RE: P.I. 0017138 – Military Drive

Dear Ms. Bickers

The Columbus-Phenix City MPO is requesting an increase of \$279,987.46 for the Engineering/Design Phase of this project. Currently the funding for the PE Phase is \$240,000.00.

Update the funding for P.I. 0017138 – Military Drive for PE from \$240,000.00 (\$192,000.00 Fed & \$48,000.00 Local) to \$519,987.46 (\$415,989.97 Fed & \$103,997.49 Local). The additional funding will utilize the MPO's Z230 funds.

This requested change falls under the "administrative modification" guidelines in the STIP/TIP Amendment Process and does not require a public comment period or re-adoption of the document. The funding for PE was authorized in 2021, therefore the 2021-2024 Transportation Improvement Program will be amended to reflect this increase in funding.

Please contact me if you have any questions.

Sincerely,

Lynda Temples
