**Additional Information:**

The property is 57 feet wide. Only 27 feet of the property would be usable if the third buffer option is chosen.

The applicant came forward and introduced himself as David Bone. He gave a brief description of what the use would be and how he would not touch the property and it would stay in the same condition. Commissioner Kinner asked if he would keep the fence and Mr. Bone indicated that he would. Chairperson mason asked if there was a motion. Franke Etheridge made a motion to approve as requested by applicant due to the consistency with current land uses. Commissioner Bollinger made a motion to second and the motion passed unanimously.

**4. ZONING CASES:**

**REZN-03-17-0412:** A request to amend the zoning Atlas of the Columbus Consolidated Government. Vincent A. Bell of Columbus, Georgia has submitted an application for text

amendment. The text amendment will allow banquet hall to be a permitted use within the RO (Residential Office) District.

Chairperson Mason read the case introduction and then asked staff to read their report (as shown below).

## PAC STAFF REPORT

REZN-03-17-0412

### Text Amendment to Change the UDO of Columbus Consolidated Government

Request to amend the text of the Unified Development Ordinance (UDO) in regards to The Permitted Use Table located within Table 3.1.1.

#### UNIFIED DEVELOPMENT ORDINANCE REVISIONS (Explanation of Revisions)

**Explanation of Revisions:** Changes the Permitted Use table 3.1.1 to allow Banquet Facility within RO zoning districts.

### Change for Permitted Use Districts for Banquet Facility

Commissioner Bollinger asked staff if this would alter the text and allow banquet facilities as a use on all RO zoned properties. Staff replied that it would. Commissioner Dudley asked how many properties would be affected. Staff replied that the number of 956 had not changed from the email provide a week before with the same question. Commissioner Brennan asked if this could be changed to a special exception use and forward the application. The applicant came forward

and introduced himself as Vincent Bell. He gave a brief description of what the site would be used for and indicated that hours of operation would not go over 12:30 a.m. including clean up time. He stated that if the venue was rented over 4 hours it would require security to be present. Commissioner Dudley asked why Mr. Bell had asked to change the text instead of altering the zoning. Mr. Bell replied that he had talked with the planning department and they had suggested that this course of action would be best. Mr. Johnson came forward and spoke to the rezoning of why staff had requested that this be the course of action taken. The Commissioners discussed how a text change did not have the same notification process as a special exception use request and that they would be more comfortable with this change. Commissioner Brannan made a motion to approve the request but changed to a Special exception use instead of a permitted use. Commissioner Kinner made a motion to second and the motion passed unanimously.

report (as shown below).

**Subject: (EXCP-03-17-0598) Special Exception Use request to allow for personal care home type III located at 1300 18<sup>th</sup> Street, Columbus, Georgia.**

Phillip Psalmond has submitted an application for the Special Exception Use cited above. The property is located in a SFR1 (Single Family Residential 1) zoning district. The site for the proposed Personal Care Home type III is located at 1300 18<sup>th</sup> Street.

**(1) Access: Is or will the type of street providing access to the use be adequate to serve the proposed special exception use?**

18<sup>th</sup> Street will provide adequate access for a personal care home type III. This section of 18<sup>th</sup> Street in a two land local road with pedestrian sidewalks.

**(2) Traffic and Pedestrian Safety : Is or will access into and out of the property be adequate to provide for traffic and pedestrian safety, the anticipated volume of the traffic flow, and access by emergency vehicles?**

Access into and out of the property in question will provide for adequate traffic and pedestrian safety. Emergency vehicles will have adequate access to the principal structure and accessory use.

**(3) Adequacy of Public Facilities: Are or will public facilities such as school, water, or sewer utilities and police and fire protection be adequate to serve the special exception use?**

Services such as water, sewer, utilities, police, and fire protection will be adequate and serve the proposed use at this location.

**(4) Protection from Adverse Affects: Are or will refuse, service, parking and loading areas on the property be located or screened to protect other properties in the area from such adverse effects as noise, light, glare or odor?**

The property is surrounded by RMF1 and GC uses. Parking service and refuse should be adequate and provided as stated within the UDO. Noise, light, glare and odor should be limited due to the nature of the location. The only concern will be the intensity of density within a predominately single family residential like setting.

**(5) Hours of Operation: Will the hours and manner of operation of the special exception use have no adverse effects on other properties in the area?**

The hours of operation for this use will not have an adverse impact on the neighboring properties in the area.

**(6) Compatibility: Will the height, size, or location of the buildings or other structures on the property be compatible with the height, size, character, or location of buildings or other structures on neighboring properties?**

**Additional Information:**

None.

Commissioners Reese, Etheridge and Brannan requested themselves from the meeting stating that they were on the Board of Midtown Inc. Midtown Inc., had stated to staff that they had reservation about the project. The applicant came forward and introduced himself as Phillip Psalmond. He indicated that the personal care home had been approved for 12 occupants. Commissioner Greenblatt asked if he was requesting a type two or type three and he indicated that it would be a type two. Commissioner Greenblatt asked staff why the staff report showed a type three and the agenda had a type two. Staff replied that at the time of submittal Mr. Psalmond had not received his occupancy rating from the fire Marshals Office and that he had asked for a type three. When the rating came back he had adjusted it to a type two. The staff report was uploaded to the sharepoint site before this information was supplied to staff. The capacity would be determined by the Fire Marshal. There being no opposition or support the chair asked if there was a motion. Commissioner Greenblatt made a motion to approve due to the consistency with current land uses. Commissioner Davis made a motion to second and the motion passed unanimously.
