MINIMUM AWARD AGREEMENT

VENDORS ARE REQUIRED TO COMPLETE & RETURN THIS PAGE WITH BID

EACH BIDDER WILL GIVE THE MINIMUM AWARD THEY ARE WILLING TO HONOR;
EITHER MINIMUM QUANTITY OF LINE ITEMS, OR MINIMUM DELIVERY ORDERS,
OR MINIMUM DOLLAR VALUE.

Bidders are required to supply this vital information to save time and delivery lags. If it is not beneficial for a vendor to accept an award under a certain quantity or dollar value, advance notice is required.

Vendors will be informed of line items awarded in writing. **Consequently, we will not call** to verify your acceptance of an award. A great deal of time and effort is utilized conferring with vendors to confirm if they will supply the goods bid. As a result, we have found that bidders who do not receive a substantial portion of a bid, decline to supply their awarded items. We must assume, by submitting a bid for a particular item(s), a vendor is responsible and responsive to supply said item(s). (If with all good intentions, bidder cannot supply the items awarded, it is the **responsibility of the bidder** to notify the City of Columbus.)

In addition, **we will not call** to verify unit sizes and brand names. The bid specifications ask for complete information, to include brand names, unit sizes, etc...(*Refer to paragraph titled "unit size" and paragraph titled "brand name")

(*PLEASE NOTE: THIS AGREEMENT DOES NOT REFER TO MINIMUM "DELIVERY" ORDERS. IF THE VENDOR HAS A STIPULATION CONCERNING A MINIMUM DELIVERY, PLEASE INDICATE BELOW).

Bob Barker Company

(Name of Company)

will commit to honor

a **minimum** number of ALL line items

or

a **minimum** delivery orders of N/A (weight, boxes, etc)

or

a total dollar value award of **not less than** \$ N/A.

We understand that if our total award amount is below the minimum number of line items, or minimum delivery orders, or total dollar value indicated above, our award items will be awarded to the next responsible, responsive bidder.

For the line items bid, we have completed the bid form to include the brand name and indicated package/unit sizes that differ from the specifications.

1. Question: "For items #92 and #93, can you provide clarification of flat or fitted needed?"

Answer: On the Pricing Pages, Line Items 92 and 93 will be Flat Sheets. The PRICING PAGES have been REVISED to reflect these changes. See the attached REVISED PRICING PAGES that must be submitted.

Part I	Taxpayer Identification Number (TIN)
---------------	---

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II	Certification
----------------	----------------------

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

EACH BIDDER WILL GIVE THE MINIMUM AWARD THEY ARE WILLING TO HONOR;
EITHER MINIMUM QUANTITY OF LINE ITEMS, OR MINIMUM DELIVERY ORDERS,

Bidders are required to supply this vital information to save time and delivery lags. If it is not beneficial for a vendor to accept an award under a certain quantity or dollar value, advance notice is required.

Vendors will be informed of line items awarded in writing. **Consequently, we will not call** to verify your acceptance of an award. A great deal of time and effort is utilized conferring with vendors to confirm if they will supply the goods bid. As a result, we have found that bidders who do not receive a substantial portion of a bid, decline to supply their awarded items. We must assume, by submitting a bid for a particular item(s), a vendor is responsible and responsive to supply said item(s). (If with all good intentions, bidder cannot supply the items awarded, it is the **responsibility of the bidder** to notify the City of Columbus.)

In addition, **we will not call** to verify unit sizes and brand names. The bid specifications ask for complete information, to include brand names, unit sizes, etc...(*Refer to paragraph titled "unit size" and paragraph titled "brand name")

(*PLEASE NOTE: THIS AGREEMENT DOES NOT REFER TO MINIMUM "DELIVERY" ORDERS. IF THE VENDOR HAS A STIPULATION CONCERNING A MINIMUM DELIVERY, PLEASE INDICATE BELOW).

Charm-Tex

(Name of Company)

will commit to honor

a minimum number of _____ line items

or

a minimum delivery orders of _____ (weight, boxes, etc)

or

a total dollar value award of not less than \$ _____.

We understand that if our total award amount is below the minimum number of line items, or minimum delivery orders, or total dollar value indicated above, our award items will be awarded to the next responsible, responsive bidder.

For the line items bid, we have completed the bid form to include the brand name and indicated package/unit sizes that differ from the specifications.

MINIMUM AWARD AGREEMENT

VENDORS ARE REQUIRED TO COMPLETE & RETURN THIS PAGE WITH BID

EACH BIDDER WILL GIVE THE MINIMUM AWARD THEY ARE WILLING TO HONOR;
EITHER MINIMUM QUANTITY OF LINE ITEMS, OR MINIMUM DELIVERY ORDERS,
OR MINIMUM DOLLAR VALUE.

Bidders are required to supply this vital information to save time and delivery lags. If it is not beneficial for a vendor to accept an award under a certain quantity or dollar value, advance notice is required.

Vendors will be informed of line items awarded in writing. **Consequently, we will not call** to verify your acceptance of an award. A great deal of time and effort is utilized conferring with vendors to confirm if they will supply the goods bid. As a result, we have found that bidders who do not receive a substantial portion of a bid, decline to supply their awarded items. We must assume, by submitting a bid for a particular item(s), a vendor is responsible and responsive to supply said item(s). (If with all good intentions, bidder cannot supply the items awarded, it is the **responsibility of the bidder** to notify the City of Columbus.)

In addition, **we will not call** to verify unit sizes and brand names. The bid specifications ask for complete information, to include brand names, unit sizes, etc...(*Refer to paragraph titled "unit size" and paragraph titled "brand name")

(*PLEASE NOTE: THIS AGREEMENT DOES NOT REFER TO MINIMUM "DELIVERY" ORDERS. IF THE VENDOR HAS A STIPULATION CONCERNING A MINIMUM DELIVERY, PLEASE INDICATE BELOW).

Victory Supply LLC

(Name of Company)

will commit to honor

a **minimum** number of _____ line items

or

a **minimum** delivery orders of _____ (weight, boxes, etc)

or

a total dollar value award of **not less than \$** 100.00.

We understand that if our total award amount is below the minimum number of line items, or minimum delivery orders, or total dollar value indicated above, our award items will be awarded to the next responsible, responsive bidder.

For the line items bid, we have completed the bid form to include the brand name and indicated package/unit sizes that differ from the specifications.

DEMANDSTAR SUBMISSION REQUIREMENTS

Due to the COVID-19 pandemic, the Purchasing Division is suspending the receipt of hard copies of sealed responses and public solicitation openings until further notice. Effective immediately, responses must be submitted via DemandStar.

There is no cost to submit responses electronically through DemandStar; you will only incur a fee if you opt to receive e-notifications directly from DemandStar. To receive future procurement notifications, you must register with the Team Georgia Marketplace at <http://doas.ga.gov/state-purchasing/suppliers/getting-started-as-a-supplier>.

Excluding responses to Requests for Proposals (RFP), a tabulation of responses will be available on DemandStar shortly after the solicitation closes. The Purchasing Division will also continue to post tabulations at https://www.columbusga.gov/finance/purchasing/docs/tabulations/bid_tabulations.htm.

Failure to submit electronic responses, via DemandStar, will result in the rejection of your response. Submittals received via U.S. Postal Service, FedEx, UPS, etc., will be returned unopened at the expense of the sender. The Purchasing Division will not accept hand-delivered submittals, and will immediately discard any submittal left in the reception area of the Finance Department.

Vendors are informed that the above subject Bid is hereby modified, corrected, or supplemented as specified, described and set forth in this Addendum:

1. Question: "For items #92 and #93, can you provide clarification of flat or fitted needed?"

Answer: On the Pricing Pages, Line Items 92 and 93 will be Flat Sheets. The PRICING PAGES have been REVISED to reflect these changes. See the attached REVISED PRICING PAGES that must be submitted.

2. Question: "On the pricing pages for the Trousers it says "Refer to Page 17". But page 17 is specs on Denim Jeans. For Women's Trousers it again says "Refer to Page 17". Elastic Waist Denim Jeans says "Refer to Page 18", but page 18 is specs for Shirts." There seems to be a mistake."

Answer: We apologize for the page number errors.
1) "Trousers" should refer to Page 16 and are "Suitable for both Men and Women" as noted under the title Trousers: JAIL.
2) "Inmate Pants" should refer to Page 16.
3) "Jeans" should refer to Page 17.
4) "Shirts" should refer to Page 19.

The PRICING PAGES have been REVISED to reflect these changes.
See the attached REVISED PRICING PAGES that must be submitted.

3. Question: "Are samples required with the bid submission?"

Answer: Please refer to General Specifications, Page 13, Section VIII:
A. Provide sample of proposed products as indicated on pricing pages and a sample of screen-printed undershirt, *depicting the typical quality and artwork the City can expect.*

GENERAL PROVISIONS

THESE GENERAL PROVISIONS SHALL BE DEEMED AS PART OF THE BID SPECIFICATIONS.

The provisions of the Procurement Ordinance for the Consolidated Government of Columbus, Georgia as adopted and amended by Council shall apply to all invitations for bids and award of all contracts and is specifically incorporated herein by this reference. A copy of the ordinance is on file in the Purchasing Division.

1. TERM "CITY". The term "City" as used throughout these documents will mean Consolidated Government of Columbus, Georgia.

2. PREPARATION OF FORM. Bid proposals shall be submitted on the forms provided by the City. All figures must be written in ink or typewritten. Figures written in pencil or erasures are not acceptable. However, mistakes may be crossed out, corrections inserted adjacent thereto, initialed in ink by the person signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Failure to properly sign forms, in ink, will render bid incomplete.

3. EXECUTION OF THE BID PROPOSAL. Execution of the bid proposal will indicate the bidder is familiar and in compliance with all local laws, regulations, ordinances, site inspections, licenses, dray tags, etc.

4. BID SUBMISSION. Bids must be submitted in a sealed envelope or package. The exterior of the envelope or package must reference the bidder's name and address, the bid number, bid title, and must indicate the contents represent a "bid" or "no bid" submission. Failure to properly identify the bid submission may result in rejection of the bid.

5. BID DUE DATE. The bid submission must arrive in the Purchasing Division on or before the stated due date and time. Upon receipt, bids will be time and date stamped. Bids will remain sealed and secured until the stated due date and time for the bid opening.

6. BID OPENING. The Purchasing Division Manager or Purchasing staff appointee will open bids. The bid amount and other pertinent information as determined by the Purchasing Division Manager will be read and recorded. The bids as recorded at the bid opening represent a draft tabulation and may include incorrect price extensions or transcription errors and are subject to change if conflicting information is discovered during analysis of the bid responses. A bid tabulation will be made available to bidders after extensions have been checked and all other specification compliance has been determined. **In the essence of time, bidders may not be allowed to review bids at the bid opening. However, bidders will be allowed to make appointments to review the bids at a later date.**

7. LATE BIDS. It is the responsibility of the bidder to ensure bids are submitted by the specified due date and time. Bids received after the stated date and time will be returned, unopened, to the bidder. The official clock to determine the date and time will be the time/date stamp located in the Finance Department. All bids received will be time and date stamped by the official clock. The City will not be held responsible for the late delivery of bids due to the U.S. Mail Service, or any other courier service.

8. RECEIPT OF ONE SEALED BID. In the event only one sealed bid is received, no formal bid opening shall take place. First, the Purchasing Division shall conduct a survey of vendors to inquire of "no bid" responses and non-responsive vendors. If, from the survey, it is determined by the Purchasing Division that specifications need revision, the one bid received will be returned, unopened, to the responding vendor, with a letter of explanation and a new bid solicitation prepared. If it is determined that other vendors need to be contacted, the bid due date will be extended, and the one bid received will remain sealed until the new bid opening date. The vendor submitting the single bid will receive a letter of explanation.

If it is determined the one bid received is from the only responsive, responsible bidder, then the bid shall be opened by the Purchasing Division Manager or designee, in the presence of at least one other witness. The single bid will be evaluated by the using agency for award recommendation.

9. RECEIPT OF TIE BIDS. In the event multiple responsive, responsible bidders are tied for the lowest price and all other terms and requirements are met by all tied bidders, the award recommendation shall be resolved in the order of the preferences listed below:

1. Award to the local bidder whose principal place of business is located in Columbus, Georgia.
2. Award to bidder previously awarded based on favorable prior experience.
3. Award to bidder whose principal place of business is located in the State of Georgia.
4. If feasible, divide the award equally among the bidders.
5. If it is not feasible to award equally and only two bidders are tied, perform a coin toss in the presence of the two bidders, either in person or virtually.
6. *If the above preferences are insufficient to resolve the tie, all bid responses will be rejected and the bid will be re-advertised.*

10. RECEIPT OF MULTIPLE BIDS. Unless otherwise stated in the bid specifications, the City will accept one and only one bid per vendor. Any unsolicited multiple bid(s) will not be considered. If prior to the bid opening, more

than one bid is received from the same vendor, the following will occur: (1) the bidder will be contacted and required to submit written acknowledgment of the bid to be considered; (2) the additional bid(s) will be returned to the bidder unopened. If at the bid opening more than one bid is enclosed in a single bid package, the City will consider the vendor non-responsive and bids will be returned to the bidder.

11. CONDITIONS AND PACKAGING. Unless otherwise defined in the bid specifications, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition, that all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.

12. FREIGHT/SHIPPING/HANDLING CHARGES. All freight, shipping, and handling charges shall be included in the bid price. The City will pay no additional charges.

13. CORRECTIONS OR WITHDRAWAL OF BID/CANCELLATION OF AWARDS. Corrections or withdrawals of inadvertently erroneous bids before or after bid opening, or cancellation of awards of contracts based on such bid mistakes may be permitted where appropriate. Mistakes discovered before bid opening may be modified or bid withdrawn by written notice received in the office of Purchasing prior to the time of the bid opening.

After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the City or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if the mistake is clearly evident, or if the bidder submits evidence, which clearly and convincingly demonstrates that a mistake was made. All decisions to permit corrections or withdrawals of bids or to cancel awards or contracts based on bid mistakes will be supported by the written determination of the Purchasing Officer.

14. ADDENDA AND INTERPRETATIONS. If it becomes necessary to revise any part of this bid, a written addendum will be provided to all bidders. The City is not bound by any oral representations, clarifications, or changes made to the written specifications by City employees, unless such clarification or change is provided to the bidders in written addendum form from the Purchasing Officer. Bidders will be required to acknowledge receipt of the addenda (if applicable) in their sealed bid proposal. The vendor may provide an initialed copy of each addendum or initial the appropriate area on the bid form (pricing page). Failure to acknowledge receipt of the addenda (when applicable) will render bid incomplete. **It is the bidder's responsibility to ensure that they have received all addenda.**

15. BID EVALUATION AND AWARD. During the evaluation of bids, the City reserves the right to request clarification of bid responses and to request the submission of references, if deemed necessary for a complete evaluation of bid responses. Award will be made to the responsive and responsible bidder whose bid is most economical according to criteria designated in the solicitation. The determination of the lowest responsive and responsible bidder may involve all or some of the following factors: prices, conformity to specifications, financial ability to meet the contract, previous performance, facilities and equipment, availability of repair parts, experience, delivery promise, terms of payment, compatibility as required, other cost, and other objective and accountable factors, if any, (which are further described in the specifications). The City shall be the judge of the factors and will make the award in the best interest of the City.

16. TIME FOR CONSIDERATION. Bids must remain in effect for at least sixty (60) days after date of receipt to allow for evaluation.

17. BID SECURITY AND PERFORMANCE BOND. Bid security (Bid Bond) shall be required for all competitive sealed bids for construction contracts when the price is estimated by the Purchasing Officer to exceed \$10,000. Bid security shall be a bond provided by a surety company authorized to do business in the State, or in the form of a certified check. Such bonds may also be required on construction contracts under \$10,000 or other procurement contracts when circumstances warrant. Bid security shall be in an amount equal to at least five percent (5%) of the bid amount. The City will accept a copy of a bid bond at the bid opening. However, if a copy of a bid bond is submitted, the bidder must submit to the Purchasing Division the identical original document within five (5) days after the bid opening. **If the original document is not received within the five (5) days, the bid will not be considered.**

When a construction contract is awarded in excess of \$25,000 the successful bidder will be required to furnish a **Performance Bond** executed by a surety company authorized to do business in the State. The performance bond shall be equal to one hundred percent (100%) of the price specified in the bid.

The invoice(s) shall reference the bid number (RFB No. 21-0021) and/or purchase order number.

X. TERMINATION OF CONTRACT

Default: If the contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Purchasing Division Director may notify the contractor in writing of the delay or non-performance and if not cured within ten (10) days or any longer time specified in writing by the Purchasing Division Director, such director may terminate the contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform.

In the event of termination in whole or in part the Purchasing Division Director may procure similar supplies or services, from other sources, in a manner and upon terms deemed appropriate by the Purchasing Division Director. The contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

Compensation: Payment for completed supplies delivered and accepted by the city shall be at the contract price. The City may withhold from amounts due the contractor such sums as the Purchasing Director deems to be necessary to protect the City against loss because of outstanding liens or claims of former lien holders and to reimburse the City for the excess costs incurred in procuring similar goods and services.

Excuse for Nonperformance or Delayed Performance: Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms, if the contractor has notified the Purchasing Division Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of public enemy; acts of the City and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed to be in default, unless the supplies or services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements.

Upon request of the contractor, the Purchasing Division Director shall ascertain the facts and extent of such failure, and, if such director determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly.

MINIMUM AWARD AGREEMENT

VENDORS ARE REQUIRED TO COMPLETE & RETURN THIS PAGE WITH BID

EACH BIDDER WILL GIVE THE MINIMUM AWARD THEY ARE WILLING TO HONOR;
EITHER MINIMUM QUANTITY OF LINE ITEMS, OR MINIMUM DELIVERY ORDERS,
OR MINIMUM DOLLAR VALUE.

Bidders are required to supply this vital information to save time and delivery lags. If it is not beneficial for a vendor to accept an award under a certain quantity or dollar value, advance notice is required.

Vendors will be informed of line items awarded in writing. **Consequently, we will not call** to verify your acceptance of an award. A great deal of time and effort is utilized conferring with vendors to confirm if they will supply the goods bid. As a result, we have found that bidders who do not receive a substantial portion of a bid, decline to supply their awarded items. We must assume, by submitting a bid for a particular item(s), a vendor is responsible and responsive to supply said item(s). (If with all good intentions, bidder cannot supply the items awarded, it is the **responsibility of the bidder** to notify the City of Columbus.)

In addition, **we will not call** to verify unit sizes and brand names. The bid specifications ask for complete information, to include brand names, unit sizes, etc... (*Refer to paragraph titled "unit size" and paragraph titled "brand name")

(*PLEASE NOTE: THIS AGREEMENT DOES NOT REFER TO MINIMUM "DELIVERY" ORDERS. IF THE VENDOR HAS A STIPULATION CONCERNING A MINIMUM DELIVERY, PLEASE INDICATE BELOW).

(Name of Company)

will commit to honor

a minimum number of _____ line items

or

a minimum delivery orders of _____ (weight, boxes, etc)

or

a total dollar value award of **not less than** \$ _____.

We understand that if our total award amount is below the minimum number of line items, or minimum delivery orders, or total dollar value indicated above, our award items will be awarded to the next responsible, responsive bidder.

For the line items bid, we have completed the bid form to include the brand name and indicated package/unit sizes that differ from the specifications.

DEMANDSTAR SUBMISSION REQUIREMENTS

Due to the COVID-19 pandemic, the Purchasing Division is suspending the receipt of hard copies of sealed responses and public solicitation openings until further notice. Effective immediately, responses must be submitted via DemandStar.

There is no cost to submit responses electronically through DemandStar; you will only incur a fee if you opt to receive e-notifications directly from DemandStar. Solicitations may be accessed thru the DemandStar link that is posted at https://www.columbusga.gov/finance/purchasing/docs/opportunities/Bid_Opportunities.htm. To receive future procurement notifications, you must register with the Team Georgia Marketplace at <http://doas.ga.gov/state-purchasing/suppliers/getting-started-as-a-supplier>.

Excluding responses to Requests for Proposals (RFP), a tabulation of responses will be available on DemandStar shortly after the solicitation closes. The Purchasing Division will also continue to post tabulations at https://www.columbusga.gov/finance/purchasing/docs/tabulations/bid_tabulations.htm.

Failure to submit electronic responses, via DemandStar, will result in the rejection of your response. Submittals received via U.S. Postal Service, FedEx, UPS, etc., will be returned unopened at the expense of the sender. The Purchasing Division will not accept hand-delivered submittals, and will immediately discard any submittal left in the reception area of the Finance Department.

Responding to an Electronic Bid

5 Step Instructions

Step 1

Many governments are moving toward requiring bid responses electronically. Here are the steps to respond to a bid Electronically.

- Click on the solicitation name

Step 2

Once you are in the solicitation, you will see the Bid Details page that is standard for all solicitations

- When you are ready to submit your bid, click on "Submit E-Bid Proposal"

[illegible]

Step 3

Enter information requested page-by-page and you can see what will come next via the menu bar on the left under "E-Bid Progress"

If there is not a total bid amount in your submission, please put "0"

Example: a request for qualifications opportunity may not require a bid amount so vendors will input "0" under "Bid Amount"

[illegible]

Step 4

After you click NEXT on the Contract Information page, you will be directed to enter the documents required.

Create one (1) file containing only the required documents listed on the "Electronic Proposal Submission Checklist" page of the specifications and upload using the "Bidder Response ALL Documents" function.

NOTE: Do not enter information using the "Supplemental Documents" function.

Due to file size limitations, please do not include the City's specification document in your uploaded response as this information is already on file. Font and page limitations may also apply.

BEST PRACTICE TIP: In some instances, multiple addenda may be issued for a solicitation. To avoid having to re-upload your firm's response file multiple times, it is **recommended** that vendors upload within five (5) business days of the due date. The City posts all documents, to include addenda, on the Finance Department Bid Opportunities web page:
https://www.columbusga.gov/finance/purchasing/docs/opportunities/Bid_Opportunities.htm.

Step 5

Review Your E-Bid Response, and if everything is correct, then press "Submit Response"

You are done! And the government to which you've submitted this will download your responses and documents and see the day and time upon which you submitted your proposal.
