

COLUMBUS, GEORGIA CONSOLIDATED GOVERNMENT

FISCAL YEAR 2021
ADOPTED OPERATING BUDGET

THIS DOCUMENT IS NOT INTENDED FOR USE IN LIEU OF THE COMPREHENSIVE ANNUAL FINANCIAL REPORT, THE ANNUAL BUDGET ORDINANCES LEGISLATIVELY ADOPTED BY COUNCIL, OR ANY OTHER OFFICIAL OR LEGAL DOCUMENT THAT MAY EVIDENCE THE ANNUAL OPERATING BUDGET OF COLUMBUS CONSOLIDATED GOVERNMENT.

Columbus Consolidated Government has made every effort to ensure the accuracy and timeliness of the data included in this Operating Budget. However, this Operating Budget document has been internally prepared by the Financial Planning Department using data available from CCG financial systems and other sources. The data contained herein has neither been subjected to external audit nor the rigorous testing that would typically accompany such an audit, and therefore use of or reference to any information contained in this Operating Budget, or any of its accompanying documents, should be for **discussion purposes only**.

This Operating Budget documents the appropriation of the FY2021 Operating Budget that was adopted by legislative action by the Columbus Council, which enacted Ordinance(s) on *June 16, 2020*. While the Financial Planning Department is involved in the documentation of the Operating Budget, authority to legislatively appropriate funding for all departments, enterprise funds, agency affiliations, and/or component units of CCG rests solely with Columbus Council.

For information regarding CCG that has been audited, please refer to the *Comprehensive Annual Financial Report (CAFR)*. For information regarding legislatively adopted funding, please refer to the Ordinances adopted by Columbus Council on *June 16, 2020*.

## **Columbus Consolidated Government**

# Mayor and Council

**Isaiah Hugley**City Manager

**Lisa Goodwin**Deputy City Manager

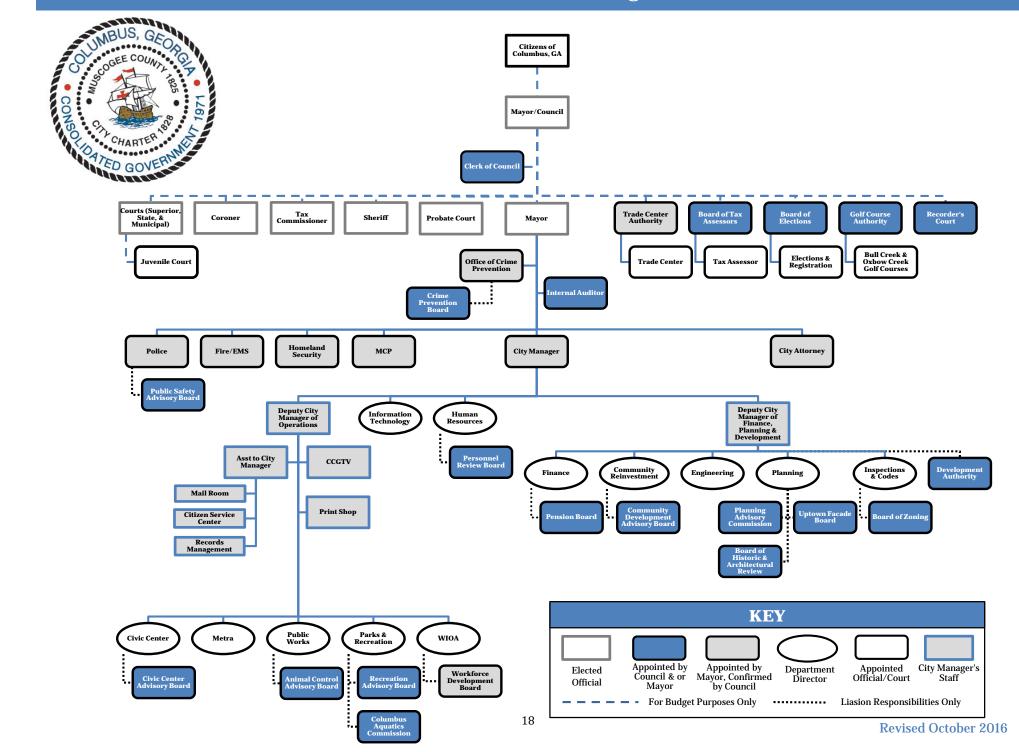

**Pam Hodge** Deputy City Manager

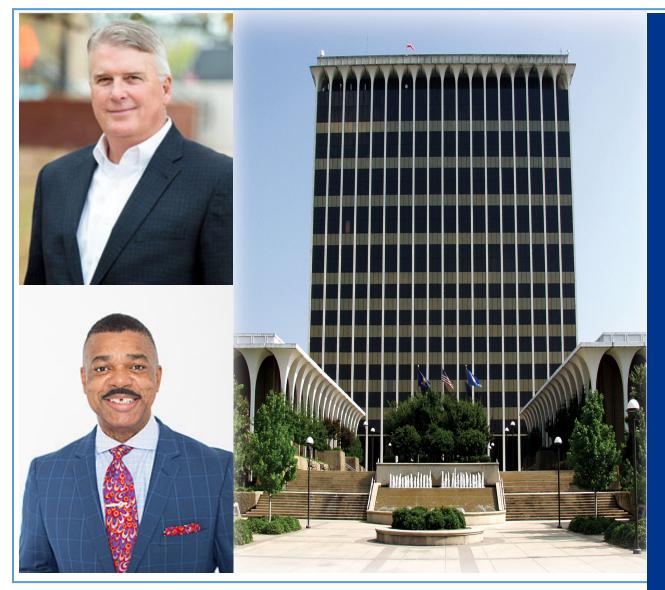

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Columbus Consolidated Government, Georgia for its annual budget for the fiscal year beginning July 1, 2019. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

In RE: Fiscal Year 2021 Adopted Budget

Dear Citizens of Columbus, Georgia and Councilors:

### I. Preamble

Unprecedented. That is a term we have heard a lot lately to describe the unique events and atmosphere that have accompanied the Coronavirus known as COVID-19. All of our thoughts and efforts have been focused on doing whatever is necessary to keep our residents as safe as possible. The good news is, our citizens have worked hard to comply with restrictions, distancing recommendations, and even shelter-in-place orders in an effort to keep our curve "relatively flat". Because of these efforts, we have not been hurt nearly as much as other communities. The bad news is, these actions have come at a cost to the budgets of our business community, our philanthropic community, and our government.

There is so much uncertainty at this time. The depth of the unknown fosters several questions: How long before things get back to "normal"? What does that "normal" look like? Will social distancing become a staple of life? Will masks become a fashion accessory? Will hand sanitizer become common on every corner and every checkout counter? We wrestle with other questions such as: How low will revenues drop? How long before they recover? How much of our fund balance reserves will be needed to finish FY2020 and balance our FY2021 budget? Our staff has recommended very conservative assumptions that should allow us to navigate this financial hardship. Our hope is that revenues will rebound more quickly, and we will be able to consider mid-year budget assumptions to address known capital needs.

Given our current situation and uncertain path to recovery, it is going to be more critical than ever to do everything we can to patronize and protect our local businesses because our success depends on their success.

#### II. Introduction

Today we present to you the Fiscal Year (FY) 2021 Adopted Budget for review and examination. The Mayor's Adopted Budget message is provided pursuant to the Columbus Consolidated Government (CCG) Charter, including specifically §7-401, and Georgia statutory law, which provide that the elected Chief Executive of the local governing authority, here the Mayor, is to engage in initial budgetary policy making.

This Adopted Budget is a balanced budget and includes an estimate of unencumbered fund balance, an estimate of cash revenues, proposed expenditures by each department, office, board, commission and agency, proposed capital outlays, data justification for expenditures and other such information that was necessary for Council's deliberation.<sup>1</sup>

### III. FY2021 Budget Assumptions

The FY2021 Adopted Budget is balanced with \$280,509,351 in revenues and expenses. This amount is down 1.50% from our FY2020 Adopted Budget of \$284,781,626.

Our FY2021 revenues are comprised of \$155,382,331 in General Fund revenue, which includes \$34,800,000 in Local Option Sales Tax (LOST) funds, \$34,845,000 in Other Local Option Sales Tax (OLOST) funds, and \$88,633,661 in all other operating fund revenue. The property tax digest reflected a slight increase in FY2020, and we are projecting another modest increase in the FY2021 property tax digest for real property.

We are hopeful that this Adopted Budget proactively prepares for any impending budgetary impact resulting from the COVID-19 pandemic. While we are anticipating some financial impact, it's too soon to know with absolute certainty the magnitude of what that impact will be. The severity of any fiscal impact will largely depend on the duration of this pandemic. Thus, we are cautiously optimistic that this Adopted Budget is a solid spending plan for the upcoming fiscal year as it remains in line with our strategic plans, priorities and initiatives. Yet, we are fully aware and cognizant of the fact that additional difficult policy decisions may lie ahead as the budgetary impact surrounding this pandemic become clearer. We will continue to monitor our budgetary performance and will provide updates and/or recommendations to Council if adjustments are warranted. Due to timing lags and reporting delays, it is challenging to fully assess the impact to some of our major revenue sources such as our sales taxes. Prior to the COVID-19 pandemic, we were projected to bring in around \$37.6 million in sales tax revenue this fiscal year. Obviously, projections now indicate those revenues will be lower than previously expected, however, this decline may not result in a significant impact to our overall budget. Our budget had not fully accounted for all of the sales tax increases we've experienced over the past two fiscal years. Therefore, we are hopeful that by keeping our sales tax revenue budget flat for FY2021, this will account for the loss in sales tax revenue we expect to see in the foreseeable future. We also anticipate

<sup>&</sup>lt;sup>1</sup> This information was provided simultaneously herewith via a SharePoint website.

declines in some of our other revenue sources, particularly those categories that are user based and/or consumer driven to include our hotel-motel taxes, business taxes, court fines and facility usage fees. As tourism grinds to a halt, we expect a 30% decrease in our transient occupancy revenue which currently supports the operating budgets of the River Center, the Convention & Visitor's Bureau, the Civic Center, and the Convention & Trade Center. While decreases in the aforementioned revenue sources is imminent, there are some categories that have organic increases due to legislative policy changes and/or prior year rate adjustments that were not fully accounted for in our FY2020 budget. Some of the anticipated changes in projected revenue by category are laid out below:

#### ANTICIPATED CHANGES IN FY2021 PROJECTED GENERAL FUND REVENUES

General Property Taxes	\$1,163,000
Insurance Premium Taxes	\$900,000
Franchise Fees	\$525,000
Inter-Fund Transfers	\$400,000
Miscellaneous State Revenues	\$390,000
MCP Inmate Subsidy	\$150,000
Occupation Taxes	(\$400,000)
Court Fines/Forfeitures	(\$200,000)
Selective Sales & Use Taxes	(150,000)
Business Regulatory Permits	(\$45,000)
Various User Fees/Miscellaneous Revenue	(\$105,000)
TOTAL FY2021 REVENUE CHANGE	\$2,628,000

Other assumptions that comprise this budget include:

- A 2% Cost of Living Adjustment (COLA) for all employees effective January 2021
- A 1% COLA for retirees effective January 2021
- Budgeted healthcare cost of \$5,950 per position
- A slight decrease in the millage rate
- A 9 mill cap
- A 1% increase in the Property Tax Digest
- 96% Ad valorem collection rate
- A \$200,000 subsidy to the Bull Creek and Oxbow Meadows Golf Courses
- No subsidy to the Integrated Waste Fund or the Civic Center Fund
- A \$600,000 payment Medical Center/Piedmont for excess inmate care
- A \$250,000 capital improvement allocation to further reduce blight throughout the community.
- No changes to agency appropriations, except for the removal of rent payments for the Columbus Health Department.
- A General Fund Reserve of \$37 million (72.66 days)
- Value of one reserve day \$520,497

- Value of one mill (Operating) \$4,705,973
- Value of one mill (Bond) \$5,095,742
- An Economic Development millage of 0.50 mill (\$2,258,867), including the Development Authority 0.25 mill and the 0.25 mill remaining with Council to be distributed for previously approved economic development projects, and for \$120,567 to be used from reserves to provide additional support to the CCVB.
- A Risk Management vehicle allocation of \$1,081/vehicle
- A Worker's Compensation allocation of \$1,233/employee

With this budget, we remain above our 60-day minimum in our General Fund Reserve:

	GENERAL FUND RESERVE DAYS							
i i	FY15	FY16	FY17	FY18	FY19	FY20 (est.)	FY21 (est.)	
GENERAL OPERATING FUND	18.70	14.31	21.07	26.52	34.28	35.09	34.35

### IV. General Fiscal Policies and Proposed Changes

#### A. Employee Raise and Comprehensive Pay Reform

This adopted budget includes a 2% Cost of Living Adjustment (COLA) for all classified employees effective January 2021. The cost to implement these pay adjustments is \$1,154,928.

Without a doubt, we are still in need of a comprehensive review of the overall pay structure of this government. Though we've implemented a modicum of pay reform in the Police Department and the Sheriff's Office, we have yet to systemically address pay reform for all CCG employees. Our current University of Georgia (UGA) pay plan was implemented several years ago. A comprehensive pay study (or adequately funding the existing UGA pay Plan) would help alleviate any inequity or disparity when comparing public employee salaries to those paid in the private sector. While it may be cumbersome, we are still faced with the

arduous task of identifying funding for a new pay plan before we can move forward with a comprehensive pay study. Nonetheless, we continue to look for creative ways to address this systemic issue in order to begin to improve employee retention and morale throughout the entire government.

#### **B.** Policy Changes to Our Pension Funds

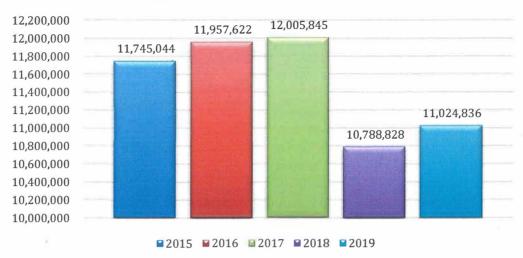

During FY2020, the Pension Board discussed the idea of implementing the "pop-up" feature specifically for those individuals who retired prior to July 1, 1998 and who elected the joint and contingent annuity form of payments. With the "pop-up" feature, the amount of the retiree's monthly benefits will increase to an unadjusted amount of the single life annuity form of payment if the retiree's joint annuitant pre-deceases the retiree. This feature was not available to retirees who retired prior to July 1, 1998 but is henceforth a feature within the City's retirement plan and is currently available to eligible participants. The City's Actuary Consultant reviewed the Pension Board's request and provided the plan's fiscal impact with respect to providing the "pop-up" feature to those retirees. Due to the negligible cost associated with this change, the Pension Board adopted the "pop-up" feature for those individuals who retired prior to July 1, 1998. Subsequently, this change was also approved by the City Council with a prospective effective date of April 1, 2020.

In addition to making the "pop-up" feature update to the Plans, our Actuary Consultant also recommended that the City discontinue the use of the RP-2000 Blue Collar Mortality Table, which was commonly used by both private and public sector pension plans. The Actuary Consultant recommended the City start using the PUB-2010 Mortality Table for Public Safety and General Employees. This new mortality table is more specifically designed for public sector entities with defined benefit plans. Accordingly, the Pension Board adopted this recommendation which resulted in an additional cost to the plan's FY2021 minimum required employer contribution in the amount of \$3.6 million.

#### C. Stabilizing Our Healthcare Costs

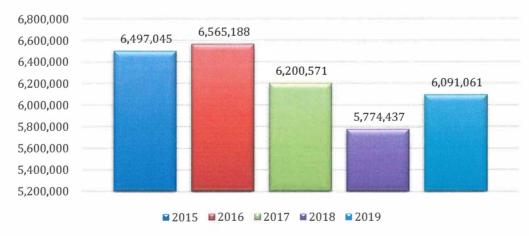

CCG medical claims have fluctuated over the last three years with a 11.28% decrease from 2017 to 2018 and a 2.14% increase from 2018 to 2019 as is shown below:

### Columbus Consolidated Government Annual Medical Claims CY2015 - CY2019

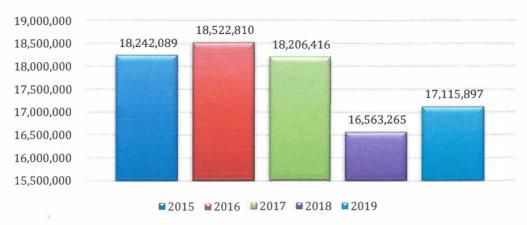

Prescription drug claims have also experienced some fluctuations. We experienced a 7.38% decrease from 2017 to 2018 and a 5.20% increase from 2018 to 2019 as depicted below:

# **Columbus Consolidated Government Annual Rx Claims CY2015 - CY2019**

Overall healthcare claims were on a declining trend until recently. Although there was a slight increase this past year, we are still lower than where we were two years ago as shown in the chart below.

### Columbus Consolidated Government Annual Medical/Rx Claims CY2015 -CY2019

The continued success of our wellness program has allowed us to exceed national healthcare cost trends. Consequently, employees will have the same opportunity to avoid premium increases as in prior years. This year will be the fourth consecutive year in which employees will experience **no premium increases** if they participate in the wellness program. Participation in the program means that every participating employee (not family members) agrees to: 1) complete a tobacco affidavit and complete tobacco cessation class; 2) participate in a complete biometric screening and an on-line health risk assessment; and 3) if deemed a "high risk" patient, participate in health coaching. If the employee successfully completes the aforementioned steps, then they will have **no cost increase** for their current level of healthcare. However, lack of participation in this optional program will result in a 7.3% premium increase.

Improving the health and quality of life of our hardworking employees while at the same time decreasing the cost of healthcare to them is important to us. With that said, as an additional incentive to encourage continued participation, we will provide gift cards to all employees that complete the biometric screening and an on-line health risk assessment.

#### D. Budget Neutral and Non-Budget Neutral Employee Positions

Below is a chart of proposed new or re-classified employee positions. This Adopted Budget proposes only those positions that were neutral to our operating budget. The position descriptions marked with an asterisk (\*) were reviewed and evaluated by Columbus State University, our Classification and Compensation Consultant, and their recommendations are denoted below. In the upcoming budget hearings, elected officials and department heads

may present the basis for the positions listed below as well as additional positions that were not originally included in this proposed budget.

#### E. OLOST Distribution

The OLOST revenue budget is projected to be \$34.8 million in FY2021, with 70% dedicated to Public Safety (\$24.4 million) and 30% dedicated to infrastructure (\$10.4 million).

Prior, ongoing commitments related to personnel expenses, debt service, public safety system enhancements and maintenance, cost allocations and additional capital appropriations needed to complete the technology enhancements associated with the new court management system requires the use of OLOST fund balance reserves in the amount of \$1.5 million due to budgeted expenses of \$25.9 million exceeding projected revenues of \$24.4 million.

The additional capital appropriations are allocated as follows:

OFFICE	DESCRIPTION	<b>AMOUNT</b>
Police Department	E-Citations Equipment and Installation for 353 units using	
	MDT's	\$730,529
Sheriff's Office	E-Citations Equipment and Installation for 15 units using	
	MDT's	<u>\$45,505</u>
	TOTAL	\$776,034

In coming years, we will continue to have two significant drains on our OLOST monies, which will reduce the sums distributed to individual public safety departments/offices. Those two items are:

#### 1. Court Management System Upgrade

Implementation of the new Court Management System is still currently underway with projected go-live date of August 2020. Our existing mainframe system will no longer be supported after July 2021, which is why the need to begin the 24-month implementation process became critical in FY2019. While some of the implementation costs were set aside over the course of time, the remaining implementation costs as well as ongoing annual maintenance costs will need to be covered for several years to come. Implementation and annual maintenance costs total \$8.1 million over the next five years with only annual maintenance thereafter at an annual cost of approximately \$800,000.

#### 2. Motorola Radio System Upgrade

The upgrade of all Public Safety radios is another project that was critical to our public safety infrastructure. Motorola discontinued providing support for all radios previously used by our Public Safety departments effective December 31, 2019. The result of this discontinuation warranted the need to replace all Public Safety radios which was completed

in FY2020. General Government departments will continue to utilize the old Public Safety radios for scrap parts to maintain the General Government radios until funding can be identified to replace all remaining radios. While this project was completed in FY2020, the cost was spread out over the course of three (3) fiscal years with equal installment payments being due in FY2020, FY2021, and FY2022.

#### V. Conclusion

This Mayor's FY2021 Adopted Budget message is presented together with the City Manager's budget letter and the FY2021 Adopted Budget Book. We should be encouraged by the progress we have made over the past few difficult years and know the decisions we make this year will likewise move us toward greater financial security and community prosperity. We continue to face systemic limitations caused by our tax structure and state revenue policies. Without a doubt, this COVID-19 crisis has presented us with new challenges as we navigate through these unprecedented times of economic uncertainty. Innovative thinking will need to be employed to determine how our community can continue to thrive in the face of those limitations as we hope for swift financial recovery.

I want to thank our City Manager Isaiah Hugley, Deputy City Managers Lisa Goodwin and Pam Hodge, our Finance Director Angelica Alexander, our Department Heads, our elected partners and staff for their tremendous assistance in the effort of composing this fiscally responsible Adopted Budget.

To our Council, I thank you for all of the hard work that was necessary to review, deliberate upon and decide the FY2021 Adopted Budget.

This is the Columbus, Georgia Consolidated Government Fiscal Year 2021 Adopted Budget submitted for your examination and review.

Respectfully Submitted,

B.H. "Skip" Henderson III

Mayor

July 1, 2020

#### Dear Ladies and Gentlemen:

As we prepare for the upcoming fiscal year, Columbus, Georgia continues to face the challenge of providing its citizens with vital, quality services and amenities within the confines of its limited resources without draining its long-term reserves. Columbus, like other municipalities across the nation, continue to cope with the consequences of rising costs of necessities such as healthcare, federal and state policy changes, and unpredictability in the housing and financial markets. In light of our anemic revenue growth and increasing expenditure demands, we are now faced with two courses of action. We can continue to provide the level of services and amenities our citizens are accustomed to, while deferring significant investments in our public buildings and infrastructure. Even though this option may provide short-term financial relief, it is not sustainable as it promotes the deterioration of our infrastructure and engenders greater costs over time. Or we can prudently invest in needed services and infrastructure that will not only help maintain the quality of life demands from our citizens but also preserve our community's social, economic, and fiscal conditions. In a time of significant fiscal pressure and uncertainty, we must prioritize maintenance of essential services and infrastructure investments in such a way that will improve and strengthen what we love about Columbus without losing our sense of culture, character and community. For that reason, the Columbus Consolidated Government remains committed to providing efficient services and top-notch quality of life amenities to our citizenry through fiscal accountability, civic responsibility, and innovative leadership.

In preparing this FY21 Adopted Budget, the needs and demands of the citizens we serve were at the root of our concerns. This budget cycle has presented unprecedented challenges than those we have faced in the past in response to the COVID-19 pandemic we are currently experiencing. The goal was to live within our means while meeting the service needs of our citizens without undue depletion of our long-term reserves, which are vital to the sustainability of our city's economic infrastructure. While local, regional and national economic conditions remain uncertain in both consumer spending and in the housing market, the digest is projected to increase by 1 percent as other revenues fluctuate based upon user trends. The FY21 Adopted Budget is balanced at \$280,509,351. In order to balance the operating budget, \$1,648,359 of fund balance was budgeted from the Other Local Option Sales Tax Fund and the Economic Development Authority Fund. Subsidies in the amount of \$200,000 are included for the Bull Creek and Oxbow Creek Golf Courses and \$600,000 is included for excess charges for prisoner health care. There are no subsidies for the Civic Center Fund and Integrated Waste Fund. There are no service fee adjustments included in this Adopted budget. For the third consecutive year, a

limited amount of funding for capital outlay in the General Fund is being included as part of the budget.

There is a slight decrease in the total millage rate in FY21 when compared to FY20. The millage rate is 17.52 for USD #1, 11.54 mills for USD #2 and 10.64 mills for USD #4. The total General and Urban district subject to the 9 mill cap is 9.00 mills in USD #1, 6.95 mills in USD #2, and 6.80 mills in USD #4.

#### **Challenges**

We continue to struggle with replacement of capital equipment and infrastructure maintenance. The last time significant funding was made available for capital investment was with the 2009 Other Local Option Sales Tax. The Columbus City Council confirmed by resolution to dedicate 70% of the tax to Public Safety and 30% of the tax to Infrastructure. This FY21 Adopted Budget provides a small amount of funding for the Capital Replacement Program in the General Fund. We were able to fund minimal capital requests in other operating funds but left many justified equipment requests and projects unfunded. Costs of operations remain at a minimal level. As we look to our future, we must be mindful of the potentially costly impact that deferred maintenance on equipment and vehicles or delayed reinvestment in basic infrastructure may pose to us in years ahead.

#### **Cost Containment Measures**

Several cost containment measures were continued in the FY21 Adopted Budget. All positions that were unfunded during FY20 will continue to remain unfunded during FY21. An "unfunded" position is one that cannot be refilled during the budget year due to lack of available funding for the position, but the position remains an authorized position that may or may not be funded in subsequent budget years. This measure results in substantial annual savings in the General Fund.

In addition to continuing unfunded vacancies, the City has also made the decision to continue to defer major maintenance and significant capital improvements to most of its facilities and infrastructure for the foreseeable future. The aging and deteriorating condition of some of the City's buildings and other facilities is of grave concern; however, the austere budget circumstances in which we find ourselves year after year simply do not allow the City to significantly invest in its own facilities at this time. In the near future, we are hopeful that we can secure the funding needed to facilitate the much-needed improvements to our public buildings and infrastructure.

#### **Budget Process**

Early in the budget preparation period, we forecasted that revenues would not fully support the operations of the government. The combination of reducing expenditures, unfunding vacancies, delaying most capital and infrastructure purchases, reducing subsidies to other funds and agencies, revising healthcare plan design and maintaining contribution levels, preserving General Fund-Fund Balance, revisiting fee adjustments for select services, and utilizing one-time revenues allowed us to balance the budget during this economic time. An increase of 1% in the tax digest for FY21 is estimated and a 96% collection rate is projected. The departments in the General Fund maintained the same operating budget as FY20, with a few exceptions. With

departments/offices essentially operating at the same level as FY20, departments will have the extraordinary challenge of providing more, in most cases, with continued static financial resources and fewer human resources. Some departments will continue to leave positions unfunded and postpone filling any vacant positions, reduce or eliminate part time or overtime hours, make strategic changes to their scheduling and shifts, and evaluate operational priorities in order to remain within their allocated budgets.

The following chart details the Adopted Operating Budget for FY21. The left columns identify the funding for each fund, and the right columns show the appropriation for each fund in comparison with the adopted budget for FY20. The Fund Balance column identifies those funds that requires fund balance to balance their appropriations. There is some use of fund balance included in the Adopted Budget for FY21 as depicted below.

	FISCAL YEAR 2021							
	SUMMARY OF FUNDS AND APPROPRIATION

Management	April Sam		96 9607 1	9000 (000)	) 900 Min			
WIOA	\$3,687,670	0	\$3,687,670	\$3,687,670	\$3,687,670	0.00%		
CDBG	\$1,573,432	0	\$1,573,432	\$1,573,432	\$2,115,024	-25.61%		

The total operating budget is \$280,509,351 excluding Health Insurance, Risk Management, Community Development Block Grant, and WIOA Funds. WIOA and Community Development Block Grant have different budget cycles due to federal regulations; an estimated

budget is incorporated in the regular budget process. Budget adjustments for these funds will be forwarded to Council in the Fall.

#### Assessment

The Columbus Consolidated Government offers an array of services to its residents including public safety, judicial, parks and recreation, sanitation and general government operations. At the time of consolidation in 1971, the government recognized that not all citizens within Muscogee County would receive equivalent levels of service. In recognition of this disparity, specific tax districts were established to levy taxes in direct proportion to services provided within each taxing district.

Currently, there are three urban service districts (USD1, USD2, and USD4), not including the special districts created for the Business Improvement District. The assessment and millage set for the primary three districts are distinguished by the services provided to each district: general services and urban services. The general services are provided to the total area of Muscogee County as fixed and established on the effective date of the last amendment to the charter. Functions and services provided to the general service district are commonly available and accessible or otherwise provided to all residents throughout the total area of the county. Examples are judicial services, parks and recreation, city administration, certain police services, health facilities and incarceration facilities. Urban service districts provide more comprehensive and intensive levels of governmental duties. Examples are fire protection, police patrol services and street maintenance. The total millage for urban and general service plus transportation services has a nine-mill cap not including debt service, Medical Center appropriation, and road and stormwater (sewer) millages.

The criterion for calculating the millage rate in each district is outlined below.

**General Service -** Services are of equal level throughout the county. Taxes are levied on all Muscogee County property owners.

Medical Center Tax - A three-mill levy is assessed with revenue paid to the Hospital Authority for medical care of county residents who cannot afford medical treatment.

**METRA** - This tax is levied to subsidize mass transit in the city. Taxes are levied after all other income from fares and other service charges and other governmental entities are calculated.

**Urban Service** - Services are diverse in various sections of the county. Taxes are levied proportionately on property owners of each district based on the level of service.

**Fire Tax -** The millage rate is dependent on the Fire Department's ISO rating for each district. The ISO rating is the same throughout all of Muscogee County.

**Patrol Services** - The tax rate is calculated according to the median response time on all police calls.

**Stormwater (Sewer)** - The tax rate is calculated according to the number of miles of public roads and streets in the district, which are maintained at local expense.

**Street Maintenance -** The tax rate is calculated according to the number of miles of public roads in each district per acre of land. Taxes are levied in the Paving Fund for this activity.

The chart below shows the distribution of the millage among districts.

TAX MILLAGE COMPARISON FY20 ADOPTED TO FY21 ADOPTED

In Urban Service District #1, which encompasses most of the community's land area, the millage rate will be 17.52 mills. Funding is continued for economic development activities. In Urban Service District #2, which extends along the northern boundary of Columbus, the tax rate will be 11.54 mills. In Urban Service District #4, which is presently limited to some small parcels near the Fort Benning reservation, tax rate will be 10.64 mills. Under the requirements of the Taxpayer Bill of Rights, three public hearings will be held in order for citizens to discuss the changes in the tax rate.

### Personnel Changes and Employee Compensation

Each year, a major portion of the budget is allocated to personnel costs. In FY21, that percentage will reach approximately 55%. The City increased its annual health care contribution from \$5,825 to \$5,950 per full time budgeted position. Employee premium contributions will continue to reflect a shared contribution strategy of 70% employer contribution applied across all

plans as well as plan adjustments to provide a premier health insurance plan for employees and their qualified dependents. Employee's spouses that have access to an employer sponsored health insurance plans must pay a spousal surcharge to be included in the City's health insurance plan. The establishment of the Health and Wellness Center, which opened in May 2013, is expected to continue to assist with controlling the rising costs of healthcare through improved employee health status and improved control over chronic conditions like high blood pressure, diabetes, and high cholesterol. Staff will continue to pursue development of "tools" to help our employees make better health choices based on education and cost cutting strategies. All elected officials whose pay is tied directly to the State of Georgia's Merit System received an increase in their pay effective January 1, 2020. However, all classified general government and public safety employees (excluding elected officials) will receive a cost of living adjustment of 2.0% effective January 2021 and a cost of living adjustment for retired employees of 1.0% is also effective January 2021. Both are included in this Adopted budget. The Public Safety employees continue to receive an annual \$3,121 supplement. Other personnel adjustments are outlined in the Personnel Section of this budget document.

### **Capital Projects and Capital Outlay**

The FY21 budget includes \$6,510,780 in capital improvements projects and \$4,410,976 for capital outlay across all operating funds. Funding has been included for road resurfacing, and pipe rehabilitation and replacement. Details of the capital improvement projects are found in Capital Improvement Projects Section. The Capital Outlay is detailed in the Appendix.

### **Departmental Highlights**

Listed below are the major budget highlights for each department. Due to the required contribution for pension, some departmental budgets have decreases in personnel costs and show an overall budgetary decrease. This does not reflect a staffing or operational reduction. Major changes beyond personnel are identified with additional details contained in the Departmental Summaries Section of this budget document.

- The Legislatives' FY21 funding level is \$582,901 a 0.59% decrease from the FY20 adopted budget of \$586,368. This department includes the Council and the Clerk of Council divisions.
- ♦ The Executive's FY21 funding level is \$1,339,175, a 0.80% increase from the FY20 adopted budget of \$1,328,551.
  - ♦ The Mayor's Office increase by 1.66% from \$288,130 to \$292,904.
  - ♦ The funding level for the Internal Auditor's Office is \$204,630, a 1.95% increase from the FY20 adopted budget of \$200,715.
  - ♦ The Crime Prevention/Intervention program will also receive funding from the Other Local Option Sales Tax in the amount of \$841,641, a 0.23% increase over FY20.

- ♦ The City Attorney's Office FY21 funding level is \$723,693, a 1.22% increase from the FY20 adopted budget.
- ♦ The City Manager's FY21 funding level is \$1,541,475, a 2.26% increase from the FY20 adopted budget. This department includes the City Manager's Office, Mail Room, Print Shop, Public Information, and Citizen Service Center.
- ♦ Finance's FY21 funding level is \$2,385,111 a 1.33% increase from the FY20 adopted budget. This department includes the Director's Office, Accounting, Revenue, Financial Planning, Purchasing and the Cash Management divisions.
- Information Technology's FY21 funding level is \$5,572,060, a 1.33% increase from the FY20 adopted budget. The Information Technology Department will also receive funding from the Other Local Option Sales Tax (Infrastructure) in the amount of \$827,730 for continued investment in critical technology improvements. \$827,739 of FY21's Other Local Option Sales Tax allocation will be used to install new and replacement computer equipment and implement the Finance/ Payroll/ HR System Upgrade and the Energov System Upgrade.
- Human Resources' FY21 funding level is \$2,089.194, a 0.87% decrease from the FY20 adopted budget. This department includes the Administration and Employee Benefits divisions.
- ♦ Inspections and Code Enforcement's FY21 funding level is \$1,933,648, a 0.60% decrease from the FY20 adopted budget.
- ♦ The Planning Department's FY21 funding level is \$299,542, a 1.99% increase from the FY20 adopted.
- ♦ The Community Reinvestment funding level is \$148,131, a 12.47% increase from the FY20 budget.
- Engineering Department's FY21 funding level is \$1,651,861 a 0.78% decrease from the FY20 adopted budget. This department includes Traffic Engineering and Radio Communications divisions. The Radio Communications division established a radio maintenance agreement with Motorola through the Motorola Migration Assurance (MAP) Plan in FY17. In addition to the aforementioned divisions, which are funded in the General Fund, this department manages divisions funded in the Stormwater (Sewer) and Paving Funds. Engineering Department's Drainage Division will operate with \$664,682, a 19.13% decrease from FY20's adopted budget, and the Highways & Roads Division will operate with \$1,056,592, a 12.80% decrease from FY20's adopted budget. Engineering also receives an allocation of \$2,100,000 from the Other Local Option Sales Tax, which is a 19.05% increase from the amount allocated in FY20.
- ♦ Public Works' FY21 funding level is \$8,587,856, a 3.19% increase from the FY20 adopted budget. This department includes the Director's Office, Fleet Management, Animal Control, Cemeteries, Facilities Maintenance, and Other Maintenance & Repairs

divisions. Besides managing the aforementioned divisions, which are funded in the General Fund, the department manages divisions in other Operating Funds that are listed below: Two divisions, Stormwater Maintenance and Other Maintenance & Repairs, operate with \$3,182,749 in the Stormwater Fund. This allocation is a 3.97% decrease from the FY20 adopted budget for Public Works' stormwater construction and maintenance activities. The Public Works' Department will also receive funding from the Other Local Option Sales Tax in the amount \$128,381 for OLOST supplements for Correctional Officers.

- ♦ Four divisions; Streets, Urban Forestry & Beautification, ROWM Community Services, and Other Maintenance & Repairs, operate with \$11,943,746 in the Paving Fund. This allocation is a 3.34% decrease over the FY20's adopted budget for Public Works' paving and maintenance activities.
- ♦ Six divisions; Solid Waste Collection, Recycling, Granite Bluff Inert Landfill, Oxbow Meadow Inert Landfill, Pine Grove Landfill, Recycling, and Other Maintenance & Repairs, operate with \$10,422,168 in the Integrated Waste Management Fund. This allocation is a 1.00% increase from the FY20 adopted budget for Public Works' waste management program and maintenance activities. These operating funds includes the purchase of \$276,364 in much needed capital FY21.
- ♦ Other Maintenance & Repairs is budgeted in the Transportation (METRA) Fund for \$15,000 and in the Civic Center Fund for \$125,000.
- Parks & Recreation's FY21 total funding level is \$11,083,154, a 0.62% decrease from the FY20 adopted budget. This department includes the Director's Office, Park Services, Recreation Services, Community Schools, Athletics, Therapeutics, and Special Facilities (Memorial Stadium, Golden Park, Cooper Creek Tennis Center, Aquatics, Columbus Aquatics Center, Pottery Shop, Lake Oliver Marina and Senior Citizen's Center divisions). In addition to the aforementioned divisions, which are funded in the General Fund, the department also manages the program listed below:
  - ♦ Parks Refuse Collection operates with \$85,894 in the Integrated Waste Management Fund. This allocation is a 1.24% increase over last year's budget for Parks & Recreation waste management program activities.
  - ♦ The Parks & Recreation Department will also receive funding from the Other Local Option Sales Tax in the amount of \$50,583 for OLOST supplements for correctional officers, an increase of 1.64%.

- Cooperative Extension Services' FY21 funding level is \$137,865, no change from the FY20's adopted budget. The staff members are state employees, but the Consolidated Government supplements five salaries.
- Boards & Commissions' FY21 funding level is \$2,538,409, a 10.32% increase from the FY20 adopted budget due to additional election expenses being added to the Board of Elections and Registration. This department includes the Board of Tax Assessors and the Board of Elections and Registration.
- ♦ Police Services' FY21 funding level is \$27,197,848, a 2.73% increase from the FY20 adopted budget. This department includes the Chief of Police, Intelligence/Vice, Support Services, Field Operations, Office of Professional Standards, Administrative Services, and Investigative Services divisions. Besides managing the aforementioned divisions, which are funded by the General Fund, the department manages the emergency call center (E911).
  - ♦ The Police Department will also receive funding from the Other Local Option Sales Tax in the amount of \$8,794,318, a 2.74% increase from FY20.
  - ♦ The Emergency Call Center (E911) operates with \$3,774,197 in the Emergency Telephone Fund. This allocation is 1.06% more than last year's budget for E-911 activities. Operational costs continue to grow more rapidly than funding appropriated from the \$1.50 surcharge on all land-based, wireless, and pre-paid telephone lines. In FY21, a transfer from the Other Local Option Sales Tax Fund in the amount of \$600,627 was necessary to subsidize operational costs. In addition to the subsidy transfer, E911 operations also receives funding from the Other Local Option Sales Tax in the amount of \$366,540 for personnel and operating expenses.
  - ♦ Fire and Emergency Services' FY21 funding level is \$25,250,124, reflects a 3.65% increase from the FY20 adopted budget. This department includes the Chief of Fire and EMS, Suppression and EMS, Training, Prevention, Hazardous Materials Response Team, Maintenance, Special Operations, Administrative Services, Logistics/Support, and Emergency Management divisions. The Fire Department will also receive funding from the Other Local Option Sales Tax in the amount of \$2,718,227, a 1.89% decrease from the FY20 Adopted Budget.
- The Muscogee County Prison's FY21 funding level is \$8,003,145, a 1.47% increase from the FY20 adopted budget. The Muscogee County Prison will also receive funding from the Other Local Option Sales Tax in the amount of \$684,250, a 1.38% increase from the FY20 adopted.
- ♦ The Superior Court Judges' FY21 funding level is \$1,368,762, a 0.43% increase from the FY20 adopted budget.

- The District Attorney's FY21 funding level is \$2,401,245, reflects a 1.40% increase from the FY20 adopted budget. The District Attorney's Office also manages the Victim/Witness Assistance Program, which is partially funded by the Crime Victim Surcharge. The Victim Witness Program's FY21 funding level is \$193,357. This allocation reflects a 2.12% increase from FY20's adopted budget. The remaining balance of the 5% surcharge will be carried forward at the end of the fiscal year. A portion of this budget is funded by proceeds of a 5% surcharge assessed on all court fines levied in the Chattahoochee Judicial Circuit. The District Attorney will also receive funding from the Other Local Option Sales Tax in the amount of \$182,183 for personnel.
- ♦ The Jury Manager's FY21 funding level is \$479,114. This allocation reflects a 3.16% decrease from the FY20 adopted budget.
- ♦ The Juvenile Court's FY21 funding level is \$689,497, a 1.34% increase from the FY20 adopted budget.
- ♦ The Circuit Wide Juvenile Court's FY21 funding level is \$343,977, a 2.16% increase from the FY20 adopted budget.
- The Clerk of Superior Court's FY21 funding level is \$1,988,821 which is a 0.42% decrease from the FY20 adopted budget. The Clerk of Superior Court became responsible for the Board of Equalization effective January 1, 2011 with a FY21 funding level of \$101,102. This allocation reflects a 1.47% increase from the FY20 adopted budget This budget also includes a position in the Clerk's office that is funded from Other Local Option Sales Tax funds in the amount of \$44,011.
- State Courts' FY21 funding level is \$1,762,080, a 0.75% increase from the FY20 adopted budget. This department includes State Court Judges and the State Court Solicitor's Office. This increase is largely due to the addition of a new Law Clerk position for the State Court Judges. The State Court Solicitor's Office will also receive funding from the Other Local Option Sales Tax in the amount of \$225,532 for personnel and operating expenses.
- The Public Defender's FY21 funding level is \$2,049,299, a 2.32% decrease from the FY20 adopted budget. The Indigent Defense Act was effective on January 1, 2005, which required the consolidation of Public Defender services in Superior and Juvenile Courts. This includes the Circuit Wide Public Defender and the Muscogee County Public Defender. The Circuit Wide Public Defender will also receive funding from the Other Local Option Sales Tax in the amount of \$164,359 for contractual services. The decrease is due to salary and benefit decreases for the Public Defenders.
- ♦ Municipal Court's FY21 funding level is \$2,276,196, a 2.55% increase from the FY20's adopted budget. This department includes Municipal Court Judge, Clerk of Municipal Court and the Municipal Court Marshal. Their budgets are detailed below:
  - ♦ The Municipal Court Judge's budget is \$413,879, a 2.20% increase from the current adopted budget.

- ♦ The Clerk of Municipal Court's FY21 appropriation is \$772,442, a 2.24% increase from the FY20 adopted budget. The Clerk of Municipal Court will also receive funding from the Other Local Option Sales Tax in the amount of \$90,987 for personnel, a 1.21% increase over the FY20 adopted budget.
- ♦ The Municipal Court Marshal's FY21 appropriation is \$1,089,875, a 2.90% increase from the FY20's adopted budget. The Marshal will also receive funding from the Other Local Option Sales Tax in the amount of \$321,250 for a 1.41% increase over the FY20 adopted budget.
- The Probate Court's FY21 funding level is \$531,644, a 2.31% increase from the current adopted budget. Beginning in FY19, Probate Court became a U.S passport processing facility which will generate additional revenue for the City. The Probate Court will also receive funding from the Other Local Option Sales Tax in the amount of \$44,964 for personnel.
- The Muscogee County Sheriff's Office's FY21 funding level is \$26,697,221, a 2.72% increase from the FY20 adopted budget. This department includes the Sheriff Administration, Operations, Detention, and Motor Transport divisions. The Sheriff's Office will also receive funding from the 2009 Other Local Option Sales Tax in the amount of \$2,805,479, a 2.31% increase over the FY20 adopted budget amount for the Sheriff's Office.
- ♦ The Tax Commissioner's Office's FY21 funding level is \$1,703,192, a 1.70% increase from the FY20 adopted budget.
- ♦ The Coroner's Office's FY21 funding level is \$350,423, a 2.79% decrease from the FY20 adopted budget due to the addition of one new Deputy Coroner position. The Coroner's Office will also receive funding from the Other Local Option Sales Tax in the amount of \$11,671 for personnel.
- ♦ The Recorders' Court has an FY21 funding level of \$1,116,445. This reflects a 1.92% increase from the FY20 adopted budget amount. The Recorders' Court also receives funding of \$87,088 from the Other Local Option Sales Tax, a 1.31% increase from the current adopted budget.
- ♦ The Consolidated Government provides funding to diverse community organizations. The Agency's FY21 funding level is \$922,604, 47.11% lower than the total amount provided for in the FY20 adopted budget. This decrease is due to the elimination of annual rent payments for the Columbus Health Department.
- ♦ The Medical Center's FY21 funding level is \$14,081,063. This appropriation reflects an 8.23% decrease under the FY20 adopted budget. The Consolidated Government provides this funding to account for inpatient hospital and outpatient healthcare to its indigent

- citizens and inpatient and outpatient healthcare for its prisoners. The agreement was renegotiated, and the city remits only what is collected of the 3 mills levied.
- ♦ Debt Services' FY21 funding level is \$12,157,347, a 15.59% decrease from the FY20 adopted budget. This appropriation is scheduled to fund general bond obligations, lease contracts with the Columbus Building Authority, and other debt obligations.
- ♦ Transportation Services' FY21 funding level is \$10,897,319, a 9.81% decrease from FY20's Adopted Budget. TSPLOST funding was incorporated in Metra's budget beginning in FY17. This department includes the Director's Office, Operations, Maintenance, Dial-A- Ride, and Grant Management and Planning divisions. Besides managing the aforementioned divisions, which are funded by the Transportation Fund, Metra also manages parking activities. The Transportation Services Department will also receive funding from the Other Local Option Sales Tax in the amount of \$3,890.
  - The parking management function moved to the General Fund in FY19 due to it no longer meeting the requirements of being a separate enterprise fund. Parking's FY21 funding level in the General Fund is \$179,452. Parking violation fines are currently \$40 per violation and remain unchanged in FY21. This division is responsible for parking enforcement and the management of certain parking garages to include the Front Avenue Parking Garage, Bay Street Parking Garage, Citizen Services Center Parking Garage, and the Government Center Parking Garage.
- ♦ The Columbus Ironworks Convention and Trade Center's FY21 funding level is \$3,018,339, a 7.44% decrease from the FY20's adopted budget. This department is budgeted as an enterprise fund, where \$646,000 and \$450,000 in revenue are projected from Beer and Hotel/Motel Taxes respectively. The remainder of the budget will be funded by various activities and events.
- ♦ Columbus' Golf Authority's FY21 funding level is \$1,588,000, the same as FY20's adopted budget. The authority operates the Bull Creek and Oxbow Creek Golf Courses. This budget includes an operational subsidy to Oxbow Creek of \$150,000 and to Bull Creek of \$50,000 from the General Fund.
- The Civic Center's FY21 funding level is \$5,972,000, a 6.16% decrease from FY20's adopted budget. The Civic Center receives a percentage of the Hotel/Motel Tax collected, totaling \$900,000. There is no General Fund subsidy included in this budget for the Civic Center Fund.
- ♦ Employee Health Insurance Fund's FY21 funding level is \$23,912,887 reflecting no change from the FY20 adopted budget. The City's contribution will be \$5,950 per budgeted employee in FY21.
- Risk Management's FY21 funding level is \$4,967,608, up 6.22% under the FY20 adopted budget. The Risk Management fund usually includes allocations for risk management as well as workers' compensation.

- Economic Development' budget increased to \$2,379,434, a decrease of 9.48% over the FY20 adopted budget amount. The amount is determined by an estimate of 0.50 mills. The total of 0.50 mills includes 0.25 mills dedicated to the Development Authority for new and ongoing economic development activities, an annual payment in the amount of \$800,000 for the NCR and BC/BS projects (Year 6 of 10) and \$100,000 for the Mercer Project (Year 2 of 3). Annual appropriation and allocation of the Economic Development Fund is at the discretion of Council.
- ♦ Workforce Innovation & Opportunity Act (WIOA), also formerly known as the Job Training Partnership Act (JTPA) will have a funding level of \$3,687,670 in FY21. Since this is a federally funded program, its program year overlaps with the City's fiscal year. Revisions will be forthcoming in the fall to adjust the funding levels when contracts are finalized.
- ♦ The Community Development Block Grant (CDBG) Fund FY21 funding level will be \$1,573,432, a decrease of 25.61% from the FY20 adopted budget. This is another federally funded program that overlaps the City's fiscal year where program adjustments will be needed in the fall.

### Conclusion

The budget reflects the very challenging times we continue to confront. It is essential that we are realistic about the budget decisions ahead of us. The goal is to remain financially stable to endure such extraordinary changes in the economy. As we strive to find more creative ways to deliver services, we will also strive to plan today for a better tomorrow and meet the demands of our valued citizens. The dedication and commitment of the staff to deliver services and sustain the City in these lean times is commendable.

Sincerely,

Isaiah Hugley City Manager

## **COLUMBUS PROFILE**

Nestled in Georgia's southern Piedmont region on the banks of the mighty Chattahoochee River is one of the hidden jewels of the American South. Columbus is one of Georgia's three Fall Line Cities, along with Augusta and

Macon. The Fall Line is where the hilly lands of the Piedmont plateau meet the flat terrain of the coastal plain. Due to its unique location, Columbus has a varied landscape that includes rolling hills on the north side and flat plains on the south. It is centered by the Chattahoochee River, a rich natural resource that allowed Columbus to thrive as a milling and textile manufacturing hub in its early years and that provides a variety of opportunities for recreation, sport, and beauty today. Founded in 1828, Columbus was the last planned city of the original Thirteen Colonies. Originally, the city was inhabited by the Yuchi and Creek Indians and was later claimed by Spanish missionaries in 1679. Later, the French and British discovered it as a strategic trading site. Because of its proximity to the Chattahoochee River, Columbus grew to become a center of shipping and military Before and during the Civil War, manufacturing. Columbus served as a center for arms manufacturing. Following the Civil War, reconstruction was vigorous and included the building of several factories and the Springer Opera House, which later became the State Theater of Georgia. Continuing its military relationship, the Columbus Soldiers' Aid Society sponsored the nation's first celebration of Memorial after the Civil War. Later in 1918, a small camp became *Fort Benning*, which is now the largest infantry school in the world and home to the Western Hemisphere Institute for Security Cooperation (WHINSEC). Today, Columbus is a vibrant community that is rich in culture, economic, educational and recreational opportunities. Its diverse population enjoys the beautiful tapestry that this once textile-mill based city has built using its natural and manmade resources to reach its full potential.

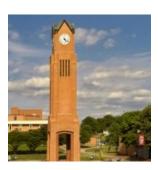

# **Columbus & Muscogee County**

In 1971, the City of Columbus and Muscogee County consolidated to form the first consolidated government in Georgia. The entire county is inside the city limits. Outer areas of the county are classified for taxing purposes as General Service Districts (GSDs). The balance of the county is divided into two Urban Service Districts (USDs) receiving more comprehensive services than GSDs. The government has a ten-member Council and Mayor. The Council is composed of one member from eight proportional districts and two at-large districts serving four-year staggered terms. The Mayor, who also serves a fourvear term, appoints the City Manager pending approval by Council. Open sessions are held by Council on Tuesdays at 9:00 a.m. (2nd & 5th Tuesdays) and at 5:30 p.m. (1st & 4th Tuesdays). According to US Census Bureau statistics, the City of Columbus is now the third largest in the state of Georgia with roughly 195,000 residents as of July 2019 estimates. The larger combined statistical metropolitan area, which consists of Columbus (GA) and Phenix City(AL) has over 321.048 residents. The Columbus Consolidated Government (CCG) is a full service city providing a wide range of municipal programs and facilities. Services include the following: public safety, recreation and cultural events, transportation, planning and development, road maintenance and general governmental services. Over 3,000 employees work for CCG.

### **Education**

The *Muscogee County School District*, consolidated since 1958, has 56 schools with enrollment approaching 32,000 students. The Muscogee County School District was recently rewarded for being selected onto the 2019 Exemplary Board during the Georgia School Boards Association (GSBA) Summer Conference and Delegate Assembly. In addition, during the conference, Board Chair Patricia Hugley-Green was designated as President-Elect. The GSBA Board Recognition Program is a three-tier progression process to attain the highest level in board governance with ranking levels of Quality, Distinguished and Exemplary.

A number of institutions of higher learning are located in the area as well: *Columbus State University* with an enrollment of 8,076 students and *Columbus Technical Institute* with enrollment of 4,769 students. Within commuting distance of Columbus are six other

institutions including *Auburn University*, *Troy State* and *LaGrange College*.

# **Film Industry**

Film Georgia is enticing filmmakers from throughout the country, creating over \$9.5 billion annual revenue. As a community with a history of promoting local

artists, Columbus has put itself in a position to become the state's third film hub by hosting a fil film festival held annually, forming a \$5 million film fund, building a state-of-the-art studio, and growing a workforce trained and certified in film production. Recently, Columbus State University added a new Film Production Certificate program that will introduce skills used in on-set film production while utilizing film standard organizational professional equipment and on-set procedures. In addition, the university has entered into an agreement with the W.C. Bradley Company to utilize an 180,000 square foot building to be used as a state-of-the-art movie and TV production studio complete with sound stages and offices.

A full-length dramatic film entitled *The Long Night* starring Bruce Willis is set to take place in Columbus, Georgia. "The Long Night" will be the first project financed by the Columbus Film Fund, a public-private partnership which uses private funds to incentivize film and TV productions to come to Columbus.

Will Oliver, a former student and current instructor at the Springer Theatre Academy is heading to the big screen in an upcoming film, *Electric Jesus*. The new age feature film is set to start production here in Columbus. The movie follows a Christian rock and roll band. One of those band members and main characters will be Will Oliver.

# **Attractions and Landmarks**

In May 2013, a long-term vision was brought to fruition with the opening of a whitewater rapids

course on the Chattahoochee River - the longest urban whitewater venue in the world, boasting high level rapids and exciting runs. A local outfitter has established a well-organized guide and equipment system to provide maximum enjoyment for rafters and kayakers. In September, 2013, *USA Today* named the Columbus Whitewater adventure as one of the Top Man Made Adventures of the World.

In its first full year of operation, this whitewater rapids course has been burgeoning with activity by locals and visitors alike. The challenging "Cutbait" rapid has become synonymous with the area's high energy level and exciting pace - an annual music festival has even been established with "Cutbait" in its name. There is also an opportunity to take flight on the Blue Heron Adventure, which is a zip line that crosses the Chattahoochee River. With development and business investment on both sides of the Chattahoochee, it is anticipated that the whitewater attraction will continue to bring visitors to the Columbus area as well as provide meaningful recreation and entertainment to residents of the area.

Noteworthy historical sites exist within the county. The National Infantry Museum and Soldier Center at Patriot Park celebrated its Grand Opening June 19, 2009. It is located in Columbus, Georgia, just outside the gates of Fort Benning, the home of the Infantry and one of the Army's largest and most highly acclaimed U.S. Army installations. This world-class tribute to Infantrymen past, present and future is the first of its kind in the United States. Throughout the 190,000square-foot museum, visitors take an interactive journey through every war fought by the U.S. over the past two centuries. The museum tells the heroic story of everyday Infantrymen through an enviable collection of more than 30,000 artifacts. Era galleries trace Infantry history from before the Revolutionary War to action today in Iraq and Afghanistan. There is a special gallery recognizing Medal of Honor recipients and one that pays tribute to those who love an Infantryman, and the sacrifices they make supporting him. There is an IMAX Theatre, full-service restaurant and gift store. Patriot Park includes a parade field for Fort Benning Infantry School graduations, a memorial walk of honor and an authentically recreated World War II Company Street. In 2016, it received additional recognition with being named USA Today Readers' Choice Best Free Museum.

The **Springer Opera House**, built in 1871, is the State Theater of Georgia and offers adult and children's theater. After undergoing major renovations, the Springer is offering more variety shows than ever before. In 2013, the Springer opened the **Dorothy** McClure Children's Theater and dramatic learning company adjacent to the historic opera house site. Port Columbus, a national Civil War Naval Museum, hosts hundreds of visitors each year to its unique museum of Civil War relics and battleship reenactments. Visitors are encouraged to visit the Columbus Museum and the Columbus Historical District, which includes the Columbus Ironworks, built in 1853, and the *Liberty Theater*. Westville, a living museum which recreates life in the 1800's, recently relocated its unique attraction to Columbus from Lumpkin.

The **South Commons** Softball Complex & Stadium, which was built as a venue for the 1996 Summer Olympic Games, hosts a variety of local, regional, and national tournaments. In addition to providing a host site for family entertainment productions like "Disney on Ice," the **Civic Center** houses the **Columbus Lions**, a team in the American Indoor Football League. Recently, an **Ice Skating Rink** and the **Jonathan Hatcher Skateboard Park** were added to the campus of the Civic Center, which now encompasses **A.J. McClung Memorial Stadium** and the **Golden Park** baseball complex as well. The Civic Center was also recently recognized as a Silver Bicycle Friendly Business by the League of American Bicyclists.

The *Columbus Ironworks and Trade Center*, which sits overlooking the Chattahoochee River, hosts hundreds of cultural, business and social events each year. Golfing is available to the public at *Bull Creek Golf Course*, a 36-hole premier golf course that has been routinely rated among the best public courses in the country. In addition to providing exceptional golf facilities for the public, Bull Creek is host course to the CSU Cougars NCAA Golf Teams as well as several local high school teams, all of which have outstanding records in their respective competitive divisions. Columbus also has a well-maintained nine-hole public golf course at *Oxbow Creek*, as well as a number of

private and semi-private golf courses around the city. In addition to golf, spring baseball and fall football are spectacular draws with regional college games and highly competitive high school football. Columbus has been home to many successful athletes in baseball, golf, football, and other sports, as well as to several Little League World Championship teams.

The *Coca-Cola Space Science Center* is a state-of-theart science facility providing spectacular laser light venues and a simulator for operating the space shuttle. The *RiverCenter for the Performing Arts* provides culture, entertainment, and enjoyment for many and has hosted a number of internationally acclaimed performers and musical theater productions.

# **Economic Development**

Economic and cultural development continues as an ongoing priority for the Columbus region. During 2016-2017, the following investments have been announced, are in progress, or have been completed:

- CSU's Frank D. Brown Hall Downtown Campus - \$27 million project (completed)
- Char-Broil New Global Headquarters Building - \$4.1 million project (completed)
- Heckler & Koch \$28.5 million expansion project (completed)
- The Rapids at Riverfront Place W.C. Bradley - \$52 million project (completed)
- Pratt & Whitney \$386 million capital investment (in progress)

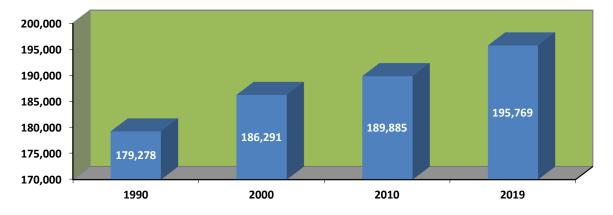

Local growth is fostered by continued investment from corporations with both long standing and newly forged footholds in the area. Continued economic growth has come from investment by *AFLAC, Synovus, TSYS, WellPoint, Columbus Regional Healthcare, Columbus State University,* and *St. Francis Hospital,* to name just a few. Private business is normally the focus of economic development, the biggest economic impact on this region is the military. Fort Benning's sprawling military post generates an economic impact of more than \$4.8 billion annually.

The jewel at the center of Columbus is undoubtedly the beautiful and vibrant Chattahoochee River. On both sides of the riverbank, there has been enormous investment to provide premier biking and walking trails and whitewater rafting facilities to Columbus residents and visitors. Collectively these facilities are referred to as simply, "the *Riverwalk*." There are more than 34 miles of paved and brickwork pathways along each side of the river, as well as Fall Line Trace, and a 1.4 mile connector to be completed in summer of 2017. Within the past several years, corporate investment along the Chattahoochee has increased with the development of the Synovus Corporate building, the expansion of the TSYS campus, and the development of upscale residential loft housing in buildings that formerly housed textile mills. Columbus State *University* has become a premier development force in the Uptown area, with investment in student housing and services as well as its continued investment with programming that enriches its students and the community alike, such as the **Schwob** School of Music and the Rankin Arts Center.

To continue the City's investment in the economic, recreational and cultural vitality of the region it serves, the Columbus Consolidated Government has recently opened two new facilities in the midtown area of Columbus: a competition quality Aquatics Center and the City Services Center, which houses a number of city and county services directly utilized by the public. Both facilities are state of the art and are architecturally and aesthetically compatible with the Columbus Public Library and the Muscogee **County School District** headquarters near which they are located. It is anticipated that the natatorium will be the host site for local, regional and national swimming and diving competitions as well as provide a swimming facility for the public to use for exercise, wellbeing, and recreation. The Citizens Services Center, located adjacent to the natatorium and near the MCSD buildings, houses the Tax Commissioner's Office, the Citizen's Information (311) Center, the Council Chambers, and the Revenue Division of the Finance Department. There are also several public-use rooms for community use.

# **Demographics**

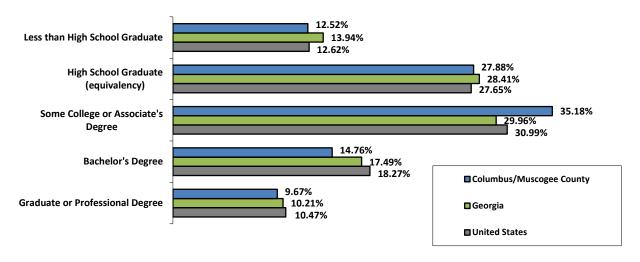

Columbus has seen steady population growth over the past twenty years. Since 1990, the population has steadily increased from 179,278 in 1990 to 195,769 in 2019, as shown in the chart below:

 $Sources: U.S.\ Census\ Bureau,\ 1990,\ 2000\ and\ 2010\ Census.\ Georgia\ Department\ of\ Community\ Affairs\ (July,\ 2019).$ 

# **Education Levels**

Muscogee County compares relatively on par with the state of Georgia as a whole and the United States as a whole when it comes to the education status of its residents. 27.88% of Muscogee County residents have completed high school as compared to 28.41% in Georgia and 27.65% in the US. Muscogee has considerably lower numbers of residents who have graduated with an Bachelor's degree from college than the US. The chart below depicts Muscogee County's education status relative to the other groups:

Source: U.S. Census Bureau, 2016 American Community Survey

# **Gender and Age**

The population is trending toward more women relative to the number of men. Many young professionals begin their family life in Columbus. The average age in Columbus is a youthful 33.6 years of age. This number is approximately 4.1 years less than the U.S. average. This shows Columbus as a strong center for vitality and spirit within Georgia and the surrounding areas. No doubt the sustained investment in the quality of life in the Columbus region has served to attract and retain young families in the area.

# **Ethnicity**

Columbus comprised of primarily of three ethnicities: African-American/Black (45.6%), Caucasian/White (44.5%) and Hispanic/Latin American (7.5%).

# **Wealth**

Columbus' steady population growth protected us from the severe swings seen recently in the U.S. real estate market. Median values of Columbus homes have not seen the dramatic increases as seen in the rest of the country. Median home values are considerably lower in Muscogee County at \$138,600 when compared to Georgia at \$152,400 and the United States at \$184,700. Muscogee County median income increased 3.22% between 2010 and 2016. This is lower than the U.S. average of 6.56% in the same period.

# **Economy**

Columbus' regional economy has historically been rooted in manufacturing, but in recent years, there has been a slight shift in Columbus' economic picture. Columbus is home to AFLAC, Char-Broil, RC Cola, Total Systems (TSYS) and United Technology's Pratt & Whitney. In the past several years, international corporations such as Kia and Hyundai, and the ancillary companies that provide products and support services to those companies, have made significant regional investment in the area.

TSYS has completed its state-of-the-art uptown campus along the Chattahoochee River, a monument to the progress and development of the uptown area. The community has seen expansions in service areas and downsizing in traditionally manufacturing areas. Whatever the reason, the area continues to rebound and keep surging forward. Efforts to recruit and retain companies are championed by the Economic Development division of the Greater Columbus Chamber of Commerce, the River Valley Partnership, and other planning and development entities. Commercial and retail trade, as well as professional services, has attracted customers throughout the region, making Columbus a destination hub for the surrounding counties. In 2014, Columbus was ranked 75th in the nation for *Livability.com*'s "**Top 100 Best** Places to Live." Cited as reasons for Columbus' outstanding "livability" ranking were its size, the diversity of its population, the relative youth of its population, and its proximity to a major international airport (in Atlanta).

## Columbus 2038

Columbus Consolidated Government is required to establish a synchronized planning program for the State of Georgia. The cornerstone of the coordinated planning program is the groundwork of a long-range comprehensive plan by each local government in Georgia. These strategies intend to highlight community goals and objectives. The Comprehensive Plan is to be used by Muscogee County as a tool to direct and guide development in a manner that insures the quality of life and service levels associated with the city are maintained at desired levels. This report will have a number of central components including:

- Identifying Issues and Opportunities;
- Identifying Existing Development Patters;
- Evaluation of Community Policies and Actions;
- Evaluation of Transportation Needs;
- Future Demographics;
- Infrastructure Needs; and
- Many Other Important Concerns

# Impacts on the FY21 Budget:

#### Fund Balance Reserves:

During this budget cycle, significant attention was given to the declining number of reserve days, specifically in the General Fund, that the City has experienced during the past several fiscal cycles. Economic pressures from flat (or declining) revenues coupled with ever rising costs of providing city services have forced the City to rely on fund balances, particularly in the General and Other LOST funds, to balance its operating budget. While Operating Budgets are just that – estimates - and no assurances can be made regarding the number of days cash on hand that the City will have as the result of implementing this Budget, it is important to advance the City's efforts to reduce reliance on fund balance, and, at some point, begin adding to rather than taking away from City reserves. Therefore, City Council, the Mayor and others involved in the budgetary process were conscious of the issues surrounding General Fund reserve days and the changes in fund balance that the City has seen over time while deliberating and ultimately adopting this operating budget. The Budget reflects those efforts to preserve fund balance by reducing reliance on reserves to meet expenditures and obligations.

In preparing the FY21 Budget, the City resolved itself to making systemic economic changes in order to minimize its dependency on using fund balance. The City had, in prior years, already taken some measures to reduce systemic operating deficits by reforming its Employee Pension Plan, establishing employee healthcare and wellness initiatives including its Health and Wellness Center (a primary care physician practice for use exclusively by City employees and their families), and revising its Workers Compensation Administration oversight and management structure.

#### **Expenditure Reductions:**

After determining the global and systemic changes that could be introduced to curb expenditures, most departments were then asked to operate at the same level of funding as their FY20 adopted budgets. Some departments were able to meet their funding expectations by not filling vacant positions, leaving those positions "unfunded" for some or all of FY21. Other departments will have to continuously monitor their operational expenditure targets in order to remain at FY20 levels.

The FY21 Budget includes consideration for staffing and maintaining facilities, such as the Columbus Aquatic Center and service enhancements for the Metra Transportation System. Other significant maintenance considerations are given to the many public services and quality of life services that the City provides to its citizens and visitors. The Aquatics Center, the community pool centers, ball fields, the Riverwalk and golf courses, for example, are public amenities that enrich the lives of our citizens, but they can be expensive to maintain. Revenue growth is expected from some of these amenities but that growth will in no way cover their cost of operations.

#### **Revenue Considerations:**

Expenditure controls are only a part of the response necessary for the City to operate within its means. Despite the strong positives on the economic development side, Columbus continues to be faced with the harsh economic reality that its primary funding sources have been flat or shrinking

### **IMPACTS TO BUDGET**

due to several key factors: (1) the sustained economic impacts stemming from the recession, which began in 2008; (2) a property tax freeze that places a ceiling on the property tax revenues that can be levied; (3) flat to modestly improving housing starts and other construction; (4) lower than anticipated growth of military and civilian personnel as a result of BRAC decisions; and (5) continuation of the historically very modest population growth that the Columbus area has experienced for many years.

#### Early Budget Cycle:

The preparation of the FY21 budget began several months earlier than usual to allow staff sufficient time to draft a balanced and comprehensive budget without the use of General Fund reserves. While this change in the process afforded more time to craft the budget, it also meant that projections, particularly for revenues, were based more on estimates than actual mid-year data than in prior years. As such, when several departments requested additional funding for FY21, Council responded to these requests by deferring them until mid-year FY21, when actual revenues could be better gauged.

#### Add/Deletes:

Every year, there are typically items that Council decides to either add to the Mayor's recommended budget or delete from the Mayor's recommended budget. These are recorded on the City's "Add/Delete List" during the budget review process and are voted on, item by item, before the final budget is adopted. All items which have been added will be included as part of the Adopted Budget while all items which have been deleted will not.

For FY2021, the following items were added or deleted by Council thereby adjusting the Mayor's Recommended Budget:

Department	Amount Added or Deleted	Fund	Purpose
Real Estate	(\$59,494)	General Fund	Funding correction for Real Estate position not included in Recommended Budget
Fire/EMS	\$-	General Fund	Reclassify 1 Fire Payroll Technician G12 to Employment Coordinator G14 (Budget Neutral)
Police	\$-	General Fund	Reclassify 1 Police HR Tech G12 to Employment Coordinator G14 (Budget Neutral)
Sheriff	\$-	General Fund	Reclassify 3 Communication Technician III G10 to Communication Technician III G11 (Budget Neutral)
Sheriff	\$136,414	General Fund	Update Sheriff Longevity Pay Reform to \$3,500 for Years 5-30 for Deputy Sheriff (PS14) Positions ONLY
Sheriff	(\$149,778)	General Fund	Delete 3 Deputy Sheriff (PS14) Positions to Offset Update to Sheriff Longevity Pay Reform for Deputy Sheriff (PS14) Positions
Non-Departmental	\$350,000	Economic Development Fund	Increase Development Authority Allocation to Support CCVB; reallocate \$229,433 from FY21 Budget and Reduce Economic Development Fund Reserves by \$120,567

### **IMPACTS TO BUDGET**

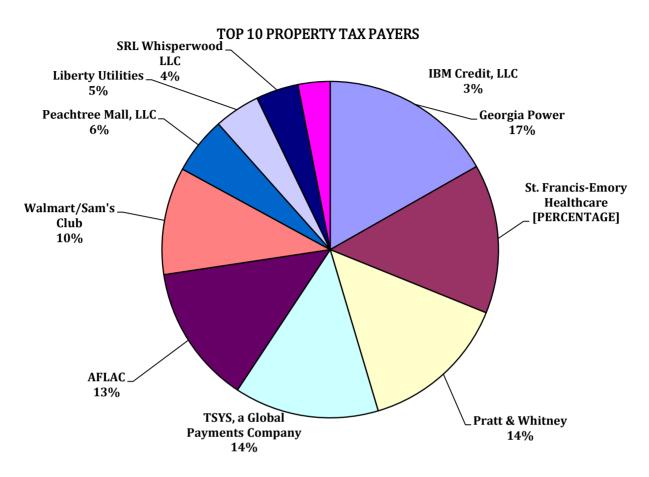

### **Key Budget Initiatives for FY2021:**

- Global changes to our healthcare plan and pharmaceutical benefits, our premium structure will remain the same saving the City an estimated \$1.1 million
- Reduced subsidy/support for certain component units and affiliate units.
- Continued financial restructuring of certain economic development obligations to increase available funding for new projects.
- Continued hiring freeze which began in FY2014.
- Unfunded vacant positions through FY2021.
- Continued deferred capital investment and maintenance.
- Managed care contract for jail and prison inmate medical care.
- Maintaining prior year funding levels for most departments through continued monitoring of operational budgets.

### Summary:

As a result of continued economic pressures on both the revenue and expenditure sides, once again CCG has been faced with the daunting task of providing the superior level of services that its citizens expect and deserve with ever-tightening resources to provide them. As such, the Operating Budget for FY21 has decreased overall from \$284,781,626 in FY20 to \$280,509,351 for FY21 - a change of approximately 1.5%. Most departments were asked to maintain the funding levels for their FY21 operating expenditures to their FY20 Adopted Budget levels in order to continue their normal course of business. They were able to successfully accomplish this task by leaving vacant positions unfilled and unfunded and by continuing to operate under lean conditions, the same as in prior years. In addition to a tight operating budget, the Capital Plan was significantly curtailed, at least until after the first of the calendar year, until sufficient resources can be identified from revenues or other sources to pay for them. Even with the relatively austere operating budget adopted, the City expects to still utilize approximately \$1,648,359 of its fund balance in order to balance its FY21 total operating budget.

# **COLUMBUS BUSINESSES**

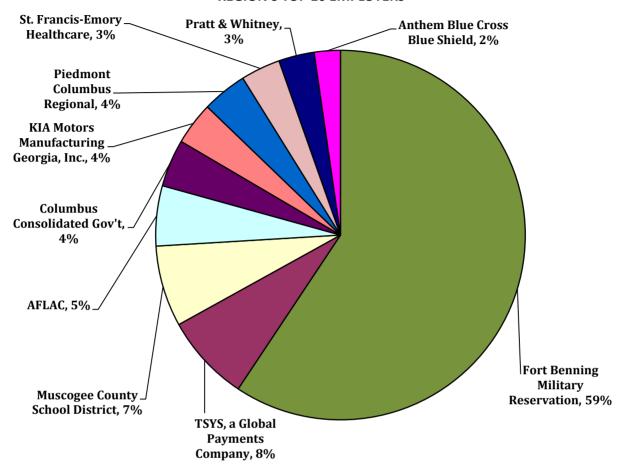

<u>Taxpayer</u>	Type of Business	Taxes Levied	% to Total

### **VISION COLUMBUS:**

### What our citizens tell us is important to them

#### **Housing: The Vision**

- Provide safe, soundly constructed, well-maintained, and affordable housing available to all.
- Eliminate substandard housing and enforce applicable codes and ordinances.
- Eliminate blighted areas through investment and planning.
- Encourage and support partnerships among builders to provide low-cost housing for those in need.
- Achieve a balance between development and housing density.
- Protect neighborhoods from commercial development.

#### Neighborhood/Community Aesthetics: The Vision

- Preserve trees before, during and after development.
- Ensure that open spaces are clean and well-maintained.
- Provide and protect a generous amount of green space (nature parks and vegetation barriers).
- Provide well-designed passive as well as active parks.
- Provide culturally focused as well as activity-based parks.
- Promote the development of economically and racially diverse communities.
- Preserve historic homes and buildings.

#### **Transportation: The Vision**

- Provide public transportation that meets the needs of the community today.
- Develop bicycle, pedestrian, bus and trolley systems.
- Develop a people-based transportation system that will provide easy access around and throughout the city.
- Reduce high traffic volume in residential areas.
- Attract new carriers, routes and services to the Columbus Metropolitan Airport.
- Provide more parking facilities throughout the community and develop alternatives such as 'Park and ride".
- Encourage more dense living to relieve dependence

### **Public Safety: The Vision**

- Enhance community-oriented policing strategies.
- Enhance intelligence led policing strategies and resources.
- Provide greater police presence throughout the city.
- Build a well-staffed, well-trained, fully equipped police force.
- Improve communication between public safety officers and youth.
- Improve response time.
- Develop and support programs focused on crime prevention and appropriate alternatives to incarceration.
- Expand and upgrade jail facilities.
- Enhance Fire/EMS resources to meet growing demands and to train firefighters and paramedics.
- Improve effective response force time to meet NFPA, ISO and Accreditation criteria.

#### **Education: The Vision**

- Improve communities so schools do not exist in seas of blight.
- Encourage parental involvement at school and in the home.
- Provide after-school learning, vocational training, tutorial programs and summer enrichment opportunities.
- Enhance the partnership between the Muscogee County School District and Columbus Parks and Recreation.

#### **Unity: The Vision**

- "One Columbus."
- Fight poverty and economic segregation.
- Provide equitable access to opportunity to all.
- Provide race relations training for city employees and citizens.
- Encourage and support ongoing programs to promote unity and sensitivity to diversity in the community and workplace.

## **VISION COLUMBUS:**

### What our citizens tell us is important to them

- Promote "bridge building" throughout the community to encourage unity and mutual respect among ethnically and culturally diverse groups.
- Treat all people with dignity and respect.

### **Economic Development: The Vision**

- Maximize our quality of life.
- Focus effort for sustainable growth and redevelopment in the city so as to optimize every square inch of the city.
- Encourage community-wide economic development through incentives and redevelopment tools.
- Develop job-training programs to encourage youth.
- Support the growing tourism industry through expansion of hotel accommodations and new restaurants, recreational and leisure activities.
- Require businesses to keep properties neat, clean and properly maintained.

### **Uptown Development: The Vision**

- Provide safe and visually appealing facilities.
- Enhance pedestrian and biking access.
- Develop entertainment, cultural and recreational options.
- Attract major convention and trade show business.
- Develop Uptown into a 21st century model city where people want to visit, live, work and play.

### Regionalism: The Vision

- Continue to develop mutually beneficial and supportive relationships with Phenix City and the Maneuver Center of Excellence.
- Foster partnership opportunities.
- Support the Valley Partnership Initiative and the Ft. Benning Partnership Initiative.

### **Quality of Life: The Vision**

#### Health and Human Services

- Foster affordable, quality day care for children.
- Foster more facilities and programs for adults.
- Make quality health and medical facilities and human service resources available throughout the community.

### Quality of Life: The Vision

#### Culture and the Arts

- Develop and nurture the cultural climate of the community.
- Expand existing parks and recreational facilities, with special focus on children, teen and senior adults.
- Develop family-oriented neighborhood parks and recreational parks and pocket parks in Uptown Columbus.
- Seek innovative approaches to expand parks and recreational options.
- Increase tourism through development of recreational facilities along the riverfront.

#### **Community Facilities: The Vision**

- Ensure that community facilities are clean, safe and accessible.
- Expand and enhance the public library system.
- Provide satellite centers for certain public services.

#### The Environment: The Vision

- Preserve trees before, during and after development.
- Ensure that open spaces are clean and well-maintained.
- Provide and protect a generous amount of green space (natural parks and vegetation barriers).
- Protect air and water quality.
- Protect and preserve the Chattahoochee River
- Upgrade wastewater treatment and solid waste facilities.
- Improve sewage and drainage systems throughout the city.
- Control the proliferation of exterior signage.
- Encourage and develop a stronger recycling program

### **VISION COLUMBUS:**

### What our citizens tell us is important to them

#### **Taxation: The Vision**

- Re-evaluate the overall tax system.
- Garner citizen support for a tax system that is sustainable and encourages growth.
- Use the city sales tax as funding base for additional community facilities.
- Balance reliance on sales, property and occupation taxes and other revenue sources to provide maximum stability.

#### **Checklist for City Leaders:**

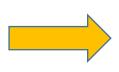

Based on this community input, we heard you call for community leaders to:

- Develop a comprehensive community master plan that will guide our progress.
- Evaluate, update and enforce local codes and ordinance that contribute to economic development and overall quality of life for all citizens.

To that end, a group of public, private, and non-profit leaders came together to launch a comprehensive effort to raise levels of prosperity in Greater Columbus which resulted in the launch of the **Regional Prosperity Initiative.** 

Launched in 2015, the Regional Prosperity Initiative was a 10-month strategic planning process whose primary objectives were to analyze the competiveness of Greater Columbus as a place to live, learn, work, visit, and do business. The Initiative developed a holistic community and economic development strategy that focuses first on building a strong community. Secondly, it sought to address a full range of factors that influences a community's economic competitiveness – its talent, education and training systems, business climate, infrastructure, quality of life, and quality of place, just to name a few. The outcome of the Regional Prosperity Initiative was Columbus 2025. Once fully endorsed by key partner entities, Columbus 2025 will strive to implement the strategic plan of the Regional Prosperity Initiative as a guide for the community's collective actions over the course of the next 5 years. This strategy represents the first time in many years that Greater Columbus will address the full range of issues that impact the region's competitiveness, prosperity, and quality of life.

# **QUICK LINKS GUIDE**

There are three tools that will help the reader locate information in the current Operating Budget for Columbus, Georgia. The first is the traditional **Table of Contents**, which outlines the entire document. The Table of Contents provides traditional page number indexing, as well as embedded hyperlinks to key sections of the Budget Book. For those who are viewing our Budget Book online, this **Quick Links Guide** provides the easiest way to navigate to areas of the document which may be of particular interest to the reader. This page is loaded with HYPERLINKS which allow you to be automatically navigated to your page of interest simply by clicking on the underlined text. If you have a similar question, this is the quickest way to find the answer. Last is the **Document Notes** on the following page, which briefly explains what each section of the book contains.

## **DOCUMENT NOTES**

The Columbus Consolidated Government budget document provides comprehensive information about the government's policies, goals, financial structure and operations. This document also contains information on major initiatives, demographics of the city and capital budget.

**Introduction/Overview Section:** This section contains the transmittal letters from the Mayor and City Manager, organizational chart, overview and general information on Columbus. This section also contains a description of the economic conditions and other factors which provide the framework for our annual operating budget plan.

**Section A: Budgetary Policy.** This section includes the policies and procedures that govern the budget process. There is also a summary of the budget process and calendar.

**Section B: Financial Summaries.** This section provides a graphic and financial overview of each adopted operating fund along with highlights on significant revenues and expenditures. Also in this section is the Capital Improvements Program summary, a summarized historical trend analysis, and a financial projection analysis.

**Section C: Personnel.** In this section we describe the benefit package and present a history of authorized positions combined for all funds.

**Section D: Operating Fund Summaries.** This section provides descriptions of each department, its operating budget, its performance indicators, and its personnel. This section is arranged by major operating fund and then by department budget allocation within each operating fund.

**The Appendix** section includes a variety of data, which should be useful to the reader in better understanding the budget. Also, in this section is a **Glossary** for those not familiar with governmental terms, a list of **Acronyms** we have used, and the **Capital Outlay** listing. *Please note:* The **Capital Improvement Program** has been moved to a separate document, providing detailed information on the various projects. This separate document can be found at the end of this book on the digital version.

This Budget Book includes the Operating Funds of Columbus Consolidated Government. The Capital Improvement Program can be found in a separate document, which is appended to the end of this document on the web version. Some departments have budget allocations in more than one fund. This is important to bear in mind when evaluating the budgets of an individual department, which may have multiple funding sources. For example, several Public Safety departments have funds in the General Fund and in the Other LOST Fund, so both fund allocations would need to be considered for the totality of that department's individual budget allocation.

The Operating Budget book and the Capital Improvements Program Budget book have been formatted such that they are available in traditional bound paper versions as well as in digital format on the website. The digital versions have been embedded with hyperlinks to facilitate ease of navigation throughout the documents. To engage a hyperlink, simply single left-click on any text that is found with a bold underline (see example below) and the document will navigate directly to that content. Example of Hyperlink: To go directly to the Big Picture Section, click on the bold, underlined text.

## **DOCUMENT NOTES**

A dedicated effort is made to inform our taxpayers and stakeholders, our community, and the general public about the government that serves them. The budget is formally presented to City Council at budget meetings which are publicly televised through the city's government access channel and through live streaming on the internet through the City's website. Many of the issues addressed in the budget process are discussed with Council on air. For those who cannot view the live sessions, all sessions are recorded and are available 24/7 on the Columbus city website, and the complete budget document is placed in digital form on the city's website as well (see hyperlinks and website navigation below). A printed copy of this budget document is placed on file with the Clerk of Council in accordance with the City Charter.

Comments or questions about the budget may be mailed to the Finance Director's Office at P.O. Box 1340 Columbus, GA 31902 The Financial Planning Division may be contacted at (706) 225-4087.

City Council Sessions Recordings: <a href="https://www.columbusga.gov/Council">www.columbusga.gov/Council</a> Current and Previous Budget Books: <a href="https://www.columbusga.gov/Finance">www.columbusga.gov/Finance</a>

Columbus Consolidated Government was awarded its first Distinguished Budget Presentation Award for FY1992 and we have received the award every year since. We believe that this document continues in that same proud tradition. Additionally, CCG has also received the Certificate for Achievement for Excellence in Financial Reporting for the Comprehensive Annual Financial Report (CAFR) since FY1990.

# **INCLUDED IN THIS SECTION:**

- Budget Preparation & Management Policies
- Budget Calendar

The Annual Budget is a fiscal plan, which presents the services to be provided to the community and the funds necessary to perform these services. Key steps in this process are described within.

### **Budget Preparation**

The Columbus Consolidated Government (CCG) operates under a fiscal year that begins July 1 and ends June 30. The major steps in the process are outlined below:

### **Budget Adoption**

- Step 1: Beginning in November, Financial Planning prepares the budget database and reports showing prior years' actual expenditures and revenues and compares those to their budgeted targets. Any anomalies are reviewed and adjusted for the upcoming budget year. Upcoming and long-range challenges and opportunities are evaluated. Operating trends, as well as, economic indicators are taken into consideration when preparing estimates for budgeted revenues and expenditures. Expected changes in pay plan, benefits, gas, water, electricity, motor fuel, capital items, etc., are also considered. This database is used as the financial framework for budget preparation.
- Step 2: Beginning in January, departments are asked to evaluate and update their goals and objectives, and their relevant performance indicators, for the coming fiscal year. Any major changes in operations are considered and shared with Financial Planning to ensure that the new budget reflects those operational changes as appropriate.
- Step 3: Between January and March, Financial Planning prepares a draft of the Operating Budget for the Mayor's consideration. During this time, the Mayor and City Manager review departmental operations and consider any new budget requests in order to propose a recommended balanced budget. Financial Planning prepares the final Recommended Budget plan for the Mayor's approval and presentation to Council.
- Step 4: No fewer than sixty (60) days prior to the fiscal year commencing July 1, the Mayor submits to Council a proposed operating budget for all operating funds. The Operating Budget includes recommended expenditures and the means of financing them.
- Step 5: A series of workshops and public hearings are held before making final changes to the Mayor's recommended budget.
- Step 6: The Annual Budget is formally adopted by Council before July 1.

### **Expenditure Control**

Once the Annual Budget has been adopted, expenditure control is maintained on the appropriation unit basis (group of accounts) with capital expenditures maintained under full control. Throughout the year, all expenditures and revenues are monitored.

#### **Budget Control**

Georgia Law, O.C.G.A. 36-81-3 establishes the legal level of budgetary control as the department. Within the overall budget limitations, authority is delegated to the City Manager. When acting on the authority delegated by the City Manager to the Finance Director, it is recommended that intra-departmental transfers of appropriation and revenue anticipation may be approved as deemed necessary. Under no circumstances, however, may the total budget of any department be increased or decreased without Council approval.

### **POLICIES AND PROCEDURES**

#### **Budget Amendments**

Amendments affecting the bottom line of any department are approved solely by Council. Section 7-404 of the City Charter describes the authority:

> "The Council may make appropriations [revenue and expense] in addition to those contained in the current operating or capital budgets at any regular or special meeting called for such purposes."

### **Policy Guidelines**

The overall goal of the City's Financial Plan is to establish and maintain effective management of the City's financial resources. The informal statements of budgetary policies provide the basis for achieving this goal.

The following section outlines the policies used to guide the preparation and management of the City's budget. The section consists of operating budget policies, capital expenditures, policies, revenue policies and financial accounting policies.

The development and preparation of the City's budget are guided by the following policies.

- All funds are required to balance. Anticipated revenue must equal the sum of budgeted expenditures. To the extent possible, all funds should be included in the budget process along with work programs, objectives and strategies.
- The Capital Improvement Program requires coordination and planning in conjunction with the various operating fund budgets.
- The General Fund is based on a long-range financial plan, which includes unallocated fund reserves. The goal is to keep the reserve at approximately 90 days, but no less than 60 days, of budgeted expenditures. This reserve protects the City against catastrophic revenue losses and major emergency expenditures and provides cash flow.

### **Revenue Policies**

The City will maintain effective collections systems and implement aggressive enforcement strategies in order to maximize revenues from available sources.

The City will maintain a broad revenue base; that is, a large number of widely diversified revenue sources that will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will implement user fees in all areas where feasible and productive as well as seek to set fees at levels related to the costs of providing the services. Moreover, user fees will be reviewed annually as part of the budget process and will be adjusted to maintain or move incrementally closer to full coverage of activities.

The projection of revenues will receive conservative treatment in order that actual revenues at the fund level will consistently equal or exceed budgeted revenues.

#### **Financial Structure**

The financial transactions of the City are budgeted and recorded in individual funds. A fund is an independent financial and accounting entity. It is a set of interrelated accounts used to record revenues and expenditures associated with a specific purpose. Funds have a balancing set of accounts and records, cash and other financial resources in conjunction with all related liabilities and residual equities, which are segregated for the purpose of carrying on specific activities or

Section A

#### POLICIES AND PROCEDURES

attaining certain objectives in accordance with special regulations or restrictions. Although funds are independent entities within the financial records of a government, there is no requirement to physically segregate the assets. Funds are classified into three basic types: governmental, proprietary or fiduciary.

#### **Government Funds**

Governmental funds are used to account for all or most of the government's general activities, including the collection and disbursement of earmarked monies, the acquisition or construction of general fixed assets and the servicing of general long-term debt.

The City utilizes the following types of governmental funds:

- The General Fund is the principal fund of the Consolidated Government and is used to account for all major activities of the government such as Police, Fire and Recreation.
- Special Revenue Funds are used to account for the proceeds of specific revenue sources legally restricted to expenditures of specific purposes. The Stormwater (Sewer), Paving and Medical Center Funds are examples of special revenue funds.
- Debt Service Funds account for the accumulation of resources for the payment of general long-term liability, principal, interest and related costs. The City's Debt Service Fund includes requirements to meet the general obligation bond issues, lease contracts, and lease purchase programs.
- Capital Project Funds are used to account for financial resources for the acquisition, renovation or construction of major capital facilities and improvements.

#### **Proprietary Funds**

Proprietary Funds are used to account for activities similar to those found in the private sector. The proprietary funds utilized by the City are as follows:

- Enterprise funds account for activities that are usually self-sustaining, principally through user charges for services rendered. An example of an enterprise fund is the Transportation System Fund.
- Internal Service Funds account for the financing of goods and services provided by one department or agency to other departments or agencies for the government on a cost reimbursement basis. The Risk Management and Employee Health Insurance funds have been added to the Operating Budget.

#### **Fiduciary Funds**

Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore cannot be used to support the government's own operations. When these assets are held under the terms of a formal trust agreement either a pension trust fund or a private purpose trust fund is used. Agency funds generally are used to account for assets that the government holds on behalf of others as their agent. Traditionally these funds have not been included in the Operating Budget because the receipt of revenue is uncertain.

#### **PRIMER ON CITY FUNDS**

Columbus' funds are organized according to fund origin and utilization of funds. Several departments receive funding sources in more than one fund, so it is important to consider all funding sources when evaluating the operating budget of a particular individual department. Here is a brief description of each fund included in this Operating Budget:

#### **OPERATING FUNDS (Fund Number)**

General Fund (0101)

The General Fund supports the operations of the City. All departments of the General Government and Public Safety are supported by the General Fund, as are most ancillary operations and units. The General Fund receives funding from a number of sources including the millage, other taxes, fees, service charges, fines, and inter-fund transfers.

LOST Funds (0102,0109)

There are two Local Option Sales Tax (LOST) funds: one is to support Public Safety (Crime Prevention, Police/E-911, Fire/EMS, Muscogee County Prison, Sheriff, Municipal Court/Marshal, District Attorney, Homeland Security, State Court Solicitor, Recorder's Court, Coroner, and METRA); the other is for Infrastructure (Public Works, Parks and Recreation, Engineering, and Information Technology).

Stormwater (0202)

Stormwater funds support the stormwater and drainage systems of the City and provide funding for the maintenance of sewers and drainage systems maintained by Engineering and Public Works. The fund was named "Stormwater" to differentiate City stormwater and drainage services from those provided by Columbus Water Works, which provides primary sewage services for the City. Stormwater funding comes largely from the millage.

**Paving Fund (0203)** 

Paving funds are used for highways, roads and streets, right-of-way maintenance, repairs, landscaping, and related services. Paving funds come from the millage and related fees.

*Medical Center (0204)* 

The City has a long term contract with the Medical Center Hospital Authority to provide primary and acute care services to the City's indigent population as well as to jail inmates and prison inmates in the custody of the City/County. This fund is directly funded by a portion of the millage and is the repository for payment of those services under the contract.

Integrated Waste (0207)

The Integrated Waste Management fund supports Public Works and Parks and Recreation Services to collect, transport and recycle or dispose of solid waste. This fund also supports several landfills owned by the City and the Recycling Sustainability Center. Integrated waste funds come from solid waste collection fees, landfill fees and recycling fees.

Emergency/E-911(0209) The Emergency Telephone/E-911 fund supports maintenance of the City's central emergency call and dispatch system (E-911) and is funded through wireless surcharges and other fees.

CDBG (0210)

The Community Development Block Grant (CDBG) fund is a repository for grants from the Department of Housing and Urban Development (HUD) which funds certain housing and community development programs for the City.

WIOA (0220)

The Workforce Innovation & Opportunity Act fund is a repository for grants from the Department of Economic Development which funds certain community jobs training and development under the Job Training Partnership Act.

### **POLICIES AND PROCEDURES**

- **Econ Development (0230)** The Economic Development fund supports investment by the City in Economic Development Authority projects. It is directly funded by a portion of the millage and is utilized at the discretion of City Council.
- **Debt Service Fund (0405)** The Debt Service fund is the repository for funds utilized to repay bonded and other debt obligations of the City, including the bonds issued by the Columbus Building Authority.
- **Transport/METRA (0751)** The Transportation fund supports the operation of the City's public transportation system, METRA, which includes buses and specialty vehicles. It is funded by transportation grants, service fees and the millage.
- **Parking Mgmt (0752)** In FY19 Parking Management Fund activities moved into the General Fund as it no longer meets the requirements of an enterprise fund.
- **Trade Center Fund (0753)** The Columbus IronWorks Convention and Trade Center is owned and operated by the City. This fund supports all operations of the Trade Center and is funded by Trade Center revenues as well as Selective Sales and Use Taxes.
- Bull Creek/Oxbow (0755/6) The operations of both City-owned public golf courses are supported by these two funds. Golf course revenues provide the primary source of funding.
- Civic Center (0757) The Civic Center is owned and operated by the City and this fund supports those operations. Funding comes from event revenues, service fees, and the Hotel/Motel Tax.
- **Employee Health (0850)** This fund is a repository for the City's self-funded employee health care program and the employee life insurance program.
- **Risk Management (0860)** This fund is a repository for the City's self-insured Workers Compensation program and vehicle claims management program.

### **Accounting Basis**

In June 1999, GASB released a new rule known as Statement 34. Often referred to as the "reporting model rule," Statement 34 radically changes the rules by which governmental financial statements are to be organized and presented to readers. The operational accountability is addressed in the government-wide financial statements, which are prepared on a full accrual basis. Information about the cost of delivering services to the citizens and the government's infrastructure assets are included as well. The fiscal accountability is considered through the individual fund financial statements, which account for current financial resources of government through the modified accrual basis for governmental activities.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied, if they are collected within 60 days after year end. Grants and similar items are recognized as revenue as soon as eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability in incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments are recorded only when payment is due.

### **Budgetary Basis**

All budgets are adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP). The General, Special Revenue, Debt Service and Capital Projects funds are developed on a modified accrual basis. The Enterprise Funds are developed on the accrual basis. All annual appropriations lapse at the fiscal year end. The basis for budgeting is consistent with the basis for accounting with the difference being encumbrances. The notable exception between the budgetary and accounting basis is the manner in which encumbrances are treated. Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting - under which purchase orders, contracts and other commitments for expenditures of resources are recorded to reserve that portion of the applicable appropriation is utilized in governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures because the commitments will be honored through subsequent year's budget appropriations. The other exceptions worth noting deal with capital outlay within the enterprise funds which are recorded as assets on a GAAP basis and expended on a budget basis; depreciation expense is recorded on a GAAP basis only.

#### **BUDGET PREPARATION SCHEDULE: FY2021 Budget**

November - January

• Financial Planning begins developing baseline budget plan with input from Mayor, City Manager and Department Directors and distributes budget preparation materials.

February -March  Financial Planning begins analyzing department budget requests and performance. City Manager evaluates budget and CIP requests.

**April** 

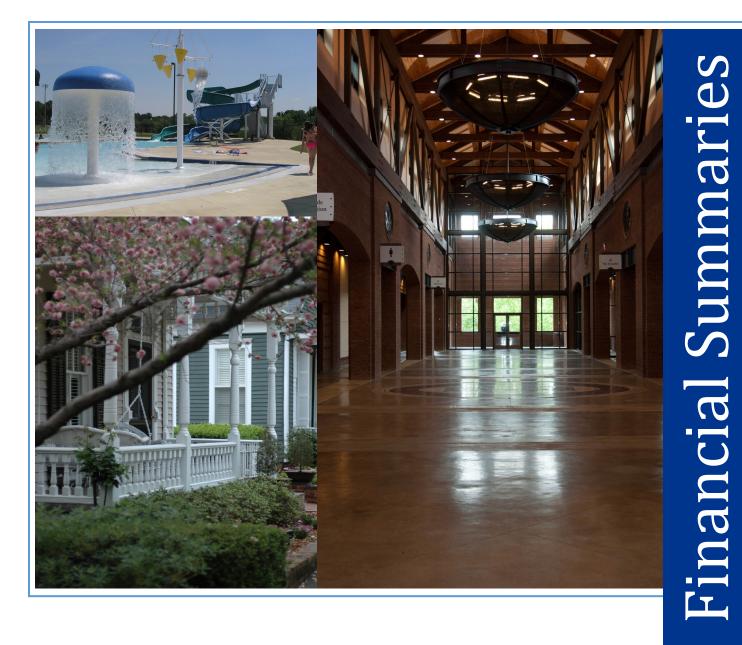

• Financial Planning prepares draft of Mayor's Recommended Budget. Mayor finalizes budget and presents to Council for consideration.

Mav

• City Council deliberates Recommended Budget. Requests for additional analysis, research and response to questions are addressed by Financial Planning. Council Work Sessions are held.

June

 Public Hearings are conducted. Budget and Tax Millage Ordinances are adopted with City Council Amendments.

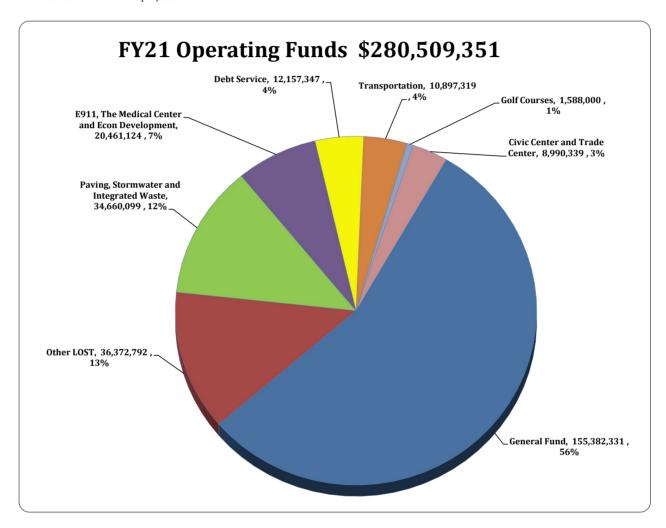

### **INCLUDED IN THIS SECTION:**

- Revenues & Expenditures by Fund
- Big Picture Summary

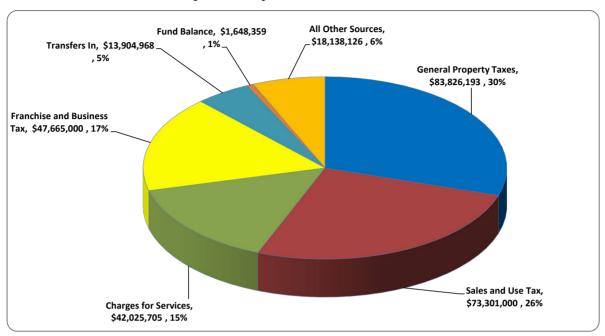

### The Big Picture

Columbus Consolidated Government operations and services are funded principally through the General Fund, through which the City's primary revenues and expenditures flow. All major departments of the City have apportionments in the General Fund. These are described in detail in Section D. Proceeds from Other Local Option Sales Tax ("OLOST") reside in the LOST Fund. 70% of this fund supports Public Safety while the remainder supports General Government operations and infrastructure. Other operating funds included in this Budget are as follows: Stormwater (Sewer), Paving, and Integrated Waste, which support infrastructure; E-911 (Public Safety); Medical Center (indigent and prisoner healthcare); Economic Development; Transportation (METRA) and Parking Management; Trade Center; Bull Creek and Oxbow Creek Golf Courses; and the Civic Center. Dollar amounts of each fund as projected for FY2021 are shown below:

### **CIP Financing Sources \$99,274,561**

FY21 CIP Financing S	Sources Overview
Project Financing Source	Amount from Financing Source
General Fund	\$0
Stormwater (Sewer) Fund	\$1,398,661
Paving Fund	\$1,734,380
Integrated Waste	\$0
2012 TSPLOST	\$0
Current Year Bond Proceeds	\$0
Current Year 2009 Other LOST	\$2,127,739
Prior Years' 1999 SPLOST	\$6,115,610
Prior Years' 2009 LOST	\$6,225,227
Prior Years' 2012 TSPLOST	\$55,143,546
Prior Years' Fund Balance	\$22,322,659
Prior Years' Bond Funds	\$4,206,738
Total	\$99,274,561

		FY21 CIP Projects Overview*
Project	FY21 Cost	Impact on Operating Budget
Management	\$5,913,462	Slightly positive, with Technology investments expected to improve efficiencies in judicial, administrative, human resources, and financial management areas.
Parks, Recreation, & Leisure	\$198,857	Neutral to Slightly Positive with investment of a new Pickleball Court near the newly renovated tennis courts at Cooper Creek Park.
Public Safety/ Criminal Justice	\$1,196,783	Neutral to Slightly Positive with investments in facilities that house inmates.
Drainage	\$9,580,991	Neutral to Positive - anticipated investment in sewer line and storm water drainage infrastructure reduces reliance on current year operational funds for maintenance, repair, and restructure as well as reduced exposure to risk from liability to property damage or injury.
Transportation	\$24,370,892	Neutral to Positive – anticipated investment in transportation infrastructure, most notably roads, bridges, and corridors, will reduce reliance on the current year operating budget for costs of maintenance and repair.
TSPLOST	\$55,143,546	Neutral- while the dollar investment in TSPLOST projects is substantial, all of the funding for these specified projects occurs outside of the operating budget in a special funding source (the TSPLOST tax) and therefore provides no impact to the operating budget.
Environmental	\$2,870,029	Nominal to Slight – There is minimal investment in these projects aside from a small investment in the necessary operating of landfill sites.  Minimal benefit comes from the reduced risk of liability due to noncompliance with state and federal mandates regarding landfills.
TOTAL	\$99,274,561	Overall, the CIP projects will have a minimal impact on the City's FY21 Operating Budget based on timing of project completion and the fact that contributions from the current year operating budget are relatively low. Long-term expectations are that with the offsetting positive improvements, the majority of negative impacts will be slight. The CIP total is 6.8% lower than the amount allocated in FY20 which is primarily due to prior year allocations being utilized for TSPLOST projects, SPLOST, and Bond funds.

#### **Capital Improvement Projects (Continued)**

Further information on Capital Improvement Projects is located in the Financial Summaries of the Operating Budget and the *FY21 Capital Improvement Program Budget Book*. The impact is discussed for each individual project in the accompanying CIP book; however, we have tried to give an overview of the budget impact for the categories and total budgets. Depreciation expense is not included in this analysis, but needs such as staffing, daily operating costs and maintenance are considered.

#### **Trend Analysis**

An important element of the budgetary process is the historical perspective of past operating fund budgets and the changes in revenues and expenditures in those funds over time. The following table shows the adopted budgets for Revenues and Expenditures in the Operating Funds for the past four fiscal years and the budgeted year. As shown below, the FY2021 Operating Budget experienced a modest decrease as compared to the prior year.

Five Year Operating Fund Trend Analysis: Adopted Operating Budgets for the past five fiscal years

Dollars in Thousands (\$000's)	FY17	FY18	FY19	FY20	FY21

#### **Projections**

Short and long term forecasts are an integral part of the City's budgeting process. The Financial Planning Staff prepares both short (1-3 year) and long (5 year) term projections each year as part of the budgeting cycle process. The short and long term forecasts which the Financial Planning staff prepares, and then continually refines, provide the basis for the Operating Funds Budgets included in this Budget Book.

The foundation for projected revenues is based on an analysis of several factors including: historical trends in revenues collected for the current and prior years; changes in statutory or regulatory rules which may impact revenues, such as the changes the State of Georgia has made to the Title Ad Valorem Sales Tax; and changes in the City's population which may be anticipated from demographic or environmental changes, such as those which have occurred from time to time at Ft. Benning, which is a major employer of both military and civilian citizens, or with new investment in our area by companies like Kia, which has major manufacturing facilities in nearby West Point. Financial Planning closely monitors the accuracy of its revenue forecasts throughout the fiscal year and may make recommendations for adjustments to the Operating Budget should actual revenues prove to be materially different from those forecasted.

Our forecasts also provide the basis for our expenditures and capital investment plans which are included in the Operating Budget. Expenditure forecasts are based largely on both historical actual expenditures and the financial resource constraints for the City at large. Capital expenditures are forecasted based on the specific needs of each division, again within the financial resource constraints that exist within the framework of the City as a whole. Our budget book, and therefore this analysis, includes the City's operating funds and 4 additional funds: CDBG, WIOA, Risk Management and Employee Insurance Funds. The Budget Book differs from the Consolidated Annual Financial Report ("CAFR"), which includes all funds.

#### **Midyear Adjustments**

The Operating Budget is a point-in-time reflection of what is actually a fluid, continually adaptive process throughout the fiscal year. This Budget Book contains the *Adopted* Budget, which has been adopted by the Council as its Adopted Budget. Because it is prepared well in advance of the completion of the prior year's financial audits, and because there are often circumstances which cause need for making mid-year adjustments to the original plan, the Finance Director may recommend changes to the Operating Budget at a mid-year point. These are an ordinary part of the municipal budgeting process and reflect the City's capacity to monitor its resources relative to its budget and to make adjustments where prudent.

#### **Use of Fund Balance**

During the past several fiscal cycles, the City has given considerable attention and effort to curbing its reliance on the use of fund balance in the General Fund in order to meet its obligations. Because there has been little growth in revenues, for reasons both macro- and micro-economical, the City has been forced to reduce its spending in a number of areas in order to lower its use of fund balance. For the FY2020 budget, the City experienced across the board savings from employee benefit plan reforms adopted in prior budget years. The savings realized allowed the City to reduce its need for fund balance in its Operating Funds as compared to prior year. The reduced dependence on fund balance stemmed from systemic changes to certain obligations such as pension plans and healthcare plans, continued lack of capital investment, continued deferred maintenance in some areas, reduced workforce through attrition and existing vacancies, and lower indirect operating budgets (such as those for supplies, education and training, and travel).

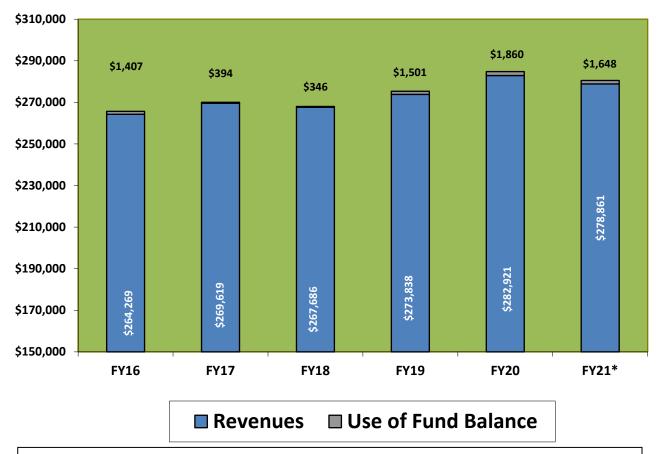

Dependence on the use of fund balance is expected to continue to decline in future budget cycles for the following key reasons:

- The adoption of health care reform measures in its self-funded healthcare plan, which is
  expected to systemically lower the city's healthcare related costs for its employees. These
  included changes to deductibles, co-pays, out-of-pocket maximums, employee premiums, the
  continuation of spousal exclusion for working spouses with available coverage at their own
  employer, and pharmaceutical benefit plan design changes.
- Plans were implemented and/or continued for reduced support for component units and affiliates.

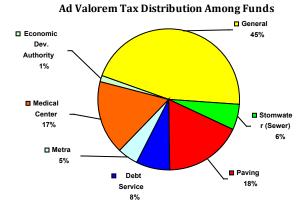

• The city's contract with the Medical Center Hospital Authority, which provides for healthcare services to the city's indigent population as well is its inmate population, has been revised under mutual agreement with the Authority to reduce the amount of annual cash payment and to provide for future refunds in the event that costs are less than payments.

The following graph depicts the City's use of fund balance during the past five fiscal years (as planned for in annual Adopted Operating Budgets):

### **Budgeted Revenues and Use of Fund Balance, FY16-FY21**Dollars in Thousands (000s)

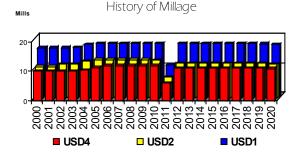

<sup>\*</sup> FY21 estimate based on anticipated reductions to use of fund balance with steady revenues from all other sources

#### **History of CCG's Millage**

As reflected in the History of Millage chart (below), the millage rate remained relatively consistent from FY00 to FY03 and remained unchanged from FY05 to FY10. FY11 was affected by the Other LOST rollback, but the millage rate returned to normal in FY12. There were small increases to the General Fund, the Paving and Debt Service Funds in FY04 and FY05. The Columbus Charter stipulates a 9-mill cap on "ordinary current expenses" which is the total of net general and urban millage and the transportation millage. The remaining millage includes the medical center, debt service, paving, sewer, and economic development authority fund. The current millage rates are listed in the Millage Table in the City Manager's message.

During FY13, the Debt Service portion of the millage was reduced by 0.16 mills due to bond defeasance and other debt restructure. City Council opted to increase the mills for Economic Development funding accordingly by 0.25 mills in FY15, the proceeds of which will be added to the Economic Development reserve. The net result was no change to the overall millage rate.

Revenue Sources Total: \$280,509,351

## General Property Taxes: \$83,826,193

29.9%

For FY21, General Property taxes are budgeted to decrease by about .5% over FY21. General Property Taxes are Ad Valorem taxes, penalties and interest on real and personal property, motor vehicles, mobile homes, intangible taxes, and all penalties, interest and FIFAs related to these taxes. They are projected based on estimated growth of the state approved tax digest at millage rates ordained by Council. The current trend reflects a modest increase in Ad Valorem taxes based on the natural growth of the digest. Projected Ad Valorem taxes are based on assumption of a 97% collection rate and the projected growth of the digest. The 97% collection rate assumption also applies to the Medical Center fund. Prior to FY15, the Medical Center fund was the one exception to the 97% collection rate assumption as contractually The Medical Center Hospital Authority received 3.00 mills regardless of actual tax collections. The Ad Valorem Tax Distribution among Funds Chart, on the top left, shows the distribution of Ad Valorem taxes among the applicable operating funds.

The Economic Development Fund established in FY03 and is funded by a 0.50 millage when and as approved by City Council. Each fiscal year during budget deliberations, Council decides whether to continue to appropriate monies for the Economic Development fund. As noted in the History of CCG's Millage (left), during FY15 an additional 0.25 mills is being set aside as a reserve for Economic Development, subject to Council's discretion and approval.

#### **Property Tax Primer**

Ad Valorem or Property Tax is a large source of revenue for CCG. The basis of the taxation is the Fair Market Value (FMV) of the property established as of January 1 of each year. The tax is levied on the assessed value of the property, which by GA state law is 40% of FMV. The amount of tax is determined by the tax rate (millage) levied by City Council). A mill is equal to \$1 for each \$1,000 of assessed value.

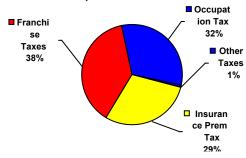

In addition to general economic trends and conditions, CCG faces the added challenge in our property tax structure is the property tax freeze, which freezes the FMV valuation of a property at purchase.

## Franchise (Utility), Business and Other Taxes:

\$47,665,000 17.0%

In FY21, Franchise and Business Taxes are projected to remain approximately the same as compared to FY20. These revenues are sensitive to economic conditions and are projected based on historical trends and expected economic strengths or weaknesses. Trends for franchise taxes have been showing slight decreases. Business Taxes include Occupation Taxes, which are based on the gross income of certain businesses, and Insurance Premium Taxes. These taxes are also expected to generate modest increases in FY21.

#### Franchise, Business and Other Taxes

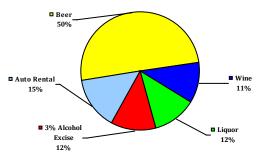

See the Franchise, Business, and Other Taxes pie chart (above) for a breakdown of this category.

## Sales and Use Taxes: \$73,301,000

26.13%

#### **Selective Sales and Use Taxes**

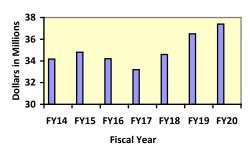

The FY21 budget includes a projected increase in Sales and Use Tax of about 0.91% from FY20. This projected increase continues an upward and downward trend which is a result of macroeconomic conditions. A Local Option 1¢ Sales Tax is levied to keep the ad valorem tax as low as possible.

The taxes are projected based on economic indicators (employment rate, consumer confidence, etc.) and estimated growth in sales. The State of Georgia limits local jurisdictions to

one cent (1¢) for general purposes. The trend of growth of sales tax has leveled off. It has cycled up and down in recent years but is anticipated to increase modestly over the coming years. The *Local Option Sales Tax* Chart reflects the trend in Sales Tax.

#### **General Fund Local Option Sales Taxes**

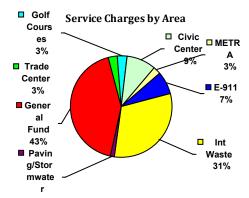

Also included in this category are use taxes. Use taxes include taxes on various rentals, advertising, and merchandising charges, as well as taxes on Beer, Wine, Liquor, and a 3% Alcohol Excise tax. This revenue is projected based on current indicators and tax rates set by Council. A modest increase was projected for this fiscal year. This subcategory reflects less sensitivity to economic conditions.

## Charges for Service: \$42,025,705

14.98%

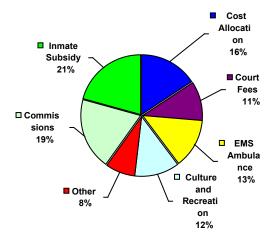

For FY21, fee adjustments in Charges for Services from FY20 have been projected, primarily due to expected increase in pay telephone commissions. Projections are based on rates set by Council, historical trends, and economic indicators. Service Charges include collections government services, such as solid waste management fees, fees for use of public recreational facilities, emergency medical service fees and fees for the operation of the E-911 system and the city pound. Also included in this category are court fees and commissions. Commissions include the fees collected by the Tax Commissioner as well as the commissions paid on pay telephones. Due primarily to the addition of Title Ad Valorem Tax Fees, commissions were projected remain the same for FY21.

Also, in service charges is cost allocation. Established in the FY93 Budget, cost allocation revenues reflect levels of service provided by the general fund central administrative functions (such as accounting, purchasing) to other fund, grant, and authority activities. For FY21, a 0.31% increase in cost allocations was projected.

Projections for Service Charges are based on rates set by Council, historical trends, and economic indicators. An incline in user-based fees collected by the City's public cultural and recreation-based facilities and decreased court collection fees lead to the projected 1.0% decrease in total Charges for Services for FY21. See the Service Charges by Area pie chart.

#### **General Fund Charges for Service**

## Fines and Forfeitures: \$4,355,000

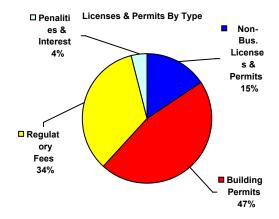

1.55%

This category consists primarily of fines and charges imposed by the various courts of Muscogee County. Council sets some of these charges, while others are mandated by State. For FY21, an .05% increase was projected in Fines and Forfeitures due to a trending promotion in court fees collected in superior court, state court, municipal courts, and all other courts to include recorder's court and environmental court.

## Licenses and Permits: \$2,540,000

.91%

For FY21, License and Permit revenues are expected to decline as compared to prior year. This category is derived from permits, business and professional license fees. Business Licenses include Beer, Wine and Liquor Licenses, Alcohol Application ID Card Permits and Insurance Licenses.

Non-Business Licenses and Permits include permits for pet ownership, zoning petitions and marriage and gun licenses. Regulatory Fees include licenses to sell alcohol and insurance. Building permits make up the largest category. Council sets the fees for these charges. See *Business Licenses & Permits* (above) for a breakdown by type.

Projections are based on historical trend analysis, economic indicators, and anticipated economic growth. Some of these fees and permits that are sensitive to economic conditions are trending upward. Overall, licensing is remaining steady, as well as, fees and permits. Projections have followed these trends.

## Intergovernmental: \$7,016,311

2.50%

This category consists of Federal, State and Local government agency reimbursements for funding of local and statewide programs. Trends show an increase in state and federal funding, which is reflected in projections.

The revenues (and expenditures) for cooperatively funded various Federal, State, and Local grant activities is located in a Multi-Governmental fund.

Additionally, there are two published funds that are listed with the operating funds, but not included in these numbers. The Community Development Block Grant (CDBG) and Workforce Innovation and Opportunity Act (WIOA) are separate grant programs with different budget cycles because of federal regulations. An estimated budget is included in the budget process and is adjusted by Council in the fall. Details about CDBG and WIOA Funds can be found in the Overview (Section B) and Expenditures by Division (Section D) Sections.

## Investment Income & Miscellaneous: \$773,737 .28%

This category includes revenue from investment of City reserves. Revenues are based on projected rates of return on invested fund equity. Although rates are expected to continue to be relatively low, the FY21 budget does not presume that there will be material gains or losses in investment value. Investment income is projected at \$773,737 for FY21.

This category also includes rents from City-owned property and sales of land, surplus equipment and various reports and databases. These revenues are projected based on fee schedules and current indicators. In addition, various one-time revenues, not categorized elsewhere, are included in this category. These revenue projections are based on historical trends.

## Inter-fund Transfers In: \$13,904,968

4.96%

Transfers-in account for the operating inter-fund transfers between the various funds to provide funding assistance and matching funds for Federal and State grants. This category accounts for the transfers of funds allocated to the Capital Improvement Program. The Hotel-Motel tax provides a source of revenue as a transfer into the Civic Center and the Columbus Convention and Trade Center. For FY21, a .14% decrease in transfers has been projected, thus presenting a cyclical trend in use of inter-fund transfers as a revenue source.

## Use of Fund Balance: \$1,648,359

0.6%

Fund balance usage is calculated based on the anticipated fund balance at fiscal year end after revenues and expenditures have been accounted for. For FY21, in the LOST Fund, it is expected that \$1,527,792 will be needed from fund balances to cover the shortfall between revenues and expenditures. Operating Funds' total Use of Fund Balance is \$1,648,359. See FY21 Summary of Revenues, Expenditures, & Change in Fund Balance for details.

**Expenditures Total:** \$280,509,351

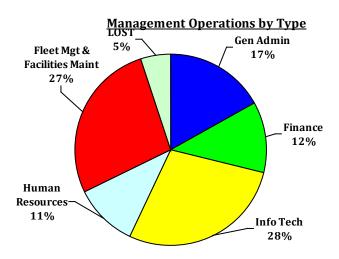

## Management Operations: \$20,266,101

7.22%

Activities and management needed to administer the daily operations of the Consolidated Government.

These activities are distributed through such offices as the City Manager, Human Resources, Information Technology, Finance, Facilities Maintenance, and Fleet Maintenance. These offices provide support for line operations in their efforts to provide quality services to the citizens of the community.

Management Operations expenditures are budgeted at .32% higher than in FY20. See *Management Operations by Type* below for expenditure breakdown of support offices.

## **Community Services:** \$23,127,391

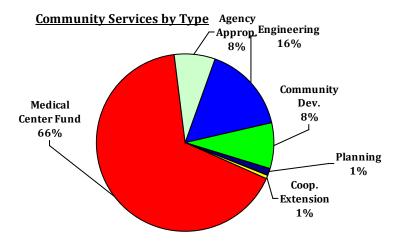

8.24%

Community Services includes services that affect all citizens indirectly through the coordination of construction and development activities to ensure safety and a better quality of life. These services are distributed through such offices as Engineering, Inspections and Codes, Planning, and the Cooperative Extension division, which is operated in cooperation with the University System of Georgia. Funds for other services are provided to various organizations in the community by Council approval through agency appropriations. Community Services expenditures are budgeted 0.76% lower than the budget for FY20. See the Chart of *Community* 

Services by Type below for breakdown by Department.

In addition, the City's Medical Center appropriations are budgeted at a value of three (3) mills to reimburse the Medical Center for indigent care. These are accounted for in the Medical Center Fund.

Although CDBG funds are not reflected in the General Fund's expenses, the City's Department of Community Reinvestment administers the CDBG (Community Development Block Grant) Program.

## **Public Works**: \$ 28,520,539

10.17%

This category includes the divisions involved in delivering and administering essential services such as solid waste collection, recycling, public cemeteries, and open and inert landfill operations and maintenance. Certain paving and sewer maintenance such as ditch cleaning, road patching, etc. is managed by this function. Environmental activities are coordinated through divisions grouped here.

Public Works expenditures are budgeted to be 0.03% higher in FY21 than budgeted for FY20.

## <u>Statutory Boards & Commissions</u>: \$4,603,695

1.64%

## **Public Safety:** \$106,536,101

37.98%

This area provides miscellaneous services to the community. The Board of Elections and Registrations maintains the official eligible voters file and conducts elections in Muscogee County. The Tax Commissioner's Office and the Board of Tax Assessors appraise property and collect due taxes in the county. The operations of the Coroner are included here. Expenditures in this category are budgeted at .14% higher than in FY20.

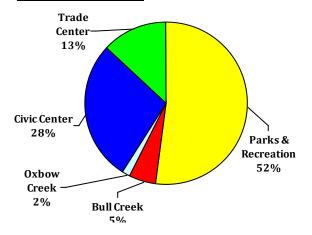

## Recreation & Culture: \$20,920,029

7.46%

Recreation and cultural activities are provided almost exclusively through the Department of Parks and Recreation. The Parks and Recreation department provides outdoor activities, youth and senior programs, while operating the city's major arena facilities (Golden Park, Memorial Stadium). This category also includes Bull Creek Golf Course, Columbus Ironworks Convention and Trade Center and the Columbus Civic Center. Expenditures for Recreation and Culture are budgeted at .2% lower than for FY20. Cost increases will be due to operational changes implemented during the current budget cycle.

See Recreation & Culture Chart below.

#### Recreation & Culture

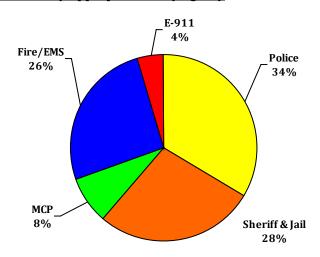

Public Safety encompasses those departments and divisions actively involved in the direct protection or support of protection of Columbus' citizens and visitors. In addition to Police, Fire & Emergency Medical Services, and Emergency Management, the operations of the Sheriff's office, the county jail, and Muscogee County Prison incorporated.

Public Safety expenditures are budgeted 1.38% higher than the FY20 budget. For FY21, the Adopted budget includes Public Safety related capital purchases of \$776,034.

See *Public Safety Appropriations by Agency* below for breakdown of budget proportions.

#### **Public Safety Appropriations by Agency**

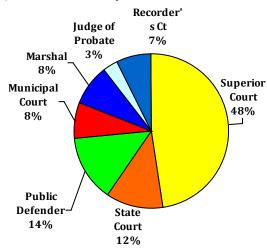

## C<u>riminal Justice</u>: \$16,461,903

5.87%

The Criminal Justice system operated by the City consists of all municipal and traditionally county courts. The support functions include probation, legal and clerk's offices. FY21 expenditures for Criminal Justice are .03% higher than they were for FY20.

The *Judicial & Statutory* pie chart below shows breakdown by court.

#### **Judicial & Statutory**

## **Debt Service**: \$12,447,117

4.4%

The Debt Service Fund accounts for the retirement of general obligation bond issues, Columbus Building Authority lease contracts, certain leasing obligations associated with vehicle purchases for Integrated Waste, and the Water Commission revolving loan contract.

#### **Overview and Debt Financing Principles**

All local governments must determine how capital projects will be financed. It is the policy of the Columbus Consolidated Government (CCG) to use debt sparingly to retain the capacity to issue additional debt if the need arises. Currently, CCG is well below the 20% level that is considered by the credit industry to be a danger signal. In addition, CCG is well below the legal debt ceiling for general obligation debt (detailed in the box below).

The Columbus Consolidated Government maintains two debt service funds - Debt Service Fund and Sales Tax Proceeds Account Fund. These Funds are used to service debt from four General Obligation Debt, Columbus Building Authority contractual debt, the Board of Water Commissioners revolving loan contract, and lease purchase programs with the Georgia Municipal Association. Proceeds of a dedicated property tax provide the primary source of revenue for the Debt Service Fund. See Debt Service Fund Overview and Debt Service Fund Expenditures for more information.

#### **Debt Margin**

The Columbus Consolidated Government remains well below the debt ceiling of 10% of assessed value of taxable property established by the State of Georgia's constitution. Information regarding the legal debt limit for CCG is listed below.

#### **Debt Service: Principal & Interest**

In 2012, the Columbus Building Authority issued Series A and B bonds in amounts of \$29,825,000 (A) and \$14,005,000 (B) respectively. In 2019, a

#### Computation of Legal Debt Margin For Fiscal Year Ending June 30, 2021

Assessed value of taxable property\* \$ 6,162,557,803 Debt Limit: 10% of assessed value 616,255,780

Less: Amount of debt applicable

to debt limit

Legal Debt Margin Available \$616,255,780

\*Based on 2020 State Approved Gross Digest as of 07/30/20.

bond was issued via direct placement to provide for renovations to the South Commons Softball Complex, the Government Center, and funding a needs assessment study. For FY21, the total amount of payments for principal on all bonds outstanding will be \$4,465,798 and the total amount of payments for all interest will be \$3,806,970. Included in these amounts are payments that are made for bonds issued on behalf of Trade Center and Oxbow Creek Golf Course.

#### **Debt Service: Other Obligations**

The Consolidated Government has directly or indirectly guaranteed the debt issued by the Bull Creek Golf Course Authority, the Columbus Iron Works Convention and Trade Center Authority, the Columbus Airport Commission, and the Hospital Authority of Columbus. However, because the debt is self-supporting, it is generally not considered debt of the CCG. In addition, the annual debt service payments of these issues are not budgeted in debt service funds.

During 2013, Columbus Consolidated Government entered into a master lease agreement with Georgia Municipal Association (GMA). The initial purpose of GMA financing was

to purchase rolling stock equipment for Public Works. GMA financing was later utilized to purchase computer equipment and software upgrades as well as leasing emergency vehicles. The total amount of expenditures that will be allowed under the lease agreement in FY21 will be \$3,884,579 (which includes repayment of principal and interest for one year).

#### Mass Transit: \$10,526,157

3.75%

10.9%

METRA is the City of Columbus' mass transit system of buses with financial assistance provided by the local, State and Federal governments. Mass transit expenditures are budgeted at .45% above FY20 expenditures.

In FY19, the Parking Management Fund activities moved into the General Fund as it no longer meets the requirements of an enterprise fund. The Parking Management Fund accounted for all expenses related to Columbus' Uptown Parking District, including parking and enforcement.

### Other Non-Departmental Expense: \$30,589,538

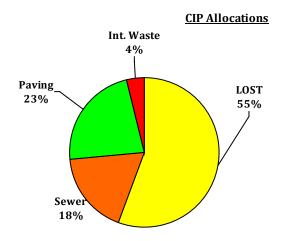

This category consists of expenditures that are not applicable to a specific department. Examples of the various non-departmental expenses include operating subsidies provided to the Integrated Waste and E911 Funds, contingency funds, and various other non-categorical expenses. Other non-departmental expenditures are budgeted at .6% higher than in FY20

## <u>Capital Improvement Projects (CIP):</u> \$6,510,780 2.32%

The capital improvement program has been in operation since 1971 with the City consolidation. Funding comes from a variety of sources including transfers-in from the General, Paving, Sewer, and Integrated Waste Funds; 1999 1¢ Special Purpose Local Option Sales Taxes (1993, 1999), Columbus Building Authority (CBA) -Contractual Debt (2010A, 2010B, and 2010C Series, 2012A and 2012B Series), Capital Lease Agreements with Georgia Municipal Association, and Prior Years Balances. The program has historically been used for infrastructure projects such as road construction. drainage

improvements, technology support and advancement, and miscellaneous project fund reserves. The number listed above includes only the transfers from the General, Sewer, and Paving funds into CIP projects. Additional funding includes the Integrated Waste Fund, 1999 Sales Tax and Prior Year's funding.

The General Fund support is funded from property, utility, sales and other taxes, as well as other miscellaneous revenues. Integrated Waste support is based on service charges from residential and commercial waste.

The City's share of Road Projects is funded wholly from the Paving Fund. The road projects are treated as a transfer-out to the CIP Fund where it is matched with a greater share of State dollars. Drainage projects are located in the Sewer fund and located here due to the length of the projects and expense. Integrated Waste Management was added in 1994 to account for capital projects related to the construction, expansion or closing of landfills. The balance of projects, recreation and sidewalks, are financed equally distributed revenues constructed as SPLOST cash flow allows. The total financing for a given project may be available at one time, while the project may take multiple fiscal years for completion. At the end of the fiscal year, the total financing sources are earmarked and recorded for that project and the balance is carried forward to the next fiscal year.

Capital Improvement Project's budgets may include any of the following basic costs that are

commonly associated with capital improvement project: the renovation or expansion of existing facilities; an initial feasibility study for infrastructure and/or new facilities; site improvement and/or development and land acquisition; construction of infrastructure and/or a new facility; related management and/or administrative costs; and equipment and furnishings associated with the project. The capital projects are grouped by service type:

**Management**: The Management service type includes projects impacting the general function and management of the Consolidated Government. The projects may also include land acquisition and development, facilities and infrastructure construction and renovation not directly associated with any of the other service classification. Typically, these projects are funded with contributions to the CIP from the operating funds.

Parks, Recreation & Leisure: This type of project includes all costs associated with land acquisition, park development. facilities construction and renovation of gymnasiums, museums, recreation centers, marinas, tennis courts, fields and other facilities infrastructure that are associated with recreational and leisure activities. These projects are primarily financed by the SPLOST, but also receive funding from the General Fund, grants and private contributions.

**Public Safety / Criminal Justice**: All projects related to the delivery of Courts, Police, Fire, Sheriff, Marshal, Emergency Medical and Correction services are recorded in this section. These projects are typically funded by the General Fund but may be financed through debt and other sources.

**Drainage**: The projects classified as drainage are primarily concerned with storm water control, flood prevention, erosion control and soil conservation, sewer construction and renovation, open ditch and stream bank stabilization; and detention/retention pond improvements.

**Transportation**: Projects may be land and right-of-way acquisition, traffic signalization, roads, sidewalks, and path or trail construction. Road projects are primarily funded through contributions from the Paving Fund; however, other financing sources may include SPLOST or bond issues.

**Environmental:** This category primarily encompasses projects associated with the landfills. Other projects may include urban reforestation, streetscapes and gateway projects. Detailed information of the financing, expenditures, and project description for the various projects is located in the *FY21 Capital Improvement Program Budget Book*.

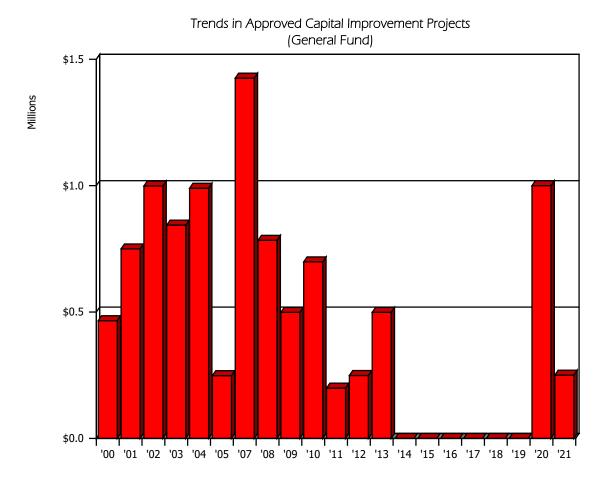

#### **CIP impacts on the Operating Budget**

Due to the lack of funding over the past few years, we have been unable to meet the demand financially for many worthy projects. Prioritizing has been essential to stretch an already tight dollar as far as possible. This will have implications on future budgets. Currently, funding for our projects is primarily from sources other than operating budgets, so there is minimal impact on the operating budget for this year.

The alternative funding sources are providing funding to many repair and maintenance and infrastructure projects. These projects will reduce the cost of maintenance and repairs to aging infrastructure within the City.

Long term, we are going to see some reduction in operating costs to the City. We are unable to determine at this time if this will be offset by projects, we are unable to fund. Although, it is believed future savings will be greater than project costs. Any reduction will allow additional funding to be allocated to other operating costs or projects within the City.

For FY21, the overall budget for Capital Improvements was held to a minimum, continuing the trend of deferred capital investment begun in FY14. As shown below, for FY21, CIP appropriated funds included \$250,000 in the General Fund.

### FY21 SUMMARY OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCE

## Budget by Revenue Source

### **Budget by Expense Category**

The Other Local Option Sales Tax Fund was passed by the citizens with an effective date of January 1, 2009. 70 percent is allocated to Public Safety to an annual supplement to all sworn officers and 30 percent to Infrastructure. The annual supplement increased from \$3,000 to \$3,121 due to Pension Plan Reform that was effective 7/1/2012.

#### **OVERVIEW / PARKING MANAGEMENT FUND 0752**

# Parking Management Fund

\$

In FY19 The Parking Management Fund activities moved into the General Fund as it no longer meets the requirements of an enterprise fund. The Parking Management Fund accounted for all expenses related to Columbus' Uptown Parking District, including parking and enforcement.

# **INCLUDED IN THIS SECTION:**

- Staffing
- Benefits
- Fiscal Year Changes

A top priority of the Columbus Consolidated Government (CCG) is to provide the most efficient services while retaining quality employees who are committed to excellence and the community. The CCG employs over *3,000* full-time, part-time, and temporary employees, who provide a wide range of services to the community.

The CCG provides a total benefit package that includes the following:

- Major Medical Health Insurance
- Life Insurance
- Social Security
- Long Term Disability Insurance
- Retirement Plan

- Dental Insurance
- Sick and Vacation Pay
- Worker's Compensation
- Cafeteria Plan
- Deferred Compensation Plans

### **Major Medical Health Insurance**

The CCG provides health insurance to all full-time employees. Coverage begins on the first day, coincide with or immediately following completion of 30 days of active employment. The City's annual contribution is \$5,950 per employee.

During 2013, the City opened its own Health and Wellness Center on the campus of Columbus Regional Healthcare System. The Health and Wellness Center provides routine primary healthcare, urgent care, and specialist referrals for members of the H&W Center plan. In addition to having no copayments for office visits, referrals, or routine pharmaceuticals, employees covered by the Health and Wellness plan enjoy premiums that are the lowest available for any plan offered at CCG. By more closely managing the health and wellbeing of its employees, CCG anticipates significant wellness and productivity benefits from the Health and Wellness Center program for its employees and their dependents. In addition, the City expects to see reduced healthcare costs in the long term by improving the health status of the workforce and by better management of chronic conditions.

#### **Life Insurance (Accidental Death & Dismemberment)**

The CCG provides life, accidental death, and dismemberment insurance to all full-time employees. Coverage is equal to one and one-half ( $1\frac{1}{2}$ ) times an employee's annual salary, rounded to the next highest \$500. The benefit is calculated at \$0.50 per \$1,000 of their salary.

### **Long-Term Disability**

CCG provides long-term disability coverage to all full-time employees. The Social Security Administration Office must declare an employee disabled, after which the plan allows the

disabled employee to collect 60% of their monthly salary (offset by Social Security, Worker's Compensation and certain other pensions and disability plans).

### **Social Security (FICA)**

CCG contributes the employer's share of FICA, 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$132,900. Maximum is for Social Security only. The Federal Insurance Program has no cap on Medicare contribution earnings.

#### Retirement

The CCG provides two retirement plans: one for general government employees and an enhanced plan for public safety employees. Both plans offer early and normal retirement options once time vests an employee. The City has historically contributed 100% of the costs for the program. However, in FY13 the City implemented an employee contribution rate of 4% for all eligible existing employees phased in at 2% over a 2-year period and a contribution rate of 8% for eligible new employees phased in at 6% the first year and 2% the second year. The general government employees' plan must generate a minimum of \$3.6 million based on employee salaries and \$9.2 million for public safety employees' salaries.

#### Vacation

All city officials and permanent employees accrue and accumulate annual leave based on their years of service as displayed in the following table.

Service	Earned	Accumulate
0 - 10 years	10 days	20 days
10 - 15 years	15 days	20 days
15+ years	20 days	30 days

#### **Sick Leave**

All city officials and permanent employees accrue 13 days of sick leave per year. An employee may accumulate the following maximums: 30 days in a base account and 60 days in a reserve account for a total of 90 days. By the last pay period in November, CCG pays one-fourth of accumulated sick leave beyond the 30 days allowed in an employees' base account as a bonus to employees. This bonus is based on the employee's salary/wage and is subject to City Council's approval. The remaining three-fourths above the 30 days are added to the employees' sick leave reserve account until a maximum of 60 days is accumulated.

### **Catastrophic Sick Leave**

At the end of each leave year all accrued leave days above the maximum allowable reserve accumulations will be added to the catastrophic sick leave bank until a maximum of one hundred and twenty (120) days shall be attained. No charge shall be made against the catastrophic sick leave accumulation until the base and reserve accumulations for both vacation and sick leave have been exhausted, and until a valid medical certificate has been presented as to the nature of the employee's illness and inability to return to work.

#### **Other Benefits**

The Columbus Consolidated Government (CCG) offers deferred compensation, cafeteria, vision, and dental plans for employees. Although the City does not contribute to the plans, we offer the plans as a convenience to the employee.

## **Holidays**

For several years, the CCG has observed ten (10) holidays and one (1) floating holiday. This year the CCG will observe the floating holiday on December 24, 2020. A schedule of holidays is listed below:

HOLIDAY	DATE OBSERVED	DAY
Independence Day	July 3, 2020	Friday
Labor Day	September 7, 2020	Monday
Columbus Day	October 12, 2020	Monday
Veteran's Day	November 11, 2020	Wednesday
Thanksgiving Day/Day After	November 26 & 27, 2020	Thursday and Friday
Christmas	December 25, 2020	Friday
Floating Holiday	December 24, 2020	Thursday
New Year's Day	January 1, 2021	Friday
Martin Luther King, Jr. Birthday	January 18, 2021	Monday
Memorial Day	May 31, 2021	Monday

### **Personnel Summary**

The chart below details compensation and benefits discussed in earlier sections. Net personnel expenditures make up 55.99% of the total operating budget. Salaries, wages, and overtime are the largest elements of the compensation and benefits.

#### **Compensation and Benefits**

%

Elements	Budget	of Net
General Government Salaries, Wages & Overtime	\$54,312,269	34.3%
Public Safety Salaries, Wages, & Overtime	\$61,921,405	39.1%
FICA Contributions	\$9,058,669	5.7%
General Government Retirement	\$4,110,338	2.6%
Public Safety Retirement	\$10,602,536	6.7%
Group Health Care Contribution	\$15,589,004	9.8%
Group Life Insurance	\$532,205	0.3%
Other Benefits & Administrative Fees*	\$2,369,280	1.6%
Total	\$158,495,706	100.0%

<sup>\*</sup>Includes: Unused Sick Leave, Unused Annual Leave, Major Disability Income, Death Benefit Escrow, Unemployment Compensation, certain Allowances, Relocation Expenses and Other Employee Benefits.

<sup>\$0</sup> is included in Other Benefits to set aside funding for post-retirement healthcare and other post-employment benefits (OPEB) per GASB Statement No. 75, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions.

#### **ADDITIONAL COMPENSATION:**

This Adopted Budget includes the following pay adjustments and incentives:

- ♦ Effective January 2021, a 2.0% Cost of Living Adjustment (COLA) will be provided to all classified full-time and part-time employees, and a 1.0% Cost of Living Adjustment (COLA) will be provided to all retirees.
- ♦ The Sheriff's Office Pay Reform Longevity Plan adopted by Columbus Ordinance No. 17-24 first amended by Ordinance No. 20-018 is hereby subsequently amended as follows: Effective July 1, 2020, the anniversary pay adjustment for pay reform years 5 thru 30 was established at an annual rate of \$3,500 for Deputy Sheriff (PS14) positions only. Three (3) Deputy Sheriff positions were deleted in order to fund the implementation and continued cost of the increased pay adjustments to pay reform years 5 thru 30. No retroactive pay reform adjustments for years 5 thru 30 will be given. All pay reform adjustments in FY2021 and subsequent years will be based on the chart below for Deputy Sheriff (PS14) positions only.

After Years of Service	dition to Base Pay on Anniversary Date	Bi-Weekly Adjustment
3	\$ 1,000	\$ 38.46
5	\$ 3,500	\$ 134.62
7	\$ 3,500	\$ 134.62
10	\$ 3,500	\$ 134.62
15	\$ 3,500	\$ 134.62
20	\$ 3,500	\$ 134.62
25	\$ 3,500	\$ 134.62
30	\$ 3,500	\$ 134.62

♦ All positions that are un-funded as of or before FY2016 are hereby deleted as part of the FY2021 budget. All positions that remain un-funded for five (5) consecutive fiscal years will be deleted after the fifth year unless a funding source is expressly identified. Effective July 1, 2020 the following un-funded positions will be removed as authorized positions from the following departments/offices:

#### Council

#### **Program Description:**

The City Council is the legislative body of the Columbus Consolidated Government. It consists of ten members, whom eight are elected from districts and two are elected citywide for four-staggered terms. The City Council appoints members to citizen boards and commissions and confirms the City Manager. The City Council also decides the type and level of service provided by the consolidated government, review and adopt resolutions, ordinances, the operating budget and approve purchases over \$10,000 or multi-year contracts of any dollar amount.

### **Clerk of Council**

#### **Program Description:**

The Clerk of Council (COC) is the administrative arm of the City Council. The Clerk prepares and maintains the minutes of Columbus Council meetings. A comprehensive index file of ordinances and resolutions adopted by the City Council is processed and maintained by the Clerk. Additionally, the Clerk is responsible for maintaining and updating the official copy of the Columbus Code and is a supplemental service to departments and paid subscribers.

Goal:  To provide the best and mo amount of time, while prov To assist the Mayor and Co	riding accurate in	nformation in a t	imely manner.

## Mayor

### **Program Description:**

The Mayor is the Chief Executive of the Consolidated Columbus, Georgia City Government. The Mayor directs the executive branch of government, which consists of the office of the mayor, the office of the city manager, the directors of departments, and departments, boards, commissions and authorities ordained by Council or established by law. The Mayor is the official spokesperson for the consolidated government, presides at all meetings of the City Council, and is the Director of Public Safety. The Mayor shall be aided by a city manager, who, in the performance of his or her duties, shall be responsible to the Mayor. The specific powers and duties of the office of Mayor are more specifically set forth in the Charter, including Sec. 4-201.

#### **Internal Auditor**

#### **DEPARTMENT MISSION STATEMENT**

To uphold the highest standards of accountability for the Mayor, the City of Columbus and it's employees, through auditing and sound accounting procedures.

### **Program Description:**

Internal Audit provides independent and objective appraisals of departmental procedures and administrative and operational support via special projects for the Mayor, City Council, and departments as requested. Additionally, Internal Audit monitors the Whistleblower Hotline.

Internal Audit reports directly to the Mayor and City Council. Internal Audit provides unbiased reviews, using competency and integrity to certify findings and provide recommendations to identified deficiencies. If the recommendations are enacted, Internal Audit uses quality control measures to monitor the implementation of the new or revised procedures.

**Goals, Objectives and Performance Data** 

Goal:	To maintain professional certification through the completion of required Continuing Professional Education, each calendar year.

# **City Manager Administration**

#### **Program Description:**

The City Manager is responsible for the direction, supervision, and review of departmental operations. Preparation of the annual operating and capital improvement budget, submission of reports to the Mayor and Council on finance and administrative activities of the Government, fall under the City Managers duties. The City Manager advises and makes recommendations to the Mayor and Council on the present and future financial status of the Government. The City Manager confers with, coordinates, and assists local, state, and federally elected and appointed officials, and acts a general liaison between the Mayor, Council and all other entities.

#### **Public Information & Relations**

#### **Program Description:**

The Public Information and Relations Office (PIRO) is the designated distributor of information regarding the CCG. Organized as a division of the City Manager's Office, the PIRO is in the position to directly service and correspond with departments, agencies, and authorities of the CCG. The office provides continuity in news releases, broadcast messages, brochures, newsletters, and other printed materials on behalf of the CCG. Conversely, the office responds to citizen inquiries, complaints, and comments by directing the citizen to the appropriate departments.

The Columbus Consolidated Government has joined other jurisdictions in airing public hearings, local legislative sessions, and other public programs on a government access channel (CCGTV).

**Goals, Objectives and Performance Data**

<sup>\*\*\*\*\*</sup>One (1) Accounting Technician (G12A) to One (1) Customer Service Representative (G9A) in FY21

#### **Finance Director**

#### **Program Description:**

The Finance Director is responsible for supervising and coordinating the administration of major fiscal services, and providing accurate and current data concerning the expenditures of various operating programs and revenue collected by the CCG. The Finance Department includes the Accounting, Financial Planning, Purchasing, Revenue/Occupation Tax and Cash Management Divisions. The Cash Management Division was separated out from the Revenue Division in FY14.

## **Accounting**

#### **Program Description:**

Maintenance of the general ledger and all subsidiary ledgers; process and record all disbursements; verify and record all revenues; process and record capital assets and maintain capital assets inventory; process and record all payroll transactions to include remittance of all withholdings and preparation and disbursement of W2's and 1099R's; accounting for the City's various grants; preparation of basic financial statements and note disclosures, Management Discussion and Analysis and Statistical Section of the Comprehensive Annual Financial Report (CAFR) in compliance with standards established by the Governmental Accounting Standards Board (GASB), the Government Finance Officers Association (GFOA), and the legal requirements of the State of Georgia.

To provide accounting oversight and guidance to departments to ensure that generally accepted accounting principles, legal requirements, policies and procedures are consistently applied to maintain the integrity of the financial records and to fully meet reporting requirements.						
Objective:	To prepare monthly financial reports for 100% of the City's 53 funds within 10 days after month end.

# **Occupation Tax/Collections**

#### **Program Description:**

The Revenue Division performs two primary functions: Occupational Tax and Collections. Occupational Tax is responsible for issuing licenses pertaining to business, alcoholic beverage, and insurance as well as collection, audits, and enforcement of ordinances relative to various taxes such as gross receipts, alcohol excise taxes, insurance premium and franchise taxes. The collections function pertains to the collection and deposit of all monies received by Columbus Consolidated Government and billing and collection of numerous government services. Treasury functions include the verification, coding, receipting, and daily depositing of all revenues for the various funds collected.

Goal:	To improve the collections and cash flow through more effective processes and increase availability of tax information online to better meet the changing needs of taxpayers.			
Objective:	To expand technology to include the use of the internet web site for information, application, and payment processing. Technology enhancements would provide enhanced customer service and improve efficiencies in the Division.			
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Number of forms	s available on the web site	24	25	25

Goal:	To communicate effectively, externally and internally, to reduce misunderstandings, expedite processes, and reduce the margin of error.			
Objective:	To improve the quality of the licensing and tax billing functions and processes by increasing and prioritizing efforts to locate unlicensed businesses.			
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Reduce the licen	sing delinquency report.	4%	11%	10%

## **Financial Planning**

#### **Program Description:**

The primary function of this division is to coordinate the preparation of the Columbus Consolidated Government's annual operating and capital budgets. The budget season begins in January with preparation, distribution and instructions of the budgets forms and guidance from the City Manager. The staff assists with budget request reviews and final preparation of the recommended budget for submission to Council prior to May 1. During the Council review, the staff provides technical, analytical and research support. Following Council adoption by July 1, the staff integrates the Council adjustments and prepares the budget document for production and submission to Government Finance Officers Association (GFOA) for evaluation. In addition, throughout the year Financial Planning provides analysis, guidance, and support to all areas of CCG management to help departments remain within budget, improve fiscal efficiency, and manage expenditures relative to budget.

Goal:	To obtain GFOA Distinguished Budget award with no areas cited for improvement.			
Objective:	A rating of proficient in policy cited by GFOA.	, communicat	tions, operations	and financial as

# **Purchasing**

#### **Program Description:**

The Purchasing Division is responsible for securing all supplies, tools, equipment, and services for the Columbus Consolidated Government operations consistent with the procurement ordinance. In addition, the division is responsible for the protection, preservation, proper storage and disposal of surplus materials and equipment. The division acts as a liaison between the vendor and the City's various departments.

Goal:	To enhance end-user efficiency when using the new release of the finance system.			
Objective:	To provide more Finance System (Procurement) training opportunities for end-users by having regularly scheduled classes on a quarterly basis.			
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Number of Advantage training sessions		8	6	4

Goal:	To encourage the use of annual contracts, wherever possible, to save departments' time and effort when purchasing regularly required goods and services.			
Objective:	Develop more annual contracts for regularly required goods and services with the assistance of the participating departments.			
		FY19	FY20	FY21
Performance In	idicators:	Actual	Actual	Projected

#### **Administration**

### **Program Description:**

The Department of Information Technology provides a full range of management information and processing services for the Consolidated Government. This includes long range planning and implementations of new information systems that best meet the requirement of user departments. The Data Processing Division is organized in two sections: Systems/Programming and Operations. Systems/Programming provides system analysis, application programming, and operating system maintenance. Operations include: control services, personal computer support and maintenance of local area networks.

Goal:	To migrate all remote sites to city owned fiber or establish on network

Total percentage of inspections annually.		90%	90%	90%		

# **Other Maintenance and Repairs**

## **Program Description:**

This division coordinates and accounts for all building maintenance and repairs to the various city facilities.

#### **Budget Notes:**

The following capital was approved in this budget:

#### 260-2300 Fleet Management

Coats Tire Machine (new) = \$25,000

#### **260-2400 Special Enforcement**

Livestock Trailer (New) = \$12,975

#### 260-2700 Facilities Maintenance

Full-Size F150 Crew Cab (2-WD) (New) = \$29,824

# **Parks and Recreation**

#### **DEPARTMENT MISSION STATEMENT**

The Columbus Parks and Recreation Department strives to enhance the quality of life for all citizens of this community by providing passive and active recreational, educational and cultural programming services for all age groups. It is our objective to provide parks and recreation facilities that are safe, accessible and aesthetically pleasing to the entire community. This division will strive for continual improvement of its broad-based, recreational programs to ensure opportunities for all citizens in order to maintain its leadership among comparable sized cities in the United States.

# **Cooperative Extension**

### **Program Description:**

The Cooperative Extension Service is the educational arm of the USDA. The Columbus Extension Service is divided into five program areas: Agriculture and Natural Resources, Expanded Food and Nutrition, 4-H Youth, Home Economics, and Resource Development. Agriculture works with homeowners, corporate and industrial entities and city government in the production of food and city beautification. Expanded Food and Nutrition provide in-depth training to low-income families on budgeting, meal planning and improved diets, food and nutrition, family economics and stability, clothing and textiles, and the human environment. 4-H provides youth an opportunity to learn leadership roles. Home Economics place an emphasis on meeting the needs of contemporary living. Resource Development includes people working together locally on common concerns or problems.

Goal:	Provide "Learning for Life" education for all Columbus area residents.					
Objective:	Conduct needs assessment a community issues.	Conduct needs assessment and establish a plan of work that addresses critical community issues.				
		FY19	FY20	FY21

# **Field Operations**

### **Program Description:**

The Bureau of Field Operations is the largest of the Department's bureaus. This Bureau provides primary police services to the community as first responders for any request for police assistance by providing emergency responses and preventive patrols. The Bureau includes a Tactical Unit that is trained to handle special functions as well as normal patrol duties. In addition, they work closely with various community organizations fighting drugs and crimes in their own neighborhoods. The bicycle patrol concentrates on the Riverwalk, Cooper Creek Park, South Commons and those other areas where they blend in with the relaxed activities.

## Office of Professional Standards

### **Program Description:**

The Office of Professional Standards acts as the internal affairs unit of the Department. They play a pivotal role in preserving the integrity of the Department by investigating major complaints against officers. The unit also assures that the Department is in compliance with specific standards to maintain national and state accreditation. Only two percent of the police agencies in country are accredited.

### **Metro Drug Task Force**

### **Program Description:**

This Office is responsible for the enforcement of Drug Violations and organized crime violations on a regional basis. The two Columbus Police Department's Officers assigned are members of a task force comprising five (5) municipal and county jurisdictions.

# **Police Special Operations Account**

#### **Program Description:**

The Special Operations Unit is a new division set up to be the cost center for special operations expenditures.

### **Administrative Services**

#### **Program Description:**

Bureau of Administrative Services maintains training, community relations and safety programs for the Department. All officers are trained in one of Georgia's few in-house Police Training Units. They oversee recruit and in-service training using a unit that is comprised of certified training instructors. In addition, many other officers in the Department are certified instructors and are used to supplement the training staff in certain police specialties. The Training Unit also maintains the pistol and shotgun ranges, as well as the FATS training equipment. The firing ranges are used by more than 34 different local, state and federal agencies for firearms training and qualification. Administrative Services also maintains the D.A.R.E. and Neighborhood Watch programs.

## **Administrative Services**

### **Program Description:**

The responsibilities of the administration services division are to provide fair and equitable recruitment, hiring practices and promotional opportunities for all eligible prospective candidates. In addition, maintain personnel and medical records for all employees of the organization. The Fire Prevention division attempts to provide the safest community possible for all citizens in which to live, work and raise a family by instituting fiscally responsible and pro-active approaches to fire safety education and code enforcement which will provide a medium for accomplishing the overall mission of the Columbus Fire Department.

Goal:	To decrease the probabilities of a fire situation by insuring fire prevention code inspections are conducted on those buildings identified as Special Hazards in the Official Code of Georgia Annotated, Sec.25-2-13.				
Objective:	To conduct annual fire prevention code inspections on buildings identified as Special Hazards.

## **Emergency Management**

### **Program Description:**

The Columbus Emergency Management program is responsible for the planning and coordination of the Government's efforts to mitigate against, prepare for, respond to and recover from major emergencies. Readiness requires continuous planning, coordinating, exercising plans, training response personnel and maintaining equipment and facilities ensuring a reliable, immediate response during emergency situations. During a major emergency, the Emergency Operations Center must be capable of selectively activating to perform the necessary command control and coordination functions. The readiness posture and capability of Emergency Management must be maintained at a level to respond rapidly and efficiently to emergencies. Public awareness and knowledge of emergency conditions and procedures are critical to public safety.

Goal:	To provide public safety/non-public safety response personnel and agencies and outside support agencies the opportunity to test their response policies and protocols through realistic exercises and drills.
Objective:	To conceive, design, and conduct a sufficient number of tabletop, functional, and full scale exercise within this jurisdiction.

	FY19	FY20	FY21

## **Muscogee County Prison**

#### **Program Description:**

The Muscogee County Prison (MCP) operates according to Georgia law, rules, and regulations of the State Board of Corrections, and the City Council. It is the responsibility of the warden to assume custody of assigned inmates under the jurisdiction of the State Board of Corrections. The warden and his personnel are charged with the responsibility of safe and secure custody, exercise service, recreation, visitation, education, and religious programs for assigned inmates.

As a work prison, MCP provides a cost-effective, inmate labor force. Inmates assigned to MCP are used to supplement the city's work force in the operation of the institution, maintenance of public roads, public services (including sanitation) and other functions of the city government.

#### **Chief Judge - Superior Court**

#### **Program Description:**

The Superior Courts are presided over by seven judges, elected by the voters of the six counties making up the Chattahoochee Judicial Circuit. These counties are Muscogee, Chattahoochee, Harris, Marion, Talbot, and Taylor. Sessions of the court, both civil and criminal, are held in the county courthouse of each county. Felony cases, divorce/alimony, child custody, equity cases, and cases involving land titles must be tried in the Superior Court. The Superior Court has concurrent jurisdiction with the other courts to try other civil cases and misdemeanor criminal cases. In addition, this court determines appeals from the Probate Court, and in certain instances, from the Juvenile and Municipal Court.

### **District Attorney**

#### **Program Description:**

The District Attorney is elected for a four-year term and is the prosecuting attorney for the Superior Courts in the Chattahoochee Judicial Circuit. The duties of this office are by statute and include the prosecution of criminal cases in Superior Court. The District attorney and his staff prosecute a broad range of felony criminal cases, in the Superior and Juvenile courts, representing the State of Georgia.

Goal:	To prosecute cases and charges presented from all sources.				
Objective:	To keep an accounting of cases and charges presented for prosecution.

#### **Juvenile Court**

#### **Program Description:**

The Juvenile Court has jurisdiction over cases involving children under the age of 17 who are alleged to be unruly, delinquent, deprived, in need of treatment (i.e., mentally, emotionally ill, or mentally retarded), or who are alleged to have committed a traffic offense. The judge, who is appointed by the Superior Court judges for a term of four years, presides over these cases as well as contested divorce custody cases transferred to the Juvenile Court by the Superior Court Judges. In FY03, a Circuit-wide Juvenile Court was established per GA 15-11-18. This includes one full-time judge and 2 part-time judges who hold preliminary/detention, shelter, and traffic hearings, assess and sign bonds, warrants and other legal documents. The support staff ensures that all cases have been properly handled by conferring with attorneys, and other professionals.

The Georgia Department of Children and Youth Services provides intake and probation officers for the court. The Intake Department is located in the Juvenile Court facility. A Protective Services Coordinator is provided by the Georgia Department of Human Resources with courtesy supervision provided by the court coordinator.

### **Juvenile Court Clerk**

#### **Program Description:**

The Juvenile Court has jurisdiction over cases involving children under the age of 17 who are alleged to be unruly, delinquent, deprived, in need of treatment (i.e. mentally or emotionally ill and mentally retarded), or who are alleged to have committed a traffic offense.

## **Jury Manager**

#### **Program Description:**

It is the responsibility of the Jury Manager to furnish jurors to all nine trial Courts, including grand jurors. This responsibility necessitates accompanying duties such as subpoenas, payroll, deferment, orientation and oath of jurors. The effective utilization of the services of jurors is more economical for the taxpayer and more efficient for the Courts.

### **Victim/Witness Assistance Program**

#### **Program Description:**

The Victim Witness Assistance Program (VWAP) works directly with the District Attorney's Office and is responsible for helping the victims, families, and witnesses through the criminal justice system. The program informs families of the status of criminal prosecutions and helps the District Attorney's Office track the vital witnesses for their cases.

Goal:	To identify and assist victims and witnesses in their time of need.				
Objective:	Send out victim packages, victim notification: Make telephone calls to gather information on victims and witnesses, inform them of upcoming court date and offer support. Enter data into Tracker for accurate documentation and reference.				
		FY19	FY20	FY21

Claims filed         888         645         800			800	

Goal:	Restitution request for loss involving medical and property.
Objective:	Restitution is now required by the courts for medical and loss of property. Our goal and objective is to see that the victim is compensated within the scope of the program.

	FY19	FY20	FY21
Performance Indicators:	Actual	Actual	Projected
Number of cases requesting restitution	1,812	1,669	1,800
Number of defendants	2,148	2,007	2,000

## **Clerk of Superior Court**

#### **Program Description:**

The Clerk of Superior Court serves in the capacity as Clerk of Superior Court, Juvenile Court, and as Clerk of State Courts. This is an elected person with a term of four years. The clerk's main responsibility is to serve as the recorder of all real estate transactions for Muscogee County, and to collect delinquent fines.

### **Board of Equalization**

#### **Program Description:**

The Board of Equalization is required by State Law to allow all property owners of Muscogee County, Georgia citizen's the opportunity to contest property tax valuations by the Tax Assessor's Office.

# **State Court**

## **DEPARTMENT MISSION STATEMENT**

To conduct a thorough, fair, vigorous and just prosecution of all misdemeanor cases bound over from Recorder's and Municipal courts in Muscogee County.

**Expenditures By Division**

## **State Court Judges**

## **Program Description:**

The State Courts are presided over by two judges who are elected for a term of four years. The Court tries both civil and criminal cases with a jury composed of twelve persons. Criminal cases tried in this court are limited to misdemeanors and appeals from Recorder's Court by the State Constitution.

#### **State Court Solicitor**

#### **Program Description:**

he State Court Solicitor General's Office prosecutes misdemeanor cases and city ordinance violation cases appealed from Recorder's Court. Cases include misdemeanor warrants issued in Muscogee County and citations issued by: Columbus Police Department, Muscogee County Sheriff's Office; Muscogee County Marshal's Office, Georgia State Patrol, Columbus State University Police, Department of Natural Resources, Animal Control, Business License Office, Code Enforcement, and cases transferred from the Muscogee County Superior Court. The Office collects all warrants, citations, reports, documents, records, criminal and driving histories, and evidence; interviews victims and witnesses; makes decisions regarding prosecution and recommended dispositions; files accusations; subpoenas witnesses; provides discovery and responds to motions; prepares for trial; negotiates pleas; tries cases in court before a judge or jury, and handles any appeals to higher courts. The Solicitor General's Office coordinates weekly jail pleas, weekly arraignment/plea dockets, and monthly trial dockets, and works with a State Court probation company to ensure fines, community service, jail reporting, restitution, and other terms of sentencing are completed. The Solicitor General's Office applies for warrants for a variety of reasons including probation violations and failure to appear for court and handles requests for record restrictions/expungements.

Goal:	To accurately and effici	To accurately and efficiently prosecute cases in a timely manner.

## **Municipal Court Judge**

#### **Program Description:**

The Magistrate Court of Muscogee County has jurisdiction of civil claims where exclusive jurisdiction is not vested in superior court. Magistrate court is confined in most cases to a monetary limit of \$15,000. The court handles the issuance of summons, trial of issues, and issuance of writs and judgement's in dispossessory proceedings and distress warrants. This court also handles: garnishments, abandoned vehicles and interrogatories. The Magistrate court provides for the filing of answers, counterclaims, and other pleadings, directly related to Magistrate Court cases The court handles all of its scheduling if hearings in conjunction with those hearings set for Municipal Court.

Goal:	The Municipal Court of Columbus shall maintain less than 175 docketed cases per monthly docket.			
Objective:	The Magistrate Court of Muscogee County shall provide for a final hearing on all litigated cases in which an answer has been filed, no later than 90 days from the filing of said answer. The allowable exception being if both parties request a continuance of the trial beyond the 90 day period.			
		FY19	FY20	FY21
Performance Indicators: Actual		Actual	Projected	
Number of cases that went to trial. 600 600		600		

## **Clerk of Municipal Court**

#### **Program Description:**

The voters of Muscogee County elect the Clerk of Municipal Court to a four-year term. Municipal Court has jurisdiction of civil cases when the amount does not exceed \$15,000 including suits for damages, breach of contract, and garnishments and writs of possession up to \$15,000. In addition, all dispossessory proceedings, attachment levies, foreclosure liens and distress warrants are handled in Municipal Court. The Clerk of Municipal Court must record and maintain minutes and pleadings; collect and disburse court monies and costs to litigants. Warrants are also issued for bad checks, peace, criminal charges and good behavior.

Goal:	Provide equal access to a fair and effective system of justice for all without excessive cost, inconvenience, or delay, with sensitivity to an increasingly diverse society. Aspire daily to administer the duties of our office fairly, professionally and responsibly. To minimize the processing time of civil and criminal actions filed in the Municipal court and to insure our citizens of a fair and timely disposition of their case.			
To familiarize Municipal Court staff with changing laws in an effort to assist those Objective: citizens seeking the services of the Municipal court and to reduce the 3 to 4 day processing time by the inclusion of additional staff to address the rising caseloads.

# **OLOST - Public Safety/Executive**

#### **DEPARTMENT MISSION STATEMENT**

The purpose of the Crime Prevention and Intervention Program is to identify and recommend long-term initiatives that will assist in preventing crime in Columbus, Georgia. It is much more cost efficient in the long run to prevent crime than for the public to bear the costs of incarceration. There will be five areas of emphasis that the program will focus on including Recreation. Education, Drug and Alcohol Prevention and Intervention, Employment and Jobs, and Community Policing.

# **Other Maintenance and Repairs**

#### **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Sewer Fund divisions.

#### **Contingency**

#### **Program Description:**

Departments' budget specific appropriations and expenditures pertaining solely to that department. However, large emergency expenditures are not always accounted for by a specific department; therefore, we have established the contingency section to record these appropriations and expenditures.

#### **Non-Categorical**

#### **Program Description:**

Departments budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year.

#### **Interfund Transfers**

This activity accounts for operating transfers from the General Fund to other funds. Transfers are made to provide required matching funds for federal and/or state grants. Also, this activity accounts for resources transferred to other funds where actual costs are recorded with funding assistance from the General Fund, such as the Civic Center and Golf Courses. Finally, this activity accounts for transfers of funds allocated to the Capital Improvement Program.

Project Description	Budget
Pipe Rehabilitation/Replacement*	\$1,398,661
TOTAL	\$1,398,661

<sup>\*</sup> The detail for these projects can be found in the Capital Improvement Program Budget Book.

#### **Budget Notes:**

The following capital was approved in this budget:

#### 250-2300 Drainage

Laptop with Docking Station and Mouse = \$2,109

#### 260-3210 Stormwater Maintenance

Attachments for Tracked Skid Steer (new) = \$34,000 Gator w/ Herbicide Spray Attachment (new) = \$15,000 Ten (10) Tablets (new) = \$10,000 Flat Bed Dump with 12' body DL (new) = \$45,532 Utility Dual Axle Trailer (new) = \$6,000 Dual Axle Equipment Trailer (new) = \$12,000

# **PAVING FUND**

The Paving Fund accounts for maintenance of and improvements to the City's roads and bridges.

#### **Highway and Roads**

#### **Program Description:**

The Highway and Roads division, managed by the Engineering Department, provides engineering services to agencies of the Columbus Consolidated Government. Services include street acceptance, preparation of engineering reports and studies, identifying easements and public right of ways, drafting construction plans, contracts and specifications, inspecting construction projects and administering construction contracts. The division manages the pavement management program.

Goal:	To increase the citizen satisfaction of the City's roadways.			
Objective:	: To reduce the number of calls for unsatisfactory utility repairs through permit management.			
	FY	/19	FY20	FY21
Performance Indicators: Actual Actual Adopted				Adopted
Number of permi	ts 1,3	310	1,584	1,700

Goal:	To increase the life of existing streets by continual implementation of the Pavement Management System and maximize the benefit of the funds spent.			
Objective:	Improve the overall condition of streets.			
		FY19	FY20	FY21
Performance Indicators: Actual Actual Projected			Projected	
Number of miles resurfaced. 3.7 12.0 15.0				15.0

Goal:	To review plans within a timely manner and provide onsite inspection.			
Objective:	To ensure compliance with Federal, State, and Local laws.			
		FY19	FY20	FY21
Performance I	ndicators:	Actual	Actual	Projected
Number of plans reviewed. 90 70 70				

#### **Repairs & Maintenance**

#### **Program Description:**

To repair right-of-way areas; i.e. potholes, asphalt maintenance, curbs/gutters, sidewalks, guardrails, inlet tops and fences.

**Goals, Objectives and Performance Data** 

Goal:	To improve asphalt maintenance by repair aprons, and shoulders through generating i generated work orders, and addressing the Transportation's Report as well as other re	in house work or se highlighted or	ders, addressing 1 the Departmen	computer
Objective:	To increase asphalt maintenance and repai	r by tonnage use	d.	
		FY19	FY20	FY21

Tonnage of asphalt used <b>2,974 2,455 4,00</b>		4,000		
Goal:	To address all curb, gutter, sidewalk, inlets generated by in house or computer generat			
Objective:  To keep sidewalks, curbs and gutters, in a safe and serviceable condition. As well as all concrete work called in to 311.				
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Yards of concrete poured 355 388 45			450	

Goal:	To provide fill material to perform maintenance to bring shoulders levels even with pavement levels.			
Objective:	Fill and compact 30 miles of unpaved state and	Fill and compact 30 miles of unpaved state and city shoulders annually.		
		FY19	FY20	FY21
Performance Indicators: Actual Actual Projected			Projected	
Miles of road shoulders repaired 58 48 60			60	

Goal:	To perform minimal maintenance on the 26 miles of unpaved streets and alleys.			
Objective:	Implement a system to provide minimal maintenance on the 26 miles of unpaved streets and alleys on a regular schedule.			
		FY19	FY20	FY21
Performance In	ndicators:	Actual	Actual	Projected
Miles of dirt roads and alleys maintained 81 50 80			80	

Goal:	Support other departments and divisions with various types of equipment and operators.			
Objective:	Provide 10,000 hours of support to other city departments and divisions.			
		FY19	FY20	FY21
Performance Indicators: Actual Actual Projected				
Number of hours	s supporting other departments and divisions	11,875	11,500	12,000

#### **Right of Way Maintenance**

#### **Program Description:**

To cut vegetation along city right-of-ways and city property, to apply herbicides to reduce the amount of unwanted vegetation, to provide landscaping activities along city right-of-ways and city property, to provide emergency response services for removal of debris, spills, and ice on the roadways, and to assist other divisions as needed. Also to provide urban forestry services to include removing, pruning, and planting of city trees. The division also provides contract inspection on the city's gateways and enforces the Tree Preservation and Replacement Ordinance.

Goal:	To maintain a neat appearance within the city's small median type parks.			
Objective:	Service an average of 62 parks once every two weeks during peak growth months.			
FY19 FY20 FY21				FY21
Performance Indicators: Actual Pro			Projected	
Average number of parks maintained every two weeks during peak growth months.		71	75	77

Goal:	To maintain a well cut appearance of the city's right of ways and other property.				
Objective:	re: To cut 2,500 miles of right-of-way and other city property each year.				
	FY19 FY20 FY21				
Performance Indicators: Actual Actual			Projected		
Annual miles of v	vegetation cut.	3,000	2,112	2,200	

Goal:	To prune trees on city properties.			
Objective:	Increase the number of trees pruned by 3%.			
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Number of trees	pruned.	6,660	2,681	2,200

Goal:	Reduce the frequency of needed cutting on right-of-ways and other property.			
Objective:	Treat 5,000 acres of land annually with herbicides.			
FY19 FY20 FY21				
Performance Indicators: Actual Act		Actual	Projected	
Annual acreage t	reated. <b>4,800</b>	2,176	1,800	

Goal:	To remove trees on city properties.				
Objective:	To maintain a consistent turn around on removal work orders of less than two weeks.				
	FY19	FY20	FY21		
Performance In	ndicators: Actual	Actual	Projected		
Number of trees	removed. <b>1,754</b>	860	850		

Goal:	To plant trees on city properties.			
Objective:	To maintain a level of trees planted between	500-700 yearl	y.	
		FY19	FY20	FY21
Performance Indicators: Actual Actual Projector			Projected	
Trees planted.		736	752	750

#### **Community Service - ROW Maintenance**

#### **Program Description:**

Maintains two (2) city cemeteries and 40-50 city owned properties. Provide support for various city supported activities such as Riverfest Weekend, Help the Hooch, Christmas tree and telephone book recycling programs. Clean the city and county right-of-way of litter and debris.

Goal:	To improve the quality of life in Columbus, Georg	To improve the quality of life in Columbus, Georgia by maintaining litter free roadways.				
Objective:	bjective: To increase the number of miles policed by 3% every year.					
		FY19	FY20	FY21		
Performance In	dicators:	Actual	Actual	Projected		
Number of miles	policed	2,192	2,761	3,500		
Pounds of litter i	removed 6	57,680	397,440	400,000		

Goal:	Improve the quality of life and appearance of the City roadways, cemeteries and City owned lots through the efficient use of probationers.			
Objective:	Coordinate directly with the courts to increase by 5% the number of sentenced individuals and asigning them to the Department of Public Services.			
		FY19	FY20	FY21
Performance Indicators: Actual Proje			Projected	
Number of probationers assigned 599 681		750		
Man hours used in Community Service 9,524 10,894 11,4			11,438	

Goal: To maintain the landscape of the Porterdale and East Porterdale Cemeteries.					
Objective: To cut grass twice monthly during growing seasons.

		FY19	FY20	FY21	
Performance I	Performance Indicators: Actual Actual Projected				
Number of lots	cut monthly.	28	28	28	

#### **Other Maintenance & Repairs**

#### **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost

#### Contingency

#### **Program Description:**

Departments budget specific appropriations and expenditures pertaining solely to that department. However, large emergency expenditures are not always accounted for by a specific department; therefore, we have established the contingency section to record these appropriations and expenditures.

#### **Non-Categorical**

#### **Program Description:**

Departments budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year.

#### **Interfund Transfers**

#### **Program Description:**

This activity accounts for operating transfers from the General Fund to other funds. Transfers are made to provide required matching funds for federal and/or state grants. Also, this activity accounts for resources transferred to other funds where actual costs are recorded with funding assistance from the General Fund, such as the Civic Center and Golf Courses. Finally, this activity accounts for transfers of funds allocated to the Capital Improvement Program.

Project Description:	Budget
Resurfacing/Road Improvements	\$ 1,334,380
Total:	\$ 1,334,380

<sup>\*</sup> The detail for these projects can be found in the Capital Improvement Program Budget Book.

#### **Budget Notes:**

#### 260-3110 Streets

Two (2) Trailer Mounted Attenuators (new) = \$40,000 Flat Bed Dump with 12' body DL (new) = \$45,532

#### 260-3120 Urban Forestry & Beautification

Eleven (11) Zero Turn Mowers (replacement) = \$88,275

# MEDICAL CENTER FUND

The Medical Center Fund accounts for funding indigent hospital care for the residents of Columbus.

Return to Table of Contents

### **Medical Center Fund**

#### **DEPARTMENT MISSION STATEMENT**

The Consolidated Government and the Medical Center have a contractual agreement whereby hospital services are provided to indigent Muscogee County residents. The Medical Center receives an amount equal to the revenue produced by three mills of property tax to cover such services after the approval of said patient bills by the Consolidated Government.

#### E911

#### **Program Description:**

The 911 Center is divided into two areas: the Public Safety Message Center and the Emergency Operations Center. The Public Safety Message Center is the administrative telephone-answering unit for the Police and Fire Departments. The 911 Operations Center is responsible for receiving requests for emergency services and dispatching the appropriate units to the emergency; monitoring and dispatching the Police, State Sheriff's, Fire and EMS radio channels; the Civil Defense National Warning System; all bank alarms, the FBI and National Guard Alarms; and implementing emergency procedures in concert with other agencies.

Goal:	To provide emergency and non-emergency communications services in a professional and efficient manner for public safety and other agencies.

## **Adult & Dislocated Workers**

# **Program Description:**

WIOA authorizes "core" and "intensive" services. "Core" services are available to all adults and include job search and placement assistance; labor market information; initial assessment of skills and needs; information about available services; and follow-up services. "Intensive" services are available for unemployed individuals who are not able to find jobs through core services alone. These services include more comprehensive assessments, development of employment plans, counseling, case management and short-term pre-vocational services. Additionally, the Act authorizes the provision of temporary income support to enable participant continuation in training.

# Youth

### **Program Description:**

WIOA authorizes eligible youth ages 14 through 21 to be considered as low-income and must meet one or more of the following challenges:

(1) School dropout; (2) basic literacy skills deficiency; (3) homeless, runaway, or foster child; (4) pregnant or a parent; (5) an offender; or (6) need help completing an educational program or securing/holding a job. Furthermore, 30% of these funds must help those who are in school. Additionally, the program just provides summer employment opportunities linked to academic and occupational learning.

# ECONOMIC DEVELOPMENT AUTHORITY FUND

The Economic Development Authority Fund accounts for dedicated millage for economic development within the City.

Return to Table of Contents

# **Economic Development Authority**

## **Program Description:**

The Columbus Consolidated Government and the Development Authority of Columbus have an agreement whereby economic development activities that include; working with local and regional entities in attracting quality companies, working to broaden the Muscogee County tax base, job creation and retention are provided by the Development Authority, in conjunction with the Greater Columbus Chamber of Commerce. The Development Authority will receive the revenue produced by 0.25 mills of ad valorem taxes to cover such activities. Beginning in FY14, an additional 0.16 mills will be set aside in an Economic Development reserve, subject to Council approval and discretion.

### **Overview and Debt Financing Principles:**

The Columbus Consolidated Government maintains a Debt Service Fund. This fund is used to service debt from four sources: General Obligation Debt, Columbus Building Authority contractual debt, the Board of Water Commissioners revolving loan contract, and lease purchase programs with the Georgia Municipal Association. Proceeds of a dedicated property tax form the primary source of revenue for the Debt Service Fund; a 1% Special Purpose Local Option Sales Tax provides the primary source of revenue for the Sales Tax Proceeds Account Fund.

All local governments must determine how capital projects will be financed. It is the policy of the Columbus Consolidated Government (CCG) to use debt sparingly to retain the capacity to issue additional debt if the need arises. Currently, CCG is currently well below the 20% level that is considered by the credit industry to be a danger signal. In addition, the CCG is well below the legal debt ceiling for general obligation debt (details on Debt Margin below).

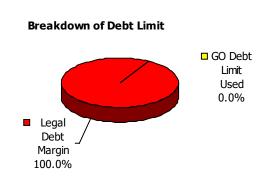

#### **Debt Margin:**

The Columbus Consolidated Government remains below the debt ceiling of 10% of assessed value of taxable property established by the State of Georgia's constitution. CCG uses none of its established legal debt limit.

The current general obligation bond rating:

Standard & Poor's: AA + Moody's Investors Service: Aa2

	Moody's	Standard & Poor's

Assessed value of taxable property\* \$ 6,162,557,803

Debt Limit: 10% of assessed value 616,255,780

Less: Amount of debt applicable to debt limit

Legal Debt Margin Available \$616,255,780

\*Based on 2020 State Approved Gross Assessed Digest as of 07/30/2020.

# **Contractual Debt: Columbus Building Authority -**

The Columbus Building Authority was created to provide a means to issue revenue bonds to acquire, construct, equip, maintain, and operate self-liquidating projects. The Consolidated Government has an agreement with the Columbus Building Authority whereby all assets purchased through the Columbus Building Authority are leased to the Consolidated Government. The Consolidated Government services the Building Authority's debt in lieu of making rental payments. The Consolidated Government has directly or indirectly guaranteed the Authority's debt. In 2012, new bonds were issued, proceeds from which in part repaid outstanding balances from the Series 1999 and Series 2003 bonds. In 2019, a bond was issued via direct placement to provide for renovations to the South Commons Softball Complex, the Government Center, and funding a needs assessment study.

For FY21, debt service fund expenditures are summarized as follows:

Debt Service Summary:	Principal Payments	Interest Payments	Total Payments	
2012 A	1,145,798	563,845	1,709,643	
2012 B	405,000	215,505	620,505

Performance Indicator	s:	Actual	Actual	Projected
Local Budget approval p. with FTA and GDOT.	rocess and funding. Executed contracts	100%	100%	100%

# Planning - FTA (5303)

### **Program Description:**

Transit planning consists of these basic components: research, data analysis and planning, and maintenance of the transit grants. We accomplish research and forecasting according to Federal Transportation Administration (FTA) requirements using established guidelines. Statistical ridership populations, socioeconomic factors and employment patterns are the primary variables in data analysis.

This division is project oriented: annual reports, special studies, videos, transit information and related activities with a primary focus on mass transit. FTA provides federal dollars for planning at 80% of expenses. The GA DOT provides State dollars for planning at 10% of expenses. The City must apply for both.

Goal:	To maintain transit strategi	To maintain transit strategies that are pro environment.		
Objective:	To update the short range and long range transit planning to reflect the changes in demographics, destinations and other issues affecting public transportation (i.e., security, environmental, congestion).			
		FY19	FY20	FY21
Performance Indicators:		Actual	Actual	Projected
Update the Unified Planning Work Program (UPWP), the Transportation Improvement Program (TIP), the congestion 100% 100% 100% mitigation strategies, participation in environmental impact assessments, ridership demands, and demographic data.				100%

Goal:	To maintain coordinated tra TSPLOST funding.	nsit activities a	nd manage requi	rements of
Objective:	<u>-</u>	Participate with the Metropolitan Planning Organization in transportation activities, review routes and survey customers for service viability.		
		FY19	FY20	FY21

# **Other Maintenance & Repair**

# **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. We established this cost center to account for maintenance and repair activities specific to Transportation Fund divisions.

# **Non-Categorical**

#### **Program Description:**

Department budget specific appropriations and expenditures pertaining solely to that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures.

# **Interfund Transfers**

#### **Program Description:**

We allocate appropriations for Capital Improvement Projects here for record and accounting purposes. Additionally, this cost center accounts for operating transfers from the Transportation Fund to the Risk Management Fund providing workers' compensation benefits for METRA employees.

# **Budget Notes:**

#### **Bull Creek Golf Course Maintenance**

#### **Program Description:**

The overall goal of the maintenance section is to maintain Bull Creek Golf Course as one of the top 25 golf courses in the United States. The maintenance staff is responsible for Golf Course turf grass maintenance such as fertilizer and chemical application, irrigation installation and repair, tree management, cart path repair and the daily task of grooming 36 holes.

# **Bull Creek Golf Course Operations**

#### **Program Description:**

The operations section strives to provide an efficient operation to the public. They create an atmosphere of service and maintain a price range suitable to attract all public golf players in the area. The activities consist of numerous golf tournaments for couples, juniors, individuals and teams, as well as company outings designed to benefit the company, their customers and employees.

## **Contingency**

#### **Program Description:**

The Contingency Fund is an amount established in each annual budget to finance unusual items, which cannot be anticipated in the budget preparation. As these items occur during the year, transferring the required funds to the appropriate account reduces the contingency.

# **Non-Categorical**

#### **Program Description:**

Appropriations and expenditures that pertain solely to a specific department are budgeted by that department. However, there are certain expenditures that are not applicable to a specific department and the non-categorical section has been established for recording these appropriations and expenditures.

#### **Football**

#### **Program Description:**

Professional football has returned to Columbus with the Columbus Lions. The Southern Indoor Football League (SIFL) began its season in 2006. Over the course of the season, the SIFL plays 8 home games at the Civic Center.

#### **Ice Rink**

#### **Program Description:**

The Columbus Ice Rink is a multipurpose public assembly facility with 38,122 square feet including a single NHL regulation-sized ice surface, measuring 200' x 85' with a comfortable seating capacity of 713 guests. The facility is capable of handling ice events as well as social events. The capacity for social events when the ice floor is covered, is 1,440. The facility features a state-of-the-art Bose Sound System, private VIP area overlooking the rink, a spacious lobby, Pro Shop, and Snack Bar.

Goal:	Increase revenue durin	Increase revenue during the months of June, July, and August each year.		
Objective:	•	Utilize facility to increase revenues from non-traditional rentals by removing		
	the ice during these mo	the ice during these months.		
		FY19	FY20	FY21

Percentage growt	th in patrons over prior year	10%	10%	10%		

#### **Other Events**

#### **Program Description:**

The Civic Center is focused on providing space for approximately 250 event days throughout the year. The Civic Center works to bring various events such as concerts, ice shows, fairs, and variety of other attractions to Columbus while also providing additional conference space to the area.

#### **Other Maintenance & Repairs**

#### **Program Description:**

The Facilities Maintenance Division is responsible for maintaining city facilities, including minor renovations. This cost center is established to account for maintenance and repair activities specific to the Paving Fund divisions.

## **Non-Categorical**

#### **Program Description:**

Appropriations and expenditures that pertain solely to a specific department are budgeted by that department. However, certain expenditures are not applicable to a specific department and we have established the non-categorical section for recording these appropriations and expenditures. This cost center factors a cost allocation charge that reimburses the General Fund for administrative services provided in the previous year.

# **Workers Compensation**

#### **Program Description:**

The Risk Management Fun dis established for the purpose of providing self-insurance funding for vehicle claims and worker's compensation management. This division identifies and measures all exposures to loss, development of risk management policy, negotiates insurance, adjust claims, maintains records, provides statistical analysis of data, and oversees critical lost control activities.

## **Risk Management**

#### **Program Description:**

This division identifies and measures all exposures to loss, development of risk management policy, negotiates insurance, adjust claims, maintains records, provides statistical analysis of data, and oversees critical lost control activities.

# **Contingency**

#### **Program Description:**

The Contingency Fund is an amount established in each annual budget to finance unusual items, which cannot be anticipated in the budget preparation. As these items occur during the year, transferring the required funds to the appropriate account reduces the contingency.

# **INCLUDED IN THIS SECTION:**

- Glossary
- Acronyms
- Capital Outlay
- Position Classification by Department
- CCG/UGA Pay Plan Charts

The Annual Operating Budget contains specialized and technical terminology that is unique to public finance and budgeting as well as unique to the Columbus Georgia area. The following glossary has been included in this document to assist the reader in understanding these terms.

**ACCOUNT NUMBER:** A line item code defining an appropriation.

**ACCRUAL ACCOUNTING:** A basis of accounting in which revenues are recognized in the accounting period in which they are earned, and expenses are recognized in the period in which they are incurred.

**ADOPTED BUDGET:** The operating budget plan, which is presented to City Council by the Mayor and approved by City Council.

**APPRAISED VALUE:** The estimate of fair market value assigned to property by an appraiser or tax assessor. For tax assessment purposes, such value is stated as of the last countrywide reappraisal date.

**APPROPRIATION:** Authorization given by Council to make expenditures or incur obligations for approved work programs with specific limitations.

**ASSESSED VALUATION:** A valuation set upon real estate or other property by a government as a basis for levying taxes. Taxable valuation is calculated from an assessed valuation.

**BALANCED BUDGET:** A budget is considered "balanced" when Total Revenues equal Total Expenditures within each fund and for all funds in aggregate. Fund balance (reserves) may be used as a Revenue Source to balance the fund so that Revenues equal Expenditures.

**BASE BUDGET:** The minimum amount of funding necessary to continue the current level of service including inflation and equipment replacement schedules.

**BENCHMARK POSITION:** Positions to be used as points of reference; here, when measuring our employees' pay with pay levels in our labor market.

**BOND:** A long-term obligation or promise to pay. It is a promise to repay a specified amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects.

**BOND DEFEASANCE OR BOND REFINANCING:** The payoff and re-issuance of bonds to obtain better interest rates and/or bond conditions.

**BUDGET:** A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing. The term "budget" is used in two senses in practice. The budget, once adopted, is the legal authorization to expend City funds during the fiscal year. The budget may be amended during the fiscal year by the governing body and/or management in accordance with procedures specified by law and/or administrative rules and regulations.

**BUDGET ADJUSTMENT:** A legal procedure utilized by the budget staff to revise a budget appropriation. The Budget Officer has the authority to adjust expenditures within or between departmental budgets according to budget policy. No increase in the total budget can occur without approval of Council.

**BUDGET CONTROL:** The control or management of a governmental unit or enterprise in accordance and within the limitations of available appropriations and available revenues.

**BUDGET MESSAGE:** A general discussion of the proposed budget as presented in writing to the legislative body.

**CCG:** The acronym for Columbus Consolidated Government.

**CAPITAL IMPROVEMENTS:** Building, infrastructure, and other attachments or annexations to land and facilities which are intended to remain so attached or annexed.

**CAPITAL IMPROVEMENTS PROGRAM (CIP):** A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or otherwise. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the full resources estimated to be available to finance the projected expenditures.

**CAPITAL OUTLAY:** Capital items are defined as tangible items such as tools, desks, machinery, and vehicles costing more than \$500 each and having a useful life of more than one year.

**COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG):** A federal domestic assistance grant to develop viable urban communities by providing decent housing and a suitable living environment as well as expanding economic opportunities for persons of low and moderate income.

**CODE:** A group of numbers that may identify a fund, department/division, line item or project.

**CONSOLIDATED GOVERNMENT:** A county and city whose governments are combined into a single entity.

**CONSUMER PRICE INDEX (CPI):** An index of items used to measure the change in prices over time.

**CONTINGENCY:** A budgetary reserve set aside for emergencies or expenditures not otherwise budgeted.

**COST ALLOCATION:** Method designed to recover indirect costs from non-general fund activities for the administration of specific General Fund services provided to those activities.

**DEBT SERVICE:** Payment of interest and repayment of principal on city debt.

**DEPARTMENT:** A major administrative organizational unit of the City that indicates overall management responsibility for one or more divisions.

**DEPRECIATION:** (1) Expiration in the service life of fixed assets, other than wasting assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence. (2) The portion of the cost of a fixed asset other than a wasting asset that is charged as an expense during a particular period. In accounting for depreciation, the cost of a fixed asset, less any salvage value, is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost. Through this process, the entire cost of the asset is ultimately charged off as an expense.

**DIVISION:** A major administrative organizational unit of the City that indicates overall management responsibility for one or more activities.

**D.O.T. –** Department of Transportation.

**ELECTED OFFICIAL:** Person who holds an elected position of leadership for the City and/or County government. In Columbus/Muscogee County, these are the Mayor, Sheriff, Marshal, certain Judicial Officials (District Attorney, Judges, Solicitor), Clerk of Superior Court, Coroner, and Tax Commissioner.

**ENTERPRISE FUND** – A fund established to account for operations financed and operated in a manner similar to private business enterprises.

**EXPENDITURES:** Disbursements or outlays of cash which decrease the City's net financial resources. Expenditures include current operating expenses that require the current or future use of net current assets, debt service and capital outlays.

**EXPENSES**: Decreases in net total assets. Expenses represent the total cost of operations during period regardless of the timing of related expenditures.

**FISCAL YEAR:** A twelve-month period of which the annual operating budget applies and, at the end of which, a government determines its financial position and the results of its operations.

**FIXED ASSETS:** Assets of a long-term character that are intended to continue to be held or used, such as land, buildings, improvements other than buildings, machinery and equipment.

**FRANCHISE FEE:** A fee paid by public service utilities for use of public property in providing their services to the citizens of the community.

**FUND:** A fiscal and accounting entity with a self-balancing set of accounts which record cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

**FUND BALANCE:** The unused balance of governmental funds and expendable trust funds, which include certain reservations of funds established for control purposes. It is what is "left over" after obligations have been repaid and all expenditures have been completed.

**GENERAL FUND:** The principal fund operating the city that accounts for most of the financial resources of the government. General fund revenues include property taxes, licenses and permits, local taxes, service charges and other types of revenues. This fund includes most of the basic operating services, such as fire and police protection, finance and records, leisure services, public services and general administration.

**GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP):** Uniform minimum standards of and guidelines for financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP incorporates the conventions, rules, and procedures necessary to define accepted accounting practices at a particular time. GAAP provides a standard by which to measure financial presentations.

**GENERAL OBLIGATION (G.O.) BOND:** This type of bond is backed by the full faith, credit and taxing power of the government.

**GENERAL SERVICES DISTRICT:** District accounting for the governmental services pertaining to the consolidated City of Columbus, GA. The revenues from this district's millage rate support the General Fund.

**GFOA:** Government Finance Officers Association.

**GIS:** Geographical Information Systems.

**GRANTS:** Contributions, gifts, cash and/or other assets from other government agencies (usually from state or federal) and are normally restricted to expenditure or use for a specified purpose, activity, or facility.

**HAZMAT:** An abbreviation for Hazardous Materials.

**IMPROVEMENT:** Any amount of service or request above the current level of service.

**INFRASTRUCTURE:** The physical foundation of a community and capital assets of a permanent nature. For example, land, streets, roads, highways, bridges, buildings, water pipes & sewer lines.

**INTERFUND CHARGES:** Charges for services rendered by a non-internal service activity to a user in a different fund.

**INTERFUND REIMBURSEMENTS:** Receipt of funds as reimbursement for charges for services rendered by a non-internal service activity to a user in a different fund.

INTERFUND TRANSFERS: See "Transfers In/Out".

**INTERGOVERNMENTAL REVENUE:** Revenue collected by one government and distributed to another level of government(s).

**INTERMENT:** Placing of a corpse in a grave.

**LEGALLY ADOPTED BUDGET:** The Adopted Budget or operating plan that is approved by City Council. Typically, the "Adopted Budget" refers to the total of all city operating funds, including all revenues, expenditures, and transfers between and among funds.

**LIABILITIES:** Debts or other legal obligations arising out of transactions in the past that must be liquidated, renewed, or refunded at some future date.

**LINE ITEM:** A method in which a unit of appropriate is expressed or defined.

**LONG TERM DEBT:** Debt with a maturity of more than one year after the date of issuance.

**LOCAL OPTION SALES TAX (LOST):** State legislation allows local governments to levy an additional sales tax within its jurisdiction. The City of Columbus currently collects proceeds based on a 1% approved local option. Use of these funds is unrestricted.

**MCP:** The acronym for Muscogee County Prison.

**MILLAGE RATE:** The ad valorem property tax rate expressed in terms of the levy per thousand dollars of taxable assessed value.

**MODIFIED ACCRUAL BASIS:** The accrual basis of accounting adapted to the governmental fund type Spending Measurement Focus. Under it, revenues are recognized when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the related fund liability is incurred except for: (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used; (2) prepaid

insurance and similar items which need not be reported; (3) accumulated unpaid vacation, sick pay and other employee benefit amounts which need not be recognized in the current period, but for which larger than normal accumulations must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and (5) principal and interest on long-term debts which are generally recognized when due. All governmental funds and Trust Funds are accounted for using this method.

**NET BUDGET:** The legally adopted budget less all interfund transactions. Interfund transactions representing transfers and interfund reimbursements are subtracted from the legally adopted budget amount to prevent being double counted from the perspective of the entire budget.

**NONDEPARTMENTAL:** Functions and accounts that are not directly related to a department's primary service activities, or which are separate from departmental operations for control purposes.

**ORDINANCE:** A formal legislative enactment by the City Council and has the full force and effect of law within the boundaries of the City.

**OPERATING BUDGET –** Planned expenditures and revenues for the continued regular operations and maintenance of basic governmental functions and services. Includes personnel, supplies, services and capital items. All funds lapse at the fiscal year end. The operating budget for CCG includes the following funds: General, Sewer, Paving, Integrated Waste Management, Emergency Telephone, Medical Center, Debt Service, Economic Development, METRA, Parking Management, Trade Center, Bull Creek Golf Courses, Oxbow Creek Golf Course, and Civic Center.

**OPERATING EXPENDITURES:** The cost for personnel, materials and equipment required for the City to provide services to its citizens or for a department to fulfill its mission.

**ORDINANCE** – A formal legislative enactment by the governing body of a municipality. Enactment of an ordinance by the CCG requires two weeks for final approval.

**OTHER LOCAL OPTION SALES TAX:** (also referred to as "Other LOST") The Local Option Sales Tax which followed the original LOST. As with the original LOST, use of these funds is unrestricted, however, City Council has made an administrative decision to utilize 70% of Other LOST proceeds for Public Safety and the remaining 30% for Infrastructure investment and refurbishment.

**PERFORMANCE MEASURES:** Specific quantitative measures of work performed within an activity or program. They may also measure results obtained through an activity or program.

**PERSONAL SERVICES:** Expenditures for salaries, wages and fringe benefits for personnel.

**PRO FORMA (PROJECTIONS)**: Estimated future budgets that are based on actual historical activity and budget information.

**PROGRAM:** The collection of services being performed to achieve a desired goal.

**PROJECTED:** Estimation of revenues and expenditures based on past trends, current and expected economic conditions, and future financial forecasts.

**PROPERTY TAX:** A tax levied on the assessed value of real, public utility and personal property. Generally, assessed value is 40% of fair market value.

**PUBLIC HEARING:** The portions of open meetings held to present evidence and provide information on both sides of an issue.

**REALLOCATION** – Project budgets in excess of project expenditures may be transferred to finance or assist in financing other projects.

**RESERVE:** An account used to indicate that a portion of a fund balance is restricted for a specific purpose.

**RESOLUTION** – A special order of a legislative body requiring less legal formality than an ordinance. Approval of a resolution by the CCG requires one week for approval.

**REVENUE:** Money or income received by the Consolidated Government from external sources such as taxes collected or an amount received for performing a service.

**REVENUE BOND:** only the revenues received from a specific enterprise or project, such as a hospital or toll road, back a revenue bond.

**REVISED BUDGET:** The revised budget is the budget that has been modified from the Adopted Budget and which includes carryover funds from the previous year and approved changes from the mid-year adjustments.

**RISK MANAGEMENT:** The coordinated and continuous effort to minimize the potential financial and human resource losses arising from workers compensation, liability and property exposures.

**SELF-INSURANCE:** The formal assumption or partial assumption of risks and the accounting of results. Specific accounts or funds are set aside to fund the risks, and losses that do occur are charged against those accounts or funds.

**STATUTE:** A written law enacted by a duly organized and constituted legislative body.

**STRUCTURALLY BALANCED BUDGET:** The budget considered "structurally balanced" when Total Revenues equal Total Expenditures *and* the source of Revenues is equivalent to the use of Expenditures in nature, length of maturity, and content without reliance on use of reserves or fund balance to balance the budget.

**SUPPLEMENTAL:** Any amount of service or request about the current level of service.

**TAXABLE VALUE:** This is calculated as 40% of the assessed value.

**TAX RATE:** The amount of tax stated in terms of a unit of the tax base; for example, five mills equal five dollars per thousand of taxable value.

**PERSONAL SERVICES:** Expenditures for salaries, wages and fringe benefits for personnel. **PROGRAM:** The collection of services being performed to achieve a desired goal.

**PUBLIC HEARING:** The portions of open meetings held to present evidence and provide information on both sides of an issue.

**SELF-INSURANCE:** The formal assumption or partial assumption of risks and the accounting of results. Specific accounts or funds are set aside to fund the risks. Any losses that do occur are charged against those accounts are funds.

**SPECIAL PURPOSE LOCAL OPTION SALES TAX (SPLOST):** A voter approved 1% Sales Tax used for specified Capital Improvement Projects.

**TAXES:** Compulsory charges levied by a government for financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include charges for services rendered only to those paying such charges as, for example, sewer service charges.

**TRANSFERS IN/OUT:** Amounts transferred from one fund to another to assist in financing the services of the recipient fund. Transfers do not constitute revenues or expenditures of the governmental unit but only of the individual funds. Thus, they are budgeted and accounted for separately from other revenues and expenditures.

**TRANSPORTATION SPECIAL PURPOSE LOCAL OPTION SALES TAX ("TSPLOST"):** A regionally voter approved and adopted SPLOST, proceeds from which are used for specified transportation related projects. Columbus is in the River Valley region for purposes of TSPLOST.

**USEFUL LIFE:** Period or time-span an item is expected to continue providing financial service.

# **ACRONYMS**

Acronyms of Budget specialized and technical terminology that is unique to public finance and budgeting as well as unique to the Columbus Georgia area. The following acronyms have been compiled to assist the reader in understanding these terms.

**CAFR:** Comprehensive Annual Financial Report

**CBA:** Columbus Building Authority

COLUMBUS, GEORGIA CONSOLIDATED GOVERNMENT

FISCAL YEAR 2021

**CAPITAL IMPROVEMENT PROGRAM** 

### CAPITAL PROJECTS BACKGROUND

The Columbus Consolidated Government ("CCG") has operated a capital program since its consolidation in 1971. The program, which was originally supported by the General, Sewer and Paving operating funds, has historically been used for infrastructure such as road construction, drainage improvements, technology support and miscellaneous project fund reserve. Today, the Sewer and Paving Funds are supported primarily by property tax revenue, while the General Fund is funded from property, utility, sales and other taxes, as well as miscellaneous other revenues.

The Integrated Waste Management Fund was added in 1994 to account for capital projects related to the construction and expansion of landfills. This fund is supported by service charges from residential and commercial waste collection and management.

In addition to Capital Improvement Project (CIP) Funds which are supported by Operating Funds, from time to time CCG finances projects either through debt issuance or contractual debt issued through the Columbus Building Authority (the "Authority"). The Authority was created by Article VII, Sec. VI, Pa. 1 of the Constitution of Georgia of 1945, as amended and ratified at the general election of November 5, 1968 (Ga. L. 1966, Pg. 946). The Authority provides a means to issue revenue certificates to acquire, construct, equip, maintain, and operate self-liquidating projects embracing buildings and facilities for use by the Consolidated Government of Columbus, Georgia. Debt service for Authority issued bonds is funded through the Debt Service Fund, an Operating Fund of CCG.

In 1999, the citizens of Columbus voted to renew the 1993 1¢ Special Local Option Sales Tax ("SPLOST"). The renewed SPLOST provided funding for approximately \$255,000,000 of capital projects used for public safety, economic development, recreation, transportation, a citizens' service center, storm water drainage improvements, flood abatement, road, street, and bridge construction/repair, a county library, and governmental, proprietary, and administrative purposes of the SPLOST. The projects were financed with equally distributed revenues and constructed as SPLOST cash flow allowed over a nine-year time span. In 2010, SPLOST collections ended.

In July of 2008, the citizens of Columbus voted to approve a new Local Option Sales Tax (referred to as the "Other LOST") that would allocate a one-cent sales tax to help raise funding for the city. Seventy percent of the tax revenue is devoted to Public Safety. Public safety expenditures have included the addition of 100 police officers, adding new patrol zones, building police precincts, replacing fire stations, building a jail addition, hiring Sheriff personnel, and annually paying every city law enforcement officer a supplement (this year, \$3,891). The remaining thirty percent has been dedicated toward roads, bridges and other much needed infrastructure projects. The tax went into effect on January 1st, 2009.

On July 31, 2012 voters in the River Valley special district, of which Columbus is a part, approved a regional Transportation Special Local Option Sales Tax ("TSPLOST"). Enacted as the Transportation Investment Act of 2010, this legislation authorized the funding of designated transportation projects as determined by a regional roundtable committee of local elected officials from the region and approved by its citizens.

### CAPITAL PROJECTS BUDGET/FUNDING PROCESS

During the operating budget process, departments submit funding requests for new projects. In order to get a total project cost, budget procedure requires requests to be presented over a five-year period to include anticipated operating costs after project completion.

The CIP Committee reviews the funding requests. This Committee is comprised of the department heads associated with the ongoing capital improvement projects. These funding requests are ranked by importance and need in the community and are then forwarded to the City Manager with funding recommendations to be included in the overall Operating Budget.

All funding sources are approved by the City Council. Projects financed by the operating funds are presented in the Annual Operating Budget as inter-fund transfers or within specific departmental budgets. The appropriations are transferred to the relevant CIP funds. Projects may be financed with a variety of sources and, unlike the operating funds, CIP appropriations do not lapse at year-end.

The funding for the **\$99,274,561** of Capital Improvements Projects for the FY2021 budget is financed through the following methods (See summary of financing and projects by service type):

- > **\$25,455,700** Operating fund supported:
  - o **\$1,398,661** from the Sewer Fund
  - o **\$1,734,380** from the Paving Fund
  - o \$0 from the Integrated Waste Fund
  - \$22,322,659 from Prior Years' Fund Balances
- > \$6,115,610 from the 1999 Special Purpose Local Option Sales Tax (1999 SPLOST)
- > \$4,206,738 from Columbus Building Authority Contractual Debt (2003A, 2003B, 2010B, 2010C Issues)
- **\$8,352,966** from the 2009 Other Local Option Sales Tax (2009 Other LOST)
- > \$55,143,545 from the 2012 Transportation Special Purpose Local Option Sales Tax (TSPLOST)

The total financing for a given project may be available at one time, while the project may take more than one fiscal year to complete. Therefore, financing sources may be higher than the project cost for that fiscal year. In this case, the total financing sources are earmarked and recorded for that project and any balance carried forward to the next fiscal year. For the TSPLOST projects, the anticipated amount to be expended in each of the next five (5) fiscal years has been shown in the detailed section, although the entire amount of the remaining funding for FY20 and beyond has been included in the total financing sources. For recurring expenditures that are anticipated for each of the next five (5) fiscal years, the estimated amount that is expected to be allocated in those future years has been shown. However, it is important to note that ONLY the FY21 apportionment has been adopted as part of the FY2021 Adopted Budget, because according to the City's charter, only one year of budget appropriations can be officially adopted each budget cycle by Council. Apportionment for future years has not yet been approved or adopted and is presented for discussion and planning purposes only.

### CAPITAL PROJECTS OVERVIEW

This document is a comprehensive overview of projects currently funded by the Consolidated Government. The projects are grouped by service type. The project groups are:

#### \$5,913,462

**MANAGEMENT** – Incorporated in this group are projects which will impact the general function and management of CCG. Projects may include land acquisition and development, facilities and infrastructure construction and renovation not directly associated with any other service classification. These projects are typically funded with contributions to the CIP Fund from the operating funds. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Management tab.

#### \$198,857

PARKS, RECREATION & LEISURE – All costs associated with the land acquisition and park development, facilities construction and renovation of gymnasiums, museums, recreation centers, marinas, courts, and fields and other facilities and infrastructure associated with recreational and leisure activities. These projects have been primarily financed by the SPLOST but also receive funding from the General Fund, grants and private contributions. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Parks, Recreation & Leisure tab.

#### \$1.196.783

<u>PUBLIC SAFETY/CRIMINAL JUSTICE</u> – All projects related to the delivery of Courts, Police, Fire, Sheriff, Marshal, Emergency Medical and Correction services are recorded in this section. These projects are typically funded by the General Fund but may be financed through debt and other sources. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Public Safety/Criminal Justice tab.

#### \$9,580,991

**DRAINAGE** – Projects classified as drainage are primarily concerned with storm water control, flood prevention and soil conservation. Sewer construction and renovations, open ditch and stream bank stabilization, and retention pond improvements are found in this section. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Drainage tab.

### \$24,370,891

**TRANSPORTATION** - All modes of transportation for motorized and non-motorized vehicular and pedestrian traffic are included here. Projects may be land and right-of-way acquisition, traffic signalization, road, sidewalks, and path or trail construction. Road projects are primarily funded through contributions from the Paving Fund. Other financing sources may include SPLOST or bond issues. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Transportation tab.

#### \$55,143,545

**TSPLOST**- All of the projects included in this category have been specifically identified as TSPLOST projects. In 2012, three regions approved by referendum the adoption of the TSPLOST, or Transportation Special Local Option Sales Tax. Columbus/Muscogee lies within the 16-county region known as the River Valley region (T-08). Each month, Muscogee receives a distribution equating to an apportioned amount of TSPLOST collections in the River Valley region as part of its discretionary funding under this tax referendum. Discretionary funds may be used at Council's direction and discretion for transportation projects. The majority of TSPLOST funding is non-discretionary and is allocated according to those projects specifically approved under this taxation program.

#### \$2,870,029

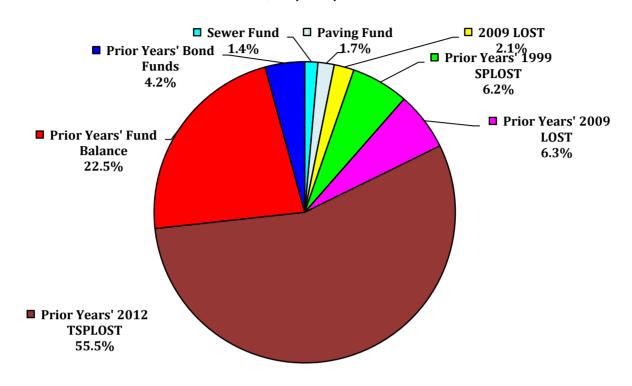

**ENVIRONMENTAL** – This category primarily shows projects associated with the landfills. Other projects may include urban re-forestation, streetscapes and gateway projects. The summary and each service type category and detail pages of the individual projects composing the service type are behind the Environmental tab.

Capital Improvement Projects project budgets may include any of the following basic costs commonly associated with a CIP Project:

- Renovation or expansion of existing facilities
- Initial feasibility study for new facilities/infrastructure
- Land acquisition, site improvements, development
- Construction of new facility/infrastructure
- Management/administrative costs
- > Equipment and furnishings associated with the project
