Dear Mr. Rogers:

In response to a request from the Georgia Department of Transportation, we have made the following amendment to our Columbus-Phenix City MPO 2018-2021 (PCC Approved) Transportation Improvement Program (TIP).

The Columbus-Phenix City Transportation Study MPO has made minor correction to an amendment completed by the MPO and approved by the Policy Coordinating Committee on April 16, 2019. The amount of PE listed on this amendment was \$560,961.00.

- P.I. No. 0015285 – Infantry Road & Follow Me Trail Extension. The total amount of PE funds should be \$560,916.00 (\$448,732.80 Federal & \$112,183.20 Local).

The requested change fall under the “administrative modification” guidelines in the STIP/TIP amendment process and does not require a public comment period or re-adoption of the document. The amended 2018-2021 TIP will be made available on our website at [www.columbusga.org/planning](http://www.columbusga.org/planning).
