

# City of Columbus ARP Utility Assistance Program

In partnership with Columbus Consolidated Government, Enrichment Services Program, Inc. will be providing one time utility assistance to income eligible households!

To be eligible for ARP Utility Assistance Program funds issued through Enrichment Services, the family's income must be less than or equal to 80% of the Columbus Metro FMR area median income for a Georgia family.

For a household of 4 the maximum income is \$57,200 per year.

Assistance will be provided by appointment only. Appointments can be made by visiting [www.enrichmentservices.org](http://www.enrichmentservices.org) and clicking on the link for energy assistance or by calling the automated appointment line at 706-940-4033 beginning on Monday, August 14, 2023 at 8:00 a.m.

For general information about the program including FAQ's visit [www.enrichmentservices.org](http://www.enrichmentservices.org) and click on the link for "ARP Utility Assistance Program Information"
