

Georgia Department of Transportation
A Location and Design Public Information Open House
For P.I. No. 0015559
Muscogee County GA and Russell County AL

The Georgia Department of Transportation (GDOT) is placing project information for review and feedback into an internet platform to allow citizens to review and comment on the proposed project. We appreciate your participation in this process.

Georgia DOT has posted information at www.dot.ga.gov/AboutGDOT.PublicOutreach related to the proposed bridge replacement on State Route (SR) 520/US280 over the Chattahoochee River.

This project proposes to replace the existing bridge structure along SR 520/US 280 over the Chattahoochee with dual concrete beam bridges. The bridges would be stage constructed to maintain four lanes of traffic during construction. No offsite detour would be needed.

The purpose of this internet posting is to replace an in-person meeting, while allowing the public to review the proposed project, provide feedback, or write in with questions.

Americans with Disabilities Act (ADA) Information:

To request materials in accessible formats for people with disabilities contact the district planning and programing engineer Harland Smith at hasmith@dot.ga.gov or (706) 741-3613.

Comments will be accepted concerning this project until Monday, January 20, 2023. Written statements may be submitted to:

Mr. Eric Duff
State Environmental Administrator
