MEDIA RELEASE

October 12, 2018

TREE FOR FEE MORATORIUM STORM DAMAGE

The City is issuing a Moratorium on the Tree for Fee Services as a result of storm damage from this week's storm. The damage was widespread throughout the city and the crews are still in the process of cleaning up tree debris.

Citizens will have an opportunity to place trees out on the curb without charge through October 26th which is 2 weeks from today. In order for Public Works to pick up trees and debris, the following must take place:

- Trees must be cut into lengths of four (4) feet or less
- Trees must be placed at the curb side for collection.

We ask for your patience as we work to clean up storm debris throughout the city.
