RE: Transportation Improvement Program 2018-2021 – P.I. 0015287 – Mott's Green Plaza

Dear Mr. Rogers:

The Columbus-Phenix City MPO is requesting a reduction for funds allocated to the Construction Phase of this project from \$800,000.00 to \$748,000.00. Attached is the latest Cost Estimate from the Consulting Firm, Hecht-Burdeshaw that the City of Columbus hired to perform the PE Phase of this project. We have made the following amendment to our Columbus-Phenix City MPO 2018-2021 (PC Approved) Transportation Improvement Program (TIP).

Update the funding for P.I. 0015287 – Mott's Green Plaza for construction from \$800,000 (\$640,000 Fed & \$160,000 Local) to \$748,000 (\$598,400 Fed & \$149,600 Local).

This requested change falls under the "administrative modification" guidelines in the STIP/TIP Amendment Process and does not require a public comment period or re-adoption of the document. The amended 2018-2021 TIP will be made available on our website at www.columbusga.org/planning.

Please contact me if you have any questions.

Sincerely,

Rick Jones, AICP
Director of Planning
