Subject Fwd: Error on my report paperwork

Good evening:

This email is to clarify an error on my report that I submitted. I mistakenly signed off on the paperwork that stated that I would NOT collect more than \$2500.00 in donations or spend more than \$2500.00.

That was an ERROR. I would like to amend that report due to the fact that I am and will collect and spend more than 2500.00 in this election cycle.

Thank you so much for your patience and clarification.
