SCHEDULE OF PERMIT FEES – EFFECTIVE JULY 1, 2018

BUILDING PERMIT FEES

For all buildings, swimming pools, structures or alterations requiring a building permit, a fee shall be paid as required at the time such permit is issued, in accordance with the following schedule:

Commercial and residential new construction, renovations, alterations or additions where the valuation does not exceed \$26,000.00 the permit fee shall be:	\$75.00
For valuations over \$26,000.00 up to and including \$30,000.00, the permit fee shall be:	\$75.00
Plus, for each additional thousand dollars, or fraction thereof, add:	\$2.50
For the first \$30,000.00, the permit fee shall be	\$85.00
Plus, for each additional thousand dollars or fraction thereof, add	\$4.00
A plan review fee, for commercial construction shall be ¼ the permit fee to be submitted with permit applications.	\$75.00 min
<u>NOTE:</u> Plan review fee is a separate fee from the permit fee and shall not be deducted from the permit fee.	

- The valuation of a 1 & 2 family dwellings shall be calculated, per every square foot of floor area, based on a value equal to 57% of the current International Code Council building valuation data for residential wood frame construction.
- The square foot rate shall be adjusted based on published changes in the International Code Council building valuations for residential wood frame constructions.
- The valuation of a commercial structure shall be calculated based on the “Square Foot Construction Costs” per ICC Building valuation Data.
