps in this process are described within.

### **Budget Preparation**

The Columbus Consolidated Government (CCG) operates under a fiscal year that begins July 1 and ends June 30. The major steps in the process are outlined below with a detailed schedule on page

### **Budget Adoption**

- Step 1: Beginning in November, Financial Planning prepares the budget database and reports showing prior years' actual expenditures and revenues and compares those to their budgeted targets. Any anomalies are reviewed and adjusted for the upcoming budget year. Upcoming and long-range challenges and opportunities are evaluated. Operating trends, as well as, economic indicators are taken into consideration when preparing estimates for budgeted revenues and expenditures. Expected changes in pay plan, benefits, gas, water, electricity, motor fuel, capital items, etc., are also considered. This database is used as the financial framework for budget preparation.
- Step 2: Beginning in January, departments are asked to evaluate and update their goals and objectives, and their relevant performance indicators, for the coming fiscal year. Any major changes in operations are considered and shared with Financial Planning to ensure that the new budget reflects those operational changes as appropriate.
- Step 3: Between January and March, Financial Planning prepares a draft of the Operating Budget for the Mayor's consideration. During this time, the Mayor and City Manager review departmental operations and consider any new budget requests in order to propose a recommended balanced budget. Financial Planning prepares the final Recommended Budget plan for the Mayor's approval and presentation to Council.
- Step 4: No fewer than sixty (60) days prior to the fiscal year commencing July 1, the Mayor submits to Council a proposed operating budget for all operating funds. The Operating Budget includes recommended expenditures and the means of financing them.
- Step 5: A series of workshops and public hearings are held before making final changes to the Mayor's recommended budget.
- Step 6: The Annual Budget is formally adopted by Council before July 1.

### **Expenditure Control**

Once the Annual Budget has been adopted, expenditure control is maintained on the appropriation unit basis (group of accounts) with capital expenditures maintained under full control. Throughout the year, all expenditures and revenues are monitored.

### **Budget Control**

Georgia Law, O.C.G.A. 36-81-3 establishes the legal level of budgetary control as the department. Within the overall budget limitations, authority is delegated to the City Manager. *When acting on the authority delegated by the City Manager to the Finance Director, it is recommended that intra-departmental transfers of appropriation and revenue anticipation may be approved as deemed necessary.* Under no circumstances, however, may the total budget of any department be increased or decreased without Council approval.

# **POLICIES AND PROCEDURES**

---

## **Budget Amendments**

Amendments affecting the bottom line of any department are approved solely by Council. Section 7- 404 of the City Charter describes the authority:

“The Council may make appropriations [revenue and expense] in addition to those contained in the current operating or capital budgets at any regular or special meeting called for such purposes.”

## **Policy Guidelines**

The overall goal of the City’s Financial Plan is to establish and maintain effective management of the City’s financial resources. The informal statements of budgetary policies provide the basis for achieving this goal.

The following section outlines the policies used to guide the preparation and management of the City’s budget. The section consists of operating budget policies, capital expenditures, policies, revenue policies and financial accounting policies.

The development and preparation of the City’s budget are guided by the following policies.

- All funds are required to balance. Anticipated revenue must equal the sum of budgeted expenditures. To the extent possible, all funds should be included in the budget process along with work programs, objectives and strategies.
- The Capital Improvement Program requires coordination and planning in conjunction with the various operating fund budgets.
- The General Fund is based on a long-range financial plan, which includes unallocated fund reserves. The goal is to keep the reserve at approximately 90 days, but no less than 60 days, of budgeted expenditures. This reserve protects the City against catastrophic revenue losses and major emergency expenditures and provides cash flow.

## **Revenue Policies**

The City will maintain effective collections systems and implement aggressive enforcement strategies in order to maximize revenues from available sources.

The City will maintain a broad revenue base; that is, a large number of widely diversified revenue sources that will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will implement user fees in all areas where feasible and productive as well as seek to set fees at levels related to the costs of providing the services. Moreover, user fees will be reviewed annually as part of the budget process and will be adjusted to maintain or move incrementally closer to full coverage of activities.

The projection of revenues will receive conservative treatment in order that actual revenues at the fund level will consistently equal or exceed budgeted revenues.

## **Financial Structure**

The financial transactions of the City are budgeted and recorded in individual funds. A fund is an independent financial and accounting entity. It is a set of interrelated accounts used to record

## **POLICIES AND PROCEDURES**

---

revenues and expenditures associated with a specific purpose. Funds have a balancing set of accounts and records, cash and other financial resources in conjunction with all related liabilities and residual equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or restrictions. Although funds are independent entities within the financial records of a government, there is no requirement to physically segregate the assets. Funds are classified into three basic types: governmental, proprietary or fiduciary.

### **Government Funds**

Governmental funds are used to account for all or most of the government's general activities, including the collection and disbursement of earmarked monies, the acquisition or construction of general fixed assets and the servicing of general long-term debt.

The City utilizes the following types of governmental funds:

- The General Fund is the principal fund of the Consolidated Government and is used to account for all major activities of the government such as Police, Fire and Recreation.
- Special Revenue Funds are used to account for the proceeds of specific revenue sources legally restricted to expenditures of specific purposes. The Stormwater (Sewer), Paving and Medical Center Funds are examples of special revenue funds.
- Debt Service Funds account for the accumulation of resources for the payment of general long-term liability, principal, interest and related costs. The City's Debt Service Fund includes requirements to meet the general obligation bond issues, lease contracts, and lease purchase programs.
- Capital Project Funds are used to account for financial resources for the acquisition, renovation or construction of major capital facilities and improvements.

### **Proprietary Funds**

Proprietary Funds are used to account for activities similar to those found in the private sector. The proprietary funds utilized by the City are as follows:

- Enterprise funds account for activities that are usually self-sustaining, principally through user charges for services rendered. An example of an enterprise fund is the Transportation System Fund.
- Internal Service Funds account for the financing of goods and services provided by one department or agency to other departments or agencies for the government on a cost reimbursement basis. The Risk Management and Employee Health Insurance funds have been added to the Operating Budget.

### **Fiduciary Funds**

Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore cannot be used to support the government's own operations. When these assets are held under the terms of a formal trust agreement either a pension trust fund or a private purpose trust fund is used. Agency funds generally are used to account for assets that the government holds on behalf of others as their agent. Traditionally these funds have not been included in the Operating Budget because the receipt of revenue is uncertain.

# **POLICIES AND PROCEDURES**

---

## **PRIMER ON CITY FUNDS**

Columbus' funds are organized according to fund origin and utilization of funds. Several departments receive funding sources in more than one fund, so it is important to consider all funding sources when evaluating the operating budget of a particular individual department. Here is a brief description of each fund included in this Operating Budget:

### **OPERATING FUNDS (Fund Number)**

***General Fund (0101)*** The General Fund supports the operations of the City. All departments of the General Government and Public Safety are supported by the General Fund, as are most ancillary operations and units. The General Fund receives funding from a number of sources including the millage, other taxes, fees, service charges, fines, and inter-fund transfers.

***LOST Funds (0102,0109)*** There are two Local Option Sales Tax (LOST) funds: one is to support Public Safety (Crime Prevention, Police/E-911, Fire/EMS, Muscogee County Prison, Sheriff, Municipal Court/Marshal, District Attorney, Homeland Security, State Court Solicitor, Recorder's Court, Coroner, and METRA); the other is for Infrastructure (Public Works, Parks and Recreation, Engineering, and Information Technology).

***Stormwater (0202)*** Stormwater funds support the stormwater and drainage systems of the City and provide funding for the maintenance of sewers and drainage systems. The fund was named "Stormwater" to differentiate City stormwater and drainage services from those provided by Columbus Water Works, which provides primary sewage services for the City. Stormwater funding comes largely from the millage.

***Paving Fund (0203)*** Paving funds are used for highways, roads and streets, right-of-way maintenance, repairs, landscaping, and related services. Paving funds come from the millage and related fees.

***Medical Center (0204)*** The City has a long term contract with the Medical Center Hospital Authority to provide primary and acute care services to the City's indigent population as well as to jail inmates and prison inmates in the custody of the City/County. This fund is directly funded by a portion of the millage and is the repository for payment of those services under the contract.

***Integrated Waste (0207)*** The Integrated Waste Management fund supports Public Works and Parks and Recreation Services to collect, transport and recycle or dispose of solid waste. This fund also supports several landfills owned by the City and the Recycling Sustainability Center. Integrated waste funds come from solid waste collection fees, landfill fees and recycling fees.

***Emergency/E-911(0209)*** The Emergency Telephone/E-911 fund supports maintenance of the City's central emergency call and dispatch system (E-911) and is funded through wireless surcharges and other fees.

***CDBG (0210)*** The Community Development Block Grant (CDBG) fund is a repository for grants from the Department of Housing and Urban Development (HUD)

## POLICIES AND PROCEDURES

---

which funds certain housing and community development programs for the City.

- WIA (0220)** The Workforce Investment Act fund is a repository for grants from the Department of Economic Development which funds certain community jobs training and development under the Job Training Partnership Act.
- Econ Development (0230)** The Economic Development fund supports investment by the City in Economic Development Authority projects. It is directly funded by a portion of the millage and is utilized at the discretion of City Council.
- Debt Service Fund (0405)** The Debt Service fund is the repository for funds utilized to repay bonded and other debt obligations of the City, including the bonds issued by the Columbus Building Authority.
- Transport/METRA (0751)** The Transportation fund supports the operation of the City's public transportation system, METRA, which includes buses and specialty vehicles. It is funded by transportation grants, service fees and the millage.
- Parking Mgmt (0752)** This fund supports the operation of the City's parking management and enforcement. It is funded by parking fees and fines.
- Trade Center Fund (0753)** The Columbus IronWorks Convention and Trade Center is owned and operated by the City. This fund supports all operations of the Trade Center and is funded by Trade Center revenues as well as Selective Sales and Use Taxes.
- Bull Creek/Oxbow (0755/6)** The operations of both City-owned public golf courses are supported by these two funds. Golf course revenues provide the primary source of funding.
- Civic Center (0757)** The Civic Center is owned and operated by the City and this fund supports those operations. Funding comes from event revenues, service fees, and the Hotel/Motel Tax.
- Employee Health (0850)** This fund is a repository for the City's self-funded employee health care program and the employee life insurance program.
- Risk Management (0860)** This fund is a repository for the City's self-insured Workers Compensation program and vehicle claims management program.

## **POLICIES AND PROCEDURES**

---

### **Accounting Basis**

In June 1999, GASB released a new rule known as Statement 34. Often referred to as the “reporting model rule,” Statement 34 radically changes the rules by which governmental financial statements are to be organized and presented to readers. The operational accountability is addressed in the government-wide financial statements, which are prepared on a full accrual basis. Information about the cost of delivering services to the citizens and the government’s infrastructure assets are included as well. The fiscal accountability is considered through the individual fund financial statements, which account for current financial resources of government through the modified accrual basis for governmental activities.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied, if they are collected within 60 days after year end. Grants and similar items are recognized as revenue as soon as eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments are recorded only when payment is due.

### **Budgetary Basis**

All budgets are adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP). The General, Special Revenue, Debt Service and Capital Projects funds are developed on a modified accrual basis. The Enterprise Funds are developed on the accrual basis. All annual appropriations lapse at the fiscal year end. The basis for budgeting is consistent with the basis for accounting with the difference being encumbrances. The notable exception between the budgetary and accounting basis is the manner in which encumbrances are treated. Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting - under which purchase orders, contracts and other commitments for expenditures of resources are recorded to reserve that portion of the applicable appropriation - is utilized in governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures because the commitments will be honored through subsequent year’s budget appropriations. The other exceptions worth noting deal with capital outlay within the enterprise funds which are recorded as assets on a GAAP basis and expended on a budget basis; depreciation expense is recorded on a GAAP basis only.

# POLICIES AND PROCEDURES

---

## BUDGET PREPARATION SCHEDULE: FY2016 Budget<sup>1</sup>

<sup>1</sup> For the FY16 budget, the budget preparation process was changed to allow Council more time to review, consider and deliberate the budget document. The official budget adoption process has not changed.

## **SECTION B: FINANCIAL SUMMARIES**

**This section includes detailed information on revenues and expenditures by fund. In addition, all funds are summarized in the big picture.**

**FINANCIAL SUMMARY / OPERATING FUNDS**

**The Big Picture**

Columbus Consolidated Government operations and services are funded principally through the General Fund, through which the City's primary revenues and expenditures flow. All major departments of the City have apportionments in the General Fund. These are described in detail in Section D. Proceeds from Other Local Option Sales Tax ("OLOST") reside in the LOST Fund. 70% of this fund supports Public Safety while the remainder supports General Government operations and infrastructure. Other operating funds included in this Budget are as follows: Stormwater (Sewer), Paving, and Integrated Waste, which support infrastructure; E-911 (Public Safety); Medical Center (indigent and prisoner healthcare); Economic Development; Transportation (METRA) and Parking Management; Trade Center; Bull Creek and Oxbow Creek Golf Courses; and the Civic Center. Dollar amounts of each fund as projected for FY2016 are shown below:

**CIP Financing Sources \$161,564,757**

FY16 CIP Financing Sources Overview	
Project Financing Source	Amount from Financing Source
General Fund	\$0
Stormwater (Sewer) Fund	\$1,013,711
Paving Fund	\$2,259,747
Integrated Waste	\$0
2012 TSPLOST	\$2,500,000
Current Year Bond Proceeds	\$0
Current Year 2009 Other LOST	\$5,144,964
Prior Years' 1999 SPLOST	\$18,721,231
Prior Years' 2009 LOST	\$4,320,150
Prior Years' 2012 TSPLOST	\$96,183,003
Prior Years' Fund Balance	\$13,233,653
Prior Years' Bond Funds	\$18,188,298
<b>Total</b>	<b>\$161,564,757</b>

## FINANCIAL SUMMARIES / OPERATING FUNDS

**CIP Projects Costs by Type**  
**\$161,564,757**

<b>FY16 CIP Projects Overview*</b>		
Project	FY16 Cost	Impact on Operating Budget
<b>Management</b>	\$6,354,054	Slightly positive, with Technology investments expected to improve efficiencies in administrative, human resources, and financial management areas.
<b>Parks, Recreation, &amp; Leisure</b>	\$717,896	Neutral to Slightly Positive with investment in the reconditioning and renovation of four outdoor pools.
<b>Public Safety/ Criminal Justice</b>	\$2,805,416	Neutral to Slightly Positive with investment in a new burn building for Fire/EMS.
<b>Drainage</b>	\$11,023,579	Neutral to Positive-anticipated investment in sewer line and storm water drainage infrastructure reduces reliance on current year operational funds for maintenance, repair and restructure as well as reduced exposure to risk from liability to property damage or injury.
<b>Transportation</b>	\$40,388,615	Neutral to Positive - anticipated investment in transportation infrastructure, most notably roads, bridges, and corridors, will reduce reliance on the current year operating budget for costs of maintenance and repair
<b>TSPLOST</b>	\$98,683,0003	Neutral- while the dollar investment in TSPLOST projects is substantial, all of the funding for these specified projects occurs outside of the operating budget in a special funding source (the TSPLOST tax) and therefore provides no impact to the operating budget.
<b>Environmental</b>	\$1,592,194	Nominal to Slight - There is minimal investment in these projects aside from a small investment in the necessary operating of landfill sites. Minimal benefit comes from the reduced risk of liability due to non-compliance with state and federal mandates regarding landfills.
<b>TOTAL</b>	<b>\$161,564,757</b>	Overall, the CIP projects will have a minimal impact on the City's FY16 Operating Budget based on timing of project completion and the fact that contributions from the current year operating budget are relatively low. Long-term expectations are that with the offsetting positive improvements, the majority of negative impacts will be slight. The CIP total is 27.5% higher than the amount allocated in FY15 primarily due to funding allocation increases for TSPLOST projects.

## **FINANCIAL SUMMARY / OPERATING FUNDS**

### **Capital Improvement Projects (Continued)**

Further information on Capital Improvement Projects is located in the Financial Summaries of the Operating Budget and the *FY16 Capital Improvement Program Budget Book*. The impact is discussed for each individual project in the accompanying CIP book; however, we have tried to give an overview of the budget impact for the categories and total budgets. Depreciation expense is not included in this analysis, but needs such as staffing, daily operating costs and maintenance are considered.

### **Trend Analysis**

An important element of the budgetary process is the historical perspective of past operating fund budgets and the changes in revenues and expenditures in those funds over time. The following table shows the adopted budgets for Revenues and Expenditures in the Operating Funds for the past four fiscal years and the budgeted year. As shown below, the FY2016 Operating Budget experienced modest growth as compared to prior year.

#### *Five Year Operating Fund Trend Analysis: Adopted Operating Budgets for the past five fiscal years*

# FINANCIAL SUMMARY / OPERATING FUNDS

## Projections

Short and long term forecasts are an integral part of the City's budgeting process. The Financial Planning Staff prepares both short (1-3 year) and long (5 year) term projections each year as part of the budgeting cycle process. The short and long term forecasts which the Financial Planning staff prepares, and then continually refines, provide the basis for the Operating Funds Budgets included in this Budget Book.

The foundation for projected revenues is based on an analysis of several factors including: historical trends in revenues collected for the current and prior years; changes in statutory or regulatory rules which may impact revenues, such as the changes the State of Georgia has made to the Title Ad Valorem Sales Tax; and changes in the City's population which may be anticipated from demographic or environmental changes, such as those which have occurred from time to time at Ft. Benning, which is a major employer of both military and civilian citizens, or with new investment in our area by companies like Kia, which has major manufacturing facilities in nearby West Point. Financial Planning closely monitors the accuracy of its revenue forecasts throughout the fiscal year and may make recommendations for adjustments to the Operating Budget should actual revenues prove to be materially different from those forecasted.

Our forecasts also provide the basis for our expenditures and capital investment plans which are included in the Operating Budget. Expenditure forecasts are based largely on both historical actual expenditures and the financial resource constraints for the City at large. Capital expenditures are forecasted based on the specific needs of each division, again within the financial resource constraints that exist within the framework of the City as a whole. Our budget book, and therefore this analysis, includes the City's operating funds and 4 additional funds: CDBG, WIA, Risk Management and Employee Insurance Funds. The Budget Book differs from the Consolidated Annual Financial Report ("CAFR"), which includes all funds.

## Midyear Adjustments

The Operating Budget is a point-in-time reflection of what is actually a fluid, continually adaptive process throughout the fiscal year. This Budget Book contains the *Adopted* Budget, which has been adopted by the Council as its Adopted Budget. Because it is prepared well in advance of the completion of the prior year's financial audits, and because there are often circumstances which cause need for making mid-year adjustments to the original plan, the Finance Director may recommend changes to the Operating Budget at a mid-year point. These are an ordinary part of the municipal budgeting process and reflect the City's capacity to monitor its resources relative to its budget and to make adjustments where prudent.

## Use of Fund Balance

During the past several fiscal cycles, the City has given considerable attention and effort to curbing its reliance on the use of fund balance in the General Fund in order to meet its obligations. Because there has been little growth in revenues, for reasons both macro- and micro- economical, the City has been forced to reduce its spending in a number of areas in order to lower its use of fund balance. For the FY2016 budget, the City experienced across the board savings from employee benefit plan reforms adopted in prior budget years. The savings realized allowed the City to reduce its need for fund balance in its Operating Funds by **\$2.6 million, a reduction of 35%**, as compared to prior year. The reduced dependence on fund balance stemmed from systemic changes to certain obligations such as pension plans and healthcare plans, continued lack of capital investment, continued deferred maintenance in some areas, reduced workforce through attrition and existing vacancies, and lower indirect operating budgets (such as those for supplies, education and training, and travel).

Dependence on the use of fund balance is expected to continue to decline in future budget cycles for the following key reasons:

- The adoption of health care reform measures in its self-funded healthcare plan, which is expected to systemically lower the city's healthcare related costs for its employees. These included changes to deductibles, co-pays, out-of-pocket maximums, employee premiums,

## FINANCIAL SUMMARY / OPERATING FUNDS

and the introduction of spousal exclusion for working spouses with available coverage at their own employer.

- Plans were implemented and/or continued for reduced support for component units and affiliates. For one such entity, self-sufficiency is expected in FY2016 as planned from prior year budget cycles.
- The city's contract with the Medical Center Hospital Authority, which provides for healthcare services to the city's indigent population as well as its inmate population, has been revised under mutual agreement with the Authority to reduce the amount of annual cash payment and to provide for future refunds in the event that costs are less than payments.

The following graph depicts the City's use of fund balance during the past five fiscal years (as planned for in annual Adopted Operating Budgets):

***Budgeted Revenues and Use of Fund Balance, FY12-FY17***  
*Dollars in Thousands (000s)*

\* FY17 estimate based on anticipated reductions to use of fund balance with steady revenues from all other sources

# FINANCIAL SUMMARIES / OPERATING FUNDS: REVENUES

## Ad Valorem Tax Distribution Among Funds

**Revenue Sources Total: \$265,724,993**

**General Property Taxes: \$82,450,230      31.0%**

For FY16, General Property taxes are budgeted to increase by about 0.6% over FY15. General Property Taxes are Ad Valorem taxes, penalties and interest on real and personal property, motor vehicles, mobile homes, intangible taxes, and all penalties, interest and FIFAs related to these taxes. They are projected based on estimated growth of the state approved tax digest at millage rates ordained by Council. The current trend reflects a modest increase in Ad Valorem taxes based on the natural growth of the digest. Projected Ad Valorem taxes are based on assumption of a 96 collection rate and the projected growth of the digest. The 96% collection rate assumption also applies to the Medical Center fund. Prior to FY15, the Medical Center fund was the one exception to the 96% collection rate assumption as contractually The Medical Center Hospital Authority received 3.00 mills regardless of actual tax collections. The *Ad Valorem Tax Distribution among Funds* Chart, on the top left, shows the distribution of Ad Valorem taxes among the applicable operating funds.

### History of CCG's Millage

As reflected in the History of Millage chart (below), the millage rate remained relatively consistent from FY96 to FY03 and remained unchanged from FY05 to FY10. FY11 was affected by the Other LOST rollback, but the millage rate returned to normal in FY12. There were small increases to the in the General Fund, the Paving and Debt Service Funds in FY04 and FY05. The Columbus Charter stipulates a 9-mill cap on "ordinary current expenses" which is the total of net general and urban millage and the transportation millage. The remaining millage includes the medical center, debt service, paving, sewer, and economic development authority fund. The current millage rates are listed in the Millage Table in the City Manager's message.

During FY13, the Debt Service portion of the millage was reduced by 0.16 mills due to bond defeasance and other debt restructure. City Council opted to increase the mills for Economic Development funding accordingly by 0.25 mills in FY15, the proceeds of which will be added to the Economic Development reserve. The net result was no change to the overall millage rate.

The Economic Development Fund was established in FY03 and is funded by a 0.50 millage when and as approved by City Council. Each fiscal year during budget deliberations, Council decides whether to continue to appropriate monies for the Economic Development fund. As noted in the *History of CCG's Millage* (left), during FY15 an additional 0.25 mills is being set aside as a reserve for Economic Development, subject to Council's discretion and approval.

History of Millage

### Property Tax Primer

*Ad Valorem or Property Tax is a large source of revenue for CCG. The basis of the taxation is the Fair Market Value (FMV) of the property established as of January 1 of each year. The tax is levied on the assessed value of the property, which by GA state law is 40% of FMV. The amount of tax is determined by the tax rate (millage) levied by City Council). A mill is equal to \$1 for each \$1,000 of assessed value.*

In addition to general economic trends and conditions, CCG faces the added challenge in our property tax structure is the property tax freeze, which freezes the FMV valuation of a property at purchase.

# FINANCIAL SUMMARIES / OPERATING FUNDS: REVENUES

**Franchise (Utility), Business and Other Taxes:**  
**\$44,149,894** **16.6%**

In FY16, Franchise and Business Taxes are projected to increase approximately 4.4% as compared to FY15. These revenues are sensitive to economic conditions and are projected based on historical trends and expected economic strength or weakness. Trends for franchise taxes have been shown slight increases. Business Taxes include Occupation Taxes, which are based on the gross income of certain businesses, and Insurance Premium Taxes. These taxes are also expected to generate modest increases in FY16.

See the Franchise, Business, and Other Taxes pie chart (above) for a breakdown of this category.

**Sales and Use Taxes:**  
**\$73,005,000** **27.5%**

The FY16 budget includes a projected increase in Sales and Use Tax of about 2.9% from FY15. This projected increase ends a continuing downward trend which began several years ago as a result of macro-

economic conditions. A Local Option 1¢ Sales Tax is levied to keep the ad valorem tax as low as possible. The taxes are projected based on economic indicators (employment rate, consumer confidence, etc.) and estimated growth in sales. The State of Georgia limits local jurisdictions to one cent (1¢) for general purposes. The trend of growth of sales tax has leveled off. It has cycled up and down in recent years, but is anticipated to increase modestly over the next fiscal year or two. The *Local Option Sales Tax Chart* reflects the trend in Sales Tax.

**General Fund Local Option Sales Taxes**

Also included in this category are use taxes. Use taxes include taxes on various rentals, advertising, and merchandising charges, as well as taxes on Beer, Wine, Liquor, and a 3% Alcohol Excise tax. This revenue is projected based on current indicators and tax rates set by Council. A modest increase was projected for this fiscal year. This subcategory reflects less sensitivity to economic conditions.

**Charges for Service:**  
**\$37,727,690** **14.2%**

For FY16, a decrease in Charges for Services of 2% from FY15 has been projected, primarily due to expected decrease in user fees collected by our cultural and recreation based facilities as well as court fees collected. Service Charges include collections for government services, such as solid waste management fees, fees for use of public recreational facilities, emergency medical service fees and fees for the operation of the E-911 system and the city pound. Also included in this category are court fees and commissions. Commissions include the fees collected by the Tax Commissioner as well as the commissions paid on pay telephones. Due primarily to the addition of Title Ad Valorem Tax Fees, commissions were projected to decrease by 3% for FY16.

# FINANCIAL SUMMARIES / OPERATING FUNDS: REVENUES

Also in service charges is cost allocation. Established in the FY93 Budget, cost allocation revenues reflect levels of service provided by the general fund central administrative functions (such as accounting, purchasing) to other fund, grant, and authority activities. For FY16, a 3.4% increase in cost allocations was projected.

Projections for Service charges are based on rates set by Council, historical trends, and economic indicators. A decline in user based fees collected by the City's public cultural and recreation based facilities and decreased court collection fees lead to the projected 2% decrease in total Charges for Services for FY16. See the *Service Charges by Area* pie chart.

**General Fund Charges for Service**

## **Fines and Forfeitures:**

**\$5,061,500**

**1.9%**

This category consists primarily of fines and charges imposed by the various courts of Muscogee County. Council sets some of these charges, while others are mandated by State. For FY16, a 8.4% decrease was projected in Fines and Forfeitures due to a trending reduction in court fees collected in superior court, state court, municipal courts, and all other courts to include recorder's court and environmental court.

## **Licenses and Permits:**

**\$2,213,100**

**0.8%**

For FY16, License and Permit revenues are expected to modestly decline as compared to prior year. This category is derived from permits, business and professional license fees. Business Licenses include Beer, Wine and Liquor Licenses, Alcohol Application ID Card Permits and Insurance Licenses.

**Licenses & Permits By Type**

Non Business Licenses and Permits include permits for pet ownership, zoning petitions and marriage and gun licenses. Regulatory Fees include licenses to sell alcohol and insurance. Building permits make up the largest category. Council sets the fees for these charges. See *Business Licenses & Permits* (above) for a breakdown by type.

Projections are based on historical trend analysis, economic indicators, and anticipated economic growth. Some of these fees and permits that are sensitive to economic conditions are trending upward. Overall, licensing is remaining steady, as well as, fees and permits. Projections have followed these trends.

# FINANCIAL SUMMARIES / OPERATING FUNDS: REVENUES

**Intergovernmental:**  
**\$3,789,175** **1.4%**

This category consists of Federal, State and local government agency reimbursements for funding of local and statewide programs. Trends show a decrease in state and federal funding, which is reflected in projections.

The revenues (and expenditures) for cooperatively funded various Federal, State, and Local grant activities is located in a Multi-Governmental fund.

Additionally, there are two published funds that are listed with the operating funds, but not included in these numbers. The Community Development Block Grant (CDBG) and Workforce Investment Act (WIA) are separate grant programs with different budget cycles because of federal regulations. An estimated budget is included in the budget process, and is adjusted by Council in the fall. Details about CDBG and WIA Funds can be found in the Overview (Section B) and Expenditures by Division (Section D) Sections.

**Investment Income & Miscellaneous:**  
**\$4,147,594** **1.6%**

This category includes revenue from investment of City reserves. Revenues are based on projected rates of return on invested fund equity. Although rates are expected to continue to be relatively low, the FY16 budget does not presume that there will be material gains or losses in investment value. Investment income is projected at \$450,000 for FY16.

This category also includes rents from City-owned property and sales of land, surplus equipment and various reports and databases. These revenues are projected based on fee schedules and current indicators. In addition, various one-time revenues, not categorized elsewhere, are included in this category. These revenue projections are based on historical trends.

**Inter-fund Transfers In:**  
**\$11,725,250** **4.4%**

Transfers-in account for the operating inter-fund transfers between the various funds to provide funding assistance and matching funds for Federal and State grants. This category accounts for the transfers of funds allocated to the Capital Improvement Program. The Hotel-Motel tax provides a source of revenue as a transfer in to the Civic Center and the Columbus Convention and Trade Center. For FY16, a 17% increase in transfers has been projected, thus presenting a cyclical trend in use of inter-fund transfers as a revenue source.

**Use of Fund Balance:**  
**\$1,455,560** **0.6%**

Fund balance usage is calculated based on the anticipated fund balance at fiscal year end after revenues and expenditures have been accounted for. To balance the General Fund and the Debt Service Fund, a planned use of fund balance has been programmed to cover expenditures in each of these funds. In the General Fund, it is expected that **\$1,283,310** will be needed from fund balance to cover the shortfall between revenues and expenditures. It is worth note that this represents a **\$2.6 million** reduction, or **32.5%**, in the use of fund balance to balance the General Fund for FY2016. In the Debt Service Fund, the Use of Fund Balance is projected at a modest **\$172,250**. Operating Funds' total Use of Fund Balance is **\$1,455,560**. See *FY16 Summary of Revenues, Expenditures, & Change in Fund Balance* for details.

# FINANCIAL SUMMARIES / OPERATING FUNDS: EXPENDITURES

**Statutory Boards & Commissions:**

**\$ 5,152,017**

**1.9%**

This area provides miscellaneous services to the community. The Board of Elections and Registrations maintains the official eligible voters file and conducts elections in Muscogee County. The Tax Commissioner’s Office and the Board of Tax Assessors appraise property and collect due taxes in the county. The operations of the Coroner are included here. Expenditures in this category are budgeted at 24.7% higher than in FY15, primarily due to the addition of expenditures associated with an Election Year as well as the upgrade of computer systems in the Tax Assessor’s office.

**Recreation & Culture:**

**\$ 19,941,958**

**7.5%**

Recreation and cultural activities are provided almost exclusively through the Department of Parks and Recreation. The Parks and Recreation department provides outdoor activities, youth and senior programs, while operating the city’s major arena facilities (Golden Park, Memorial Stadium). This category also includes Bull Creek Golf Course, Columbus Ironworks Convention and Trade Center and the Columbus Civic Center. Expenditures for Recreation and Culture are budgeted at 3.6% lower than for FY15. Cost savings will be achieved from operational changes implemented during the current budget cycle.

See *Recreation & Culture* Chart below.

**Recreation & Culture**

**Public Safety:**

**\$ 105,420,427**

**39.7%**

Public Safety encompasses those departments and divisions actively involved in the direct protection or support of protection of Columbus’ citizens and visitors. In addition to Police, Fire & Emergency Medical Services, and Emergency Management, the operations of the Sheriff’s office, the county jail, and Muscogee County Prison incorporated.

Public Safety expenditures are budgeted 2.8% above the FY15 budget. The primary reason for the increase stems from approved capital purchases adopted in the FY16 budget. More vehicles are set to be purchased as part of the capital replacement plan and there is no vast amount of funds set aside as a Public Safety Vacancy Reserve for unfilled vacancies in Police, Fire/EMS, the Marshal’s office and the Sheriff’s office as it was in FY15. For FY16, the Adopted budget includes a modest reserve amount of \$146,909 and Public Safety related capital purchases of \$2,499,425.

See *Public Safety Appropriations by Agency* below for breakdown of budget proportions.

**Public Safety Appropriations by Agency**

# FINANCIAL SUMMARIES / OPERATING FUNDS: EXPENDITURES

## Criminal Justice:

**\$ 15,196,311**

**5.7%**

The Criminal Justice system operated by the City consists of all municipal and traditionally county courts. The support functions include probation, legal and clerk's offices. FY16 expenditures for Criminal Justice are 1.7% higher than they were for FY15.

The *Judicial & Statutory* pie chart below shows breakdown by court.

### Judicial & Statutory

## Debt Service:

**\$ 12,128,245**

**4.6%**

The Debt Service Fund accounts for the retirement of general obligation bond issues, Columbus Building Authority lease contracts, certain leasing obligations associated with vehicle purchases for Integrated Waste, and the Water Commission revolving loan contract.

## Overview and Debt Financing Principles

All local governments must determine how capital projects will be financed. It is the policy of the Columbus Consolidated Government (CCG) to use debt sparingly to retain the capacity to issue additional debt if the need arises. Currently, CCG is well below the 20% level that is considered by the credit industry to be a danger signal. In addition, CCG is well

below the legal debt ceiling for general obligation debt (detailed in the box below).

The Columbus Consolidated Government maintains two debt service funds - Debt Service Fund and Sales Tax Proceeds Account Fund. These Funds are used to service debt from four sources: General Obligation Debt, Columbus Building Authority contractual debt, the Board of Water Commissioners revolving loan contract, and lease purchase programs with the Georgia Municipal Association. Proceeds of a dedicated property tax provide the primary source of revenue for the Debt Service Fund. See Debt Service Fund Overview and Debt Service Fund Expenditures for more information.

### Debt Margin

The Columbus Consolidated Government remains well below the debt ceiling of 10% of assessed value of taxable property established by the State of Georgia's constitution. Information regarding the legal debt limit for CCG is listed below.

<b>Computation of Legal Debt Margin For Fiscal Year Ending June 30, 2016</b>	
Assessed value of taxable property*	\$ 5,023,008,687
Debt Limit: 10% of assessed value	502,300,868
Less: Amount of debt applicable to debt limit	0
<b>Legal Debt Margin Available</b>	<b>\$502,300,868</b>
*Based on 2015 State Approved Gross Digest as of 08/03/15.	

## Debt Service: Principal & Interest

In 2010, the Columbus Building Authority issued Series A, B, and C bonds in amounts of \$21,560,544 (A), \$72,320,000 (B), and \$2,090,000 (C) respectively. In 2012, the Columbus Building Authority issued Series A and B bonds in amounts of \$29,825,000 (A) and \$14,005,000 (B) respectively. For FY16, the total amount of payments for principal on all bonds outstanding will be **\$4,915,000** and the total amount of payments for all interest will be **\$5,995,584**. Included in these amounts are payments that are

# FINANCIAL SUMMARIES / OPERATING FUNDS: EXPENDITURES

made for bonds issued on behalf of Trade Center and Oxbow Creek Golf Course.

## Debt Service: Other Obligations

The Consolidated Government has directly or indirectly guaranteed the debt issued by the Bull Creek Golf Course Authority, the Columbus Iron Works Convention and Trade Center Authority, the Columbus Airport Commission, and the Hospital Authority of Columbus. However, because the debt is self-supporting, it is generally not considered debt of the CCG. In addition, the annual debt service payments of these issues are not budgeted in debt service funds.

During 2013, Columbus Consolidated Government entered into a master lease agreement with Georgia Municipal Association (GMA). The initial purpose of GMA financing was to purchase rolling stock equipment for Public Works. GMA financing was later utilized to purchase computer equipment and software upgrades as well as leasing emergency vehicles. The total amount of expenditures that will be allowed under the lease agreement in FY16 will be **\$1,174,657** (which includes repayment of principal and interest for one year).

## Mass Transit:

**\$ 6,576,921** **2.5%**

METRA is the City of Columbus' mass transit system of buses with financial assistance provided by the local, State and Federal governments. Mass transit expenditures are budgeted at 1.1% above FY15 expenditures.

In FY00, the Parking Management Fund was added to accommodate the parking garage and downtown parking. It is categorized here because it is managed by METRA.

### Mass Transit

**Other Non-Departmental Expense:**  
**\$ 24,785,143** **9.3%**

This category consists of expenditures that are not applicable to a specific department. Examples of the various non-departmental expenses include operating subsidies provided to the Integrated Waste and E911 Funds, contingency funds, and various other non-categorical expenses. Other non-departmental expenditures are budgeted at 17.3% lower than in FY15, primarily due to the elimination of the Public Safety Vacancy Reserve in the General Fund and decreased contingency budgets in several of the funds.

**Capital Improvement Projects (CIP):**  
**\$8,421,422** **3.2%**

The capital improvement program has been in operation since 1971 with the City consolidation. Funding comes from a variety of sources including transfers-in from the General, Paving, Sewer, and Integrated Waste Funds; 1999 1¢ Special Purpose Local Option Sales Taxes (1993, 1999), Columbus Building Authority (CBA) - Contractual Debt (2010A, 2010B, and 2010C Series, 2012A and 2012B Series), Capital Lease Agreements with Georgia Municipal Association, and Prior Years Balances. The program has historically been used for infrastructure projects such as road construction, drainage improvements, technology support and advancement, and miscellaneous project fund reserves. The number listed above includes only the transfers from the General, Sewer, and Paving funds into CIP projects. Additional funding includes the Integrated Waste Fund, 1999 Sales Tax and Prior Year's funding.

The General Fund support is funded from property, utility, sales and other taxes, as well as other miscellaneous revenues. Integrated Waste support is based on service charges from residential and commercial waste.

# **FINANCIAL SUMMARIES / OPERATING FUNDS: EXPENDITURES**

The City's share of Road Projects is funded wholly from the Paving Fund. The road projects are treated as a transfer-out to the CIP Fund where it is matched with a greater share of State dollars. Drainage projects are located in the Sewer fund and located here due to the length of the projects and expense. Integrated Waste Management was added in 1994 to account for capital projects related to the construction, expansion or closing of landfills. The balance of projects, recreation and sidewalks, are financed with equally distributed revenues and constructed as SPLOST cash flow allows.

The total financing for a given project may be available at one time, while the project may take multiple fiscal years for completion. At the end of the fiscal year, the total financing sources are earmarked and recorded for that project and the balance is carried forward to the next fiscal year.

Capital Improvement Projects project budgets may include any of the following basic costs that are commonly associated with a capital improvement project: the renovation or expansion of existing facilities; an initial feasibility study for infrastructure and/or new facilities; site improvement and/or development and land acquisition; construction of infrastructure and/or a new facility; related management and/or administrative costs; and equipment and furnishings associated with the project. The capital projects are grouped by service type:

**Management:** The Management service type includes projects impacting the general function and management of the Consolidated Government. The projects may also include land acquisition and development, facilities and infrastructure construction and renovation not directly associated with any of the other service classification. Typically, these projects are funded with contributions to the CIP from the operating funds.

**Parks, Recreation & Leisure:** This type of project includes all costs associated with land acquisition, park development, facilities construction and renovation of gymnasiums, museums, recreation centers, marinas, tennis courts, fields and other facilities and

infrastructure that are associated with recreational and leisure activities. These projects are primarily financed by the SPLOST, but also receive funding from the General Fund, grants and private contributions.

**Public Safety / Criminal Justice:** All projects related to the delivery of Courts, Police, Fire, Sheriff, Marshal, Emergency Medical and Correction services are recorded in this section. These projects are typically funded by the General Fund, but may be financed through debt and other sources.

**Drainage:** The projects classified as drainage are primarily concerned with storm water control, flood prevention, erosion control and soil conservation, sewer construction and renovation, open ditch and stream bank stabilization; and detention/retention pond improvements.

**Transportation:** Projects may be land and right-of-way acquisition, traffic signalization, roads, sidewalks, and path or trail construction. Road projects are primarily funded through contributions from the Paving Fund; however, other financing sources may include SPLOST or bond issues.

**Environmental:** This category primarily encompasses projects associated with the landfills. Other projects may include urban reforestation, streetscapes and gateway projects. Detailed information of the financing, expenditures, and project description for the various projects is located in the *FY16 Capital Improvement Program Budget Book*.

## **CIP impacts on the Operating Budget**

Due to the lack of funding over the past few years, we have been unable to meet the demand financially for many worthy projects. Prioritizing has been essential to stretch an already tight dollar as far as possible. This will have implications on future budgets. Currently, funding for our projects is primarily from sources other than operating budgets, so there is minimal impact on the operating budget for this year.

# FINANCIAL SUMMARIES / OPERATING FUNDS: EXPENDITURES

The alternative funding sources are providing funding to many repair and maintenance and infrastructure projects. These projects will reduce the cost of maintenance and repairs to aging infrastructure within the City.

Long term, we are going to see some reduction in operating costs to the City. We are unable to determine at this time if this will be offset by projects we are unable to fund. Although, it is believed future savings will be greater than project costs. Any reduction will

allow additional funding to be allocated to other operating costs or projects within the City.

For FY16, the overall budget for Capital Improvements was held to a minimum, continuing the trend of deferred capital investment begun in FY14. As shown below, FY16 saw the third year of no budgeting in the General Fund for Capital Improvements.

**FY16 SUMMARY OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCE**

OVERVIEW / GENERAL FUND 0101

**General Fund**

**\$**

**150,925,421**

The General Fund accounts for all financial resources and expenditures that are not accounted for in specific purpose funds. It is the major operating fund of the government. The expenditures incurred are for current day-to-day expenses, operating equipment, and special appropriations

**Budget by Revenue Source**

**Budget by Expense Category**

**SECTION C:**  
**PERSONNEL**

**This section includes information  
on staffing, benefits and changes  
for the Fiscal Year.**

## **PERSONNEL**

A top priority of the Columbus Consolidated Government (CCG) is to provide the most efficient services while retaining quality employees who are committed to excellence and the community. The CCG employs over **2,600** full-time, part-time, and temporary employees, who provide a wide range of services to the community.

The CCG provides a total benefit package that includes the following:

- Major Medical Health Insurance
- Life Insurance
- Social Security
- Long Term Disability Insurance
- Retirement Plan
- Dental Insurance
- Sick and Vacation Pay
- Worker's Compensation
- Cafeteria Plan
- Deferred Compensation Plans

### **Major Medical Health Insurance**

The CCG provides health insurance to all full-time employees. Coverage begins on the first day, coincide with or immediately following completion of 30 days of active employment. The City's annual contribution is \$5,650 per employee.

During 2013, the City opened its own Health and Wellness Center on the campus of Columbus Regional Healthcare System. The Health and Wellness Center provides routine primary healthcare, urgent care, and specialist referrals for members of the H&W Center plan. In addition to having no copayments for office visits, referrals, or routine pharmaceuticals, employees covered by the Health and Wellness plan enjoy premiums that are the lowest available for any plan offered at CCG. By more closely managing the health and wellbeing of its employees, CCG anticipates significant wellness and productivity benefits from the Health and Wellness Center program for its employees and their dependents. In addition, the City expects to see reduced healthcare costs in the long term by improving the health status of the workforce and by better management of chronic conditions.

### **Life Insurance (Accidental Death & Dismemberment)**

The CCG provides life, accidental death, and dismemberment insurance to all full-time employees. Coverage is to equal to one and one-half (1½) times an employee's annual salary, rounded to the next highest \$500. The benefit is calculated at \$0.50 per \$1,000 of their salary.

### **Long-Term Disability**

CCG provides long-term disability coverage to all full-time employees. The Social Security Administration Office must declare an employee disabled, after which the plan allows the

## PERSONNEL

disabled employee to collect 60% of their monthly salary (offset by Social Security, Worker's Compensation and certain other pensions and disability plans).

### **Social Security (FICA)**

CCG contributes the employer's share of FICA, 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$118,500. Maximum is for Social Security only. The Federal Insurance Program has no cap on Medicare contribution earnings.

### **Retirement**

The CCG provides two retirement plans: one for general government employees and an enhanced plan for public safety employees. Both plans offer early and normal retirement options, once time vests an employee. The City has historically contributed 100% of the costs for the program. However, in FY13 the City implemented an employee contribution rate of 4% for all eligible existing employees phased in at 2% over a 2 year period and a contribution rate of 8% for eligible new employees phased in at 6% the first year and 2% the second year. The general government employees' plan must generate a minimum of *\$5.8 million* based on employee salaries and *\$12.3 million* for public safety employees' salaries.

### **Vacation**

All city officials and permanent employees accrue and accumulate annual leave based on their years of service as displayed in the following table.

<b>Service</b>	<b>Earned</b>	<b>Accumulate</b>
0 - 10 years	10 days	20 days
10 - 15 years	15 days	20 days
15+ years	20 days	30 days

### **Sick Leave**

All city officials and permanent employees accrue 13 days of sick leave per year. An employee may accumulate the following maximums: 30 days in a base account and 60 days in a reserve account for a total of 90 days. By the last pay period in November, CCG pays one-fourth of accumulated sick leave beyond the 30 days allowed in an employees' base account as a bonus to employees. This bonus is based on the employee's salary/wage and is subject to City Council's approval. The remaining three-fourths above the 30 days are

## PERSONNEL

added to the employees' sick leave reserve account until a maximum of 60 days is accumulated.

### **Catastrophic Sick Leave**

At the end of each leave year all accrued leave days above the maximum allowable reserve accumulations will be added to the catastrophic sick leave bank until a maximum of one hundred and twenty (120) days shall be attained. No charge shall be made against the catastrophic sick leave accumulation until the base and reserve accumulations for both vacation and sick leave have been exhausted, and until a valid medical certificate has been presented as to the nature of the employee's illness and inability to return to work.

### **Other Benefits**

The Columbus Consolidated Government (CCG) offers deferred compensation, cafeteria, vision and dental plans for employees. Although the City does not contribute to the plans, we offer the plans as a convenience to the employee.

### **Holidays**

For several years, the CCG has observed ten (10) holidays and one (1) floating holiday. This year the CCG will observe the floating holiday on December 24, 2015. A schedule of holidays is listed below:

<b>HOLIDAY</b>	<b>DATE OBSERVED</b>	<b>DAY</b>
Independence Day	July 3, 2015	Friday
Labor Day	September 7, 2015	Monday
Columbus Day	October 12, 2015	Monday
Veteran's Day	November 11, 2015	Wednesday
Thanksgiving Day/Day After	November 26 & 27, 2015	Thursday and Friday
Floating Holiday	December 24, 2015	Thursday
Christmas	December 25, 2015	Friday
New Year's Day	January 1, 2016	Friday
Martin Luther King, Jr. Birthday	January 18, 2016	Monday
Memorial Day	May 30, 2016	Monday

# PERSONNEL

## Personnel Summary

The chart below details compensation and benefits discussed in earlier sections. Net personnel expenditures make up 56.9% of the total operating budget. Salaries, wages, and overtime are the largest elements of the compensation and benefits.

	Compensation and Benefits	
Elements	Budget	% of Net
General Government Salaries, Wages & Overtime	\$ 48,128,390	31.8%
Public Safety Salaries, Wages, & Overtime	59,989,535	39.7%
FICA Contributions	8,361,219	5.5%
General Government Retirement	5,874,741	3.9%
Public Safety Retirement	12,413,516	8.2%
Group Health Care Contribution	14,464,000	9.6%
Group Life Insurance	489,065	0.3%
Other Benefits & Administrative Fees*	1,525,291	1.0%
<b>Total</b>	<b>\$151,245,757</b>	<b>100.0%</b>

*\*Includes: Unused Sick Leave, Unused Annual Leave, Major Disability Income, Death Benefit Escrow, Unemployment Compensation, certain Allowances, Relocation Expenses and Other Employee Benefits.*

*\$0 is included in Other Benefits to set aside funding for Post-retirement healthcare and other post-employment benefits (OPEB) per GASB Statement No. 45, Accounting and Financial reporting by Employers for Postemployment Benefits Other Than Pensions.*

### Council

#### Program Description:

The City Council is the legislative body of the Columbus Consolidated Government. It consists of ten members, whom eight are elected from districts and two are elected citywide for four-staggered terms. The Clerk of Council appoints members to citizen boards and commissions and confirms the City Manager. The City Council also decides the type and level of service provided by the consolidated government, review and adopt resolutions, ordinances, the operating budget and approve purchases over \$25,000 or multi-year contracts of any dollar amount.

### Clerk of Council

#### Program Description:

The Clerk of Council (COC) is the administrative arm of the City Council. The Clerk prepares and maintains the minutes of Columbus Council meetings. A comprehensive index file of ordinances and resolutions adopted by the City Council is processed and maintained by the Clerk. Additionally, the Clerk is responsible for maintaining and updating the official copy of the Columbus Code and is a supplemental service to departments and paid subscribers.

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To provide the best and most-prompt service for our customers in the least amount of time, while providing accurate information in a timely manner. To assist the Mayor and Council with board appointment nominees.		
<b>Objective:</b>	To produce a thorough and accurate documentation from the proceedings of the Council Meeting, which will provide beneficial information to the citizens.		
<b>Performance Indicators:</b>	FY14 Actual	FY15 Actual	FY16 Projected
Percentage of requests responded to within one day or less.	98%	88%	88%

**COUNCIL / 100**

<b>Goal:</b>	Provide additional information on the City's webpage regarding City Boards, Authorities, and Commissions		
<b>Objective:</b>	To enhance the level of participation from citizens to volunteer their time and knowledge to serve as volunteers on City Boards, Authorities, and Commissions while promoting community involvement for the betterment of the City.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percentage of board, authority, or commission meeting attendance	87%	95%	98%

**Mission Statement:**

To provide quality services, and to serve the citizens of our community with respect for their needs. Demonstrate responsible citizenship by supporting the development of the communities we serve.

## Mayor

### **Program Description:**

The Mayor is the Chief Executive of the Consolidated Columbus, Georgia City Government. The Mayor directs the executive branch of government, which consists of the office of the mayor, the office of the city manager, the directors of departments, and departments, boards, commissions and authorities ordained by Council or established by law. The Mayor is the official spokesperson for the consolidated government, presides at all meetings of the City Council, and is the Director of Public Safety. The Mayor shall be aided by a city manager, who, in the performance of his or her duties, shall be responsible to the Mayor. The specific powers and duties of the office of Mayor are more specifically set forth in the Charter, including Sec. 4-201.

### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To respond in a timely manner to citizen concerns that are brought to the attention of the Mayor's Office.								
<b>Objective:</b>	To respond to citizen concerns within three to five business days.								
<b>Performance Indicators:</b>	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th></th> <th style="text-align: center;">FY14 Actual</th> <th style="text-align: center;">FY15 Actual</th> <th style="text-align: center;">FY16 Projected</th> </tr> </thead> <tbody> <tr> <td>Percentage of concerns responded to within three business days.</td> <td style="text-align: center;">100%</td> <td style="text-align: center;">100%</td> <td style="text-align: center;">100%</td> </tr> </tbody> </table>		FY14 Actual	FY15 Actual	FY16 Projected	Percentage of concerns responded to within three business days.	100%	100%	100%
	FY14 Actual	FY15 Actual	FY16 Projected						
Percentage of concerns responded to within three business days.	100%	100%	100%						

# MAYOR / 110

## Internal Auditor

### **Mission Statement:**

To uphold the highest standards of accountability for the Mayor, the City of Columbus and its employees, through auditing and sound accounting procedures.

### **Program Description:**

Internal Audit provides independent and objective appraisals of departmental procedures and administrative and operational support via special projects for the Mayor, City Council, and departments as requested. Additionally, Internal Audit monitors the Whistleblower Hotline.

Internal Audit reports directly to the Mayor and City Council. Internal Audit provides unbiased reviews, using competency and integrity to certify findings and provide recommendations to identified deficiencies. If the recommendations are enacted, Internal Audit uses quality control measures to monitor the implementation of the new or revised procedures.

### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To maintain professional certification through the completion of required Continuing Professional Education, each calendar year.		
<b>Objective:</b>	Complete at least 40 hours of required and approved training each year.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of hours completed	80.0	103.0	80.0

### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To safeguard the City's assets by evaluating the internal control system and compliance thereof, audit departments and activities on a scheduled and unannounced basis; deter theft and malfeasance by providing an audit presence in City government.		
<b>Objective:</b>	Complete at least 6 departmental audits or special projects per year		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of audits completed versus scheduled	4/4	7/4	4/4

**City Attorney**

**Mission Statement:**

The City Attorney has the responsibility of responding to requests for advice and in answering lawsuits in such a manner, as to eliminate or minimize legal damages that flow from such difficulties, and to advise the government and its officers how to steer clear of legal problems before decisions are made which might create such problems.

**Program Description:**

The City Attorney is responsible for preparing ordinances and resolutions for Council Action, legislative bills, reviewing contracts, advising and consulting on administrative matters. The department also participates in general legislative programs through activities of city and county organizations. Staff represents the Mayor and departments in local, state and federal courts.

**Expenditures By Division**

**Mail Room**

**Program Description:**

The Mail Room is responsible for the processing and distribution of all incoming/outgoing mail and informational materials for the CCG.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To ensure that departments within the City receive accurate and timely pickup and delivery of outgoing and incoming mail.		
<b>Objective:</b>	Implement needed procedures to make the delivery of mail more efficient and accurate.		
<b>Objective:</b>	Provide superior customer service to individuals utilizing the mail system.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percentage for each day the mail is placed in mail boxes by 11:00 am.	95%	97%	98%
Completion of a customer service class for all mailroom personnel	100%	100%	100%

## CITY MANAGER / 130

### Public Information & Relations

**Program Description:**

The Public Information and Relations Office (PIRO) is the designated distributor of information regarding the CCG. Organized as a division of the City Manager’s Office, the PIRO is in the position to directly service and correspond with departments, agencies, and authorities of the CCG. The office provides continuity in news releases, broadcast messages, brochures, newsletters, and other printed materials on behalf of the CCG. Conversely, the office responds to citizen inquiries, complaints, and comments by directing the citizen to the appropriate departments. The Columbus Consolidated Government has joined other jurisdictions in airing public hearings, local legislative sessions, and other public programs on a government access channel (CCGTV).

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To continue to improve our on air presence with short and long term goals, which ensure greater use of CCGTV and increase our viewers.		
<b>Objective:</b>	Improve the efficiency of CCGTV.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of meetings broadcast live and replayed on the channel weekly.	125	152	170

### Citizen's Service Center

**Program Description:**

The Citizens Service Center is responsible for receiving calls from citizens requesting assistance on all non-emergency services within the Columbus Consolidated Government. This division provide the residents of Columbus, Georgia with current and accurate information pertaining to the CCG and coordinate the resolution of these concerns or requests for services by generating service requests and distributing them to the appropriate departments.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To serve citizens in a friendly, professional, and helpful manner and offer complete and accurate information to internal and external customers by telephone, email or in person.		
<b>Objective:</b>	To reduce citizens’ complaints concerning non-responsiveness and excessive transfer of calls.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of calls received	164,150	171,067	200,000
Number of service requests	32,777	30,740	40,000
Number of walk-ins	19,101	278,471	306,000
Number of notary requests	1,428	3,230	4,000
Number of reservations	845	615	750
Number of pool car requests	61	54	75
Number of on-line requests	1,443	1,519	2,500

**Mission Statement:**

To maintain the CCG's overall financial stability through sound financial planning and management practices. We are committed to the highest standards of accountability, accuracy, timeliness, professionalism and innovation in providing financial services to our internal and external customers.

	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Reduce the licensing delinquency report.	14%	13%	11%

**Financial Planning**

**Program Description:**

The primary function of this division is to coordinate the preparation of the Columbus Consolidated Government's annual operating and capital budgets. The budget season begins in January with preparation, distribution and instructions of the budgets forms and guidance from the City Manager. The staff assists with budget request reviews and final preparation of the recommended budget for submission to Council prior to May 1. During the Council review, the staff provides technical, analytical and research support. Following Council adoption by July 1, the staff integrates the Council adjustments and prepares the budget document for production and submission to Government Finance Officers Association (GFOA) for evaluation. In addition, throughout the year Financial Planning provides analysis, guidance, and support to all areas of CCG management to help departments remain within budget, improve fiscal efficiency, and manage expenditures relative to budget.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To obtain GFOA Distinguished Budget award with no areas cited for improvement.		
<b>Objective:</b>	A rating of proficient in policy, communications, operations and financial as cited by GFOA.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Rating of 100% Proficiency	100%	100%	100%

**FINANCE / 200**

**Financial Planning (con't)**

<b>Goal:</b>	To develop and improve the quality of financial reports available to management and staff, including Annual Budget Book, internal reports, and special projects as requested

### Program Description:

The Department of Information Technology provides a full range of management information and processing services for the Consolidated Government. This includes long range planning and implementations of new information systems that best meet the requirement of user departments. The Data Processing Division is organized in two sections: Systems/Programming and Operations. Systems/Programming provides system analysis, application programming, and operating system maintenance. Operations include: control services, personal computer support and maintenance of local area networks.

### Goals, Objectives and Performance Data

<b>Goal:</b>	To Migrate all remote sites to city owned fiber.								
<b>Objective:</b>	Provide cost effective, stable, robust, WAN connectivity between the DATA Center and other CCG departments and agencies throughout the city.								
<b>Performance Indicators:</b>									
Percent of remote sites on city owned fiber. (Assumption 64 sites)									
	<table border="1"> <thead> <tr> <th></th> <th>FY14 Actual</th> <th>FY15 Actual</th> <th>FY16 Projected</th> </tr> </thead> <tbody> <tr> <td></td> <td style="text-align: center;">5%</td> <td style="text-align: center;">8%</td> <td style="text-align: center;">11%</td> </tr> </tbody> </table>		FY14 Actual	FY15 Actual	FY16 Projected		5%	8%	11%

### Administration

#### Program Description:

The Administration Division within the Department of Human Resources provides services to recruit, develop, and retain highly professional employees and quality customer service to the citizens of Columbus.

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To process personnel actions in a timely manner.		
<b>Objective:</b>	To maintain personnel action processing time in 3 days or less.		
	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
<b>Performance Indicators:</b>			
Average days required to process personnel actions	3.00	2.50	2.00

<b>Goal:</b>	To process and file personnel actions and documents accurately at a percentage of 2% or less.		
<b>Objective:</b>	To conduct statistically valid random sampling on a monthly basis, for data entry and filing accuracy, for performance measurements and improvements.		
	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
<b>Performance Indicators:</b>			
Average monthly data entry error rate, expressed as a percentage of total personnel actions and documents entered.	2.0%	2.0%	1.0%

### Employee Benefits

#### Program Description:

The Employee Benefits Division within the Department of Human Resources manages employee benefits. Some examples of employee Benefits: the COBRA & FLEX programs, deferred income, unemployment insurance, savings programs, thrift programs, employees' assistance and other programs.

**Mission Statement:**

The mission of the Inspections and Codes Department is to ensure a safe and environmentally sound community to all of the residents and those who visit here by supporting all programs of the Columbus Consolidated Government that raise public awareness and to provide for the safety of life, health, and general welfare of the public through the enforcement of the International Building, Plumbing, Electrical, Gas, Mechanical, and Property Maintenance Codes, the Zoning Ordinance, the Flood Plain Ordinance, and the Georgia Safety Fire Regulations. All of these codes are nationally recognized construction codes.

## Inspections & Codes

### Program Description:

The Department is responsible for the enforcement of the latest editions of the Georgia State International Codes Building, Plumbing, Electrical, Gas, Mechanical, and Property Maintenance Codes, adopted by the State of Georgia as the State Construction Codes. Furthermore, the Department enforces the Local Zoning Ordinance, the Flood Plan Ordinance, Soil Erosion and Sedimentation Control and the Georgia Safety Fire Regulations.

### Goals, Objectives and Performance Data

<b>Goal:</b>	To provide an effective inspection service to ensure the safety of life, health, and general welfare of the public through Code Enforcement.
<b>Objective:</b>	Continue the systematic program to remove all derelict structures and to rehabilitate substandard housing.
<b>Objective:</b>	Assist the Board of Zoning Appeals technically and process appeals under the Zoning Ordinance to BZA.
<b>Objective:</b>	Enforce the provisions of the Georgia Safety Fire Law as required by State Law.

## INSPECTIONS AND CODES / 240

	FY14	FY15	FY16
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Inspections	25,350	21,694	21,500

## ENGINEERING / 250

### Traffic Engineering

**Program Description:**

Install, operate and maintain (1) traffic signals, (2) traffic control signs, (3) pavement markings, (4) radio communication and (5) administer street lighting along public roadways.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Install, operate and maintain traffic signals to move traffic through signalized intersections safely and efficiently.		
<b>Objective:</b>	Establish preventative maintenance schedule for the traffic signals in order to reduce services calls and after hour emergency service calls.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Preventative maintenance of signalized intersections	6,536	6,164	6,500

<b>Goal:</b>	Federal Highway Administration has changed the minimum traffic sign retro-reflectivity requirements (FHWA-SA-03-027) requiring all Local, State and Federal Agencies to upgrade signs in the field to new standard. The intent is to improve traffic sign visibility for nighttime drivers. It will take about 10 years to accomplish this requirement.		
<b>Objective:</b>	Inspect and replace damaged and worn out signs.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Installation and Maintenance of Traffic Signs	14,124	13,095	14,000

### Geographic Information Systems

**Program Description:**

Provide data and maps to all city departments as well as citizens, developers and other interested parties.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Provide easy access to GIS data for citizens.		
<b>Objective:</b>	To reduce counter traffic by making data & maps available to citizens and city employees.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Training classes provided for departments and the public.	2	8	12

**ENGINEERING / 250**

**Geographic Information Systems (con't)**

<b>Goal:</b>	Increase accuracy of address database		
<b>Objective:</b>	Capture all sub-addresses for inclusion in Master Address Database		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
% of sub-addresses in Master Address database	51%	60%	75%

**Radio Communications**

**Program Description:**

This division is responsible for administering, installing and maintaining radio communication equipment and services to departments, agencies and authorities of the Columbus Consolidated Government.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To insure that all radios (portables, mobiles, control stations, etc.) are operating to peak performance within the City's 800 MHz Radio Communication system.		
<b>Objective:</b>	Provide timely repairs of departmental radios and provide spare radios for employees to continue to perform their work.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Installation and Repairs of Radios	1906	1732	1800

**Mission Statement:**

The Department of Public Works strives to serve the community by providing street and road maintenance, storm drainage, environmental enforcement, urban forest maintenance, waste disposal and maintenance of city owned properties in a safe and efficient manner, which is sensitive to the environment. The department is committed to doing its part to enhance the high quality of life for the current and future generations.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase awareness, techniques and the understanding of leadership necessary to increase not only the productivity but also the well being of our employees.		
<b>Objective:</b>	Conduct training to all Division Managers, supervisors, team and crew leaders in the fundamentals of leadership.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Leaders completing training.	15	10	12

**Fleet Management**

**Program Description:**

To maintain a high percentage of operational fleet vehicles and equipment. Ensure preventative maintenance schedules for Fleet vehicles and equipment are closely adhered to.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Establish parameters for accomplishing routine maintenance.		
<b>Objective:</b>	Perform all routine preventive maintenance on fleet vehicles and equipment within 200 miles, 20 hours, or 10 days of scheduled service.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Percentage of vehicles and equipment that meet scheduled maintenance criteria.	97%	97%	98%

**Special Enforcement**

**Program Description:**

The Special Enforcement Division enforces all aspects of the Animal & Fowl Ordinance, this includes, but not limited to the efficient operation of the Animal Shelter as well as ensuring all biting animals are quarantined as required by the state. We ensure compliance with rabies vaccinations, the registering of all animals through our permitting system as well as, animal cruelty investigations, biting cases, cleanliness of pens, excessive barking and many other animal related issues. In addition, this division also is responsible for all Environmental Law Enforcement such as, but is not limited to the enforcement of the Solid Waste Ordinance, Business Licenses, Alcohol Licensing, Gross Receipt Taxes, Mobile Home Taxes, Scrap Tire Management, Illegal Dumping, Weed Violations, Junk vehicles, Fencing Violations and other environmental violations.

**PUBLIC WORKS/260**

**Special Enforcement (con't)**

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Increase adoptable animal placement by 10%.		
<b>Objective:</b>	Continue assisting PAWS Humane Inc., and other licensed animal agencies by selecting the most adoptable animals from the general population and placing them with these agencies for adoption.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Total number of animals placements, adoptions and returned to owners.	3,688	3,718	4,090

**Cemeteries**

**Program Description:**

To provide burial/grounds maintenance service for the citizens of the tri-state area and funeral homes. This includes, but is not limited to, grounds maintenance/repairs, genealogy research, preparation of gravesites, and surrounding areas for funeral, as well as large scale social functions. Also, repair of roads, and abandoned lots, and other special projects as assigned by management.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Have all lots in Riverdale, Porterdale, East Porterdale and Linwood in the GIS		
<b>Objective:</b>	To improve the condition of the roads in all four City owned cemeteries. This will allow all visitors to have a hazard free passage.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
List and track number of Riverdale lots put back in database	0	55	80

<b>Goal:</b>	Continue repairing and raising slabs, markers (monuments) and locator markers in Riverdale.		
<b>Objective:</b>	These are necessary repairs in an effort to beautify the grounds in the City's four owned cemeteries. These repairs will allow us to better assist with plot research for requesting parties such as family members and vault companies.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Compare daily work log listings to the actual number of corner markers.	32	24	20

## PUBLIC WORKS/260

### Facilities Maintenance

#### **Program Description:**

The Facilities Maintenance Division mission is to provide general maintenance and preventive maintenance to all city facilities including carpentry, painting, electrical, plumbing, HVAC, irrigation and small construction.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	Perform maintenance and preventive maintenance on a timely schedule for each building.		
<b>Objective:</b>	Perform inspections of all facilities annually.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Total percentage of inspections annually.	70%	70%	70%

### Other Maintenance and Repairs

#### **Program Description:**

This division coordinates and accounts for all building maintenance and repairs to the various city facilities. The facilities are classified into three categories: Parks & Recreation, Public Safety, or General Government.

**Mission Statement:**

The Columbus Parks and Recreation Department strives to enhance the quality of life for all citizens of this community by providing passive and active recreational, educational and cultural programming services for all age groups. It is our objective to provide parks and recreation facilities that are safe, accessible and aesthetically pleasing to the entire community. This division will strive for continual improvement of its broad-based, recreational programs to ensure opportunities for all citizens in order to maintain its leadership among comparable sized cities in the United States.

**PARKS AND RECREATION / 270**

**Administration**

**Program Description:**

The Parks and Recreation Department’s Administrative division provides leadership and vision for the delivery of comprehensive recreational programming and facilities. These programs and facilities are offered through five divisions: Administration, Parks Services, Recreation Services, Community Schools and Athletics.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Ensure management is acquainted and familiar with all aspects of programs.		
<b>Objective:</b>	To provide efficient service through continued spot checks of services and facilities by upper management.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of events, facilities and programs	45	48	50

<b>Goal:</b>	To offer new and innovative programming, sporting events and amenities to serve all segments of the community and regionally to improve economic impact.		
<b>Objective:</b>	Develop new programs, sporting events, and services to meet the needs of the growing community and offer additional events and programming across the region.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of new programs, sporting events, and amenities	27	28	29

**Park Services**

**Program Description:**

The Park Services division provides the management and maintenance of all city park, land and recreation facilities. This division is responsible for the general maintenance of all buildings, grounds, playground equipment and other amenities, which includes: 33 athletic fields; 32 little league fields; 66.5 multi-purpose courts; 65 playgrounds; 16 recreation centers; 22 softball fields; swimming pools; 47 tennis courts; 10 miles of fitness and walking trails, including the new 5-mile south Riverwalk which runs from Fieldcrest Mill to Fort Benning at Oxbow Meadows; and the new 10.5 mile Fall Line Trace Fitness Trail. This division also maintains Memorial Stadium and Golden Park.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Enhance park amenities and infrastructure for citizens by repairing and replacing 100% of damaged, hazardous or unsightly items within three to four working days, based on funding.		
<b>Objective:</b>	Establish electronic logging system to ensure proper tracking/completion of work orders and citizen concerns.		

**PARKS AND RECREATION / 270**

**Park Services (cont'd)**

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent increase of response time of all work orders.	90%	85%	80%

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase citizen satisfaction with the Park Services response time for work orders, requests and citizen complaints.		
<b>Objective:</b>	To conduct daily staff briefings to review workload and establish schedules in order to accomplish 100% of workload in terms of preparing for events/work orders, requests and citizen complaints.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of requests/complaints responded to in less than 24 hours based on category of requests as to work to be performed.	90%	85%	80%

**Recreation Administration**

**Program Description:**

This is the administrative section of the Recreation Division of the Parks and Recreation Department. The division consists of five sections: Recreation Services (formerly Youth Programs), The Senior section, Cultural Arts, Therapeutics and the Haygood Boxing Program. This division provides recreational programming at community centers, senior centers, recreation centers and the Cultural Arts Studio, as well as many special events and tournaments throughout the City.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase programming to allow the community the opportunity to engage in meaningful activities and programs in a safe environment		
<b>Objective:</b>	To reach more citizens by diversifying the programs offered to the community		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of people using recreation centers daily	139,819	147,249	149,000

**PARKS AND RECREATION / 270**

**Golden Park**

**Program Description:**

Historic Golden Park is a baseball stadium with a seating capacity of 4,000. The facility is used for high school, NCAA Championship events, NAIA Championship events, independent recreational leagues, and week-end tournaments.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide the citizens of Columbus, GA, surrounding areas, and game participants have a safe and well-maintained facility for baseball and social entertainment.		
<b>Objective:</b>	To ensure a safe, friendly and well maintained environment for baseball and other events that may be held at Golden Parks.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Total number of attendance	1,000	5,600	3,000

**Memorial Stadium**

**Program Description:**

A.J. McClung Memorial Stadium is a football stadium with a seating capacity of 12,265 and is primarily used for high school, college and youth football games. This stadium is also used for concerts, band festivals and other events provided for the community.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide events that will promote tourism and increase the economic impact for the City of Columbus.		
<b>Objective:</b>	To operate successfully by providing the best and most entertainment at A.J. McClung Memorial Stadium while maintaining the integrity of the playing field.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>

<b>Goal:</b>	To incorporate more technology programs to promote more academic, social, and emotional development in after school program participants		
<b>Objective:</b>	Promote the importance of science and technology by encouraging participants to seek educational opportunities in these fields of study.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Increase total number of participants	1,549	1,563	1,600

**PARKS AND RECREATION / 270**

**Cooper Creek Tennis Center**

**Program Description:**

Cooper Creek Tennis Center features thirty (30) courts in a passive park environment. This rubico clay complex provides the citizens of Columbus a facility unrivaled in Georgia. Functions include the establishment of leagues, clinics and tournaments for youths and adults. Special programs include the establishment of the United States Tennis Association (USTA) schools program and the continued close association with the Columbus Regional Tennis Association (CORTA) in an effort to increase participation and revenue in the tennis program within Columbus and to help attract state and regional tournaments to our facility.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide Columbus citizens with recreational league play.		
<b>Objective:</b>	To operate USTA league programs for adults.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of adult, senior league, and tournament participants	6,309	6,900	7,100

**Aquatics**

**Program Description:**

The Aquatics division operates four (4) aquatics facilities, one training facility, one work shop, and two administrative offices. It serves Columbus and the surrounding areas with public swim, swim lessons, and a variety of certification and safety classes. The section typically serves 150,000 patrons in a 10-week season.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide water safety classes and swim lessons to the public at one of the City's swimming facilities.		
<b>Objective:</b>	Increase programs and class participants by 5%		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of swim lesson participants	178	185	190
Number of water safety class participants	60	60	65

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide various lifeguard or water safety certification classes.		
<b>Objective:</b>	Increase total number of students by 10%		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Lifeguard Certification participants	21	24	28
Water Safety Instructor participants	4	4	5

## PARKS AND RECREATION / 270

### Therapeutic

**Program Description:**

Therapeutic Recreation's goal is to improve the quality of life of adults with disabilities in the community through recreation and leisure programming. Therapeutic Recreation provides a lifetime learning experience in recreation, including adapted physical activity, training in Special Olympics sports, socialization, cognitive development, creative and fun leisure skills.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To diversify programs for an aging population by increasing younger adult participation.		
<b>Objective:</b>	To service more special needs individuals in the community between the ages of 16 and 30 so that many can reap the benefits of intergenerational recreation as therapy.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of daily program attendees	33	36	40

### Cultural Arts Center

**Program Description:**

The Cultural Arts Center provides programs that reach persons of diverse interest and ability. It is designed to encourage the participation of youth, adults, senior adults and those with physical disabilities. The program adapts to the group or person's needs. There are cooperative sessions and tours of other agencies and community groups.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To promote community involvement through visual artist programs.		
<b>Objective:</b>	To expand our community art programs within and beyond Cultural Arts section with volunteers, service organizations/programs, and in house programming.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of volunteer hours worked	1,303	1,005	1,200
Number of Open House participants / number of classes	995/14	703/12	800/12
Number of Empty Bowl participants / number of classes	1,108/8	903/5	1000/8
Number of GRPA participants / number of classes	73/12	2/5	15/7
Number of community meeting attendees / number of meetings	2,620/1,358	959/72	1000/80

**PARKS AND RECREATION / 270**

**Senior Citizens Center**

**Program Description:**

The Senior Citizens Center division provides diversified recreational and leisure services for senior adults of Columbus through direct programming, facilities, advisement and referral with transportation, staff and volunteer assistance for handicapped and frail, elderly citizens. They coordinate, sponsor and promote programs with state and local agencies for the benefit of local participants, bringing visibility to Columbus and the program's participants.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Provide recreational programming focusing on improving quality of life and health for seniors.		
<b>Objective:</b>	To increase participation in the areas of senior recreation by exposing the senior population to a variety of educational and cultural activities.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Track attendance at all senior facilities	49,709	48,977	48,000

**Lake Oliver Marina**

**Program Description:**

Lake Oliver is a 2,150-acre lake situated between the Goat Dam and the Oliver Dam on the Chattahoochee River. Lake Oliver Marina provides access to the Chattahoochee Riverwalk. The Marina will provide citizens with a safe area for watersports, fishing, and water access for their boats. The all-new Bait shop reflects the naval traditions of Columbus, GA.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	Provide citizen's with easy access to the water, use of facilities and services, all at a reasonable cost, while maintaining and increasing amount of revenue for the CCG.		
<b>Objective:</b>	Provide a boat launching facility for all citizens within the Columbus area.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of boats launched annually	7,265	5,437	6,000

Cooperative Extension

## COOPERATIVE EXTENSION SERVICES / 280

### Program Description:

The Cooperative Extension Service is the educational arm of the USDA. The Columbus Extension Service is divided into five program areas: Agriculture and Natural Resources, Expanded Food and Nutrition, 4-H Youth, Home Economics, and Resource Development. Agriculture works with homeowners, corporate and industrial entities and city government in the production of food and city beautification. Expanded Food and Nutrition provide in-depth training to low-income families on budgeting, meal planning and improved diets, food and nutrition, family economics and stability, clothing and textiles, and the human environment. 4-H provides youth an opportunity to learn leadership roles. Home Economics place an emphasis on meeting the needs of contemporary living. Resource Development includes people working together locally on common concerns or problems.

### Goals, Objectives and Performance Data

<b>Goal:</b>	Provide "Learning for Life" education for all Columbus area residents.

<b><u>Goal 400-2200-02</u></b>			
Number of Requests for equipment	38,750	38,815	38,900
<b><u>Goal 400-2200-03</u></b>			
Number of Property/Evidence cases	15,450	16,895	17,600

# POLICE / 400

## Field Operations

### Program Description:

The Bureau of Field Operations is the largest of the Department's bureaus. This Bureau provides primary police services to the community as first responders for any request for police assistance by providing emergency responses and preventive patrols. The Bureau includes a Tactical Unit that is trained to handle special functions as well as normal patrol duties. In addition, they work closely with various community organizations fighting drugs and crimes in their own neighborhoods. The bicycle patrol concentrates on the Riverwalk, Cooper Creek Park, South Commons and those other areas where they blend in with the relaxed activities.

### Goals, Objectives and Performance Data

<b>Goal 400-2300-01</b>	<b>To develop safer roadways throughout the City while providing efficient, professional police service in an effective and unbiased manner.</b>
<b>Objective:</b>	Conduct 25 details on major highways in the city focusing on speeding violations.
<b>Objective:</b>	Conduct a minimum of 12 traffic checkpoints focused on DUI, seat belts, drivers' licenses, or proof of insurance.
<b>Objective:</b>	Conduct 24 details in selected school zones concentrating on speeding violations
<b>Goal 400-2300-02</b>	<b>Develop a safe community by enforcing all laws in a fair and equitable manner while protecting the rights of each citizen.</b>
<b>Objective:</b>	Investigate all criminal offenses and prosecute all criminal offenders.
<b>Goal 400-2300-03</b>	<b>To provide professional and efficient police services in an effective, fair and unbiased manner with well-trained, educated officers operating with integrity and high ethical standards.</b>
<b>Objective:</b>	Respond to all calls and self-initiated contacts for police service.
<b>Goal 400-2300-04</b>	<b>To provide specialized operations and details focusing on high crime areas and activities.</b>
<b>Objective:</b>	Make 24 assignments per shift detailing patrol officers to specifically ride areas with high incidences of business burglaries.

**POLICE / 400**

**Field Operations (cont'd)**

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
<b><u>Goal 400-2300-01</u></b>

Number of Patrol Officer responses to calls	408,544	412,629	416,755
<b><u>Goal 400-2300-04</u></b>			
Number of Special Details	368	423	478

**Office of Professional Standards**

**Program Description:**

The Office of Professional Standards acts as the internal affairs unit of the Department. They play a pivotal role in preserving the integrity of the Department by investigating major complaints against officers. The unit also assures that the Department is in compliance with specific standards to maintain national and state accreditation. Only two percent of the police agencies in country are accredited.

**Goals, Objectives and Performance Data**

<b>Goal 400-2400-01</b>	<b>Provide police services in an effective, fair, and unbiased manner with professional, well-trained, educated officers operating with integrity and high ethical standards.</b>
<b>Objective:</b>	Track all use of force incidents involving departmental employees for compliance with policy and procedure
<b>Objective:</b>	Track all complaints against the department and departmental employees for compliance with policy and procedure.
<b>Objective:</b>	Investigate all cases assigned by Chief of Police
<b>Objective:</b>	Conduct research projects, grants, and other tasks assigned by the Command Staff
<b>Objective:</b>	Meet or exceed the 273 Mandatory standards set for compliance by the Commission on Accreditation for Law Enforcement Agencies

**POLICE / 400**

**Office of Professional Standards (cont'd)**

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
<b><u>Goal 400-2400-01</u></b>

Number of Complaints	87	31	92
Number of cases assigned by Chief	9	5	14
Number of research projects	109	48	114
Number of standards met	273	273	273

**Metro Drug Task Force**

**Program Description:**

This Office is responsible for the enforcement of Drug Violations and organized crime violations on a regional basis. The two Columbus Police Department's Officers assigned are members of a task force comprising five (5) municipal and county jurisdictions.

**Special Operations**

**Program Description:**

The Special Operations Unit is a new division set up to be the cost center for special operations expenditures.

**Administrative Services**

**Program Description:**

Bureau of Administrative Services maintains training, community relations and safety programs for the Department. All officers are trained in one of Georgia's few in-house Police Training Units. They oversee recruit and in-service training using a unit that is comprised of certified training instructors. In addition, many other officers in the Department are certified instructors and are used to supplement the training staff in certain police specialties. The Training Unit also maintains the pistol and shotgun ranges, as well as the FATS training equipment. The firing ranges are used by more than 34 different local, state and federal agencies for firearms training and qualification. Administrative Services also maintains the D.A.R.E. and Neighborhood Watch programs.

**POLICE / 400**

**Administrative Services (cont'd)**

**Goals, Objectives and Performance Data**

<b>Goal 400-2800-01</b>	<b>Provide police services in an effective, fair and unbiased manner with professional, well trained and educated officers operating with integrity and high ethical standards.</b>		
<b>Objective:</b>	Provide a minimum of 24 hour of In Service Training to all sworn officers.		
<b>Objective:</b>	Provide a minimum of 600 hours of Recruit Training to all police officers who successfully complete the P.O.S.T. Basic Law Enforcement Training.		
<b>Objective:</b>	Arrange for and provide advanced and specialized training for officers.		
<b>Objective:</b>	Provide a minimum of 600 hours of Recruit Training to all police officers who successfully complete the P.O.S.T. Basic Law Enforcement Training.		
<b>Goal 400-2800-02</b>	<b>To develop, implement, and maintain the educational programs and events designed to enhance the department's commitment to the proactive approach to policing.</b>		
<b>Objective:</b>	Establish 10 new neighborhood watch programs		
<b>Objective:</b>	Provide a minimum of 340 Crime Prevention presentations to the the public.		
<b>Goal 400-2800-03</b>	<b>To recruit and select qualified police applicants, maintain personnel records and ensure compliance with federal, state and local employment and payroll guidelines.</b>		
<b>Objective:</b>	Track all personnel grievances relating to employees.		
<b>Objective:</b>	Recruit, process and investigate all police applicants in accordance with selection guidelines and criteria.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>

## FIRE AND EMS / 410

### Chief

**Program Description:**

This division is responsible for the management of personnel and resources to effectively and efficiently accomplish the organizational goals of the Department of Fire and Emergency Medical Services.

### Operations

**Program Description:**

The Operations Division seeks to provide superior and quality fire protection services to the community. This service is predicated upon saving lives, protecting property, and preserving the environment.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To effectively respond to all emergencies within the appropriate time frames established by the department using established accreditation guidelines.		
<b>Objective:</b>	Initial responding fire apparatus to arrive within (6) minutes of dispatch and the initial full alarm assignment to arrive within (8) minutes 90% of the time.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of calls that are within the designated times.	90%	92%	95%

<b>Goal:</b>	To provide quality patient care consistent with the established medical treatment protocols approved by the Medical Director.		
<b>Objective:</b>	To limit the number of minor patient care and documentation variances to less than 3% of all calls with zero (0) major variances.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of minor patient care and documentation variances less than 3% of all calls	84%	86%	90%

<b>Goal:</b>	To provide the safest, most efficient and effective emergency services to the citizens of Columbus.		
<b>Objective:</b>	Provide required minimum staffing for all units (24 hour shifts, 365 days per year).		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of staffing for all units (24 hour shifts, 365 days per year).	99%	99%	100%

## FIRE AND EMS / 410

### Special Operations

#### **Program Description:**

The Special Operations Division is responsible for the training and oversight of the Special Operation Teams to include Hazardous Materials Response, BioHaz/Weapons of Mass Destruction, High Angle Rope Rescue, Confined Space Rescue, Trench Rescue, Water Rescue and Wilderness Search and Rescue. Additionally, it is also responsible for the provision of high quality Fire and EMS training for all department personnel that meets or exceeds Federal, State and local government standards.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To satisfy annual Insurance Service Office (ISO) categories of training.		
<b>Objective:</b>	Provide annual Hazardous Materials training, night drill exercises, company drill exercises, ISO driver training, Officer Leadership training, and in-house training for each of the field personnel in the department.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percentage of personnel that completed ISO training objectives	100%	100%	100%

<b>Goal:</b>	To satisfy Georgia Firefighter Standards & Training annual Firefighter Recertification Training Requirements.		
<b>Objective:</b>	Insure all certified Firefighters in the department meet the State requirements for Firefighter Recertification.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percentage of personnel that complete Georgia Firefighter Standards & Training annual Firefighter Recertification Training Requirements.	100%	100%	100%

### Administrative Services

#### **Program Description:**

The responsibilities of the administration services division are to provide fair and equitable recruitment, hiring practices and promotional opportunities for all eligible prospective candidates. In addition, maintain personnel and medical records for all employees of the organization. The Fire Prevention division attempts to provide the safest community possible for all citizens in which to live, work and raise a family by instituting fiscally responsible and pro-active approaches to fire safety education and code enforcement which will provide a medium for accomplishing the overall mission of the Columbus Fire Department.

## FIRE AND EMS / 410

### Administrative Services (cont'd)

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To decrease the probabilities of a fire situation by insuring fire prevention code inspections are conducted on those buildings identified as Special Hazards in the Official Code of Georgia Annotated, Sec.25-2-13.		
<b>Objective:</b>	To conduct annual fire prevention code inspections on buildings identified as Special Hazards.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of inspections completed on Special Hazard buildings.	85%	90%	95%

<b>Goal:</b>	To ensure continuous customer satisfaction with Fire Prevention's response time to inquiries, requests, and complaints.		
<b>Objective:</b>	To respond to inquiries, requests and/or complaints within one working day.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of inquiries, requests, and complaints responded to within 1 working day	100%	100%	100%

### Emergency Management

#### Program Description:

The Columbus Emergency Management program is responsible for the planning and coordination of the Government's efforts to mitigate against, prepare for, respond to and recover from major emergencies. Readiness requires continuous planning, coordinating, exercising plans, training response personnel and maintaining equipment and facilities ensuring a reliable, immediate response during emergency situations. During a major emergency, the Emergency Operations Center must be capable of selectively activating to perform the necessary command control and coordination functions. The readiness posture and capability of Emergency Management must be maintained at a level to respond rapidly and efficiently to emergencies. Public awareness and knowledge of emergency conditions and procedures are critical to public safety.

**FIRE AND EMS / 410**

**Emergency Management (cont'd)**

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To upgrade and enhance the technological capabilities of the City's Emergency Operations Center.
<b>Objective:</b>	To ensure that the Emergency Operations Center is adequately equipped to manage emergencies regarding Homeland Security and Emergency Management issues and has the capability to integrate with state and federal agencies.

<b>Goal:</b>	To provide public safety/non-public safety response personnel and agencies and outside support agencies the opportunity to test their response policies and protocols through realistic exercises and drills.
<b>Objective:</b>	To conceive, design, and conduct a sufficient number of tabletop, functional, and full scale exercise within this jurisdiction.

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percent of Full Scale exercises completed	100%	100%	100%
Percent of Functional exercises completed	100%	100%	100%
Percent of Tabletop exercises completed	100%	100%	100%

**Logistics Support**

**Program Description:**

To maintain all fire department buildings, vehicles and equipment according to federal, state, local and industry codes. Additionally, the division manages fixed assets, maintenance records, and both expendable and non-expendable supplies and equipment.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To ensure the Department of Fire and Emergency Medical Services meets or exceed all regulatory requirements regarding personal protective equipment.
<b>Objective:</b>	To ensure each firefighter's personal protective equipment has met and continues to meet all applicable standards.

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Percentage of Personal Protective Equipment inspected annually.	100%	100%	100%

Muscogee County Prison

**Program Description:**

The Muscogee County Prison (MCP) operates according to Georgia law, rules, and regulations of the State Board of Corrections, and the City Council. It is the responsibility of the warden to assume custody of assigned inmates under the jurisdiction of the State Board of Corrections. The warden and his personnel are charged with the responsibility of safe and secure custody, exercise service, recreation, visitation, education, and religious programs for assigned inmates.

As a work prison, MCP provides a cost-effective, inmate labor force. Inmates assigned to MCP are used to supplement the city's work force in the operation of the institution, maintenance of public roads, public services (including sanitation) and other functions of the city government.

**MUSCOGEE COUNTY PRISON / 420**

\*\*\* Position is unfunded in FY16

## SUPERIOR COURT JUDGES / 500-1000-2195

### Program Description:

The Superior Courts are presided over by seven judges, elected by the voters of the six counties making up the Chattahoochee Judicial Circuit. These counties are Muscogee, Chattahoochee, Harris, Marion, Talbot, and Taylor. Sessions of the court, both civil and criminal, are held in the county courthouse of each county. Felony cases, divorce/ alimony, child custody, equity cases, and cases involving land titles must be tried in the Superior Court. The Superior Court has concurrent jurisdiction with the other courts to try other civil cases and misdemeanor criminal cases. In addition, this court determines appeals from the Probate Court, and in certain instances, from the Juvenile and Municipal Court.

## DISTRICT ATTORNEY / 500-2000/2200

### Mission Statement:

The mission of the District Attorney's office is to prepare a file for each case, identify the evidence and witnesses needed, research the pertinent law and determine the correct charges. The District Attorney's office strives to stay ahead of, and on top of the legal burdens placed upon the prosecutors, to protect the rights of all citizens, victims and defendants.

Total charges disposed	7,070	7,070	8,450

**DISTRICT ATTORNEY / 500-2000/2200**

**Victim/Witness Assistance Program**

**Program Description:**

The Victim Witness Assistance Program (VWAP) works directly with the District Attorney's Office and is responsible for helping the victims, families, and witnesses through the criminal justice system. The program informs families of the status of criminal prosecutions and helps the District Attorney's Office track the vital witnesses for their cases.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To identify and assist victims and witnesses in their time of need.		
<b>Objective:</b>	Send out victim packages, victim notification: Make telephone calls to gather information on victims and witnesses, inform them of upcoming court date and offer support. Enter data into Tracker for accurate documentation and reference.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Services Performed	100,000	180,320	223,000

## SUPERIOR COURT - ADULT PROBATION / 500-2100

**Mission Statement:**

To collect child support, alimony, restitution and attorney fees to assist children in having their basic needs met.

**Program Description:**

The Adult Probation Office is responsible for receiving, recording and disbursing monies received pursuant to court orders from Superior, State and Municipal Courts on child support, alimony, attorney fees and other miscellaneous charges. The division is responsible for computing arrears on court orders and must appear in court to testify on behalf of the state, plaintiff or defendant. Other responsibilities are as follows: initiates and testifies on revocation hearings on abandonment of illegitimate children charges, brings citations for contempt charges against respondents in other states, collects restitutions on criminal charges.

- One (1) Accounting Clerk FT (G10) was reclassified to Accounting Clerk PT (G10)

**SUPERIOR COURT - JUVENILE COURT / 500-2110/2125**

**Program Description:**

The Juvenile Court has jurisdiction over cases involving children under the age of 17 who are alleged to be unruly, delinquent, deprived, in need of treatment (i.e., mentally, emotionally ill, or mentally retarded), or who are alleged to have committed a traffic offense. The judge, who is appointed by the Superior Court judges for a term of four years, presides over these cases as well as contested divorce custody cases transferred to the Juvenile Court by the Superior Court Judges. In FY03, a Circuit-wide Juvenile Court was established per GA 15-11-18. This includes one full-time judge and 2 part-time judges who hold preliminary/detention, shelter, and traffic hearings, assess and sign bonds, warrants and other legal documents. The support staff ensures that all cases have been properly handled by conferring with attorneys, and other professionals.

The Georgia Department of Children and Youth Services provides intake and probation officers for the court. The Intake Department is located in the Juvenile Court facility. A Protective Services Coordinator is provided by the Georgia Department of Human Resources with courtesy supervision provided by the court coordinator.

## SUPERIOR COURT - JURY MANAGER / 500-2140

### Program Description:

It is the responsibility of the Jury Manager to furnish jurors to all nine trial Courts, including grand jurors. This responsibility necessitates accompanying duties such as subpoenas, payroll, deferment, orientation and oath of jurors. The effective utilization of the services of jurors is more economical for the taxpayer and more efficient for the Courts.

**State Courts**

**Mission Statement:**

To conduct a thorough, fair, vigorous and just prosecution of all misdemeanor cases bound over from Recorder’s and Municipal courts in Muscogee County.

**State Court - Judges**

**Program Description:**

The State Courts are presided over by two judges who are elected for a term of four years. The Court tries both civil and criminal cases with a jury composed of twelve persons. Criminal cases tried in this court are limited to misdemeanors and appeals from Recorder’s Court by the State Constitution.

**State Court - Solicitor**

**Program Description:**

The State Court Solicitor’s Office prosecutes all Muscogee County misdemeanor and City Ordinance violations appealed from Recorder’s Court. Investigators collect all warrants, citations, reports, documents, records, histories and evidence, including witness interviews. Recommendations for disposition and sentencing are made and cases are presented to a Judge for pleas. The Solicitor’s Office coordinates jail pleas and arraignment dockets before a State Court Judge.

The Solicitor’s Office works in tandem with a State Court Judge-appointed probation company to ensure fine payments, community service performance, jail reporting and restitution. The Solicitor’s Office originates warrants for a variety of reasons including probation violations and failure to appear for court dates.

### Municipal Court Judge

#### Program Description:

The Magistrate Court of Muscogee County has jurisdiction of civil claims where exclusive jurisdiction is not vested in superior court. Magistrate court is confined in most cases to a monetary limit of \$15,000. The court handles the issuance of summons, trial of issues, and issuance of writs and judgement's in dispossessory proceedings and distress warrants. This court also handles: garnishments, abandoned vehicles and interrogatories. The Magistrate court provides for the filing of answers, counterclaims, and other pleadings, directly related to Magistrate Court cases. The court handles all of its scheduling if hearings in conjunction with those hearings set for Municipal Court.

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To reduce the length of time it takes to have a hearing on individual cases. Currently, once		
<b>Objective:</b>	To have hearings on cases that have answers filed in a timely manner. Legislation		
	FY14 Actual	FY15 Actual	FY16 Projected
<b>Performance Indicators:</b>			
Number of cases that went to trial.	580	590	600

## MUNICIPAL COURT / 530

### Clerk

#### **Program Description:**

The voters of Muscogee County elect the Clerk of Municipal Court to a four-year term. Municipal Court has jurisdiction of civil cases when the amount does not exceed \$15,000 including suits for damages, breach of contract, and garnishments and writs of possession up to \$15,000. In addition, all dispossessory proceedings, attachment levies, foreclosure liens and distress warrants are handled in Municipal Court. The Clerk of Municipal Court must record and maintain minutes and pleadings; collect and disburse court monies and costs to litigants. Warrants are also issued for bad checks, peace, criminal charges and good behavior.

### Marshal

#### **Program Description:**

The Marshal's Department enforces the orders, writs and precepts of the Municipal Court. The department has original jurisdiction to enforce all orders and directives of the Municipal and Magistrate Courts.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase the service and quality of all processes of Municipal Court and provide

### Contingency

**Program Description:**

The Contingency Fund is an amount established in each annual budget to finance unusual items, which cannot be anticipated in the budget preparation. As these items occur during the year, transferring the required funds to the appropriate account reduces the contingency.

## NON-DEPARTMENTAL / 590

### Non-Categorical

#### **Program Description:**

Appropriations and expenditures, which pertain solely to a specific department, are budgeted by that department. However, there are certain expenditures, which are not applicable to a specific department, and the non-categorical section has been established for recording these appropriations and expenditures.

<b>Project Description</b>	<b>FY16 Adopted</b>
Street Lighting Energy	\$3,400,000
Workers Compensation	\$3,473,193
Uninsured Losses	\$229,604
Peace Officer's Annuity	\$840,000
Litigation and Court Costs	\$300,000
All Other Non-Categorical Expenditures	\$90,000
	<b>\$8,332,797</b>

Capital Outlay: \$50,000 has been budgeted as a contingency reserve in this department.

### Inter-Fund Transfers

#### **Program Description:**

This activity accounts for operating transfers from the General Fund to other funds. Transfers are made to provide required matching funds for federal and/or state grants. Also, this activity accounts for resources transferred to other funds where actual costs are recorded with funding assistance from the General Fund, such as the Civic Center and Golf Courses. Finally, this activity accounts for transfers of funds allocated to the Capital Improvement Program.

<b>Project Description</b>	<b>FY16 Adopted</b>
Transfer to Multi Governmental Fund	\$ 350,000
Transfer to Medical Center Fund	\$ 600,000
Transfer to Civic Center	\$ 200,000
Transfer to Oxbow Creek Golf Course	\$ 250,000
Transfer to Parking Management Fund	\$ 135,273
Transfer to Bull Creek Golf Course	\$ 50,000
	<b>\$ 1,585,273</b>

### Port Columbus Naval Museum

#### **Program Description:**

The Port Columbus-Civil War Naval Center is a nationally recognized tourism and educational facility dedicated to the collection, preservation, study and interpretation of the Confederate States Navy in general and specifically, the salvaged Confederate warships "Jackson" and "Chattahoochee". The Naval Center is one of the premiere tourist attractions in Columbus receiving more than 20,000 visitors annually.

# **2009 Other Local Option Sales Tax (LOST) FUND**

**The Other Local Option Sales Tax Fund is an operating fund of the government that accounts for all financial resources related to the other Local Option Sales Tax implemented in 2009.**

## LOST FUND / 0102 - CRIME PREVENTION

### Mission Statement:

The purpose of the Crime Prevention and Intervention Program is to identify and recommend long-term initiatives that will assist in preventing crime in Columbus, Georgia. It is much more cost efficient in the long run to prevent crime than for the public to bear the costs of incarceration. There will be five areas of emphasis that the program will focus on including Recreation, Education, Drug and Alcohol Prevention and Intervention, Employment and Jobs, and Community Policing.

- Supplement funding for 1 unfunded General Fund Correctional Officer position is not included in FY16 budget.

## LOST FUND / 0102 - PARKS & RECREATION

### Mission Statement:

The Columbus Parks and Recreation Department strives to enhance the quality of life for all citizens of this community by providing passive and active recreational, educational and cultural programming services for all age groups. It is our objective to provide parks and recreation facilities that are safe, accessible and aesthetically pleasing to the entire community. This division will strive for continual improvement of its broad-based, recreational programs to ensure opportunities for all citizens in order to maintain its leadership among comparable sized cities in the United States.

For FY2016, Council approved to decrease Muscogee County Marshal Office funding by the equivalent of Three (3) PS14 Positions.

## LOST FUND / 0102 - MUNICIPAL COURT CLERK

### Mission Statement:

The voters of Muscogee County elect the Clerk of Municipal Court to a four-year term. Municipal Court has jurisdiction of civil cases when the amount does not exceed \$15,000 including suits for damages, breach of contract, and garnishments and writs of possession up to \$15,000. In addition, all dispossessory proceedings, attachment levies, foreclosure liens and distress warrants are handled in Municipal Court. The Clerk of Municipal Court must record and maintain minutes and pleadings; collect and disburse court monies and costs to litigants. Warrants are also issued for bad checks, peace, criminal charges and good behavior.

**Non-Departmental - Contingency**

**Program Description:**

Departments' budget specific appropriations and expenditures pertaining solely to that department. However, large emergency expenditures are not always accounted for by a specific department; therefore, we have established the contingency section to record these appropriations and expenditures.

**Non-Departmental - Non-Categorical**

**Program Description:**

Departments budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year.

**Non-Departmental - Inter Fund Transfers**

**Program Description:**

This cost center records the allocations of appropriations to the Capital Improvement Projects Fund for recording and accounting purposes.

<b>Project Description</b>	<b>Budget</b>
Pipe Rehabilitation/Replacement*	\$1,013,711
<b>TOTAL</b>	<b>\$1,013,711</b>

\* The detail for these projects can be found in the Capital Improvement Program Budget Book.

## STORMWATER FUND / 0202

### Drainage

#### **Program Description:**

The Drainage division is responsible for review and inspection of site development construction projects. These duties include but are not limited to: insuring proper handling of Stormwater runoff and compliance with the new Unified Development Ordinance.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To review plans within a timely manner and provide onsite inspection.		
<b>Objective:</b>	To ensure compliance with Federal, State and Local laws.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Number of plans reviewed	102	62	75

#### **Budget Notes:**

The following capital was approved in this budget:

Three (3) Computer Stations = \$25,500

### Stormwater

#### **Program Description:**

The Stormwater division, managed by the Engineering Department of the Development Resource Center is responsible for providing engineering services for the Columbus Consolidated Government. Services include reporting and monitoring Stormwater activity, meeting federal and state Stormwater mandates.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To document in-stream water quality trends and pollutant removal efficiencies of stormwater best management practices (BMPs) through our GaEPD-approved Stormwater Management Program to include wet weather, 303(d) creek program.		
<b>Objective:</b>	Perform required water quality monitoring for the wet weather, 303(d) program.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Number of samples collected for two monitoring programs	352	368	368

## STORMWATER FUND / 0202

### Stormwater (cont'd)

<b>Goal:</b>	To educate our citizens and promote environmental stewardship through our Public Information & Education Program and perform inspection of private Stormwater Maintenance Facilities		
<b>Objective:</b>	Storm sewer inlets marked.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Inspections of Stormwater Facilities	99	100	100

#### **Budget Notes:**

The following capital was approved in this budget:

One (1) Computer Station = \$8,500

### Stormwater Maintenance

#### **Program Description:**

The Stormwater/Sewer Maintenance Division, managed by Public Works Department, is responsible for maintaining storm easements including ditches, inlets, drain pipes, watersheds, detention and retention ponds, construction and installation of storm sewers and ensuring the free flow of storm water.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To improve the flow of water in storm drain pipes.		
<b>Objective:</b>	Pressure clean 19.9 miles of storm drainpipes to help prevent blockage.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Miles of storm drain pipes pressured cleaned annually	18.5	19.0	19.9

#### **Budget Notes:**

The following capital was approved in this budget:

Two (2) 7yd Dump Trucks (Replacement) = \$180,000

One (1) Mini Excavator (Replacement) = \$39,000

### Other Maintenance and Repairs

#### **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Sewer Fund divisions.

This cost center records the allocations of appropriations to the Capital Improvement Projects Fund for recording and accounting purposes.

<b>Project Description:</b>	<b>Budget</b>
Resurfacing/Road Improvements	\$ 2,259,747
<b>Total:</b>	\$ 2,259,747

\* The detail for these projects can be found in the Capital Improvement Program Budget Book.

**PAVING FUND / 0203**

**Highway and Roads**

**Program Description:**

The Highway and Roads division, managed by the Engineering Department, provides engineering services to agencies of the Columbus Consolidated Government. Services include street acceptance, preparation of engineering reports and studies, identifying easements and public right of ways, drafting construction plans, contracts and specifications, inspecting construction projects and administering construction contracts. The division manages the pavement management program.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase the citizen satisfaction of the City's roadways.		
<b>Objective:</b>	To reduce the number of calls for unsatisfactory utility repairs through permit management.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of permits	2,023	1,993	2,000

**Budget Notes:**

The following capital was approved in this budget:

Seven (7) Computer Stations = \$59,500

**Streets**

**Program Description:**

To repair right-of-way areas; i.e. potholes, asphalt maintenance, curbs/gutters, sidewalks, guardrails, inlet tops and fences.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To improve asphalt maintenance as well as all curb and gutter and other various concrete maintenance within the City of Columbus.		
<b>Objective:</b>	To increase asphalt maintenance and repairs as well as concrete work.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Tons of Asphalt Used	2,190	2,200	2,210

<b>Goal:</b>	To keep sidewalks and curbs and gutters in a safe and serviceable condition.		
<b>Objective:</b>	To provide safer sidewalks by removing trip hazards and making the necessary repairs as found by our staff and or reported by our citizens.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Yards of concrete poured	1,035	1,200	1,500

**Budget Notes:**

-The following capital was approved in this budget:

One (1) Bucket Loader (Replacement) = \$258,000

**PAVING FUND / 0203**

**Urban Forestry & Beautification**

**Program Description:**

To cut vegetation along city right-of-ways and city property, to apply herbicides to reduce the amount of unwanted vegetation, to provide landscaping activities along city right-of-ways and city property, to provide emergency response services for removal of debris, spills, and ice on the roadways, and to assist other divisions as needed. Also to provide urban forestry services to include removing, pruning, and planting of city trees. The division also provides contract inspection on the city's gateways and enforces the Tree Preservation and Replacement Ordinance.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To maintain a neat appearance within the city's small median type parks.		
<b>Objective:</b>	Service an average of 62 parks once every two weeks.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Average number of parks maintained every two weeks during peak growth months	46	38	62

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To maintain a well cut appearance of the city's right of ways and other property.		
<b>Objective:</b>	To increase the amount of miles right of ways and other property cut each year.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Annual miles of vegetation cut	2,121	2,203	2,500

<b>Goal:</b>	To prune trees on city properties.		
<b>Objective:</b>	Increase the number of trees pruned by 3%.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of trees pruned	4,771	4,660	4,700

**Budget Notes:**

The following capital was approved in this budget:

- One (1) Boom Mower (Additional)
- One (1) Mid Size SUV (Replacement)
- One (1) Pick Up Truck (Replacement)

**PAVING FUND / 0203**

**Right of Way Maintenance - Community Service**

**Program Description:**

Maintains two (2) city cemeteries and 40-50 city owned properties. Provide support for various city supported activities such as Riverfest Weekend, Help the Hooch, Christmas tree and telephone book recycling programs. Clean the city and county right-of-way of litter and debris.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To pick up litter on the City's rights-of-ways.		
<b>Objective:</b>	To increase the number of miles policed by 3% every year.		

	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Number of miles policed	16,116	16,599	17,096

<b>Goal:</b>	To increase the number of probationers assigned.		
<b>Objective:</b>	Coordinate directly with the Courts to increase by 5% the number of sentenced individuals and assigning them to the Department of Public Services.		

	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Number of probationers assigned	351	369	387

**Other Maintenance & Repairs**

**Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Paving Fund divisions.

# **MEDICAL CENTER FUND**

**The Medical Center Fund  
accounts for funding indigent  
hospital care for the residents  
of Columbus.**

## MEDICAL CENTER FUND / 0204

### Mission Statement:

The Consolidated Government and the Medical Center have a contractual agreement whereby hospital services are provided to indigent Muscogee County residents. The Medical Center receives an amount equal to the revenue produced by three mills of property tax to cover such services after the approval of said patient bills by the Consolidated Government.

Two (2) Correctional Officers (PS12)

One (1) Keep Columbus Beautiful Director (G20)

## INTEGRATED WASTE FUND / 0207

### Non-Departmental Contingency

**Program Description:**

The Contingency Fund is an amount established in each annual budget to finance unusual items, which cannot be anticipated in the budget preparation. As these items occur during the year, transferring the required funds to the appropriate account reduces the contingency.

### Non-Departmental Non-Categorical

**Program Description:**

Departments budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year. The largest component of the cost allocation charges to the Integrated Waste Fund is vehicle maintenance.

### Non-Departmental Inter fund Transfers

**Program Description:**

This cost center records the allocations of appropriations to the Capital Improvement Projects Fund for recording and accounting purposes.

### Solid Waste Collection

**Program Description:**

The Solid Waste Collection division collects household garbage, yard waste and bulky waste.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To lower the number of collection stops missed.		
<b>Objective:</b>	To reduce the number of missed pick-ups by 3% annually.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Annual number of missed pick-ups	1,258	968	800

## INTEGRATED WASTE FUND / 0207

### Solid Waste Collection (con't)

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To reduce the number of customer complaints.		
<b>Objective:</b>	To reduce the number of customer complaints by 3% annually.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Annual number of customer complaints	9	7	5

### Recycling

#### Program Description:

This division is responsible for the collection of Recyclable Commodities.

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To provide the opportunity for each resident to participate in recycling.		
<b>Objective:</b>	Increase the number of participants in recycling.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of participants	49,353	52,165	53,000

<b>Goal:</b>	To promote the concept of recycling to the general public.		
<b>Objective:</b>	Increase the tonnage of recyclables collected.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Tons of Recyclables collected	2,697	2,988	4,000

<b>Goal:</b>	Improve the multi-family housing recycling program.		
<b>Objective:</b>	Increase the number of apartment complexes participating in the multi-family housing recycling program.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of complexes participating	13	18	20

## INTEGRATED WASTE FUND / 0207

### Granite Bluff Inert Landfill

#### **Program Description:**

The Granite Bluff Inert Landfill site is responsible to operate a state of the art inert landfill in compliance with Federal, State, and Local directives.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To increase recycling to ensure longer life span for the inert disposal site.		
<b>Objective:</b>	To increase on-site mulching operations by 20%-40%.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Inert material collected	31,005	33,954	30,000

### Oxbow Meadows Inert Landfill

#### **Program Description:**

The Oxbow Meadows Inert Landfill gives the City of Columbus an increased disposal capacity, and therefore an increased life span for this critical disposal element. The landfill is operated five days a week in full compliance with all State and Federal regulating statutes.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	Increase recycling to ensure longer life span for the inert disposal site.		
<b>Objective:</b>	Increase on-site mulching operations up to a possible 20%-40%		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Tons mulched	2,685	4,987	6,500

<b>Goal:</b>	To provide for the disposal of inert material.		
<b>Objective:</b>	To accept inert material from citizens and residents of Muscogee County.		
	<b>FY14</b>	<b>FY15</b>	<b>FY16</b>
<b>Performance Indicators:</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>
Inert materials accepted	16,078	17,854	19,000

## INTEGRATED WASTE FUND / 0207

### Pine Grove Landfill

**Program Description:**

The Pine Grove Landfill responsibility is to operate a state of the art Municipal Solid Waste Landfill in compliance with Federal, State and Local directives.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To provide for the disposal of municipal solid waste (MSW) and construction and demolition (C&D) materials.		
<b>Objective:</b>	To accept MSW and C&D material for the citizens, residents, and other commercial customers of Muscogee County.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Tonnage of MSW accepted	79,525	80,253	83,000
Tonnage of C&D accepted	5,687	4,548	6,000
Special Handling	605	595	500

### Recycling Sustainability Center

**Program Description:**

This division is responsible for the collection of Recyclable Commodities.

**Budget Notes:**

The following capital was approved in this budget:

One (1) Articulated Loader (Additional) = \$150,000

Six (6) Drop Off Trailers (Additional) = \$60,000

### Other Maintenance & Repairs

**Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Integrated Waste Fund division.

### Refuse Collections

**Program Description:**

The Parks and Recreation Department is responsible for the pick-up of waste deposited in trash receptacles in parks around the city. Operating with one truck, this division picks up trash from over 2,000 cans in 52 parks including South Commons and the River Walk. The Parks Refuse division operates seven days a week from April 1 to November 1, and five days a week the remaining 5 months per year. During the week, the division is able to utilize inmate labor. The truck makes two trips per day to the landfill except for Saturday when the landfill closes at noon and on Sunday when the landfill is closed.

# EMERGENCY TELEPHONE FUND

**The Emergency Telephone Fund  
accounts for expenses for the  
Emergency 911 System that ensures  
public safety departments respond  
quickly to emergency situations.**

Emergency Telephone Fund / E911

**Mission Statement:**

The 911 Center will provide effective and responsive emergency and non-emergency communication services in a professional and efficient manner for public safety and other agencies. As an integral part of the Columbus Community, we are committed to communicate with those we serve and to join with them in establishing priorities to enhance the quality of life for the entire community.

# WORKFORCE INVESTMENT ACT PROGRAM FUND

**The Workforce Investment Act  
Program Fund accounts for  
grant monies received from the  
Georgia Department of  
Economic Development under  
the Job Training Partnership  
Act.**

## WORKFORCE INVESTMENT ACT (WIA) FUND / 0220

### Program Description:

The Workforce Investment Act (WIA) Program accounts for grant monies received from the Department of Labor to carry out the federal objectives formerly carried out by the Job Training Partnership Act (JTPA) Program:

- To authorize and fund different employment and training programs.
- To establish programs that provide job-training services for dislocated workers, economically disadvantaged adults and youth facing significant employment barriers.

\* Seasonal and temporary employees vary

## Adult & Dislocated Workers

### Program Description:

WIA authorizes “core” and “intensive” services. “Core” services are available to all adults and include job search and placement assistance; labor market information; initial assessment of skills and needs; information about available services; and follow-up services. “Intensive” services are available for unemployed individuals who are not able to find jobs through core services alone. These services include more comprehensive assessments, development of employment plans, counseling, case management and short-term pre-vocational services. Additionally, the Act authorizes the provision of temporary income support to enable participant continuation in training.

## **Youth**

### **Program Description:**

WIA authorizes eligible youth ages 14 through 21 to be considered as low-income and must meet one or more of the following challenges:

(1) School dropout; (2) basic literacy skills deficiency; (3) homeless, runaway, or foster child; (4) pregnant or a parent; (5) an offender; or (6) need help completing an educational program or securing/holding a job.

Furthermore, 30% of these funds must help those who are in school. Additionally, the program just provides summer employment opportunities linked to academic and occupational learning.

# **ECONOMIC DEVELOPMENT AUTHORITY FUND**

**The Economic Development  
Authority Fund accounts for  
dedicated millage for economic  
development within the City.**

**ECONOMIC DEVELOPMENT AUTHORITY FUND / 0230**

**Program Description:**

The Columbus Consolidated Government and the Development Authority of Columbus have an agreement whereby economic development activities that include; working with local and regional entities in attracting quality companies, working to broaden the Muscogee County tax base, job creation and retention are provided by the Development Authority, in conjunction with the Greater Columbus Chamber of Commerce. The Development Authority will receive the revenue produced by 0.25 mills of ad valorem taxes to cover such activities. Beginning in FY14, an additional 0.16 mills will be set aside in an Economic Development reserve, subject to Council approval and discretion.

### Overview and Debt Financing Principles:

The Columbus Consolidated Government maintains a Debt Service Fund. This fund is used to service debt from four sources: General Obligation Debt, Columbus Building Authority contractual debt, the Board of Water Commissioners revolving loan contract, and lease purchase programs with the Georgia Municipal Association. Proceeds of a dedicated property tax form the primary source of revenue for the Debt Service Fund; a 1% Special Purpose Local Option Sales Tax provides the primary source of revenue for the Sales Tax Proceeds Account Fund.

All local governments must determine how capital projects will be financed. It is the policy of the Columbus Consolidated Government (CCG) to use debt sparingly to retain the capacity to issue additional debt if the need arises. Currently, CCG is currently well below the 20% level that is considered by the credit industry to be a danger signal. In addition, the CCG is well below the legal debt ceiling for general obligation debt (details on Debt Margin below).

### Debt Margin:

The Columbus Consolidated Government remains below the debt ceiling of 10% of assessed value of taxable property established by the State of Georgia's constitution. CCG uses none of its established legal debt limit.

<p><b>The current general obligation bond rating:</b></p> <p><b>Standard &amp; Poor's: AA +</b>  <b>Moody's Investors Service: Aa2</b></p>
--

## DEBT SERVICE FUND / 0405

**Breakdown of Debt Limit**

### Computation of Legal Debt Margin For Fiscal Year Ending June 30, 2016

Assessed value of taxable property*	\$ 5,023,008,687
Debt Limit: 10% of assessed value	502,300,869
Less: Amount of debt applicable to debt limit	0
<b>Legal Debt Margin Available</b>	<b>\$502,300,869</b>

\*Based on 2015 State Approved Gross Assessed Digest as of 08/03/2015.

### **Contractual Debt: Columbus Building Authority -**

The Columbus Building Authority was created to provide a means to issue revenue bonds to acquire, construct, equip, maintain, and operate self-liquidating projects. The Consolidated Government has an agreement with the Columbus Building Authority whereby all assets purchased through the Columbus Building Authority are leased to the Consolidated Government. The Consolidated Government services the Building Authority's debt in lieu of making rental payments. The Consolidated Government has directly or indirectly guaranteed the Authority's debt. In 2012, new bonds were issued, proceeds from which in part repaid outstanding balances from the Series 1999 and Series 2003 bonds.

For FY16, debt service fund expenditures are summarized as follows:

<i>Debt Service Summary:</i>	<b>Principal Payments</b>	<b>Interest Payments</b>	<b>Total Payments</b>
<b>2010 A</b>	\$ 2,687,678	\$ 467,317	\$ 3,154,994

### Other Maintenance & Repairs

#### Program Description:

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. We established this cost center to account for maintenance and repair activities specific to Transportation Fund divisions.

### Non-Categorical

#### Program Description:

Department budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures.

## METRA / 0751

### Inter-Fund Transfers

#### **Program Description:**

We allocate appropriations for Capital Improvement Projects here for record and accounting purposes. Additionally, this cost center accounts for operating transfers from the Transportation Fund to the Risk Management Fund providing workers' compensation benefits for METRA employees.

### Metra Administration

#### **Program Description:**

To provide safe, reliable, dependable and cost effective service with a professional team of employees dedicated to our customers needs and committed to excellence. Also, to provide administrative support for the mission of each division.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To maintain accurate payroll records.		
<b>Objective:</b>	To maintain and update payroll information for all employees. To stay within state and federal guidelines. Keep accurate files for all divisions.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Audited Payroll Files	100%	100%	100%

<b>Goal:</b>	Overall policy and program guidance for transit services.		
<b>Objective:</b>	To develop and implement transit service in keeping with guidelines set forth by the city, FTA and GDOT.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Annual Audits, Federal Triennial Reviews and GDOT site visits	100%	100%	100%

### Operations

#### **Program Description:**

To ensure that all employees perform their job in a way that reflects favorably toward METRA and allows the opportunity to exercise a favorable influence on every customer served.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	To better market METRA services and benefits public transit brings to our community.		
<b>Objective:</b>	Participate in more public and community outreach initiatives to help promote public transit.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
	70%	80%	95%

## METRA / 0751

### Operations (con't)

#### Goals, Objectives and Performance Data

<b>Goal:</b>	Reduce chargeable accidents and incidents		
<b>Objective:</b>	Provide semi-annual Refresher Training to all bus operators		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Bus operators in refresher training	70%	80%	95%

### Maintenance

#### Program Description:

Perform preventative maintenance, scheduled repairs and emergency repairs on all METRA motorized equipment.

#### Goals, Objectives and Performance Data

<b>Goal:</b>	To perform preventive maintenance, clean equipment, scheduled repairs, and emergency repairs on all METRA motorized equipment.		
<b>Objective:</b>	To ensure that all technicians are trained on maintenance and operation of all equipment in the current inventory.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Training program	85%	90%	N/A

<b>Goal:</b>	To communicate maintenance values, directions, and performance expectations.		
<b>Objective:</b>	Explain to each employee the division goals and objectives. The goals provided clean and reliable vehicles to the customers.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Periodic refresher training	80%	85%	N/A

### Dial-A-Ride

#### Program Description:

The Dial-A-Ride division screens, schedules and provides reliable demand response curbside transit service to elderly and/or disable persons that lack the ability to use the regular transit system. The program ensures transportation services for the physically challenged persons according to the Americans With Disabilities Act.

**METRA / 0751**

**Dial-A-Ride (con't)**

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To reduce incidents and accidents.		
<b>Objective:</b>	Monitor drivers and their destinations. Continue to provide refresher training for all Dial-A-Ride operators.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
View cameras and perform operator checks.	100%	100%	100%

<b>Goal:</b>	Provide safe transportation to persons with disabilities.		
<b>Objective:</b>	Operators will pre-trip and inspect their vehicles to make sure they are safe for the customers.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Survey locations before new service to ensure the safety of the customers and the operators	90%	95%	100%

**Capital - FTA (5309)**

**Program Description:**

Develop, purchase, and receive capital items needed to support public transportation in Columbus/Muscogee County and Fort Benning.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To purchase capital items that support the public transit divisions and the parking division of METRA by following the purchasing regulations as prescribed by the Federal Transit Administration (FTA), the Georgia Department of Transportation (GDOT), and the Columbus Consolidated Government (CCG).		
<b>Objective:</b>	Bid to purchase capital items greater than \$5,000 and secure quote documentation on purchase items less than \$5,000 as delineated in the CCG Purchasing procedures manual.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Purchase capital items before the end of the fiscal year	100%	100%	100%
<b>Goal:</b>	To develop the local capital budget and contact with FTA and GDOT for capital funding.		
<b>Objective:</b>	Local budgeting approval process and inclusion in the Transportation Improvement Program, FTA Grant Program, and the GDOT Capital Grant.		

**METRA / 0751**

**Capital - FTA (5309) con't**

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Local Budget approval process and funding.			
Executed contracts with FTA and GDOT.	100%	100%	100%

**Budget Notes:**

- The following capital was approved in this budget:
  - One (1) Hybrid Electric Bus = \$535,000
  - Rebuilt Transmissions = \$50,000
  - Rebuilt Engines = \$50,000
  - Supervisory Vehicle - Replacement = \$19,500
  - One (1) Low Floor Van = \$50,000
  - Operations Equipment = \$151,200
  - Facilities Equipment = \$82,000

**Charter Services**

**Program Description:**

The Charter Services of Metra purpose is to provide special transportation services to private/ public groups at a fixed rate for the sole benefit of group or organization.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To make charter services available to organizations to meet their transportation/ shuttle needs for special events.		
<b>Objective:</b>	To provide these services on a first come serve basis with the current three charter buses in the fleet in a fixed cost within a 50 mile radius.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Number of Charter and Ridership Services	120 Charter 9,305 Ridership	142 Charter 9,285 Ridership	70 Charter 4,100 Ridership

**METRA / 0751**

**Grant Planning - FTA (5303)**

**Program Description:**

Transit planning consists of these basic components: research, data analysis and planning, and maintenance of the transit grants. We accomplish research and forecasting according to Federal Transportation Administration (FTA) requirements using established guidelines. Statistical ridership populations, socioeconomic factors and employment patterns are the primary variables in data analysis.

This division is project oriented: annual reports, special studies, videos, transit information and related activities with a primary focus on mass transit. FTA provides federal dollars for planning at 80% of expenses. The GA DOT provides State dollars for planning at 10% of expenses. The city must apply for both.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To maintain transit strategies that are pro environment.		
<b>Objective:</b>	To update the short range and long range transit planning to reflect the changes in demographics, destinations and other issues affecting public transportation (i.e., security, environmental, congestion).		

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
The Unified Planning Work Program (UPWP), Transportation Improvement Program (TIP), congestion mitigation strategies, participation in environmental impact assessments, ridership demands, and demographic data.	100%	100%	100%

<b>Goal:</b>	To maintain coordinated transit activities.		
<b>Objective:</b>	Participate with the Metropolitan Planning Organization in transportation activities, review routes and survey customers for service viability.		

<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Transit, traffic and transportation agencies, MPO planning certification, 3C Planning Process, and environmental impacts, surveys, and driver information	100%	100%	100%

**METRA / 0751**

**Grant Planning - FTA (5307)**

**Program Description:**

Transit planning consists of these basic components: research, data analysis and planning, and maintenance of the transit grants. We accomplish research and forecasting according to Federal Transportation Administration (FTA) requirements using established guidelines. Statistical rider ship populations, socioeconomic factors and employment patterns are the primary variables in data analysis.

The Federal Transit Administration (FTA) is the Federal Agency working with the Georgia Department of Transportation (GA DOT) addressing mass transit. FTA provides federal dollars for planning at 80% of expenses. The GA DOT provides State dollars for planning at 10% of expenses. The city must apply for both.

**Goals, Objectives and Performance Data**

<b>Goal:</b>	To administer and manage transit grants and contracts from FTA, GDOT and other funding sources of capital, planning, and planning expenses.		
<b>Objective:</b>	Make application for, receive, and manage transit funded grants and contracts from FTA, GDOT and other similar public funding sources.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Executed contracts, quarterly reports, FTA & GDOT quarterly reports, FTA Triennial Reviews, annual audits and capital items over \$5,000	100%	100%	100%

<b>Goal:</b>	To maintain data for the financial and operating funds.		
<b>Objective:</b>	Compile on a regular basis revenue and other data as performance indicators of transit effectiveness.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Revenue reports, MIS reports, Georgia Transit Fact Report, City Manager's Report, FTA Triennial Report Data, General Farebox Information reports and other management reports	100%	100%	100%

# **PARKING MANAGEMENT FUND**

**The Parking Management Fund accounts for all expenses related to Columbus' Uptown Parking District, including enforcement and operation.**

**Mission Statement:**

To provide a safe, reliable, dependable and cost effective transit service with a professional team of employees, dedicated to our customers needs and committed to excellence.

**Contingency**

**Program Description:**

The Contingency Fund is an amount established in each annual budget to finance unusual items, which cannot be anticipated in the budget preparation. As these items occur during the year, transferring the required funds to the appropriate account reduces the contingency.

**Non-Categorical**

**Program Description:**

Appropriations and expenditures that pertain solely to a specific department are budgeted by that department. However, there are certain expenditures that are not applicable to a specific department and the non-categorical section has been established for recording these appropriations and expenditures.

**Maintenance**

**Program Description:**

The overall goal of the maintenance section is to maintain Bull Creek Golf Course as one of the top 25 golf courses in the United States. The maintenance staff is responsible for Golf Course turf grass maintenance such as fertilizer and chemical application, irrigation installation and repair, tree management, cart path repair and the daily task of grooming 36 holes.

**Operations**

**Program Description:**

The operations section strives to provide an efficient operation to the public. They create an atmosphere of service and maintain a price range suitable to attract all public golf players in the area. The activities consist of numerous golf tournaments for couples, juniors, individuals and teams, as well as company outings designed to benefit the company, their customers and employees.

**Debt Service**

**Program Description:**

The debt service cost center accounts for the repayment of loans made by Bull Creek Golf Course.

**Budget Notes:**

In FY16, One (1) Maintenance Supervisor (G15) was reclassified to Food and Beverage Coordinator (G15)

**Non-Categorical**

**Program Description:**

Appropriations and expenditures that pertain solely to a specific department are budgeted by that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year.

## CIVIC CENTER / 0757

### Inter-Fund Transfers

#### **Program Description:**

Amounts transferred from one fund to another to assist in financing the services of the recipient fund. They are budgeted and accounted for separately from other revenues and expenditures.

### Operations

#### **Program Description:**

The Columbus Civic Center is multi-purpose public assembly facility with 10,000 arena seats, 23,000 square feet of flat floor space and 5,000 square feet of hospitality suites. The Civic Center is the premiere venue in a large sports complex known as the "The South Commons Sports and Entertainment Complex." In addition to hosting a variety of special events, family shows, and concerts, the Civic Center is home to two professional sports franchises: a hockey team and an arena football team.

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	Due to rising electricity rates, aggressively incorporate an electrical reduction plan for the Civic Center.		
<b>Objective:</b>	Through use of semi annual audits, monthly observations of usage, and personal checks on cutting off lights and keeping doors closed		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Reduce annual kilowatt hours	6,773,155 kW h	5,144,757 kWh	5,000,000 kWh

<b>Goal:</b>	Increase the number of Educational Training Opportunities for staff. This will include training for customer service, financial information, and safety issues.		
<b>Objective:</b>	Increase number of training sessions per year.		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
In-house training days for staff attended	30	36	40
Interdepartmental, workshop, or conference days	28	16	10

### Hockey

#### **Program Description:**

The Columbus Civic Center is home of the Southern Professional Hockey League (SPHL) Columbus Cottonmouths. A tenant since the building's opening in 1996, the Cottonmouths play an average of 28 home games annually in the Civic Center in addition to several play-off games. The Cottonmouths, formerly of the East Coast Hockey League (ECHL), also have offices housed in the Civic Center.

## **CIVIC CENTER / 0757**

### **AF2 Football**

#### **Program Description:**

Professional football has returned to Columbus with the Columbus Lions. The Southern Indoor Football League (SIFL) began its season in 2006. Over the course of the season, the SIFL plays 8 home games at the Civic Center.

### **Other Events**

#### **Program Description:**

The Civic Center is focused on providing space for approximately 250 event days throughout the year. The Civic Center works to bring various events such as concerts, ice shows, fairs, and variety of other attractions to Columbus while also providing additional conference space to the area.

### **Public Services-Other Maintenance & Repairs**

#### **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Paving Fund divisions.

### **Ice Rink**

#### **Program Description:**

The Columbus Ice Rink is a multipurpose public assembly facility with 38,122 square feet including a single NHL regulation-sized ice surface, measuring 200' x 85' with a comfortable seating capacity of 713 guests. The facility is capable of handling ice events as well as social events. The capacity for social events when the ice floor is covered, is 1,440. The facility features a state-of-the-art Bose Sound System, private VIP area overlooking the rink, a spacious lobby, Pro Shop, and Snack Bar

#### **Goals, Objectives and Performance Data**

<b>Goal:</b>	Due to rising electricity rates, aggressively incorporate an electrical reduction plan for the Ice Rink.		
<b>Objective:</b>	Through use of semi annual audits, monthly observations of usage, and personal checks on cutting off lights and keeping doors closed		
<b>Performance Indicators:</b>	<b>FY14 Actual</b>	<b>FY15 Actual</b>	<b>FY16 Projected</b>
Reduce annual kilowatt hours	3,715,779	4,192,753	3,700,000

# **EMPLOYEE HEALTH CARE FUND**

**The Employee Health Care Fund  
accounts for the self-funded employee  
health care program.**

## EMPLOYEE HEALTH INSURANCE FUND / 0850

### Program Description:

The Employee Health & Life Insurance Fund is established to account for the self-funded employee health care program and employee life insurance program.

## **SECTION E: APPENDIX**

**This section includes information not otherwise located in the Budget including a glossary and a capital outlay requests.**

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

The Annual Operating Budget contains specialized and technical terminology that is unique to public finance and budgeting as well as unique to the Columbus Georgia area. The following glossary has been included in this document to assist the reader in understanding these terms.

**ACCOUNT NUMBER:** A line item code defining an appropriation.

**ACCRUAL ACCOUNTING:** A basis of accounting in which revenues are recognized in the accounting period in which they are earned, and expenses are recognized in the period in which they are incurred.

**ADOPTED BUDGET:** The operating budget plan which is presented to City Council by the Mayor and approved by City Council.

**APPRAISED VALUE:** The estimate of fair market value assigned to property by an appraiser or tax assessor. For tax assessment purposes, such value is stated as of the last countrywide reappraisal date.

**APPROPRIATION:** Authorization given by Council to make expenditures or incur obligations for approved work programs with specific limitations.

**ASSESSED VALUATION:** A valuation set upon real estate or other property by a government as a basis for levying taxes. Taxable valuation is calculated from an assessed valuation.

**BALANCED BUDGET:** A budget is considered "balanced" when Total Revenues equal Total Expenditures within each fund and for all funds in aggregate. Fund balance (reserves) may be used as a Revenue Source to balance the fund so that Revenues equal Expenditures.

**BASE BUDGET:** The minimum amount of funding necessary to continue the current level of service including inflation and equipment replacement schedules.

**BENCHMARK POSITION:** Positions to be used as points of reference; here, when measuring our employees' pay with pay levels in our labor market.

**BOND:** A long-term obligation or promise to pay. It is a promise to repay a specified amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects.

**BOND DEFEASANCE OR BOND REFINANCING:** The payoff and re-issuance of bonds to obtain better interest rates and/or bond conditions.

**BUDGET:** A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing. The term "budget" is used in two senses in practice. The budget, once adopted, is the legal authorization to expend City funds during the fiscal year. The budget may be amended during the fiscal year by the governing body and/or management in accordance with procedures specified by law and/or administrative rules and regulations.

**BUDGET ADJUSTMENT:** A legal procedure utilized by the budget staff to revise a budget appropriation. The Budget Officer has the authority to adjust expenditures within or between departmental budgets according to budget policy. No increase in the total budget can occur without approval of Council.

**BUDGET CONTROL:** The control or management of a governmental unit or enterprise in accordance and within the limitations of available appropriations and available revenues.

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

**BUDGET MESSAGE:** A general discussion of the proposed budget as presented in writing to the legislative body.

**CCG:** The acronym for Columbus Consolidated Government.

**CAPITAL IMPROVEMENTS:** Building, infrastructure, and other attachments or annexations to land and facilities which are intended to remain so attached or annexed.

**CAPITAL IMPROVEMENTS PROGRAM (CIP):** A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or otherwise. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the full resources estimated to be available to finance the projected expenditures.

**CAPITAL OUTLAY:** Capital items are defined as tangible items such as tools, desks, machinery, and vehicles costing more than \$500 each and having a useful life of more than one year.

**COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG):** A federal domestic assistance grant to develop viable urban communities by providing decent housing and a suitable living environment as well as expanding economic opportunities for persons of low and moderate income.

**CODE:** A group of numbers that may identify a fund, department/division, line item or project.

**CONSOLIDATED GOVERNMENT:** A county and city whose governments are combined into a single entity.

**CONSUMER PRICE INDEX (CPI):** An index of items used to measure the change in prices over time.

**CONTINGENCY:** A budgetary reserve set aside for emergencies or expenditures not otherwise budgeted.

**COST ALLOCATION:** Method designed to recover indirect costs from non-general fund activities for the administration of specific General Fund services provided to those activities.

**DEBT SERVICE:** Payment of interest and repayment of principal on city debt.

**DEPARTMENT:** A major administrative organizational unit of the City that indicates overall management responsibility for one or more divisions.

**DEPRECIATION:** (1) Expiration in the service life of fixed assets, other than wasting assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence. (2) The portion of the cost of a fixed asset other than a wasting asset that is charged as an expense during a particular period. In accounting for depreciation, the cost of a fixed asset, less any salvage value, is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost. Through this process, the entire cost of the asset is ultimately charged off as an expense.

**DIVISION:** A major administrative organizational unit of the City that indicates overall management responsibility for one or more activities.

**ELECTED OFFICIAL:** Person who holds an elected position of leadership for the City and/or County government. In Columbus/Muscogee County, these are: Mayor, Sheriff, Marshal, certain Judicial Officials (District Attorney, Judges, Solicitor), Clerk of Superior Court, Coroner, and Tax Commissioner.

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

**EXPENDITURES:** Disbursements or outlays of cash which decrease the City's net financial resources. Expenditures include current operating expenses that require the current or future use of net current assets, debt service and capital outlays.

**EXPENSES:** Decreases in net total assets. Expenses represent the total cost of operations during period regardless of the timing of related expenditures.

**FISCAL YEAR:** A twelve-month period of which the annual operating budget applies and, at the end of which, a government determines its financial position and the results of its operations.

**FIXED ASSETS:** Assets of a long-term character that are intended to continue to be held or used, such as land, buildings, improvements other than buildings, machinery and equipment.

**FRANCHISE FEE:** A fee paid by public service utilities for use of public property in providing their services to the citizens of the community.

**FUND:** A fiscal and accounting entity with a self-balancing set of accounts which record cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

**FUND BALANCE:** The unused balance of governmental funds and expendable trust funds, which include certain reservations of funds established for control purposes. It is what is "left over" after obligations have been repaid and all expenditures have been completed.

**GENERAL FUND:** The principal fund operating the city that accounts for most of the financial resources of the government. General fund revenues include property taxes, licenses and permits, local taxes, service charges and other types of revenues. This fund includes most of the basic operating services, such as fire and police protection, finance and records, leisure services, public services and general administration.

**GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP):** Uniform minimum standards of and guidelines for financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP incorporates the conventions, rules, and procedures necessary to define accepted accounting practices at a particular time. GAAP provides a standard by which to measure financial presentations.

**GENERAL OBLIGATION (G.O.) BOND:** This type of bond is backed by the full faith, credit and taxing power of the government.

**GENERAL SERVICES DISTRICT:** District accounting for the governmental services pertaining to the consolidated City of Columbus, GA. The revenues from this district's millage rate support the General Fund.

**GFOA:** Government Finance Officers Association.

**GIS:** Geographical Information Systems.

**GRANTS:** Contributions or gifts or cash or other assets from another government (usually from state or federal agencies) and are normally restricted to expenditure or use for a specified purpose, activity, or facility.

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

**HAZMAT:** An abbreviation for Hazardous Materials.

**IMPROVEMENT:** Any amount of service or request above the current level of service.

**INFRASTRUCTURE:** The physical foundation of a community and capital assets of a permanent nature. For example: land, streets, roads, highways, bridges, buildings, water pipes & sewer lines.

**INTERFUND CHARGES:** Charges for services rendered by a non-internal service activity to a user in a different fund.

**INTERFUND REIMBURSEMENTS:** Receipt of funds as reimbursement for charges for services rendered by a non-internal service activity to a user in a different fund.

**INTERFUND TRANSFERS:** See "Transfers In/Out".

**INTERGOVERNMENTAL REVENUE:** Revenue collected by one government and distributed to another level of government(s).

**INTERMENT:** Placing of a corpse in a grave.

**LEGALLY ADOPTED BUDGET:** The Adopted Budget or operating plan which is approved by City Council. Typically the "Adopted Budget" refers to the total of all city operating funds, including all revenues, expenditures, and transfers between and among funds.

**LIABILITIES:** Debts or other legal obligations arising out of transactions in the past that must be liquidated, renewed, or refunded at some future date.

**LINE ITEM:** A method in which a unit of appropriate is expressed or defined.

**LONG TERM DEBT:** Debt with a maturity of more than one year after the date of issuance.

**LOCAL OPTION SALES TAX (LOST):** State legislation allows local governments to levy an additional sales tax within its jurisdiction. The City of Columbus currently collects proceeds based on a 1% approved local option. Use of these funds is unrestricted.

**MCP:** The acronym for Muscogee County Prison.

**MILLAGE RATE:** The ad valorem property tax rate expressed in terms of the levy per thousand dollars of taxable assessed value.

**MODIFIED ACCRUAL BASIS:** The accrual basis of accounting adapted to the governmental fund type Spending Measurement Focus. Under it, revenues are recognized when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the related fund liability is incurred except for: (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items which need not be reported; (3) accumulated unpaid vacation, sick pay and other employee benefit amounts which need not be recognized in the current period, but for which larger than normal accumulations must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and (5) principal and interest on long-term debts which are generally recognized when due. All governmental funds and Trust Funds are accounted for

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

using this method.

**NET BUDGET:** The legally adopted budget less all interfund transactions. Interfund transactions representing transfers and interfund reimbursements are subtracted from the legally adopted budget amount to prevent being double counted from the perspective of the entire budget.

**NONDEPARTMENTAL:** Functions and accounts that are not directly related to a department's primary service activities, or which are separate from departmental operations for control purposes.

**ORDINANCE:** A formal legislative enactment by the City Council and has the full force and effect of law within the boundaries of the City.

**OPERATING EXPENSES:** The cost for personnel, materials and equipment required for the City to provide services to its citizens or for a department to fulfill its mission.

**OTHER LOCAL OPTION SALES TAX:** (also referred to as "Other LOST") The Local Option Sales Tax which followed the original LOST. As with the original LOST, use of these funds is unrestricted, however, City Council has made an administrative decision to utilize 70% of Other LOST proceeds for Public Safety and the remaining 30% for Infrastructure investment and refurbishment.

**PERFORMANCE MEASURES:** Specific quantitative measures of work performed within an activity or program. They may also measure results obtained through an activity or program.

**PERSONAL SERVICES:** Expenditures for salaries, wages and fringe benefits for personnel.

**PRO FORMA (PROJECTIONS):** Estimated future budgets which are based on actual historical activity and budget information.

**PROGRAM:** The collection of services being performed to achieve a desired goal.

**PROJECTED:** Estimation of revenues and expenditures based on past trends, current and expected economic conditions, and future financial forecasts.

**PROPERTY TAX:** A tax levied on the assessed value of real, public utility and personal property. Generally, assessed value is 40% of fair market value.

**PUBLIC HEARING:** The portions of open meetings held to present evidence and provide information on both sides of an issue.

**RESERVE:** An account used to indicate that a portion of a fund balance is restricted for a specific purpose.

**REVENUE:** Money or income received by the Consolidated Government from external sources such as taxes collected or an amount received for performing a service.

**REVENUE BOND:** A revenue bond is backed only by the revenues received from a specific enterprise or project, such as a hospital or toll road.

**REVISED BUDGET:** The revised budget is the budget that has been modified from the Adopted Budget and which includes carryover funds from the previous year and approved changes from the mid-year adjustments.

# **GLOSSARY**

**SEE ALSO: ACRONYMS**

**RISK MANAGEMENT:** The coordinated and continuous effort to minimize the potential financial and human resource losses arising from workers compensation, liability and property exposures.

**SELF-INSURANCE:** The formal assumption or partial assumption of risks and the accounting of results. Specific accounts or funds are set aside to fund the risks, and losses that do occur are charged against those accounts or funds.

**STATUTE:** A written law enacted by a duly organized and constituted legislative body.

**STRUCTURALLY BALANCED BUDGET:** The budget considered “structurally balanced” when Total Revenues equal Total Expenditures *and* the source of Revenues is equivalent to the use of Expenditures in nature, length of maturity, and content without reliance on use of reserves or fund balance to balance the budget.

**SUPPLEMENTAL:** Any amount of service or request about the current level of service.

**TAXABLE VALUE:** This is calculated as 40% of the assessed value.

**TAX RATE:** The amount of tax stated in terms of a unit of the tax base; for example, five mills equal five dollars per thousand of taxable value.

**PERSONAL SERVICES:** Expenditures for salaries, wages and fringe benefits for personnel.

**PROGRAM:** The collection of services being performed to achieve a desired goal.

**PUBLIC HEARING:** The portions of open meetings held to present evidence and provide information on both sides of an issue.

**SELF-INSURANCE:** The formal assumption or partial assumption of risks and the accounting of results. Specific accounts or funds are set aside to fund the risks. Any losses that do occur are charged against those accounts are funds.

**SPECIAL PURPOSE LOCAL OPTION SALES TAX (SPLOST):** A voter approved 1% Sales Tax used for specified Capital Improvement Projects.

**TAXES:** Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include charges for services rendered only to those paying such charges as, for example, sewer service charges.

**TRANSFERS IN/OUT:** Amounts transferred from one fund to another to assist in financing the services of the recipient fund. Transfers do not constitute revenues or expenditures of the governmental unit but only of the individual funds. Thus, they are budgeted and accounted for separately from other revenues and expenditures.

**TRANSPORTATION SPECIAL PURPOSE LOCAL OPTION SALES TAX (“TSPLOST”):** A regionally voter approved and adopted SPLOST, proceeds from which are used for specified transportation related projects. Columbus is in the River Valley region for purposes of TSPLOST.

**USEFUL LIFE:** Period or time-span an item is expected to continue providing financial service.

## **ACRONYMS**

Acronyms of Budget specialized and technical terminology that is unique to public finance and budgeting as well as unique to the Columbus Georgia area. The following acronyms have been compiled to assist the reader in understanding these terms.

FOOTNOTES

POSITION

GRADE

- 1 May be designated "Senior" and placed at grade 17.
- 2 May be designated "Senior" and placed at grade 13.
- 3 May be designated "II" and placed at grade 8; "III" and placed at grade 9.
- 4 May be designated "II" and placed at grade 12, "III" and placed at grade 13.
- 5 May be designated "II" and placed at grade 12.
- 6 May be designated "II" and placed at grade 9.
- 7 May be designated "Senior" and placed at grade 17
- 8 Place at grade 26 if Professional Engineer in the State of Georgia.
- 9 Place at grade 23 if Professional Engineer in the State of Georgia.
- 10 Place at grade 24 if Professional Engineer in the State of Georgia.
- 11 May be designated "II" and placed at grade 13.
- 12 May be designated "Senior" and placed at grade 16.
- 13 May be designated "Senior" and placed at grade 10.
- 14 May be designated "II" and placed at grade 14.
- 15 Place at grade 14 if Certified Arborist in the State of Georgia and/or equivalent experience.
- \* May add supplemental pay for current Paramedic certification.
- 16 May be designated "Senior" and placed at grade 19.
- 17 May be designated "II" and placed at grade 16.
- 18 May be designated "Senior" and placed at grade 10.
- 19 May be designated "II" and placed at grade 17; "III" and advanced 5% within range.
- 20 May be designated "II" and placed at grade 16; "III" and advanced 5% within range.
- 21 May be designated "Senior" and placed at grade 18; "Principal" and placed at grade 20.
- 22 May be designated "II" and placed at grade 8.
- \*\* Advance 5% in grade for Jail Commander
- 24 May be placed at grade 12 after acquisition of Commercial Driver's License issued by the State of Georgia.

# **COLUMBUS, GEORGIA CONSOLIDATED GOVERNMENT**

## **Fiscal Year 2016 Capital Improvement Program Budget**

**COLUMBUS GEORGIA**  
Consolidated Government

## **INTRODUCTION**

---

### **CAPITAL PROJECTS BACKGROUND**

The Columbus Consolidated Government (“CCG”) has operated a capital program since its consolidation in 1971. The program, which was originally supported by the General, Sewer and Paving operating funds, has historically been used for infrastructure such as road construction, drainage improvements, technology support and miscellaneous project fund reserve. Today, the Sewer and Paving Funds are supported primarily by property tax revenue, while the General Fund is funded from property, utility, sales and other taxes, as well as miscellaneous other revenues.

The Integrated Waste Management Fund was added in 1994 to account for capital projects related to the construction and expansion of landfills. This fund is supported by service charges from residential and commercial waste collection and management.

In addition to Capital Improvement Project (CIP) Funds which are supported by Operating Funds, from time to time CCG finances projects either through debt issuance or contractual debt issued through the Columbus Building Authority (the “Authority”). The Authority was created by Article VII, Sec. VI, Pa. 1 of the Constitution of Georgia of 1945, as amended and ratified at the general election of November 5, 1968 (Ga. L. 1966, Pg. 946). The Authority provides a means to issue revenue certificates to acquire, construct, equip, maintain, and operate self-liquidating projects embracing buildings and facilities for use by the Consolidated Government of Columbus, Georgia. Debt service for Authority issued bonds is funded through the Debt Service Fund, an Operating Fund of CCG.

In 1999, the citizens of Columbus voted to renew the 1993 1¢ Special Local Option Sales Tax (“SPLOST”). The renewed SPLOST provided funding for approximately \$255,000,000 of capital projects used for public safety, economic development, recreation, transportation, a citizens’ service center, storm water drainage improvements, flood abatement, road, street, and bridge construction/repair, a county library, and governmental, proprietary, and administrative purposes of the SPLOST. The projects were financed with equally distributed revenues and constructed as SPLOST cash flow allowed over a nine-year time span. In 2010, SPLOST collections ended.

In July of 2008, the citizens of Columbus voted to approve a new Local Option Sales Tax (referred to as the “Other LOST”) that would allocate a one-cent sales tax to help raise funding for the city. Seventy percent of the tax revenue is devoted to Public Safety. Public safety expenditures have included the addition of 100 police officers, adding new patrol zones, building police precincts, replacing fire stations, building a jail addition, hiring Sheriff personnel, and annually paying every city law enforcement officer a supplement (this year, \$3,121). The remaining thirty percent has been dedicated toward roads, bridges and other much needed infrastructure projects. The tax went into effect on January 1st, 2009.

On July 31, 2012 voters in the River Valley special district, of which Columbus is a part, approved a regional Transportation Special Local Option Sales Tax (“TSPLOST”). Enacted as the Transportation Investment Act of 2010, this legislation authorized the funding of designated transportation projects as determined by a regional roundtable committee of local elected officials from the region and approved by its citizens.

## **INTRODUCTION**

---

### **CAPITAL PROJECTS BUDGET/FUNDING PROCESS**

During the operating budget process, departments submit funding requests for new projects. In order to get a total project cost, budget procedure requires requests to be presented over a five-year period to include anticipated operating costs after project completion.

The CIP Committee reviews the funding requests. This Committee is comprised of the department heads associated with the ongoing capital improvement projects. These funding requests are ranked by importance and need in the community, and are then forwarded to the City Manager with funding recommendations to be included in the overall Operating Budget.

All funding sources are approved by the City Council. Projects financed by the operating funds are presented in the Annual Operating Budget as inter-fund transfers or within specific departmental budgets. The appropriations are transferred to the relevant CIP funds. Projects may be financed with a variety of sources and, unlike the operating funds, CIP appropriations do not lapse at year-end.

The funding for the **\$161,564,757** of Capital Improvements Projects for the FY2016 is financed through the following methods (See summary of financing and projects by service type):

- **\$16,507,111** Operating fund supported:
  - **\$1,013,711** from the Sewer Fund
  - **\$2,259,747** from the Paving Fund
  - **\$13,233,653** from Prior Years' Fund Balances
- **\$18,721,231** from the 1999 Special Purpose Local Option Sales Tax (1999 SPLOST)
- **\$18,188,298** from Columbus Building Authority – Contractual Debt (2003A, 2003B, 2010B, 2010C Issues)
- **\$9,465,114** from the 2009 Other Local Option Sales Tax (2009 Other LOST)
- **\$98,683,003** from the 2012 Transportation Special Purpose Local Option Sales Tax (TSPLOST)

The total financing for a given project may be available at one time, while the project may take more than one fiscal year to complete. Therefore, financing sources may be higher than the project cost for that fiscal year. In this case, the total financing sources are earmarked and recorded for that project and any balance carried forward to the next fiscal year. For the TSPLOST projects, the anticipated amount to be expended in each of the next five (5) fiscal years has been shown in the detailed section, although the entire amount of the remaining funding for FY16 and beyond has been included in the total financing sources. For recurring expenditures that are anticipated for each of the next five (5) fiscal years, the estimated amount that is expected to be allocated in those future years has been shown. However, it is important to note that **ONLY** the FY16 apportionment has been adopted as part of the FY2016 Adopted Budget, because according to the City's charter, only one year of budget appropriations can be officially adopted each budget cycle by Council. Apportionment for future years has not yet been approved or adopted and is presented for discussion and planning purposes only.

## **INTRODUCTION**

---

### CAPITAL PROJECTS OVERVIEW

This document is a comprehensive overview of projects currently funded by the Consolidated Government. The projects are grouped by service type. The project groups are:

#### ***\$6,354,054***

**MANAGEMENT** – Incorporated in this group are projects which will impact the general function and management of CCG. Projects may include land acquisition and development, facilities and infrastructure construction and renovation not directly associated with any other service classification. These projects are typically funded with contributions to the CIP Fund from the operating funds. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Management tab.

#### ***\$717,896***

**PARKS, RECREATION & LEISURE** – All costs associated with the land acquisition and park development, facilities construction and renovation of gymnasiums, museums, recreation centers, marinas, courts, and fields and other facilities and infrastructure associated with recreational and leisure activities. These projects have been primarily financed by the SPLOST but also receive funding from the General Fund, grants and private contributions. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Parks, Recreation & Leisure tab.

#### ***\$2,805,416***

**PUBLIC SAFETY/CRIMINAL JUSTICE** – All projects related to the delivery of Courts, Police, Fire, Sheriff, Marshal, Emergency Medical and Correction services are recorded in this section. These projects are typically funded by the General Fund but may be financed through debt and other sources. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Public Safety/Criminal Justice tab.

#### ***\$11,023,579***

**DRAINAGE** – Projects classified as drainage are primarily concerned with storm water control, flood prevention and soil conservation. Sewer construction and renovations, open ditch and stream bank stabilization, and retention pond improvements are found in this section. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Drainage tab.

#### ***\$40,388,615***

**TRANSPORTATION** - All modes of transportation for motorized and non-motorized vehicular and pedestrian traffic are included here. Projects may be land and right-of-way acquisition, traffic signalization, road, sidewalks, and path or trail construction. Road projects are primarily funded through contributions from the Paving Fund. Other financing sources may include SPLOST or bond issues. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Transportation tab.

## **INTRODUCTION**

---

### ***\$98,683,003***

**TSPLOST**- All of the projects included in this category have been specifically identified as TSPLOST projects. In 2012, three regions approved by referendum the adoption of the TSPLOST, or Transportation Special Local Option Sales Tax. Columbus/Muscogee lies within the 16-county region known as the River Valley region (T-08). Each month, Muscogee receives a distribution equating to an apportioned amount of TSPLOST collections in the River Valley region as part of its discretionary funding under this tax referendum. Discretionary funds may be used at Council's direction and discretion for transportation projects. The majority of TSPLOST funding is non-discretionary and is allocated according to those projects specifically approved under this taxation program.

### ***\$1,592,194***

**ENVIRONMENTAL** – This category primarily shows projects associated with the landfills. Other projects may include urban re-forestation, streetscapes and gateway projects. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Environmental tab.

Capital Improvement Projects project budgets may include any of the following basic costs commonly associated with a CIP Project:

- Renovation or expansion of existing facilities
- Initial feasibility study for new facilities/infrastructure
- Land acquisition, site improvements, development
- Construction of new facility/infrastructure
- Management/administrative costs
- Equipment and furnishings associated with the project

## ATMS/SIGNAL

<b>PROJECT NAME:</b>	ATMS Signal		
<b>PROJECT DESCRIPTION:</b>	Field connection using primary fiber optic cable between Traffic Coordination Center (TCC) and traffic signals		
<b>BENEFIT TO THE COMMUNITY:</b>	Facilitates improved traffic flow through use of TCC system to alert commuters regarding traffic conditions, upcoming events or to reroute traffic		
<b>OPERATING BUDGET IMPACT:</b>	No impact on operating budget		
<b>MANAGING DEPARTMENT:</b>	ENGINEERING	<b>PROJECT TYPE:</b>	TRAFFIC FLOW

## FIBER OPTIC INTERCONNECT

<b>PROJECT NAME:</b>	Fiber Optic Interconnect		
<b>PROJECT DESCRIPTION:</b>	Conversion of existing metallic traffic signals using interconnected fiber optics		
<b>BENEFIT TO THE COMMUNITY:</b>	Provides more efficient transportation network and complies with Ga DOT schedule		
<b>OPERATING BUDGET IMPACT:</b>	No impact on operating budget		
<b>MANAGING DEPARTMENT:</b>	ENGINEERING/ PUBLIC WORKS	<b>PROJECT TYPE:</b>	TRAFFIC FLOW
<b>ACCOUNT CODE:</b>	0508 660 3000	<b>PROJECT NO:</b>	21033

## LED SIGNAL HEADS

<b>PROJECT NAME:</b>	LED Signal Heads		
<b>PROJECT DESCRIPTION:</b>	Replacement of existing traffic signal heads with new high visibility L.E.D. traffic signal heads		
<b>BENEFIT TO THE COMMUNITY:</b>	Better visibility of traffic signals improves roadway safety and traffic flow, while use of L.E.D. technology improves efficiency by reducing operating costs		
<b>OPERATING BUDGET IMPACT:</b>	Reduced operating costs due to efficiency of LED and no emergency bulb replacement calls means lower personnel/operating costs during the year		
<b>MANAGING DEPARTMENT:</b>	ENGINEERING/ PUBLIC WORKS	<b>PROJECT TYPE:</b>	TRAFFIC FLOW

## ONE-WAY TO TWO-WAY CONVERSION

<b>PROJECT NAME:</b>	One Way to Two Way Conversion		
<b>PROJECT DESCRIPTION:</b>	Convert one-way streets heading into and out of Downtown Columbus to two-way throughfares		
<b>BENEFIT TO THE COMMUNITY:</b>	Ease accessibility into and out of the downtown area, particularly during peak congestion times such as major events or productions		
<b>OPERATING BUDGET IMPACT:</b>	Reduced reliance on operating budget for road improvement costs		
<b>MANAGING DEPARTMENT:</b>	ENGINEERING/ PLANNING	<b>PROJECT TYPE:</b>	TRAFFIC FLOW

## OXBOW METHANE MONITORING WELL #8

<b>PROJECT NAME:</b>	Oxbow Methane Monitoring Well #8		
<b>PROJECT DESCRIPTION:</b>	Funds the installation of mechanism to collect and recycle methane gas from Oxbow landfill		
<b>BENEFIT TO THE COMMUNITY:</b>	Removes hazardous methane gas material from landfill and provides for recycling of methane		
<b>OPERATING BUDGET IMPACT:</b>	Reduced dependency on bond or other funding sources to cover landfill closure costs		
<b>MANAGING DEPARTMENT:</b>	PUBLIC WORKS	<b>PROJECT TYPE:</b>	LANDFILL CLOSURE

## GREENHOUSE GAS PROJECT

<b>PROJECT NAME:</b>	Greenhouse Gas and Landfill Gas Utilization RFP and Evaluation		
<b>PROJECT DESCRIPTION:</b>	Funding for implementation of greenhouse gas emission system to gather, recycle and/or eliminate hazardous or noxious gas emissions from landfill site(s)		
<b>BENEFIT TO THE COMMUNITY:</b>	Improve air and environmental quality, protect neighboring communities and increase efficiencies of operation		
<b>OPERATING BUDGET IMPACT:</b>	Reduced risk of exposure for costs associated with gas emissions collection and containment		
<b>MANAGING DEPARTMENT:</b>	PUBLIC WORKS	<b>PROJECT TYPE:</b>	LANDFILL OPERATIONS

## NEW CELL CONSTRUCTION

<b>PROJECT NAME:</b>	New Cell Constr./Pump No. 1 Upgrade/Pump #1 Constr. Upgrade/		
	Constr. & Demo Expansion		
<b>PROJECT DESCRIPTION:</b>	Funding for construction of new cells for putrescible waste at the Pine Grove Landfill. Each cell has a life span of 3 years, after which they must be replaced.		
<b>BENEFIT TO THE COMMUNITY:</b>	Disposal of waste in accordance with State and Federal requirements and laws ensures compliance and protection of ground water, air quality, and the environment		
<b>OPERATING BUDGET IMPACT:</b>	Reduced exposure to risk of non-compliance with State and Federal mandates		
<b>MANAGING DEPARTMENT:</b>	PUBLIC WORKS	<b>PROJECT TYPE:</b>	NEW CELL CONSTRUCTION
<b>ACCOUNT CODE:</b>	0207 660 4000	<b>PROJECT NO:</b>	20709, 20729, 20732, 20733
